

# Tailored Pest Control

In addition to the standard pest control packages, there is also the option of taking advantage of our service's in house expertise. Our team of expert staff would be happy to discuss your specific needs and develop a package tailored to your needs.

Southampton City Council's Pest Control Service is in a position to offer and supply specific treatment for a whole range of pests including: -

- rats
- mice
- pigeons (& other birds)
- cockroaches (various)
- fleas (various)
- flies (various)
- carpet beetles
- hide beetles
- moths (various)
- ants (various)
- wasps (various)
- bees (various)
- live trapping

The service can also provide comprehensive proofing measures to prevent problems with pests from occurring, in particular anti roosting measures to deter flocks of birds.

The pest control staff are happy to offer free no obligation survey's and quotations.
