PUBLIC INFORMATION

Terms of Reference

The Sub-Committee deals with licences for which the Council is responsible under the Licensing Act, 2003 and Gambling Act 2005, including:-

- Personal licences for the sale of liquor Licensing Act 2003;
- Premises licences, various permits, variations and reviews (Licensing Act 2003 and Gambling Act 2005);
- Club certificates, variations and reviews Licensing Act 2003;
- Registration and deregistration of designated premises supervisors Licensing Act 2003;
- Determination of police objections to temporary event notices Licensing Act 2003

Relevant Representations

Those who have made relevant representations may address the meeting about the matter in which they have an interest.

When dealing with Licensing Act matters the Sub-Committee can only take into account the following statutory Licensing Objectives:-

- prevention of crime and disorder
- public safety
- prevention of public nuisance
- protection of children from harm

Likewise, when dealing with Gambling Act matters the Sub Committee can only take into account the statutory Licensing Objectives below:-

- Preventing gambling being a source of crime
- That gambling is conducted in a fair and open way
- To protect children and other vulnerable children from harm

Southampton City Council's Seven Priorities

- More jobs for local people
- More local people who are well educated and skilled
- A better and safer place in which to live and invest
- Better protection for children and young people
- Support to the most vulnerable people and families
- Reducing health inequalities
- Reshaping the Council for the future

Smoking policy

The Council operates a no-smoking policy in all civic buildings.

CONDUCT OF MEETING

Terms of Reference

The terms of reference are contained in the Council's Constitution.

Business to be discussed

Only those items listed on the attached agenda may be considered at this meeting.

Rules of Procedure

The meeting is governed by the Council Procedure Rules as set out in Part 4 of the Constitution.

Quorum 3

The minimum number of appointed Members required to be in attendance to hold the meeting is 3.

Disclosure of Interests

Members are required to disclose, in accordance with the Members' Code of Conduct, **both** the existence **and** nature of any "personal" or "prejudicial" interests they may have in relation to matters for consideration on this Agenda.

Personal Interests

A Member must regard himself or herself as having a personal interest in any matter

- (i) if the matter relates to an interest in the Member's register of interests; or
- (ii) if a decision upon a matter might reasonably be regarded as affecting to a greater extent than other Council Tax payers, ratepayers and inhabitants of the District, the wellbeing or financial position of himself or herself, a relative or a friend or:-
 - (a) any employment or business carried on by such person;
 - (b) any person who employs or has appointed such a person, any firm in which such a person is a partner, or any company of which such a person is a director;
 - (c) any corporate body in which such a person has a beneficial interest in a class of securities exceeding the nominal value of £5,000; or
 - (d) any body listed in Article 14(a) to (e) in which such a person holds a position of general control or management.

A Member must disclose a personal interest.

Continued/.....

Prejudicial Interests

Having identified a personal interest, a Member must consider whether a member of the public with knowledge of the relevant facts would reasonably think that the interest was so significant and particular that it could prejudice that Member's judgement of the public interest. If that is the case, the interest must be regarded as "prejudicial" and the Member must disclose the interest and withdraw from the meeting room during discussion on the item.

It should be noted that a prejudicial interest may apply to part or the whole of an item.

Where there are a series of inter-related financial or resource matters, with a limited resource available, under consideration a prejudicial interest in one matter relating to that resource may lead to a member being excluded from considering the other matters relating to that same limited resource.

There are some limited exceptions.

Note: Members are encouraged to seek advice from the Monitoring Officer or his staff in Democratic Services if they have any problems or concerns in relation to the above.

Principles of Decision Making

All decisions of the Council will be made in accordance with the following principles:-

- proportionality (i.e. the action must be proportionate to the desired outcome);
- due consultation and the taking of professional advice from officers;
- respect for human rights;
- a presumption in favour of openness, accountability and transparency;
- setting out what options have been considered;
- setting out reasons for the decision; and
- clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- leave out of account irrelevant considerations;
- act for a proper purpose, exercising its powers for the public good;
- not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
- act with procedural propriety in accordance with the rules of fairness.

AGENDA

Agendas and papers are available via the Council's website.

1 ELECTION OF CHAIR

To appoint a Chair for the purposes of this meeting.

2 APOLOGIES AND CHANGES IN MEMBERSHIP (IF ANY)

To note any changes in the membership of the Sub-Committee made in accordance with the Licensing Act 2003.

3 DISCLOSURE OF PERSONAL AND PREJUDICIAL INTERESTS

In accordance with the Local Government Act 2000, and the Council's Code of Conduct adopted on 16th May 2007, Members to disclose any personal or prejudicial interests in any matter included on the agenda for this meeting.

NOTE: Members are reminded that, where applicable, they must complete the appropriate form recording details of any such interests and hand it to the Democratic Support Officer prior to the commencement of this meeting.

