Only those items listed on the attached agenda may be considered at this meeting.

### **Rules of Procedure**

The meeting is governed by the Council Procedure Rules as set out in Part 4 of the Constitution.

### **Quorum 3**

### **Disclosure of Interests**

Members are required to disclose, in accordance with the Members' Code of Conduct, **both** the existence **and** nature of any "personal" or "prejudicial" interests they may have in relation to matters for consideration on this Agenda.

### **Personal Interests**

A Member must regard himself or herself as having a personal interest in any matter

- (i) if the matter relates to an interest in the Member's register of interests; or
- (ii) if a decision upon a matter might reasonably be regarded as affecting to a greater extent than other Council Tax payers, ratepayers and inhabitants of the District, the wellbeing or financial position of himself or herself, a relative or a friend or:-
  - (a) any employment or business carried on by such person;
  - (b) any person who employs or has appointed such a person, any firm in which such a person is a partner, or any company of which such a person is a director;
  - (c) any corporate body in which such a person has a beneficial interest in a class of securities exceeding the nominal value of £5,000; or

A Member must disclose a personal interest.

Continued/.....

## **Prejudicial Interests**

Having identified a personal interest, a Member must consider whether a member of the public with knowledge of the relevant facts would reasonably think that the interest was so significant and particular that it could prejudice that Member's judgement of the public interest. If that is the case, the interest must be regarded as "prejudicial" and the Member must disclose the interest and withdraw from the meeting room during discussion on the item.

It should be noted that a prejudicial interest may apply to part or the whole of an item.

Where there are a series of inter-related financial or resource matters, with a limited resource available, under consideration a prejudicial interest in one matter relating to that resource may lead to a member being excluded from considering the other matters relating to that same limited resource.

There are some limited exceptions.

Note: Members are encouraged to seek advice from the Monitoring Officer or his staff in Democratic Services if they have any problems or concerns in relation to the above.

## **Principles of Decision Making**

All decisions of the Council will be made in accordance with the following principles:-

- proportionality (i.e. the action must be proportionate to the desired outcome);
- due consultation and the taking of professional advice from officers;
- respect for human rights;
- a presumption in favour of openness, accountability and transparency;
- setting out what options have been considered;
- setting out reasons for the decision; and
- clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- leave out of account irrelevant considerations;
- act for a proper purpose, exercising its powers for the public good;
- not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
- act with procedural propriety in accordance with the rules of fairness.

Recordings from the system shall be of a quality acceptable as evidence in a court of law and shall be securely retained at the licensed premises for a minimum period of 30 days after the recording, and shall be surrendered to Hampshire Constabulary, the Licensing Authority or Trading Standards immediately on request.

## REASON FOR DECISION

The Sub-Committee gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance and the adopted Statement of Licensing Policy and considered fully all representations made by all the parties and were of the view that the imposition of the conditions as requested by Trading Standards and as amended and set out above be attached to the licence to ensure the City Council's licensing objectives were fulfilled.

With regard the suspension of the licence the Sub-Committee were of the view that it would enable sufficient time to ensure that the above conditions were instigated to the satisfaction of Hampshire Constabulary and Trading Standards and act as a deterrent as it was clear that the changes and improvements in the operation of the premises that had taken place to date were as a result of this pending review.

51. **APPLICATION FOR REVIEW OF PREMISES LICENCE - POUND XTRA, 106 ST. MARYS ROAD, SOUTHAMPTON, SO14 0AN**

The Sub-Committee considered the report of the Solicitor to the Council detailing an application from Trading Standards to review the premises licence in respect of Pound Xtra, 106 St. Marys Road, Southampton, SO14 0AN. (Copy of report circulated with agenda and appended to signed minutes).

Mr Alen, premises licence holder and owner was present and, with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with Licensing Act 2003 (Hearings) Regulations 2005.

