## CONDUCT OF MEETING

### **Terms of Reference**

The terms of reference are contained in the Council's Constitution.

### **Business to be discussed**

Only those items listed on the attached agenda may be considered at this meeting.

### **Rules of Procedure**

The meeting is governed by the Council Procedure Rules as set out in Part 4 of the Constitution.

### **Quorum 3**

The minimum number of appointed Members required to be in attendance to hold the meeting is 3.

### **Disclosure of Interests**

Members are required to disclose, in accordance with the Members' Code of Conduct, **both** the existence **and** nature of any "personal" or "prejudicial" interests they may have in relation to matters for consideration on this Agenda.

### **Personal Interests**

A Member must regard himself or herself as having a personal interest in any matter

- (i) if the matter relates to an interest in the Member's register of interests; or
- (ii) if a decision upon a matter might reasonably be regarded as affecting to a greater extent than other Council Tax payers, ratepayers and inhabitants of the District, the wellbeing or financial position of himself or herself, a relative or a friend or:-
  - (a) any employment or business carried on by such person;
  - (b) any person who employs or has appointed such a person, any firm in which such a person is a partner, or any company of which such a person is a director;
  - (c) any corporate body in which such a person has a beneficial interest in a class of securities exceeding the nominal value of £5,000; or
  - (d) any body listed in Article 14(a) to (e) in which such a person holds a position of general control or management.

A Member must disclose a personal interest.

Continued/.....

## **Prejudicial Interests**

Having identified a personal interest, a Member must consider whether a member of the public with knowledge of the relevant facts would reasonably think that the interest was so significant and particular that it could prejudice that Member's judgement of the public interest. If that is the case, the interest must be regarded as "prejudicial" and the Member must disclose the interest and withdraw from the meeting room during discussion on the item.

It should be noted that a prejudicial interest may apply to part or the whole of an item.

Where there are a series of inter-related financial or resource matters, with a limited resource available, under consideration a prejudicial interest in one matter relating to that resource may lead to a member being excluded from considering the other matters relating to that same limited resource.

There are some limited exceptions.

Note: Members are encouraged to seek advice from the Monitoring Officer or his staff in Democratic Services if they have any problems or concerns in relation to the above.

## **Principles of Decision Making**

All decisions of the Council will be made in accordance with the following principles:-

- proportionality (i.e. the action must be proportionate to the desired outcome);
- due consultation and the taking of professional advice from officers;
- respect for human rights;
- a presumption in favour of openness, accountability and transparency;
- setting out what options have been considered;
- setting out reasons for the decision; and
- clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- leave out of account irrelevant considerations;
- act for a proper purpose, exercising its powers for the public good;
- not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
- act with procedural propriety in accordance with the rules of fairness.

---

Present: Councillors Cunio, Osmond and Vassiliou

Apologies: Councillor Parnell

85. **ELECTION OF CHAIR**

**RESOLVED** that Councillor Osmond be appointed Chair for the purposes of this meeting.

86. **APOLOGIES AND CHANGES IN MEMBERSHIP (IF ANY)**

The Panel noted that Councillor Vassiliou was in attendance as a nominated substitute for Councillor Parnell in accordance with Council Procedure Rule 4.3.

87. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

**RESOLVED** that the minutes of the meeting held on 26<sup>th</sup> January 2012 be signed as a correct record. (Copy of the minutes circulated with the agenda and appended to the signed minutes).

88. **EXCLUSION OF THE PRESS AND PUBLIC**

**RESOLVED** that in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 that the press and public be excluded at a predetermined point whilst the Sub-Committee reach its decisions.

89. **APPLICATION FOR REVIEW OF A PREMISES LICENCE - DALLAS FOOD STORES, 186 NORTHAM ROAD, SOUTHAMPTON, SO14 OQF**

The Sub-Committee considered the application for review of a premises licence in respect of Dallas Food Stores, 186 Northam Road, Southampton, SO14 OQF. (Copy of report circulated with the agenda and appended to the signed minutes).