4 STATEMENT FROM THE CHAIR

5 MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)

To approve and sign as a correct record the Minutes of the meeting held on 17th November 2011 and to deal with any matters arising, attached.

6 EXCLUSION OF THE PRESS AND PUBLIC

At a predetermined point during the consideration of all items the Sub-Committee may move into private session in order to receive legal advice when determining issues. The press and the public, unless otherwise excluded by the Licensing Act 2003 (Hearings) Regulations 2005, will be invited to return immediately following that private session at which time the matter will be determined and the decision of the Sub-Committee will be announced.

7 APPLICATION FOR A PREMISES LICENCE - THE ROCKSTONE, 63 ONSLOW ROAD, SOUTHAMPTON, SO14 OJL

Report of the Head of Legal and Democratic Services, detailing an application for a premises licence in respect of The Rockstone, 63 Onslow Road, Southampton, SO14 OJL, attached.

LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 17 November 2011

Present: Councillors Cunio, B Harris and Parnell

Apologies:

51. **ELECTION OF CHAIR**

RESOLVED that Councillor Parnell be appointed Chair for the purposes of this meeting.

52. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

RESOLVED that the minutes of the meeting held on 6th October and 20th October 2011 be signed as a correct record. (Copy of the minutes circulated with the agenda and appended to the signed minutes).

53. **EXCLUSION OF THE PRESS AND PUBLIC**

RESOLVED that in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 that the press and public be excluded at a predetermined point whilst the Sub-Committee reach its decisions.

54. **APPLICATION FOR A PREMISES LICENCE - CO-OP, 125 FOUNDRY LANE, SOUTHAMPTON, HAMPSHIRE, SO15 3GF**

The hearing was delayed for ten minutes to allow for residents to attend. The Sub-Committee then determined to hear the application despite the non-attendance of those objecting.

The Sub-Committee considered the application for a premises licence in respect of Co-op, 125 Foundry Lane, Southampton, SO1 3GF. (Copy of the report circulated with the agenda and appended to signed minutes).

Mr Lewis, Manager, Co-op and Mr Wallsgrove (Solicitor) were present and with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

RESOLVED that the application for a premises licence be granted, subject to:-

- (i) the agreed additional conditions as set out in the report ; and
- (ii) the agreed reduction of trading hours from 23h00 to 22h00.

REASONS

The Sub-Committee considered very carefully the application for a premises licence at the Co-op and gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance, the adopted statement of Licensing Policy, Human Rights legislation and all the evidence submitted, both written and given orally today.

The Sub-Committee noted that the premises licence holder had co-operated with the police and that all the conditions suggested by the police had been agreed. In addition, the reduction of hours from 23h00 to 22h00 had also been agreed. The agreement reached, led to no formal representation from Hampshire Constabulary or any other responsible authority.

The Sub-Committee considered very carefully the evidence of the residents with regards to the potential for nuisance and crime and disorder and was satisfied that in all the circumstances, the issues and concerns raised should be satisfactorily addressed by the policies and practices of the company.

It was noted that the existing premises licence for a public house at the premises which had generated the residents' concerns was a different premises to that now proposed, given that alcohol would not be consumed on the premises. The concerns of residents had also been addressed by the provision of comprehensive CCTV systems covering both internal and external areas which would be visible to staff on duty. The Sub-Committee was also reassured by the level and extent of training for those making alcohol sales at the premises as well as the Challenge 25 policy to be adopted.

Residents could be reassured by the review process which would enable any problems/issues that might arise in the future to be addressed.

Legal Implications

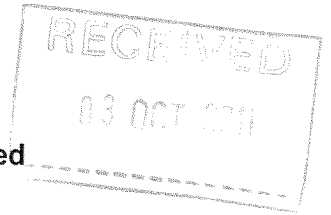

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

THE ROCKSTONE

Dear Neighbour,

I just wanted to get in touch with you and to let you know my plans for the Bevois Castle/Rockstone.

I want to aim for 26-60+ ale drinkers who like good food, I want a REAL pub in Southampton focused mainly on food.

Serving a selection of fine wines, ciders and ales. I will NOT be stocking Stella Artois, alcopops or "bottles for £1" or anything like that. There will not be special offers aimed at students, or binge drinking.

I want to aim for "a country pub in the centre of town" kind of feel. We hope to get the quiz league, crib league and football teams up and running again. We have a 5-a-side football team at the moment and are starting a softball team in the spring.

I want a friendly, local pub with welcoming attitude and community spirit, we have lots of wood, comfy seating and a beautiful redbrick fireplace, ideal for creating warmth and atmosphere with one stroke.

In the sunshine, with some expert handiwork in the garden from my friends at Hillier's, Kew Gardens and The Urban Gardener, it could someday be the best looking pub in Southampton.

It has a lot of space for an eating area, and two outdoor areas for smoking and eating. Also I've remove the pool table and jukebox to make more space for tables and seating, and less attraction for trouble makers...If we do live music in the main bar it will be unplugged folk or acoustic or blues, nothing LOUD.

