

Postal Voting Information

Before you complete this form please read the information below:

- A Postal Vote means that instead of going in person to a polling station to vote, the ballot paper will be sent to you by post for your completion and return.
- Please note that once you have a Postal Vote you will be unable to vote in person at a polling station as the register will have a mark against your name indicating that you have already been issued with a ballot paper.
- When returning your ballot paper you will be required to sign a Postal Vote Statement and enter your date of birth. If this is not returned or completed correctly it will invalidate your vote.
- You will be sent an acknowledgement once your application has been accepted.
- Your postal vote will be sent out to you 11 days before the election is held and you must make sure that it arrives back to us by Election Day.

If you need any further clarification on any of this information, please call Electoral Services on 023 8083 2245 and we will be happy to help you.