### **RESOLVED**

- (iii). that the licence allowing the sale of alcohol at the premises be suspended for a period of three months as a deterrent and to allow time to instigate the additional conditions as set out in (ii) below; and
- (iv). that the following additional conditions as requested by Trading Standards be attached to the licence:-
  1. A CCTV system shall be installed and maintained in the licensed premises to the satisfaction of the Licensing Authority, Hampshire Constabulary and Trading Standards. As a minimum, it shall enable surveillance of both external and internal areas of the premises including entrances and exits. Recordings from the system shall be of a quality acceptable as evidence in a court of law and shall be securely retained at the licensed premises for a minimum period of 30 days after the recording, and shall be surrendered to Hampshire Constabulary, the Licensing Authority or Trading Standards immediately on request. The premises licence holder and staff must be capable of operating the CCTV system;

These details must be available on request to responsible authorities within 24 hours. The premises licence holder must be able to identify who supplied alcohol and cigarettes present at his premises;

3. The holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce a means of identification acceptable to the Licensing Authority proving that the individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person. Notices regarding the stores 'Challenge 25 Policy must be displayed;
4. All staff who sell alcohol will be trained to NCPLH (National Certificate of Personnel Licence Holder) level. All sales of alcohol must be directly supervised and authorised by a personal licence holder until such staff have achieved training to NCPLH level;
5. That staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; that are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records, signed and dated by the member of staff, are kept of this refresher training. Records of training will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other Responsible Authorities on request; and
6. The holder of the premises licence shall keep a written record of those incidents where a person who a member of staff believes to be under the age of 18, and is unable to produce acceptable means of identification proving they are of 18 years or more, attempts to purchase alcohol and is refused. The record shall include details, in English, of the date, time, a brief description, including estimated age, of the person who attempted to purchase the alcohol, the type of alcohol and the name of the person who refused the sale. Staff shall be trained in the use of the 'refusals book' and it should be kept in a readily accessible place known by all members of staff. The record will be regularly checked by the premises licence holder or designated premises supervisor to ensure that all staff are completing records and, and this person will sign and date the record as evidence that they have checked it. The refusals book will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other relevant authorities on request.

## REASON FOR DECISION

The Sub-Committee gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance and the adopted Statement of Licensing Policy and considered fully all representations made by all the parties and were of the view that the imposition of the conditions as requested by Trading Standards and as amended and set out above be attached to the licence to ensure the City Council's licensing objectives were fulfilled.

With regard the suspension of the licence the Sub-Committee were of the view that the explanation by the licence holder of what had occurred was totally unsatisfactory and the Sub-Committee had grave concerns. The Sub-Committee were of the view that it was fortunate that the implications of the sale of the counterfeit vodka could have resulted in more serious consequences. The Sub-Committee noted that revocation of the licence had not been requested by Trading Standards, although they had seriously consider that course of action. The Sub-Committee, however, were of the view that the three month suspension would act as a deterrent.

LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE  
MINUTES OF THE MEETING HELD ON 13 JANUARY 2011

---

Present: Councillors Drake, Parnell and Osmond

Apologies: Councillor Thomas

53. **ELECTION OF CHAIR**

**RESOLVED** that Councillor Parnell be appointed Chair for the purposes of this meeting.

54. **APOLOGIES AND CHANGES IN MEMBERSHIP (IF ANY)**

55. **EXCLUSION OF THE PRESS AND PUBLIC**

**RESOLVED** that in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 that the press and public be excluded at a pre-determined point whilst the Sub-Committee reach its decision.

56. **APPLICATION FOR A PREMISES LICENCE - HOLLYOAK STORES, 25-33 HOLLYOAK ROAD, SOUTHAMPTON SO16 5GB**

The Sub-Committee considered the report of the Solicitor to the Council detailing an application from Hampshire Constabulary to review the premises licence in respect of Hollyoak Stores, 25-33 Hollyoak Road, Southampton SO16 5GB. (Copy of report circulated with agenda and appended to signed minutes).

Mr Bhakar (Applicant), Mr Kirk (Counsel for Applicant) and Mrs Brazil (Objector / Local Resident) and PC Harris, PC Prior and PC Dawson (Hants Constabulary) were present and, with the consent of the Chair, addressed the meeting.

The Sub-Committee noted the additional evidence submitted by the applicant and by Hampshire Constabulary.