The forecourt will no longer be a car park, and will instead be a simple, yet attractive front garden. with flower boxes and planters down each side of the triangle it will really be a good venue to look at. All of the flat areas of roofing of the pub will also be planted. We intend to re-instated the 12 hanging baskets, and maybe try for some "best planted pub" awards...

Being a chef, I'd mainly focus on the food, but have special nights for live music all the same. There is a storage building area out the back of the pub which I plan to convert into a sound proofed function room for live music (jazz, acoustic, blues, folk) and with a television to show sport (not football). I am looking to convert the storage building into a separate room with bar for a function room/dance floor/gig space/dj room so that when bands and parties are booked they are as far from the houses as possible and they don't make too much noise, or ruin people's eating experience...

I hope to reduce trouble by removing the pool table, gambling machine and jukebox, not having televisions in the main bar and by never showing football.

There is a comprehensive CCTV network, which I hope to add to with extra cameras in the garden, the front of the pub and both adjoining roads. All linked up to the monitors in the upstairs office it can provide good coverage of the building and surrounding streets for crime prevention purposes.

Diligent use of the log/incident book will be observed as always. I am involved with "Pub Watch," "Yellow Card" and other local initiatives aimed at reducing noise and trouble.

I have been in the pub trade as a landlord and a chef for 12 years now.

I am a Platinum Member of CAMRA (Campaign For Real Ales) I am also member of The British Institute of

Dear Sirs

Mr Max Greenwood
Premises Licence Application: 63 Onslow Road, Southampton, SO14 0L

Thank you for sending us copies of the complaints you have received relating to our client's Premises Licence application.

We have reviewed the complaints with our client and can see the main concerns raised were regarding the 2.00am closing time and possible noise disruption to the neighbourhood. Our client has already taken steps to address some of these issues by amending his application to remove external music and live music from his application. We sent a letter confirming this amendment to you on 12th October 2011.

Although other public houses and nightclubs in the area do have late night licenses, some closing at 2.00am and 3.00am, our client appreciates the local residents concerns and would therefore like to amend the 2.00am closing times on his application to 1.00am, apart from New Years Eve.

We would be grateful if you could amend the application submitted to you.

We confirm that a copy of this letter has been served on all the relevant responsible authorities to update them of the amendments. We will also be sending letters to all the people that have made official complaints to date so they are aware of the amendments.

If you have any questions please contact Lisa Preston

Dear Sirs

We have been instructed by Mr Max Greenwood regarding obtaining a Premises Licence for 63 Onslow Road, Southampton, SO14 0L.

Further to the application being submitted on 3rd October 2011 our client has met today with Licensing and Violent Crime Prevention and Environmental Health.

They have both advised that he amend his application referring to "external music" to "none" and to not include the live music section on the application, as we can apply for TEN's as and when he needs them for live music.

Our client has confirmed he wishes to amend his application as above and we would be grateful if you could amend the application submitted to you.

We have also received a copy of a complaint letter that is being circulated to all residents in the area and enclose a copy for your records.

We confirm that a copy of this letter has been served on all the relevant responsible authorities to update them of the amendments.

ROCKSTONE PUB LICENSE

FORMALLY KNOWN AS THE BEVOIS CASTLE

As residents of Rockstone Place we are concerned about The Rockstone Pub license application. Having had a leaflet about the pub's future activities, it would seem that they are applying for a 2am licence. The Police are opposing the licence and they are also concerned about late night noise, as the pub is hoping to have live music.

The owners have given us the opinion the pub would be a family pub specialising in food, not late night live music. A 2am licence will attract young people and students, and possibly increase vandalism, causing the local residents more late night noise and even more parking problems. We also believe an open air bar will be built in the garden causing even more late night noise.

The application was advertised in the Daily Echo, under the name of Maxmillian Greenwood of 63 Onslow Road, on Tuesday 11th October, but not showing the times of opening. You can contact the licensing team at the Civic Offices to reassure yourselves of the times. We would call to all residents to oppose the licence by writing to Licensing Team, Southampton City Council, PO Box 1344, Southampton, SO15 1WQ. You can contact the Licensing Team by phone between 9am to 12noon and between 2pm and 4pm.

Help us to support the police in keeping Rockstone Place, and surrounding roads a nice place to live in.

Subject: 2011/02411/01SPRN - "THE ROCKSTONE" , 63 ONSLOW ROAD, SOUTHAMPTON - REPRESENTATION TO THE APPLICATION FOR A PREMISES LICENCE DATED 30 SEPTEMBER 2011

Importance: High
Attn: Licensing Services,

The Environmental Health Service is making a formal REPRESENTATION to this application on the grounds of the potential for public nuisance from:-

1. Live Music (Section E) - External building not sufficiently sound-attenuated / entrance door - no lobby. Noise nuisance likely to be suffered by occupiers of adjacent residential property.
2. External recorded music (Section F) - Residential property immediately adjacent - noise nuisance likely.
3. Provision of facilities for making music (Section I) - Residential property immediately adjacent - noise nuisance likely.
4. Hours of premises open to public (Section O) - Concerns about trading beyond 23:30 hrs - Internal music causing noise nuisance to residential neighbours on Rockstone Lane. Also noise from customers leaving at the proposed terminal hours causing disturbance to neighbours from loud voices.

