A Member must regard himself or herself as having a, 'Other Interest' in any membership of, or occupation of a position of general control or management in:

Any body to which they have been appointed or nominated by Southampton City Council

Any public authority or body exercising functions of a public nature

Any body directed to charitable purposes

Any body whose principal purpose includes the influence of public opinion or policy

## **Principles of Decision Making**

All decisions of the Council will be made in accordance with the following principles:-

- proportionality (i.e. the action must be proportionate to the desired outcome);
- due consultation and the taking of professional advice from officers;
- respect for human rights;
- a presumption in favour of openness, accountability and transparency;
- setting out what options have been considered;
- setting out reasons for the decision; and
- clarity of aims and desired outcomes.

In exercising discretion, the decision maker must:

- understand the law that regulates the decision making power and gives effect to it. The decision-maker must direct itself properly in law;
- take into account all relevant matters (those matters which the law requires the authority as a matter of legal obligation to take into account);
- leave out of account irrelevant considerations;
- act for a proper purpose, exercising its powers for the public good;
- not reach a decision which no authority acting reasonably could reach, (also known as the "rationality" or "taking leave of your senses" principle);
- comply with the rule that local government finance is to be conducted on an annual basis. Save to the extent authorised by Parliament, 'live now, pay later' and forward funding are unlawful; and
- act with procedural propriety in accordance with the rules of fairness.

SOUTHAMPTON CITY COUNCIL  
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE  
MINUTES OF THE MEETING HELD ON 9 November 2012

---

Present: Councillors Cunio, Lloyd and Tucker

Apologies: Councillor Councillor Paul Lewzey

56. **ELECTION OF CHAIR**

**RESOLVED** that Councillor Cunio be elected Chair for the purposes of this meeting.

57. **APOLOGIES AND CHANGES IN MEMBERSHIP (IF ANY)**

The Sub-Committee noted that Councillor Tucker was in attendance as a nominated substitute for Councillor Lewzey in accordance with Council Procedure Rule 4.3.

58. **EXCLUSION OF THE PRESS AND PUBLIC**

**RESOLVED** that in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 that the press and public be excluded at a predetermined point whilst the Sub-Committee reached its decisions.

59. **APPLICATION TO VARY A PREMISES LICENCE - PIG IN THE WALL, WESTERN ESPLANADE, SOUTHAMPTON, SO14 2AZ**

The Sub-Committee noted that the application to vary a premises licence in respect of Pig in the Wall, Western Esplanade, Southampton, SO14 2AZ no longer required a hearing as conditions had been agreed between the parties and the objectors had withdrawn their representations.

60. **APPLICATION FOR PREMISES LICENCE - SHELL HAMPTON PARK, 197 BURGESS ROAD, SOUTHAMPTON, SO17 1TU**

The Sub-Committee considered the application for a premises licence in respect of Shell Hampton Park, 197 Burgess Road, Southampton, SO17 1TU. (Copy of report circulated with the agenda and appended to the signed minutes).

PS Wood and PC Norris, Hampshire Constabulary, Mr Phillips, Counsel for Applicant, Mr Hunt, Designated Premises Supervisor and Mr Lockett, Applicant's Agent were present and with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with the Licensing Act 2003 (Hearings) Regulations 2005.

**RESOLVED** that:-

- (i) in accordance with Regulation 17 of The Licensing Act 2003 (Hearings) Regulations 2005, further statistical evidence be supplied showing not only the value of sales of fuel and other items, but also the number of sales relating to fuel transactions only, fuel and convenience store transactions combined and convenience store transactions only;
- (ii) given new systems would need to be implemented in order to record, analyse and present the data required, the hearing be adjourned to 25<sup>th</sup> April 2013; and
- (iii) in the event that the applicant was able to retrospectively analyse its sales data in such a way to present the information requested for a minimum period of 4 months, post the changes made to the premises, application may be made for an earlier hearing than that stated above, convenient to all parties.

**REASONS FOR ADJOURNEMENT**

The Sub-Committee considered very carefully the application for a premises licence at Shell Hampton Park and gave due regard to the Licensing Act 2003, the licensing objectives, statutory guidance, the adopted statement of licensing policy, human rights legislation and the evidence submitted by all parties, both written and given orally today, including the additional information supplied by the applicant (agreed conditions and additional statistical evidence provided to the police in advance of the hearing).