Mr Vinay Patel, Owner and Mr Vinod Patel, Manager, Dallas Food Stores and Ms C Hill, Trading Standards were present and with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

## **RESOLVED**

- (i) that the following agreed conditions as suggested by Trading Standards, and set out in full on page 9 of the application, be attached to the licence:-
- complete records, such as invoices, receipts and delivery notes, relating to alcohol and cigarettes obtained by him for sale from his shop; and
  - the CCTV condition to be amended to read “A CCTV system shall be installed and maintained in the licensed premises to the reasonable satisfaction of the Licensing Authority, Hampshire Constabulary and Trading Standards in consideration of Home Office guidelines relating to UK Police requirements for digital CCTV systems or any other such guidance as in force from time to time”. The rest of the condition remains the same; and
- (ii) that the premises licence should be suspended for a period of 3 days comprising a Friday, Saturday and Sunday to take place on the first such full 3-day period after the expiry of the usual 21 day period for appeal.

## **REASONS**

The Sub-Committee considered carefully the application for review of the premises licence at Dallas Food Stores and gave due regard to the Licensing Act 2003, the Licensing Objectives, statutory guidance, the adopted statement of Licensing Policy, Human Rights legislation and representations, both written and given orally today by Trading Standards and the premises licence holder.

It was noted that Trading Standards had requested a week’s suspension in order to allow the implementation of conditions, however, evidence at the hearing indicated that those conditions had already been implemented at the premises.

The facts as set out in the application by Trading Standards were admitted by the Premises Licence Holder, however, the circumstances as described were considered exceptional and unusual and justified a reduction in the suspension to a period of 3 days. In particular it was accepted that whilst the usual standards of due diligence in purchasing alcohol had clearly fallen below acceptable standards, the circumstances and facts show that deliberate intention was not made out and the fact that the purchase was a one-off event was also taken into consideration.

The Sub-Committee considered the sale of counterfeit alcohol to be an extremely serious matter in light of the potential health risks and the fact that such alcohol was non-duty paid and in all circumstances would take such steps as were necessary and proportionate to address the issues at the premises. In this case it was considered necessary and proportionate to implement the conditions as agreed, subject to a minor amendment, as well as a suspension of the premises licence for a period of 3 days in order to deter future conduct of a similar nature.

## ***Legal Implications***

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.

2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

**P** Describe the steps you intend to take to promote the four licensing objectives:

**a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)**

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. All stores currently comply with our 'Think 25' policy, this is brought to customer's attention through point of sale material within the store. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

**b) The prevention of crime and disorder**

The premises will have digital CCTV system that covers many areas of the shop floor, including the proposed area which will be used for beer and wine, should we be successful with our application. Images will be retained for a minimum of 21 days and made available on enforcement request. Ordinarily, a member of the Management team will be on the premises all the time the store is open. A person will have responsibility for the premises whilst the premises are open.

**c) Public safety**

A person will have responsibility for the premises whilst the premises are open. Management will be trained to support the running of the premises including looking after our customers and staff. The store will adhere to all rules and regulations relating to public safety.

**d) The prevention of public nuisance**

We intend to be an active member of the community.  
We welcome the opportunity to liaise with Police and enforcement authorities should the need arise.

**e) The protection of children from harm**

All staff will be trained and regularly refreshed in the corporate 'Think 25' Policy. Staff will be trained to look at the customer and 'Think 25' when selling alcohol.  
A till prompt will appear on the initial sale of alcohol that will remind the seller of their responsibilities including not to sell alcohol to anyone under the age of 18.  
The store will display signage around the premises informing both staff and customers of our 'Think 25' policy on alcohol.

Regarding the granting of a alcohol licence to Tesco Express at lordswood Road  
So16 SLN

To Southampton City Council licencing Department of Alcohol.