Comments have been made on the UNIFORM database accordingly.

In order to satisfy our representation we would wish for the premises licence to be conditioned on the same lines as the previous public house i.e the Bevois Castle (Licence Ref: 2010/00493/01SPRD) or negotiated on similar lines otherwise we will maintain our representation.

Please acknowledge safe receipt of our representation and inform the applicants Solicitor of our position.

Finally, should there be any queries then please do not hesitate to contact me.

HAMPSHIRE CONSTABULARY

NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

State the ground(s) for representation *(please read guidance notes 1 & 2)*

On behalf of the Chief Officer of Hampshire Constabulary, I am writing to lodge a representation to the above application on the following grounds:

- 1) The prevention of crime and disorder.
- 2) Public safety.
- 3) The prevention of public nuisance.

The Police have concerns over the application and these are outlined below:

The Police make representations based on the effects of cumulative impact. The venue is located within an area as identified by Southampton City Council where there is a high concentration of a type or types of alcohol licensed premises in one area.

The Police are of the opinion that this application, if granted, has the potential to give rise to a negative impact on the area.

The Department for Culture, Media and Sport (DCMS) guidelines state that "The effect of adopting a special policy of this kind is to create a rebuttable presumption, that applications for new premises licences or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

The police would suggest that the applicant has not demonstrated within the operating schedule there will be no negative impact on the area.

The Rockstone is situated on the junction of Onslow Road and Rockstone Lane. This is a residential area and its patrons upon leaving will filter into this and add to the negative issues that already exist in the area. Within the demographic area known as (SE03) where the The Rockstone is located, over the last three months, there have been 245 incidents of which 151 incidents have occurred between 1900 - 0600 hours. These incidents include general anti social behaviour, criminal damage, drug offences and any violent offences against the person. The figures highlight that the nighttime economy clearly has an impact with more of the offences occurring at night.

HAMPSHIRE CONSTABULARY

NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

In just Onslow Road, which is approximately only 400 meters long, over the last 6 months, there have been 26 reported incidents. These incidents can all be attributed to the night time economy due to the time in which the incidents occurred (23:00 - 06:00) and they are as follows:

- 10 Anti social behaviour
- 9 Assaults
- 3 assault police
- 2 criminal damage
- 1 robbery
- 1 public order

Despite being such a small area, all the above offences, including a robbery occurred in Onslow Road. In total, 2 robberies have been reported in the demographic area in the last 3 months. The majority of these incidents occur late at night or in the early hours of the morning and the victims are more often persons who are vulnerable, walking home from a night out in drink.

Where the premises is situated, there are already 8 other licensed premises (not including late night refreshment) that cater for the night time economy. All of these can be located over an (approximate) 600 meter area that runs from Onslow Road to the end of Bevois Valley Road. This again highlights the reasons for the Cumulative Impact Policy. The area is saturated with licensed premises and is stressed due to the amount of premises and incidents that occur there.

The evidence provided clearly highlights the negative cumulative impact that the night time economy already has in the surrounding residential areas and another licensed premises will only add to this and particularly if it is able to stay open into the early hours of the morning. The Bevois Castle public house that was situated there before, operated under traditional pub hours (Monday - Saturday 10:00-23:30 and Sunday 12:00-22:30). If the premises was to have the same hours, then it would have a minimal impact to the area.

If the premises was to be granted a licence, police would request for the following conditions to be considered:

CCTV

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system should be able to cope with strobe lighting and all levels of illumination throughout the premises as well as outside areas.

The CCTV system must be operating at all times whilst the premises are open for licensable activity.

All equipment shall have a constant and accurate time and date generation.

HAMPSHIRE CONSTABULARY

NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

There shall be sufficient members of trained staff available during operating hours to be able to provide viewable copies on request of the Police or local authority. Any images recovered must be in a viewable format on either disc or VHS.

The recording system will be able to capture a minimum of 4 frames per second.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

CCTV warning signs to be fitted in public places.

Recordings to be kept for a minimum of 28 days.

The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS **MUST** report the failure to the Southampton Police Licensing Unit.

Incident book

An incident book will be provided and maintained at the premises and there will be a daily debrief of door staff (where used) at the close of business which will be evidenced in writing by the Manager on duty. Should there be no incidents then this will also be recorded at the end of the shift in the incident book. The incident book will remain on the premises at all times and will be available to police upon request.