It was noted that the sole issue raised by the police representation was that of primary use of the premises as a garage and in making a representation had requested specific information from the applicant to satisfy them that the use was not primarily that of a garage. As a result the Sub-Committee acknowledged the conditions presented and agreed but focused its mind on the sole issue of primary use.

The Sub-Committee considered the police request and the evidence supplied in response as presented and explained at the hearing. However, it did not feel able to make a determination on the basis of the evidence gathered and supplied.

The evidence presented showed retail sales exclusive of VAT and separated fuel-based sales from other convenience store sales. The police representation had asked for figures relating to number of transactions with regards fuel purchases only, fuel and convenience purchases combined and convenience purchases only. The applicant stated that systems currently in place did not enable the production of data in this manner.

The Sub-Committee noted that there were generally two methods of analysing the proportion of sales so as to determine the primary use of the premises. One being the number of sales and the other being comparison of turnover excluding VAT. The Sub-Committee, in considering the matter, requested that the applicant provide evidence relating to both approaches so that it had a full understanding of the position before making a determination.

The Sub-Committee felt that in order to properly determine the intensity of use it must be able to understand the relationship between petrol and other sales at the premises and it was not able to do so unless separate figures for each were provided over a substantial period. In this regard the evidence showed that the premises had recently undergone significant changes and as a result the Sub-Committee would attach more weight to figures relating to the period after those changes had been made.

## ***Legal Implications***

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a major variation of a Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a variation, whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

## HAMPSHIRE CONSTABULARY

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

**State the ground(s) for representation** *(please read guidance notes 1 & 2)*

This premises has had two reviews of its licence. The first related to the premises being open and serving hot food past their permitted hours on 7 separate occasions (See Annex A). PS Marshman who produced the review paperwork on 11th March 2010, stated that the premises only closed because of police intervention and often tried to resist closing even then. It was also noted that there was a pending prosecution of the premises in connection with supplying hot food to the public after permitted hours, but this had little effect in preventing the premises from opening past their permitted hours. PS Marshman highlighted that the premises was in a Cumulative Impact area and by ignoring its permitted hours, were helping to increase disorder, violence, public nuisance and consequently public safety. On 12th April 2010 in a meeting between PS Marshman and the licence holder Naseer Mohammed, conditons were agreed that addressed police concerns and promoted the licensing objectives. This review did not go before the sub committee.

A second review was submitted by PC Harris (See Annex B), which was heard by the Licensing Sub-Committee on 7th April 2011. This was in relation to the premises breaching new conditions of its licence, namely CCTV and further breaches in its operating hours. Since the 1st review, which was only 10 months prior, the premises had 5 incidents including public order, assault and rowdy and inconsiderate behaviour. All but one of those occurred when door staff were not employed or before they were due to start work. The Sub-Committee in their decision (See Annex C) stated "it accepts that this is a very serious matter in so far as this is now a second review regarding breaches of conditions previously imposed". The Sub-Committee imposed a seven day suspension and the full condition wording agreed can be seen on page 2 & 3 of Annex C.

Since the last review, the police have not witnessed the premises opening beyond its permitted hours and there has only been one reported incident at the premises which occurred on 5th June 2012 at 02:25 hours. This can partially be attributed to the conditions that were imposed by the Sub-committee at the last review and the reduction in hours the premises is open to the public. However, despite there only being one incident, there was a breach in the licence conditions and the licence holder and staff were not co-operative with police. As per page 4 and 5 of Annex D, a verbal argument ensues between a group of males inside the premises. They leave when the premises is closed at 02:16 hours and then a fight breaks out between this group, directly outside the premises. Page 7 of Annex D shows that persons involved clearly had injuries as there is blood just outside the glass entrance doors to the premises and another patch by the window. The aggrieved party was taken to hospital and there was concern they had sustained GBH injuries. Page 2 of Annex D clearly shows that CCTV was requested from the premises, bearing in mind that the police had the offenders in custody. A report made by PC Hair at 12:32 that day (Page 3, Annex D) states that the licence holder told her that staff would have been too busy to have been able to copy CCTV last night and that it could be completed at about 16:00 hours today. This would be almost 14 hours after the incident