My name is Kevin John Haines I am 57 years of age and lived in the area for a long time and used to use the pub as a regular, I live 100 yards away from this new tesco's. I am sorry to say that if this new Tesco's was to open with a alcohol licence it will have a big impact on the area with anti social behaviour purely because I have noticed in the past kids smashing cars and windows of flats because of alcohol and they tend to congregate in that area and the subway which is very close to the site were Tesco is being built. Kids tend to intermediate people that use the subway. Youths use that subway as a shelter to drink inn. I have noticed trouble from youths hanging about outside the pub when I used to use it when it was a public house. I also noticed fights with drunken youth in the pub and outside the pub. There for I strongly recommend you consider this very carefully because it will cause allot of danger in the area and as you would know there are allot of elderly residents that live near this pub. Recently there has been a alcohol licence refused at three stores in that area due to crime and disorder and anti social behaviour. And the protection of children from harm. Two of these stores are 200 yards away from the new tesco's site which have recently been refused. One was a Best Buy store in aldermoor road and another was Premier Store in Aldermoor road. The third store was in aldermoor avenue which got refused. If this tesco store was to get granted a licence it will only bring youths out of there hole and get them doing bear runs from tesco's which is known around the area from previous shops that have been opened there. Also there is a children's home near this tecos's site and a rose road centre which holds disabled people there as a rest home and a school. We would not like to see these people put at danger.

The new site were tesco's is in, is on the corner junction of coxford Rd and Lordswood road which is on a major busy road that leads to the general hospital and I know from previous problem in the area with youth stealing bear from shops and causing problem for the public when they are drunk they will be running into tesco's and taken the bear which will cause them to run on the major busy road and get run over. Please as a resident I would not want to have sleepless nights and fear in living in my own home. I know there was a youth that got murdered in the area called Daniel loader who got stabbed due to getting so drunk when he was under age and got himself involved in a fight and got killed. I would strongly recommend you refuse this application for an alcohol licence to Tesco's Express. Also I would like to mention I know tesco's will say that they will have a security guard on site but youths this day and age will even put the security guard at risk because there was a co op store in Aldermoor road a few years ago who had to close down due to anti social behaviour and this Daniel loader getting stabbed. This co op had a security guard when is was running and youths still managed to get passed him and put him in danger and still caused theft and alcohol problem which caused the store to close down. Thank you for reading my letter.

Kind regards

Dear Sir,

I am writing in regards to Tesco Express alcohol application at Lordswood Road, Southampton, SO16 6LN (formerly Woodman Pub). I would like to express my concern in them being granted the license. I believe they should not be granted the license, as it would cause the same problems for which we were rejected in 24<sup>th</sup> November 2011.

Once the alcohol has been purchased from Tesco Express, the youth are likely to consume it right outside my premises (see above address), which is about 300 yards from the Tesco Express premises. The reasons given to us by the police for this occurring are that there is plentiful lighting, space and railings outside my premises and so the youth will congregate there. This according to the police and local residents will cause anti-social behavior amongst the youth.

In summary, I believe that we will encounter the same problems for which we were refused the alcohol license. This would therefore mean that the licensing objectives would not have been met.

Sincerely, —

Mr B.S.Pottiwal

Dear Sir/ Madam

We have been in this property for 35years. And we wish to bring our objections to the New TESCO express of selling alcohol due to the ongoing problems that we have had with abuse to our property and cars .over the years.

We have had our windows broken, doors kicked, tins, and lit cigarettes and other rubbish thrown over the garden wall whilst we been sitting in the garden.

The damage to our cars has been with the windows broken big heavy bricks thrown on to the cars and scratches, they also use the car parking area as a toilet it is not very nice .

Over the years we have had a lot of trouble with groups of twenty or more youths shouting Abuse from early evening to the early hours of the morning they always throw there cans and smashing glass bottles as target practice all over the road which is all due to alcohol

DANNY LOADER was another victim of drink related incident this happened in 2005

In 2008-9 a bus driver by the name of TIBOR TEMPLON was badly beaten by a group of youths with a golf club.