The book shall detail in brief, incident of injury/ejection/refusals/drug misuse/ i.d seizure/age challenge. Where there is an injury, ejection of physical altercation the entry shall be timed, dated and signed by the author. If the member of staff involved has difficulties reading or writing then the entry may be written by another party. This should however be read back to the person involved and counter signed. Should there be any physical interaction by members of staff and public the entry will include what physical action occurred between each party.

Challenge 25

There will be a Challenge 25 policy operated at the premises. Challenge 25 meaning that the holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

HAMPSHIRE CONSTABULARY

Training

Staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; signs and symptoms of drunk persons, refusal of sale due to intoxication and that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records are signed and dated by the member of staff are kept of this refresher training. Records will be available for inspection by Hampshire Constabulary and the licensing Authority. Records will be kept for a minimum period of two years.

Dispersal Policy

A dispersal procedure will be adopted during the last trading hour to ensure minimal disturbance to neighbours and to tackle the problem of anti-social behaviour and crime. This will include:

- during the last 30 minutes of trading the service points at the bar will be reduced and certain staff reallocated to collect glasses
- door supervisors (where used) will remove all bottles and glasses from any customer who attempts to leave the venue carrying one.
- All areas of the premises will be checked at the end of each evening to ensure all customers have left safely.
- Notices will be displayed in prominent positions at the exit of the premises requesting customers to leave quickly and quietly.
- Door staff (where used) or other staff will ensure the premises customers do not loiter or congregate outside after leaving.
- Door staff will stay for an additional 15 minutes to ensure all customers are dispersed from the area before booking off.

Authorisation of supply of alcohol in absence of DPS

A record will be kept at the premises of any persons that the DPS has authorised to supply alcohol. Further to this when the DPS is absent from the premises a list will be made available stating who will be managing the venue.

State any conditions that the Police seek to negate the need for a hearing

Prior to police arrival VS monitored the situation and in the melee a male was seen being on the ground. This male and others then walked off. Enqs at the pub indicated these males had been ejected and struggled with doorstaff by the front door.

Under investigation - 36 ONSLOW ROAD SOUTHAMPTON, HAMPSHIRE United Kingdom SO14 0JG (OCU: 5 SOUTHAMPTON, District: S CENTRAL SOUTHAMPTON, Sector: SE CENTRAL SOUTHAMPTON EAST, Beat: 5SE03 NEWTOWN) Informant contacted Police on 27/07 to report that a female had come into the shop and refused to leave before throwing sweets around and assaulting the shop assistant. The female then left the shop prior to Police arrival. ARV attended in the first instance, obtained details and due to the nature of the incident and the fact that the informant and shop assistant were in no danger, passed it to SNT to deal. Numerous attempts have been made to contact the agg'd party both in person and via the telephone to no avail. A seven day letter was sent to the agg'd on 09/09. To date there has been no response to this letter. Please file pending further evidence coming to light. /

Filed - 0 ONSLOW ROAD SOUTHAMPTON, HAMPSHIRE United Kingdom (OCU: 5 SOUTHAMPTON, District: S CENTRAL SOUTHAMPTON, Sector: SE CENTRAL SOUTHAMPTON EAST, Beat: 5SE03 NEWTOWN) Approached by two males at 1110 on Queensway explaining that one of them had been assaulted on Onslow Road at 1100 21/07/2011. Aggrieved [REDACTED] stated that he had been hit in the face and he had a visible lump on the right side of the face. He did not wish to make a complaint however wanted Police to be aware as the person he reported doing this was the father of the other male that was with him in the van at the time. The vehicle registration was [REDACTED] a Blue High Sided van. / The reason that [REDACTED] wanted this noted is because the male that was with him in the vehicle was on bail and was concerned that the father of that male may make a counter allegation of assault.

Having objected to the 2am license I have received a letter from the Rickstone's solicitors explaining the reason for a 2am licence . It seems that 60+ age bracket (taken from their own letter) would like a drink at 2am to get away from young people. I feel that the letter cannot be true to night life in Onslow Road , only students are up at that time . Why are they having all their staff SIA qualified (Security Industry Authority, in fact bouncers !!!) Why cant they be bar staff behind the bar , be just bar qualified if there isnt any problems , I can understand if it was a student bar full of young people , but 60+ age group do they need such a level of security. This licence should not be granted ,as it is based on deceit .

I live opposite the Rockstone , and will not like a 2am licence . I have been informed that live music

will be playing into the night , as a resident I would like to sleep at night . I very much oppose the license, also there is no parking .

OPPOSITION TO THE ROCKSTONE LICENCE APPLICATION

Dear Ms Montague,

I have seen the application in the Echo on 11th October for the license application for the Rockstone (formally The Bevois Castle) and have been informed that they are applying for a 2am licence.