The Sub-Committee considered the decision in confidential session in accordance with Licensing Act 2003 (Hearings) Regulations 2005.

After carefully considering all representations made by the applicant, Hampshire Constabulary and local residents, both written and oral, and giving due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance and the adopted Statement of Licensing Policy; the Sub-Committee was satisfied that the application for a Premises Licence should not be granted.

**RESOLVED** that the application be refused.

### REASON FOR DECISION

The Sub-Committee was satisfied that a grant of the premises licence would likely lead to the Licensing Objectives being undermined, particularly crime and disorder and public nuisance and the prevention thereof.

It attached due weight to all of the evidence and accepted that the Police evidence relating to the previous licence was now dated and applied to another individual. Nonetheless it was not satisfied that the current proposals would be sufficient to prevent a likely recurrence of past problems and an extension of the existing issues. Likewise due weight was attached to the survey produced by the applicant which showed a commercial demand but was limited by those signing failing to provide an address.

The evidence of residents was clearly that the position had improved since the previous licence was surrendered. The location of other premises and their operating methods was carefully borne in mind whilst making the decision. However, the Sub-Committee found that an additional premises, and more particularly in this location, would lead to an increase in the issues evidenced irrespective of whether the controls put in place were greater than those exercised elsewhere. It was the Sub-Committee's view that the evidence of the Police and residents has established that no condition or restriction could satisfactorily cover or mitigate the risk posed to the Licensing Objectives.

Human Rights legislation was taken into account with regards to the impact upon all parties of the decision.

## RECOMMENDATION

The Sub-Committee recommended that the applicant explore and implement plans to sell food until the opening hours permitted allow.

## REASONS FOR DECISION

The Sub-Committee considered the application to vary the existing premises licence at Pop Bar in detail. It gave due regard to the Licensing Act 2003, the Licensing objectives, statutory guidance and the adopted statement of licensing policy, and in particular the Cumulative Impact Policy.

It noted that the applicant had, following negotiation, amended the application and proposed reduced hours and additional conditions.

The Sub-Committee had very carefully considered all the evidence, both written and oral, and in light of such decided that the application should be granted in the terms sought (as amended) and subject to an amendment to the condition regarding glasses and bottles requiring that all drinks be decanted if necessary, but in all cases served in polycarbonate vessels (or other type if agreed in writing with the Police) after midnight, seven days a week.

The Sub-Committee, under the terms of the Cumulative Impact Policy, had also given very careful consideration to whether the additional half an hour would on the balance of probabilities, lead to an increase to the factors causing the stress already identified; further, whether the applicant had done sufficient to show the same. Whilst it accepted that the Policy states that the quality of management and associated factors ought not to be taken into consideration, it felt that in this instance sufficient evidence had been presented to allow and warrant a departure from that policy. The Sub-Committee did not feel an additional half an hour, given the nature of the conditions presented, the exceptional management practices proposed and the clientele the premises intends to cater for, would lead to an increase in the disorder issues.

61. **APPLICATION FOR A REVIEW OF A PREMISES LICENCE - R&J BEERS AND WINE, 300 SHIRLEY ROAD, FREEMANTLE, SO15 3HL**

The Sub-Committee considered the report of the Solicitor to the Council detailing an application from Hampshire Constabulary to review a premises licence in respect of R&J Beers and Wine, 300 Shirley Road, Freemantle, SO15 3HL. (Copy of report circulated with agenda and appended to signed minutes).

Mr Rathor (Licence Holder) was present and, with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with Licensing Act 2003 (Hearings) Regulations 2005.

**RESOLVED** that the licence allowing the sale of alcohol at the premises be revoked.

## REASON FOR DECISION

The Sub-Committee carefully considered the application for review of the premises licence at R&J Beers and Wine and gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance and the adopted Statement of Licensing

Policy, the Sub-Committee. It fully considered all representations made by all the parties both written and oral.