This was also alcohol related as they could buy it from the pub or the shops in this area one- stop shop is always selling alcohol to groups of youths.

The premier shop in Alder moor road had not had his alcohol license approved so why allow TESCO express have a license to sell alcohol.

The one- stop shop has had security in there keeping the youths out and they still sell alcohol to teenagers.

Unbeknown to many they ask passers- by to get them what they want because they cant get it themselves. . When they have there drinks and fags they don't care who they hurt or who s property they damage, . They have also taken our rubbish bins over the sports- centre to burn because they think its fun, several times I have had to re-trive my bin from the sports centre.

They also throw their bottles and cans everywhere, instead of putting them in the bins provided they throw them everywhere.

All the above incidences occur on Fridays and Saturday nights. Sometimes its during school nights, when the police do turn up its to late because the youths scatter. All the incidents have been reported to the police and they all have a crime number

Yours Sincer

Dear Sirs,

Tesco's opening of a store on the Ex-Woodman Site

I have two concerns regarding the opening of a Tesco store on the ex-Woodman site. The first being is there any reason why this store will be able to sell alcohol up to the hour of 11.00 p.m. In the past, residents in Falaise Close have had problems with alcohol-related damage to cars and property. The second is has any provision been made for staff car parking on site as at the moment we have major problems with hospital workers car parking in Falaise Close, Dunkirk Road and Dunkirk Close.

Yours faithfully,

Dear Sirs

This letter is a covering letter for the petition I have handed in to Southampton City Council Licensing team. The petition was put together at the request of some of my customers who felt it would be wrong for the council to give Tesco a Premises License when other independents have been rejected in the same area within the last couple of years. Also concerns about crime and disorder as reported by the police at the currant Tesco owned One Stop on Coxford Road.

We the undersigned object to the selling of alcohol at the new Tesco Express Store premises (formally known as The Woodman Public House) Coxford Road. We already know from various police reports that there have been many reports of theft of alcohol by youths from the One Stop Store (owned by Tesco) next door to the new site and attempts by underage youth to try and obtain alcohol. With a bigger store under a more recognized name and a reputation of selling at very low and sometimes below cost prices will attract more problems.

We the undersigned object to the selling of alcohol at the new Tesco Express Store premises (formally known as The Woodman Public House) Coxford Road. We already know from various police reports that there have been many reports of theft of alcohol by youths from the One Stop Store (owned by Tesco) next door to the new site and attempts by underage youth to try and obtain alcohol. With a bigger store under a more recognized name and a reputation of selling at very low and sometimes below cost prices will attract more problems.

## HAMPSHIRE CONSTABULARY

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

**State the ground(s) for representation** *(please read guidance notes 1 & 2)*

On behalf of the Chief Officer of Police I am writing to lodge a representation of the above application on the following grounds:

- 1) The prevention of Crime and Disorder
- 2) Public Safety
- 3) The Prevention of Public Nuisance
- 4) Protection of Children from Harm

The police have concerns over the application. These concerns are outlined below:

The Tesco application is proposed for the site which used to be the Woodman Public House on the corner of a large junction where Lordshill Way becomes Lordswood Road and Coxford Road crosses at this junction. There is a nearby 'One Stop' which is on Coxford Road and has an alcohol licence between 0800 and 2300 hours which staff state is due to shut on the opening of the Tesco with staff transferring to that premises. There have been numerous thefts at the One Stop; there are fifteen which are detailed in the incident report attached with this objection, then another incident which is on page 5, dated 24/12/10 where someone tried to leave the premises with alcohol and when a member of staff stopped the person they were assaulted.

The One Stop closing means that the youth nuisance that they have suffered outside the premises is likely to transfer to the Tesco site. An example of the types of problems that the 'One Stop' have suffered can be seen on page 4 of the incident sheets, dated the 02/03/11 details that large group of youths were hanging around outside the shop being abusive to the customers. Further examples of these problems can be seen on page 5, dated 23/10/10 which shows that youths have been running in and out of the premises being abusive to staff, with about ten youths in total.

