

DECISION TITLE

Learning Disability Residential Homes Future Options

DECISION DETAILS/DESCRIPTION

To consider the report of the Director Quality and Integration detailing future options for two learning disability residential care homes. The homes are Seagarth Lane and Orchard Mews and are currently registered with the Care Quality Commission (CQC) as residential homes. There are eleven service users in total, within the two homes, all of whom have learning disabilities. The current service is provided by Dimensions through a block contract with the City Council.

The options for consideration are:

1. For the homes to deregister and become supported living
2. For the homes to remain as residential care homes and go through a tender process to be re-procured.

Option 1 to deregister the homes and become supported living is the recommended option.