Whilst the Sub-Committee noted that Trading Standards had requested a suspension of the licence with conditions, the Sub-Committee was not satisfied that a suspension with conditions would satisfactorily address the Licensing Objectives. The Sub-Committee were of the view that the risk to public safety of selling counterfeit alcohol when combined with the evasion of payment of Duty was so serious that it decided to revoke the licence. It further considered the evidence relating to under-ages sales of alcohol which also contributed to the decision.

The Sub-Committee heard evidence that the Premise Licence Holder did not intend to continue to trade at the premises but accepted legal advice that this not be taken into account when reaching its decision.

62. **APPLICATION FOR A PREMISES LICENCE - LIQUID, 69 BEDFORD PLACE, SO15 2DS**

The Sub-Committee considered the report of the Solicitor to the Council detailing an application for a premises licence in respect of Liquid, 69 Bedford Place, SO15 2DS. (Copy of report circulated with agenda and appended to signed minutes).

Mr Ranjit Singh and Mr Rajinderpal Singh (Applicants) were present and, with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with Licensing Act 2003 (Hearings) Regulations 2005.

**RESOLVED** that the application for a premises licence in respect of Liquid, 69 Bedford Place, SO15 2DS be refused.

**REASON FOR DECISION**

The Sub-Committee carefully considered the application for a premises licence at Liquid, 69 Bedford Place. It gave due regard to all representations made, both written and oral, the Licensing Act 2003, the Licensing Objectives, statutory guidance, the adopted Statement of Licensing Policy and the Cumulative Impact Policy.

The Sub-Committee took into account that the applicant had negotiated with the Police, agreed conditions and that no responsible authority had made representations.

In light of all the evidence, the Sub-Committee decided to refuse the application.

The Sub-Committee did not take into consideration those parts of representations that related to commercial need or the identity of the area (in business terms) and restricted its consideration to the licensing objectives only. It was satisfied that an over saturation within the area was leading to the issues identified and had lead to the implementation of the Cumulative Impact Policy. An additional premise in this area in particular, was likely to lead to an increase in, or addition to, these problems.

The Sub-Committee stated the decision was in no way a reflection upon the professionalism or quality of the application.

63. **VARIATION APPLICATION FOR PREMISES LICENCE - DPS VARIATION - NIGHT REFRESHMENT, UNIT K5, LINERS INDUSTRIAL ESTATE, PITT ROAD, SO15 3FQ**

The Sub-Committee considered the report of the Solicitor to the Council detailing an application to vary a premises licence to specify an individual as designated premises supervisor in respect of Night Refreshment - Unit K5, Liners Industrial Estate, Pitt Road, SO15 3FQ. (Copy of report circulated with agenda and appended to signed minutes).

The Sub-Committee noted that whilst a representative from Hampshire Constabulary was in attendance, the applicant was not present to address the meeting.

**RESOLVED** that the hearing be adjourned to the 10<sup>th</sup> February 2011 to allow the applicant the opportunity to address the meeting.

**REASON FOR DECISION**

The Sub-Committee considered that in the interests of natural justice, the applicant should be given the opportunity to address the meeting and therefore decided that the hearing be adjourned.

The Sub-Committee considered the report of the Solicitor to the Council detailing an application from Trading Standards for a review of the premises licence in respect of the London Off Licence 2, 27 St Catherine's Road, Southampton SO18 1LL. (Copy of report circulated with agenda and appended to signed minutes).

Mr Hudson, Dorset Licensing Agent for the London Off Licence 2, Mr I Ekinci, Licence Holder and Mr O Ekinci, Designated Premises Supervisor were present and, with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with Licensing Act 2003 (Hearings) Regulations 2005.

**RESOLVED**

- (i). that the licence allowing the sale of alcohol at the premises be suspended for a period of 14 days as a deterrent and to allow time to instigate all of the additional conditions as set out in (ii) below; and
- (ii). that the following additional conditions as requested by Trading Standards save that condition No 1 to be replaced by the alternative condition suggested by the Licence Holder as amended as set out below be attached to the licence:-
  1. The Premises Licence Holder must be able to identify who supplied alcohol present at the premises and supply written details (including name, address, telephone number of supplier, date of supply and price paid) to an authorised officer within 24 hours of receiving a request to do so. Delivery notes, invoices, receipts and similar records should be retained for a minimum period of 24 months and made available on request to an authorised officer;
  2. The holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to

purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the Licensing Authority proving that the individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person. Notices regarding the store's 'Challenge 25 Policy' must be displayed;