## HAMPSHIRE CONSTABULARY

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

occurred. PC Hair requested for it to be completed sooner due to the offenders being in custody. Naseer Mohammed was described by the officer as being un-cooperative and rude "very short" and denied having keys to the premises. The staff member that locked up last night had the keys and would not open the premises again until 15:00 hours. This demonstrates the licence holders lack of co-operation with police and lack of support for the licensing objectives, namely prevention of crime and disorder. It is a clear breach of the CCTV condition as in Annex 2 (iii) it states 'There shall be sufficient members of trained staff available during operating hours to be able to provide copies at the request of the police or authorised officer'. A further report is made by DC Daltrey at 00:55 hours on 6th June 2012 in which she advised she eventually managed to obtain CCTV footage from the premises. This was almost 24 hours after the incident was reported. DC Daltrey spoke to a member of staff who said he saw a lot of people outside and police turn up, but made no mention of witnessing an assault. The fight that occurred directly outside the premises involved 3 people who were throwing punches and flying kicks so it is surprising this was not witnessed by staff at the premises.

Police licensing officers spoke to the licence holder on 1st July 2012 to discuss the CCTV issue. He argued that the attending officer on the night of the assault had said the footage could be collected the following day. He did not mention this when he was first spoken to as per Page 3, Annex D, PC Hair stated the licence holder told her that staff would have been too busy to have been able to copy CCTV. Offenders were in custody so there would have been an urgent requirement for the footage. As the licence holder, he should be aware of the condition and even if he was not working that night, it is his responsibility to ensure staff are aware of the requirement of the condition. Despite there only being this one occurrence, they breached the CCTV condition and were not supportive of licensing objectives, namely the prevention of crime and disorder.

PC Harris, visited the premises in the early hours of Saturday 10<sup>th</sup> November 2012 to check that the conditions imposed at the last review were being adhered to. The CCTV was recording and held data back to 10 October 2012, but when asked if footage could be copied a fault message was displayed. The licence holder tried for several minutes, but the same error occurred and footage could not be copied. This is a breach of the premises licence and led me to ask if he had been conducting weekly checks on his CCTV, as per the premises licence. After searching the computer, a file was found containing around 8 video files with the most recent dated from June 2012. The licence holder stated he had some recordings on disk, but admitted he had not always conducted the checks on a weekly basis.

Annex E is a list of 394 incidents that have occurred in the 1SW03 (includes London Road, Bedford Place and connecting roads) area between 30/04/12 - 30/10/12. Any incidents that occurred in the neighbouring residential areas were removed from the statistics. Out of the 394 incidents, 298 or 76% of them occurred between the hours of 22:00 and 05:00 hours. These incidents can be directly linked to the night-time economy and highlights why this is a stressed area covered by the Cumulative Impact Policy.

## HAMPSHIRE CONSTABULARY

Page 4 of 6

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

Annex F, graph 1 shows both the total amount of crimes recorded with police (blue) and the total amount of requests for assistance from venues or doorstaff to the CCTV control room, (purple). This shows that most crimes are reported to police in this area between the hours of 01:00 and 02:00 with the hours of 02:00 and 04:00 being the second busiest period. The drop in the CCTV statistics between the hours of 02:00 and 03:00 can be attributed to the closure of a number of licensed premises, meaning door staff are going home and there being less people to report crime. However, there are still a number of large capacity venues open at this time that will remain open until 03:00 and sometimes later with temporary event notices. It is this clientele that this premises is aiming to provide its services to, which is likely to have been drinking all night and more likely to be involved in disorder. In general, food establishments encourage people to remain in the area instead of going home.

Although the premises does have a licence until 03:30 on a Friday and Saturday, the privilege to trade this late was taken away from them at the second review. They are currently able to open the premises to the public until 02:15 hours with everyone out by 02:30 hours, but as a compromise can continue to trade with a delivery service. They now wish to remove this condition and go back to the trading hours they originally had with the exception of having door staff employed until 03:30 hours, yet the conditions imposed already demonstrated that it reduced the impact on the area as the premises had only had 1 reported incident since April 2011.