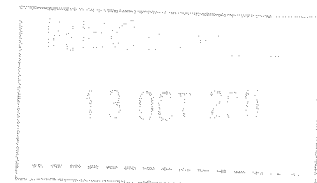

As I live opposite the public house, I am opposing the application for the following reasons:

- We were told by the pub they are catering for older people specialising in food. I don't think food will be served to older people up to 2am.
- We have now been told by a flyer from the pub that live music will be available; surly in a dense residential area we would be greatly disturbed.
- Already parking at Rockstone Terrace is already congested, and there is no room for more vehicles
- Lastly this whole part of the road is full of pubs and nightclubs and we the residents are constantly disturbed with noise, litter and vandals. We have a right to peace and quiet in the late evenings. We are aware the existing pubs have been in business for several years, but any more will only compound our misery.

We feel as residents and neighbours of The Rockstone that we have not been told the whole truth, and this application was put forward on the basis of a story of a peaceful establishment not live music until 2am.

I would ask you to take in account the feelings of my neighbours and myself in considering this application.

Subject: Rockstone pub license (formally known as the Bevois Castle)

Dear whom it may concern,

I wish to oppose the above establishment from obtaining a late night license. I have been advised that they are in the process of applying for a 2am license.

Do I need to do this formally or can this email be passed on to the relevant department?

We live at Flat 7 Regency Court, 8 Cranbury Terrace. The rear of the building backs on to Rockstone Place. It is a Grade II listed building and therefore has sash windows with no sound proofing. We have the Dorchester pub close by on the left and a subway leading to London Road on the right. When we're at the front of the building we hear a lot of noise from students passing by on their way to the Dorchester pub and other drinking establishments in Onslow Road/Portswood Road. We clearly hear them talking/shouting/singing.. Generally acting drunk and disorderly. We also have the unpleasantness of seeing homeless people asleep in the bushes and drunks who sit on the wall all hours of the day and night in big groups which is very intimidating. We have a drive way which leads to Rockstone Place at the back of the building, as we have a baby daughter we choose this way to exit the building as it is a pleasant and quiet street. We have a bedroom at the back of the building and currently don't hear any outside noise, we would be forced to move if a late license was granted to the Rockstone and caused us disturbed nights.

The Bevois Castle pub in Rockstone Place was a community family pub. For it to be replaced with a rock pub playing live music is a shock enough, if it is allowed to open until 2am it will be unbearable for all who have to live within its vicinity. The music may not be heard if they have sound proofed the pub, but the people arriving and leaving will be loud and disturbing. Many students drink cans/bottles of alcohol on the way to pubs too as it's cheaper and this will lead to litter everywhere.. as we have daily in Cranbury Terrace. The parking is extremely limited in this area already and this would worsen too.

Please let us know if this letter is sufficient, if not please could you advise what the next steps should be.

Yours sincerely,

Jennifer Wyatt

Subject: Rockstone Pub

We have recently heard that the Rockstone Pub on Bevois Valley has applied for a 2am licence and a live music licence.

As householders in the neighbourhood we strongly oppose this licence application on the grounds that this will increase the nuisance of late night noise for local residents. The area around the pub is residential and it would be inconsiderate in the extreme to expose local residents to the noise that would inevitably arise from a live music licence and from a 2am licence.

We sincerely hope that you will reject this application in consideration of the rights of local residents not to suffer noise nuisance at any hour and, particularly, at unsociable hours.

Dear Sir or Madam,

I am writing to you with regards to the licence application raised by Maxmillian Greenwood for the new Rockstone pub in Onslow Road. It has come to my attention that the application is for late night opening until 2am. I oppose this application because of the disruption to my neighbourhood that this will cause.

The Rockstone is located in a peaceful residential area which is away from the popular Bevois Valley. I perceive the Rockstone to become a popular venue and my partner and I do not want to be disrupted by noisy drunk people late at night and in the early hours of the morning.

Therefore I request that you reject the 2am license application and award Mr Greenwood with a license which is no later than 11pm.

As a resident of Rockstone Lane I'm pleased that the Rockstone (formerly Bevois Castle) is being renovated in what looks like a really sympathetic way. However I think a 2am license on Fridays and Saturdays would be unfair on people living close by. Rockstone Lane is a quiet residential road, with a mix of young families and older people, and a 2am finish would inevitably lead to increased levels of noise late at night. It's already used as a cut through to other late night venues in the area by intoxicated people who have no consideration for others and I feel this would only get worse. I would have no problems at all with a 12am license.

ROCKSTONE PUB LICENSE

FORMALLY KNOWN AS THE BEVOIS CASTLE

As residents of Rockstone Place we are concerned about The Rockstone Pub license application. Having had a leaflet about the pub's future activities, it would seem that they are applying for a 2am licence. The Police are opposing the licence and they are also concerned about late night noise, as the pub is hoping to have live music.

The owners have given us the opinion the pub would be a family pub specialising in food, not late night live music. A 2am licence will attract young people and students, and possibly increase vandalism, causing the local residents more late night noise and even more parking problems. We also believe an open air bar will be built in the garden causing even more late night noise.