The Woodman Public House which shut in the middle of 2011 has suffered youth nuisance problems before closing and some incidents have been reported since. The most recent incidents of youth nuisance can be seen on Page 2, dated 10/08/11 and 08/08/11 refer to youths taking bottles out of the bottle bank on the site and throwing them.

There are other incidents of youth nuisance reported in the area, an example on page 3 of the incident sheets, dated 16/06/11 and 07/05/11 there are youths congregating and throwing items at passing cars and also youths throwing stones at elderly persons windows. On that last incident at the bottom it can be seen that part of the safer neighbourhood (SNT) priorities are "underage drinking and the acquisition of alcohol by juveniles" The youth nuisance is a concern with regards to public nuisance but also where youths are loitering around licensed premises they are often attempting to persuade customers to buy alcohol on their behalf, an example of this is on page 9, dated 12/03/10, there is a report of youths outside the One Stop requesting alcohol from customers. This causes concern under the licensing objective of the protection of children from harm.

## HAMPSHIRE CONSTABULARY

### **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

The applicant has already put on the application schedule CCTV, staff training, challenge 25 with signage and a till prompt for age related sales. In discussion with the applicant before a decision to object was made they agreed to our wording for those conditions. In that discussion with them it was requested that they consider taking on a refusal book and incident book. Their response, as seen on their e-mail, was that they record incidents on their own system and did not feel a specified incident book was required and neither was a refusal log book. The request that they consider a security guard in place was not answered in their response and if a licence were to be granted by the panel then security staff is strongly recommended to be able to deal with youth nuisance issues and theft concerns. It would also be advisable that there be full CCTV coverage externally be in place as a deterrent for youths and to support the security staff when dealing with incidents outside.

It is felt by Hampshire Constabulary that the granting of a licence may increase the anti-social behaviour in the area. There are concerns that there would be an increase in theft incidents and staff putting themselves at risk when challenging shop lifters. This would all lead to an impact under crime and disorder, public nuisance and public safety with the concerns about youths and proxy sales or thefts causing a concern under the protection of children from harm. The additional conditions suggested with the conditions already agreed would assist in minimising the impact on the community.

#### **State any conditions that the Police seek to negate the need for a hearing**

Attached is a copy of conditions that the premises have already agreed and a copy of the conditions suggested.

That an incident book be put into place, or a copy of the incident reporting forms the premises state will be in place, be available on site and the forms be completed with the details requested in the condition

That a refusal log be put into place and utilised

That there is security staff on site

That their CCTV system has full external coverage of their land at the front of the premises where youths may gather

**IT IS AN OFFENCE, UNDER SECTION 158 OF THE LICENSING ACT 2003 TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS REPRESENTATION**

**Part 3 – Signatures** *(please read guidance note 3)*

**Recommendation of Police Officer**

 Natasha

Nice to speak to you the other day

To address the Police concerns regarding our proposed store at Lordswood Road, Southampton we would request the following conditions be added, if granted.

- Staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; signs and symptoms of drunk persons, refusal of sale due to intoxication and that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training and that records are signed and dated by the member of staff who undertakes the training. Records will be available for inspection by Hampshire Constabulary and the licensing Authority. Records will be kept for a minimum period of two years.
- There will be a Challenge 25 policy operated at the premises. All staff will be trained on the policy to challenge any one who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises. The customer shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.
- CCTV
  - The premises shall have sufficient cameras located within the premises to many areas of the premises including the entrance and exit, checkouts and main alcohol display area. The system should be able to cope with strobe lighting and all levels of illumination throughout the premises as well as outside areas CCTV warning signs to be fitted in public places.
  - The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation.
  - The recording system will be able to capture a minimum of 4 frames per second and all recorded footage must be securely retained for a minimum of 28 days.
  - There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on either disc or VHS. Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.