The licence holder has also requested to remove door staff from Tuesday night/Wednesday morning, offering no explanation for this change and yet they are proposing to extend the time persons are allowed entry from 02:15 hours to 02:40. Graph 2 of Annex F provides a breakdown of when the incidents from Annex E have occurred. Friday and Saturday is clearly the busiest for crime reporting and both nights are represented by the blue bar. Tuesday is the second busiest and is represented on the chart by the light blue bar. Tuesday is a well established student night in this part of town with a large part of the surrounding area accommodating students. The premises offer drink promotions making it attractive for members of the public to buy excessive amounts of alcohol. It should be noted that for almost 2 of the 6 months the graph covers, students are on summer holiday and yet this still shows that it is the busiest night of the week, second to the weekend for crimes being reported.

The police suggest that the conditions that were imposed at the last review were a success as far as there has been less incidents linked to the premises and this can be attributed to the reduction in hours that the premises is open to the public. On Friday and Saturday at present, the premises should cease allowing customers into the premises at 02:15 and yet they are requesting to extend this to 03:10. This is targeting the people that leave the venues at 03:00, stopping them from leaving the area and giving them reason to hang about, which in turn will increase crime. A reduction in the hours imposed at the last review has already shown a decrease in crime at these premises. If it was to go back to its original opening times, there is likely to be an increase in disorder thus adding to the cumulative impact in the area. The applicant cannot show that the variation won't have a negative impact. The police do not consider that the licence holder has taken the previous reviews seriously. He continues to breach conditions of his licence which were imposed at review and is looking at the financial need other than considering the impact on the licensing objectives.

Please state the grounds for review which must be based on one or more of the licensing objectives together with supporting information:

This review is brought by Hampshire Constabulary as a responsible authority under the Licensing Act 2003, because of a series of failures in the management of, which impact on three of the licensing objectives as highlighted above.

On the basis of the evidence outlined below, Hampshire Constabulary would wish to achieve the following:

1. To have licensed door staff from 0100 hours to 30 minutes after their closing time to help prevent disorder and assist with quietly dispersing customers ensuring that licensing hours are adhered to.
2. Last entry to the establishment 15 minutes prior to their closing time to ensure licensing hours are not breached.
3. To provide and maintain an incident book and daily debrief of door staff at the close of business, to the satisfaction of Hampshire Constabulary and the Licensing Authority.
4. to have and use a CCTV system to the satisfaction of Hampshire Constabulary and the licensing Authority.
5. A reduction in opening hours to 0200 hours to ensure safe dispersal of members of public and reduce disorder.

In summary, the Police evidence to support these points is as follows:-

I have evidence of 7 incidents (5 since the beginning of the year) of Pizza & Chicken Hot to you (formerly known as Larbis) being open and serving hot food passed their permitted licence hours. All the evidence is either in statement form from the police officers or evidence by body worn camera. They have only closed because of police intervention and often tried to resist closing even then. The CCTV from the officer shows large numbers of members of public in the premise and taking food from the shop. It clearly shows how rowdy some of the individuals are, how they are reluctant to leave causing a public nuisance. This is clearly in breach of their licence. I am also aware that there is a pending prosecution of the premise in connection with supplying hot food to the public after permitted hours. However, this appears to have had little effect as I have video footage of them being open past their permitted hours on the 27/2/10.

Page 4 of 6

Southampton City council has CCTV that shows on the 10/01/10 from 0335 hours- 0408 hours members of public entering the shop (in some case groups of ten people) and then leaving with pizza boxes. On the 17/1/10 from 0332 hours to 0400 hours members of public entering and leaving with what appears to be food. On the 31/1/10 from 0332 hours - 0407 hours members of public are regularly entering the shop and appear to pick up food outside the permitted licensing hours. This also occurs on the 6/2/10 hours from 0330 hours- 0404 hours all leaving with what appears to be food. The closing time for the premise is 0330 hours on these days. By doing this it is encouraging members of public to remain on the streets of Southampton which in turn often results in disorder.