The application was advertised in the Daily Echo, under the name of Maxmillian Greenwood of 63 Onslow Road, on Tuesday 11th October, but not showing the times of opening. You can contact the licensing team at the Civic Offices to reassure yourselves of the times. We would call to all residents to oppose the licence by writing to Licensing Team, Southampton City Council, PO Box 1344, Southampton, SO15 1WQ. You can contact the Licensing Team by phone between 9am to 12noon and between 2pm and 4pm.

Help us to support the police in keeping Rockstone Place, and surrounding roads a nice place to live in.

Dear Sirs,

I feel I must add my voice to many others to oppose the 2AM licence for the Rockstone Pub.

In this area we already have at least 7 premises between The Hobbit and Kennons, this number is excessive considering it is highly residential.

Dear Southampton Licensing Team,

I am writing to you with regards to the recent application for a 2AM license for the Rockstone Pub (formally known as the Bevois Castle).

Although we are in favour of the plans for the new pub (family pub specialising in good food), when we heard that they were applying for a late license we were a bit concerned.

We live at number 68 Rockstone Lane, only 3 doors up from the premises. Our main concern is late night noise. We are also under the impression that there are plans for an open-air bar in the garden. Our bedroom window practically overlooks the pub back garden, so a later license would be a great disturbance.

We are also concerned about general noise in the street and more parking issues than there already are.

As I have already said, we are in favour of the new pub and look forward to having a good local pub.

Dear Sir,

I am writing with reference to the newly named pub, "The Rockstone" formerly "The Bawds Castle" in Onslow Rd. I strongly object to the music & a late night license as I live exactly opposite the pub.

The law for licensing does not make provision for residential areas or late night drinking in such areas.

Also, live music should not be allowed in a residential area & previously several people have applied for a license & were refused.

5 members of staff are quality trained to escort people off the

premises if necessary. Bouncers?
Is it a pub or a club?
People at the Onslow Rd part of
Rockstone Lane get a lot of
noise & disturbance from "The
Inferno" pub/club which is very
near them.

Also, what about parking?
There is a much space at the
back of the site & what can could
be put on the forecourt to be
planning to make that into an
outside drinking area.

I hope you have noted that I live
right opposite & that you will take
• these points I have raised when
you make your decision.

Yours sincerely,
(Mrs) C. Griffiths.

FAO Ian MacGuinness, Enforcement Officer

My address: 42 Rockstone Lane Southampton S0146HZ

Dear Mr MacGuinness

Further to our conversation of this morning's date, I should like to confirm my objection to the a/m application on the following grounds:

1. **Crime and Disorder**

From past experience, I am concerned that the proposed venue will act as a "honeypot" for petty criminals.

I have been resident at the above address since 1987 and know from experience that the Lane becomes a target for:

- (i) acts of vandalism to and theft from vehicles parked in the Lane; (cars have been set on fire, scoured with "sharps", paintwork destroyed by painstripper, windscreen wipers and wing mirrors regularly broken off, tyres knifed, windows broken);
- (ii) attempt break-ins and criminal damage to homes and gardens;
- (iii) theft of hanging baskets, plants etc;
- (iv) muggings;
- (v) rape.

2. **Public safety**

- (i) Bicycles travelling along the Lane are already at risk from speeding cars in the Lane late at night.
- (ii) Due to parking spaces being occupied by visiting vehicles, those returning to the Lane in the evening are obliged to find parking spaces elsewhere, thus placing themselves at risk as they return to their homes.

3. **Public nuisance**

- (i) Apart from an increase in the amount of litter (discarded empty glass bottles, drugs paraphernalia, bottles and food cartons thrown into front gardens or broken bottles resulting in punctures to cars and bicycles,

domestic waste awaiting collection is kicked around, bags break, rotting carcasses attract foxes, rats, dogs, cats, flies and other vermin.

(ii) Late night revellers cause a public nuisance by shouting, arguing, urinating, fighting, swearing, spitting. This behaviour is not restricted to or curtailed by security staff during premises' opening hours and continues late into the night/early morning.

4. Harm to children and young people

(i) Discarded drugs paraphernalia and

(ii) half used bottles of alcohol such as cheap imported vodka pose a risk of harm to members of the public, especially to young children playing football next day as they seek to retrieve lost footballs from the bushes at the top of the Lane.

I claim that any use of the Rockstone should be restricted to that suited to the tone and ambience of residents in the Lane who are of mixed cultural backgrounds, of any age and state of health.

Furthermore, it is unreasonable that a beautiful Victorian building should be used as a "night club". These are fragile buildings of historic, architectural merit, built around 1850 and not designed to tolerate the vibrations of acoustic or electronically amplified music. I am fairly confident that there would be little support amongst residents for a public amenity which places their right to quiet enjoyment of their homes at risk.

Yours sincerely

RE:- THE ROCKSTONE PUB

25.10.2011

Dear Licensing team,

I am writing to add my voice in support of the Police objection to the license application of the Rockstone Pub. I am concerned that the 2a.m license will possibly increase vandalism, certainly increase noise levels, put more strain upon the already overstretched parking facilities and if the open air bar goes ahead there will definitely be an increase in noise levels.