We do not operate a refusal register as standard within Tesco. We believe neither us or any responsible authority gain any benefit from the operation. We currently have conditions regarding refusal registers on around 15 licences out of the 2000+ we operate.

Regarding an incident log. We have our own internal recording procedures to capture incidents as described below. I also note that I try and agree to conditions that relate to the licensable activities that are being carried out at the premises and not the general running of the premises

Best regards

Greg

Our Ref: SC/2/12

Sir

As discussed please see the below in relation to the new premises application for Tesco Stores Ltd on Lordswood Road, Southampton, SO16 6LN

I am dealing with the application and have asked the Sgt responsible for the area to let me know of any concerns about a licensed premises in that area and his response and any evidence he provides will guide me in whether any objections are made

Whilst awaiting that response there are a few things I would like to discuss with you. I have looked through the application and note that you are putting forward the following in the schedule:

Staff Training

Challenge 25

CCTV

Please see the conditions below as this is the wording that we would expect on a current licence, these may be more detailed than previous conditions that you have seen. This is because the home office have advised that "to the satisfaction of hampshire constabulary" is unfair on the licensee as how are they to know what is to the satisfaction, so we have detailed exactly what we expect and this wording reflects that. Please have a look at the condition wording and let me know what response you have to it.

**Training (you've put forward)**

*Staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; signs and symptoms of drunk persons, refusal of sale due to intoxication and that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records are signed and dated by the member of staff who undertakes the training. Records will be available for inspection by Hampshire Constabulary and the licensing Authority. Records will be kept for a minimum period of two years.*

**Challenge 25 (you've put forward)**

*There will be a Challenge 25 policy operated at the premises. Challenge 25 meaning that the holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.*

**CCTV (you've put forward)**

*The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system should be able to cope with strobe lighting and all levels of illumination throughout the premises as well as outside areas.*

*CCTV warning signs to be fitted in public places.*

*The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation.*

*The recording system will be able to capture a minimum of 4 frames per second and all*

*recorded footage must be securely retained for a minimum of 28 days.  
 Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.  
 The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.  
 There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on either disc or VHS. Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.  
 In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Southampton Police Licensing Unit.*

I would ask that you also consider the following conditions to support the licensing objectives

**Refusals book**

*A refusals book to be kept detailing numbers , dates and times of incident and description of people refused service of alcohol with reasons why(Including incidents relating to disorder ) to the reasonable satisfaction of Hampshire constabulary. The refusals book will remain on the premises at all times and will be available to police upon request.*

**Incident book (this can be combined with the refusals book)**

*An incident book will be provided and maintained at the premises. It will remain on the premises at all times and will be available to police for inspection upon request.  
 Any incidents that include physical altercation or disorder, physical ejection, injury, id seizure or drug misuse will be recorded in the incident book. The entry is to include an account of the incident and the identity of all person(s) involved (or descriptions of those involved if identity is not known). Should there be any physical interaction by members of staff and the public the entry will include what physical action occurred between each party. The entry shall be timed, dated and signed by the author.  
 If the member of staff creating the entry has difficulties reading or writing then the entry may be written by another staff member. This should however be read back to the person creating the entry and counter signed by the person who wrote the entry.  
 At the close of business on each day the incident book will be checked by the manager on duty where any entries will be reviewed and signed. If incidents have occurred the duty manager will de-brief door staff at the close of business. Should there be no incidents then this will also be recorded at the close of business in the incident book.*

I know that in the wider area of Aldermoor & Lordshill there have been concerns in the past about anti-social behaviour issues and also youths with alcohol and therefore do request that you consider security staff as part of your application  
 Please feel free to e-mail or if you'd rather my direct dial number is 02380 674768. I do work shifts but if I am not around then my line manager PS Ivan Marshman will be appraised of the application and should be able to assist