On the early hours of Wednesday the 10/1/10 occ 44100010913(0413hours) a call was received by Mr Ahmad KHAN stating that men had come into his shop shouting. The call highlights lots of background noise. This indicates the shop being open when it should have been closed at 0300 hours and supports additional evidence of the poor management contributing to cumulative impact regarding public nuisance. Police never managed to attend the incident and the males concerned then went off into the surrounding residential areas.

Since the 1st of February 2009 to the 7th of February 2010 there have been 263 instances which have been recorded on police records, mainly in the immediate area i.e. Bedford Place. The majority of these have occurred between 2200 hours and 0300 hours tailing off dramatically between 0300 hours- 0700 hours.

Paul Shott (an intelligence research analyst) has produced a report which relates to violent crime and criminal damage within the cumulative impact zone. Of the 543 assaults and 149 incidents of criminal damage that occurred between July and November 2009 he clearly points to a correlation between the closing of clubs and fast food outlets at 0300 and the dramatic drop off of offending levels after 0300 hours. He attributes this to the fact that there is no reason to "hang around". People are therefore encouraged to leave the area if the clubs are shut and the food outlets are also shut. The premise in question is flouting its opening hours within a cumulative impact area exasperating the problems.

Since 1/2/09 there have been 83 reports of assaults against members of the public , 3 assaults against police, 27 incidents of criminal damage, 12 incidents of drunkenness and 34 offences of public order, 83 incidents of rowdy and inconsiderate behaviour in Bedford Place , Southampton. This amounts to 242 offences of which 76(31%) occurred before 2200 hours the remaining 166(69%) offences all are related to the night time economy. Of the 166 offences which took place after 2200hours 52 happened after 0300 hours this equates to 30%. This figure through my experience and from the findings of Paul SHOTT I feel could be reduced should the fast food outlets opening hours are reduced or at the very least shut on time. Further to this there have been 21 dispersals in Bedford Place (8 after 0300 hours- 15%) of individuals who it is believed were likely to commit alcohol related disorder due to their behaviour. This is through the Violent Crime Reduction Act 2006 and its purpose is to disperse trouble from the city before it does result in an assault or public order issue.

Please state the grounds for review which must be based on one or more of the licensing objectives together with supporting information:

This review is brought by Hampshire Constabulary as a responsible authority under the Licensing Act 2003, because of a series of failures in the management, of which impact on three of the licensing objectives as highlighted above.

On the basis of the evidence outlined below, Hampshire Constabulary would wish to achieve the following:

1. SIA registered door staff to be employed daily from 0000 hours until closure to help prevent disorder and assist with quietly dispersing customers, ensuring that licensing hours are adhered to.
2. A reduction in opening hours to 0200 hours to ensure safe dispersal of members of the public and to reduce disorder.
3. Premise to be closed for three months to act as a deterrent in discouraging the premise licence holder from continuing to breach conditions of his premises licence and to give him plenty of time to implement a management plan.

This is the second review application submitted in relation to Chicken and Pizza hot 2 You within a 10 month period. The first review was submitted as the premise was evidenced to be regularly breaching its licensed opening hours, which in turn helps to increase disorder, violence, public nuisance and consequently public safety in an area where the Cumulative Impact Policy is in place. Evidence was previously produced by a police analyst who showed a direct correlation between the closing of venues and night time refreshment establishments and the drop off in assaults.

Further to the breach in conditions, the premise licence holder appeared unable to use his CCTV system and further conditions were agreed by the premise licence holder and the police, in order to address these issues.

Despite the further conditions being applied, the police can evidence further breaches in the premise licensed opening hours and breaches of the new conditions. This highlights the police original concerns, which still stand of poor management and blatant disregard to the licensing objectives.

[REDACTED]

**Application for the review of a  
Premises licence or Club Premises certificate  
under the Licensing Act 2003**

Since the first review, there have been 5 reported incidents at the premise. This includes 1 incident of public order, 3 rowdy and inconsiderate and 1 assault. All but one of these incidents have occurred when door staff are not employed or before they are due to start work and three of these incidents have occurred between 0000 and 0100 hours. In the public order incident 44100510306, reported at 00:52 on 04/12/2010, a male was verbally abusive to staff and was refusing to leave. On police attendance, this male continued to be abusive and was subsequently arrested for public order offences. He later received a penalty notice for disorder for £80. In incident 44100413515, staff reported at 00:10 on 29/09/2010, students fighting in the shop and noise could be heard in the background. The offenders left the premise prior to police deployment. Incident 44100410517 was reported by staff on 27/09/2010 at 00:30 hours, of customers fighting inside the premise and they were smashing up the place. The police attended the incident and no damage was found. This incident was resulted as an argument between friends. In respect of the other two incidents, no complaint was forthcoming from any party.

