save £s
on energy
bills

If you have little or no insulation in your home, up to **40p in every £1** of heat you pay for could be escaping before you feel warm. Hold this thought. You can fix this. By fully insulating your home you can **easily save £100 or more** on your annual heating bills.

improve
your home
comfort

Insulation will help your home stay **warmer in winter** and cooler on hot summer days. It can make your home feel more comfortable and **welcoming** and help you to stay warm and **well**. Insulating a home is a straightforward, inexpensive job. Insulation really helps to keep the warmth you pay for in your home - where it belongs.

help
protect the
environment

We can slow down the effects of climate change by burning less fuel. It takes **less fuel** to keep a well insulated home warm.

If you are over 70, or in receipt of certain income related benefits, you may qualify for **100% grants**.

£69 Offer*

- Standard price is £69 for loft and £69 for cavity wall insulation. This is thanks to funding from the Council
- Choice of installers. Free no-obligation survey
- Apply on-line at cocoonyourhome.co.uk/southampton or call 0800 8048 777 (Mon-Fri, 9am-5pm)

* Normally £150 - £500. Offer subject to funding and survey. You may have to pay more if your property is larger than average for the number of bedrooms, or access to walls or loft is restricted or extra vents are required.

“excellent advice...”