Having been a law-abiding resident of this area for many years I am loathe to see what has always been a quiet residential street become a noisy, possibly dangerous late night drinking haunt.

Please consider my views

Dear Sir/Madam,

RE: Rockstone Pub License Application

We are writing to formally oppose the application for a 2am Licence for The Rockstone Pub by Maxmillian Greenwood of 63 Onslow Road, Southampton as advertised in the Daily Echo, Tuesday 11th October.

As residents of the local area, we were lead to believe that the new owners were renovating the venue into a family pub specialising in food. However, we now understand that the venue will be used for late night live music.

When the pub was known as The Bevois Castle, we, as residents, had our cars vandalised and had drunk and disorderly people fighting outside our houses and vomiting on the pavements. We are extremely worried that a 2am license will cause these problems again, as well as late night noise and further parking problems. We are also aware that the venue is going to have an open air bar built in the garden, which will bring further excessive noise to our otherwise quiet residential road.

A late night licence, if awarded, will cause much disruption for those that live near the venue in their work and home life, leading to things like stress and lack of sleep especially for those with small children.

We want our road to stay safe and free of public nuisance, which we fear would occur with the 2am license and we hope that you take this into regard.

Yours faithfully,

We the undersigned:

Dear Mr Richard Black

I would like to inform you of my discontent and total disapproval about the licence application to 2am and 12am.

Although the owner want to portray an all good to the community image, even holding Neighbourhood Watch Meetings at his premises (for his own convenience), the reality is that he does not care for the neighbourhood.

He never approached the rear neighbours in order to communicate his intentions to request late openings of the business or discuss the implications beforehand. All we have had is and advertisement on the newspaper.

As the police opposed to the licence he is then starting to request our support and is trying by all means possible to have welcomed his drinking pub opened until 2am or 12.00am at the expense rear neighbour's expense.

My property is by the side of the actual pub and I truly do not wish to geopadice my home time by having police or guards having to deal with nuisance/noise/vandalism at my doorstep. Also I know for a fact that there are households with children at this end of the road who would have to face having a pub open until 12am or 2am in the morning which does not seem to be very constructive and community care like.

No matter how many precautions he intends to put in place to deal the with increased activity of a road that is intended to be residential, the fact is that the closer residents, at the lower part no option but to swallow what comes. We hear everything, even people walking or talking.

I am certain that some have not had the time/energy or health to spear for this matters and perhaps have not put their opposition forward but it is very clear that such late openings add stress and strain to our life -specially those closer rear house holds.

Under such circumstances we are all going to be asking for more venues to drink until late, we are all going to need it to help deal with the pressure of this type of business at our door step. More effords should be put to do real constructive work for the community not making easy money from drinking. I do not think that a good community pub in a residential area with families is the place to be.

I do not see why I have to pay with my peace and quiet at home for his money gain, and entertainment.

I am sorry for the shortcomings in my writing, but I hope you can understand.

Thanks in advanced for your consideration.

Kind regards,

Dear Members of the Committee,

63 Onslow Road (The Rockstone)

I am writing to you on behalf of the Southern Hampshire Branch of The Campaign for Real Ale (CAMRA) to show our support for the premises licence application for the above named property.

After speaking with the new owner of the premises, Max Greenwood, about his plans for the pub it is clear he is keen to create a public house that is aiming to be a well run community pub. It is this type of community pub that CAMRA campaigns to retain within our towns and cities.

The site which The Rockstone occupies has been a public house for many years and prior to its closure it was in our Good Beer Guide (then named the Bevois Castle). In a time when 28 pubs are closing every week it is vitally important to support well run community pubs which are proven to have a positive impact on the communities that surround them.

The area surrounding The Rockstone pub has a number of bars that appeal to students with cheap drink deals. The aim of Mr Greenwood seems to be a far cry from this with his focus on good, locally sourced, food and serving fine wines and ales, not alcopops nor 'happy hour' drink deals.

Throughout the development process the applicant has tried to involve the local community by inviting them along to the pub so they can see and discuss the plans for ensuring minimum impact on the local area. However, a leaflet distributed amongst local residents by someone opposing the pub implies that the aim of the pub is to be a venue encouraging heavy drinking late into the night. As I mention above I do not believe this to be the case.

Mr. Greenwood has previously run very successful venues, for example the St. James Tavern in Winchester. This was a very well run pub and shows the applicant's credentials as a good and very responsible licensee.

In a time when so many pubs are closing and businesses are generally struggling, a new enterprise that will add to the local community and economy should be actively encouraged. We, as a Campaign, see The Rockstone as one of these enterprises and hope you can approve the application and secure the future of a Great British Pub.

Yours sincerely,

Andrew Dyer
Chairman
Southern Hampshire CAMRA