3. All staff who sell alcohol will be trained to NCPLH (National Certificate of Personal Licence Holder) level. All sales of alcohol must be directly supervised and authorised by a personal licence holder until such staff have achieved training to NCPLH level;
4. That staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records, signed and dated by the member of staff, are kept of this refresher training. Records of training will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other Responsible Authorities on request;
5. The holder of the premises licence shall keep a written record, namely a refusals book, of those incidents where a person who a member of staff believes to be under the age of 18, and is unable to produce acceptable means of identification proving that they are of 18 years or more, attempts to purchase alcohol and is refused. The record shall include details, in English, of the date, time, a brief description, including estimated age, of the person who attempted to purchase the alcohol, the type of alcohol and the name of the person who refused the sale. Staff shall be trained in the use of the 'refusals book' and it should be kept in a readily accessible place known by all members of staff. The record will be regularly checked by the premises licence holder or the designated premises supervisor to ensure that all staff are completing records and, this person will sign and date the record as evidence that they have checked it. The refusals book will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other relevant authorities on request; and
6. A CCTV system shall be installed and maintained in the licensed premises to the satisfaction of the Licensing Authority, Hampshire Constabulary and Trading Standards. As a minimum, it shall enable surveillance of both external and internal areas of the premises including entrances and exits. Recordings from the system shall be of a quality acceptable as evidence in a court of law and shall be securely retained at the licensed premises for a minimum period of 30 days after the recording, and shall be surrendered to Hampshire Constabulary, the Licensing Authority or Trading Standards immediately on request. The Premises Licence Holder and staff must be capable of operating the CCTV system.

(iii) that the request by the Licence Holder for the removal of the embedded conditions attached to the Licence be refused.

## REASON FOR DECISION

The Sub-Committee gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance and the adopted Statement of Licensing Policy and considered fully all representations made by all the parties and were of the view that the imposition of the conditions as requested by Trading Standards and as amended and set out above be attached to the licence to ensure the City Council's licensing objectives were fulfilled.

With regard the suspension of the licence the Sub-Committee was of the view that it would act as a deterrent and enable sufficient time to ensure that the above conditions were fully instigated to the satisfaction of Hampshire Constabulary and Trading Standards. The Sub-Committee was satisfied that this was an isolated incident at these premises and took account of the licence holder's regret that it had occurred.

However, the Sub-Committee had considerable concern regarding the increasing incidents of selling of counterfeit alcohol from licensed premises in the City and the effect that it may well have upon public health.

### ***Legal Implications***

1. Part 3 of the Licensing Act 2003 provides that a responsible authority of a resident or business in the vicinity (interested party) may apply for review of a premises licence.
2. The grounds of review applications must relate to one or more of the licensing objectives.
3. In such circumstances, the applicant for the review must serve a copy of the review application on the holder of the premises licences, the City Council and each of the responsible authorities.
4. On receipt of the application for review, the officers will consider its validity, under delegated powers. Reasons for rejection, in whole or in part, include:
  - that the grounds for review are not relevant to one of more of the licensing objectives and;
  - (in the case of an application not made by a responsible authority), that the application is frivolous, vexatious or repetitious.
5. The City Council must, within one day of receiving the application for review, display a prescribed notice of the review application on the outside or adjacent the premises;

6. Unless the applicant, licence holder, interested parties and responsible authorities agree that a hearing is unnecessary, the City Council is then required to hold a hearing to consider the review.
7. The sub-committee, in considering the application for review, must have regard to the adopted Statement of Licensing Policy and evidence before it at the hearing.
8. The Licensing Act 2003 provides that, in determining an application for review, the sub-committee may take any (or none) of the following steps, as it considers necessary:
  - modify the conditions of the licence;
  - exclude a licensable activity from the scope of the licence;
  - remove the designated premises supervisor;
  - suspend the licence for a period not exceeding three months;
  - revoke the licence.
9. The Licensing Act 2003 makes provision for appeal to the Southampton Magistrates' Court against the sub-committee's decision in relation to an application for review.
10. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
11. Copies of the application for review and the Police objection are annexed to this report.
12. The sub-committee must also have regard to:-
13. *Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
14. *Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

The Prevention of Crime and Disorder  
Public Safety

On 4<sup>th</sup> November 2010, during an inspection at Georges, 6 Athelstan Rd, Southampton I found counterfeit and non-Uk duty paid vodka in possession for sale.

Counterfeit vodka has increasingly been found by Trading Standards Officers around the country. It is often produced from industrial alcohol which is imported into the UK. It is diluted and packed in bottles which are copies of a variety of brands. Clearly controls over the quality of the product are not as strict as would be found at a distillery producing the genuine product, and issues have been reported regarding excessive levels of methanol being present, which is poisonous.

Paragraph 11.26 of the October 2010 Amended Guidance Issued Under Section 182 of the Licensing Act 2003 states that "there is certain criminal activity that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously." Which includes "the use of the licensed premises for the sale of smuggled tobacco and alcohol". Appropriate duty would not have been paid on the vodka.

It is considered that the holder of the premises licence has not fulfilled the duty under the Licensing Act 2003 to prevent crime and disorder and to protect public safety. We are therefore applying to revoke the licence.

In the supporting information we give more details and state the reasons for the request for revocation.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

On 4<sup>th</sup> November 2010 I conducted an inspection at Georges, 6 Athelstan Road, Southampton. I targeted Georges because I had previously found counterfeit vodka at a premises associated with the family involved in Georges, namely London Off Licence 2, 27 St Catherines Rd, Bitterne. In brief Ozgur Ekinci is the Premises Licence Holder at Georges and is the Designated Premises Supervisor at Georges and London Off Licence 2. He is also a director of the company which trades as London Off Licence 2.

During the inspection I examined five 70cl bottle of Glen's brand vodka which were displayed for sale behind the counter. I believed that they were counterfeit so I took one as a food sample, reference 012106, (exhibit LDM/1) and the remaining 4 bottles, which were identically marked (exhibit LDM/2). I found a case of 6 identically labelled bottles of Glens Vodka in the store room, which I seized (exhibit LDM/3). The public analyst subsequently confirmed that vodka sampled was not genuine Glen's Vodka (Certificate of Analysis exhibit LDM/7). I also found 4 bottles of Lithuanian Vodka, displayed for sale behind the counter, which did not bear the UK Duty Stamp. I took one bottle as exhibit LDM/6.

On 3<sup>rd</sup> December 2010 I conducted an audio recorded interview with Ozgur Ekinci (CD exhibit LDM/8). Mr Ekinci stated that he has been offered Glen's vodka by hawkers from vans, however he had not purchased any. He said that he only buys from wholesalers, such as Bookers, Eastenders Cash & Carry and Batleys. It is unlikely that these businesses would sell counterfeit vodka. Mr Ekinci stated that the counterfeit vodka had originated from 3 cases which he had inherited from the previous business owner, when he took over in January 2010. I doubt whether 3 cases of Glens would have lasted this long and would assume that Mr Ekinci had bought the counterfeit vodka since then: from the receipts which I have seen (exhibits LDM/5 and LDM/9) Glen's vodka appears to be a regular purchase, and I would therefore assume, a good seller. Mr Ekinci confirmed that he knew the potential dangers of drinking counterfeit vodka, and that I had previously advised him regarding identification of counterfeit spirits. He said that he had not started checking the stock in Georges and had not obtained a UV light to check the duty stamps. He also claimed that he had inherited the non-UK duty paid Lithuanian vodka from the previous owners of Georges. He said that he did not know that he could not sell it. This should be basic knowledge for a Premises Licence Holder, and it is extremely easy to check whether a spirit is not UK duty paid.

Incidents of poisoning following consumption of counterfeit vodka have been reported occurring across the UK. I have appended a report which appeared in the BBC News regarding counterfeit Glens Vodka which caused two people to require hospital treatment following consumption. It is not acceptable that a premises licenced by this Authority should become a market place for such goods. Sale of counterfeit and non duty paid alcohol also creates unfair competition, which has a negative impact on law abiding traders. I had given Ozgur Ekinci advice regarding the potential health problems caused by counterfeit vodka, and precautions that he could take to prevent purchase and sale of counterfeit vodka, following the problems I had found at London Off Licence 2. He failed to heed that advice. I would therefore request that the licence is revoked.

## FOOD SAFETY ACT 1990

### CERTIFICATE OF ANALYSIS OR EXAMINATION CARRIED OUT UNDER FOOD SAFETY (SAMPLING AND QUALIFICATIONS) REGULATIONS 1990

To: L Marshall  
Southampton City Council, Civic Centre,  
Southampton, Hampshire, SO14 7LY

I, the undersigned, Public Analyst for Southampton City Council, certify that on 05/11/2010 the sample marked:

<u>Date sample taken</u>	<u>Reference number, description etc.</u>	<u>Weight/measure</u>
04/11/2010	012106	700ml
1150	GLENS VODKA	

Place of Sampling: GEORGE'S, 6 ATHELSTAN RD, SOTON

was received by me from you (the person named above)

I certify that the sample was analysed by me or under my direction and the results are as follows:-

Alcohol % v/v	:	33.4
Conductivity @ 20 °C us/cm	:	308
Methanol g/100L alc	:	< 0.10
Acetaldehyde g/100L alc	:	18.1

My opinion and observations are:-

The declared alcoholic strength was 37.5 % volume.

The uncertainty of measurement is 0.4% alcohol by volume.

The difference between the amount of alcohol found and the amount declared taking into account the uncertainty of measurement was 3.7% by volume. This difference is outside the permitted tolerance of 0.3% alcohol by volume prescribed in The Food Labelling Regulations 1996 for vodka.

16 December 2010

Lab ref: 164280

Page 1 of 2

The sample had an alcohol content of 3.4% volume less than the minimum permitted.

Genuine Glen's vodka does not contain acetaldehyde.

The results show that the sample contains acetaldehyde.

Genuine Glen's vodka does not have a significant conductivity.

The results show that the sample has a significant conductivity.

The conductivity is consistent with a pure spirit being diluted with tap water

Genuine Glen's vodka is only bottled in bottles supplied by Allied Glass Containers (AGC). These bottles have a small AGC logo on the base of the bottle with '58mm C12173' embossed in the glass, about 5mm from the base.

No such logo or embossing was present on the bottle.

The UK duty stamp on genuine Glen's brand vodka fluoresces at a wavelength of 365nm.

The UK duty stamp on the bottle did not fluoresce.

In my opinion the sample is not genuine Glen's brand vodka.

I further certify that the sample had undergone no change which would affect my results, opinion or observations.

Certified by me this 16th day of December 2010, at Southsea

## Warning over fake vodka dangers

**Fake vodka found in Surrey which led to two people needing hospital treatment after drinking it, has led to warnings from trading standards officers.**

Officers said the counterfeit Glen's Vodka contained higher levels of methanol than normal.

Spokesman Peter Denard said he was "extremely concerned" that it was being sold and urged anyone who found any to contact the county council immediately.

He said an excess intake of methanol could cause poisoning.

He listed the symptoms as nausea and vomiting, abdominal pain, drowsiness and dizziness, blurred vision leading to blindness, and breathing difficulties.

And he added that symptoms of methanol poisoning could take several hours to develop, so anyone who may have drunk the counterfeit vodka should seek immediate medical advice.

### **Embossed markings**

Genuine Glen's Vodka was only in bottles from Allied Glass Containers which have a small "AGC" logo on their base.

The real Glen's bottles also read "70cl 58mm C12173", embossed in the glass close to the base.

Mr Denard said that any bottle of Glen's Vodka without the two markings was counterfeit.

Counterfeit products found so far have displayed different codes.

The fake vodka appears to have self-adhesive labels, while the genuine product has a distinctive glue pattern on the back of the label resulting in horizontal lines, he added.