A police analyst (Hollie Cleaton) has provided a report. It describes Bedford Place where the premise is located, as being the fourth highest street for assault offences in Southampton. It is also in close proximity to London Road which ranks second. Bedford Place is located in the Polygon area of the City, which as an area accounts for the highest proportion of both assault offences at 43.3% (263/607) and criminal damage offences at 58.4% (213/365) across Southampton. This is over a period between January and November 2010. The report highlights a dramatic drop off in the amount of assaults that occur between 03:00 and 03:59 (62). Over half the assaults that occur between 02:00 and 02:59 (130). She states this is attributable to the prompt closure of both licensed premises and fast food outlets at 03:00 hours, encouraging people to leave the area. She goes as far to say that ideally, all licensed premises and night refreshments houses would close at 02:00 in order to reduce violent offences.

Further to the last review, there have been 356 Section 27 dispersals in the city centre. 161 or 45% of these have been issued in the Polygon area. Section 27 of the Violent Crime Reduction Act 2006, allows police officers to disperse people from the city if it is believed that the individual concerned is likely to be involved in alcohol related disorder type offences. This acts as a preventative measure and allows police to deal with persons committing minor offences without using custody and taking officers of the street. However, an area as small as the Polygon having 45% of issued section 27 dispersals, highlights the problems in this area. Despite a previous review, which lead to more conditions being added to the premise licence, this premise continues to operate beyond its licensed hours, within a cumulative impact area, exasperating the problems.

On 17th June 2010, PS 3555 MARSHMAN visited the premise and viewed CCTV for 21ST and 22nd May 2010 and 22nd to 23rd May. The footage showed that on Friday 21 May 2010, they had served customers about 2 minutes after 0330. This is a breach of the premise licence, as the premise should close at 0330 on Friday and Saturday and no customers should be allowed entry to the establishment, 15 minutes prior to the closing time.

On Saturday 22/05/10, it showed 2 males coming into the store at 0316 hours. 0322 hours another 5 people come into the store and finally another entered at 0329 hours. These are all breaches of the new condition 'last entry to the establishment by members of the public will be 15 minutes prior to the closing time'. These people then stay in the establishment until 0337, which is a further breach of the licensed opening hours.

The premise licence holder was told by SGT Marshman that this was unacceptable and he was breaching his licence. Further to that he did not have a memory card available to save the data for the CCTV footage and this was again a further breach of the CCTV condition which was added to the licence following the first review.

Although the premise licence holder did provide footage of the above incidents on a memory stick a few days later, this was not satisfactory. The footage was not in a format that could easily be downloaded as it took an unacceptable amount of time. PS 3555 MARSHMAN wrote a letter to the premise licence holder, which was hand delivered to the premise on 07/07/10. In the letter, PS 3555 MARSHMAN reminded the premise licence holder of the CCTV condition added to the premise licence and advises the CCTV system is not of "a reasonable satisfaction". The premise licence holder was then informed that if he wished to continue trading under the current licence, he would need to use a CCTV system that was acceptable to Hampshire Constabulary and could record onto a disc.

Due to the further breaches in opening hours, PS MARSHMAN informed the premise licence holder that this was his final warning and should there be a breach in the licence again, he would seek to prosecute via the courts or look to review the licence. This would be with the view of reducing hours for trading or suspend trading until an effective management system is in place.

PC 22939 BOXALL visited the premise on 20/08/10 and stated the premise licence holder appeared much more competent in using the CCTV system. He was asked to produce footage onto a disc, which PC BOXALL then collected on 27/08/10. The footage could be viewed although it was only on a stand alone computer, which at the time was considered acceptable. This was in the interests of helping the venue from incurring extra costs.

On 23/09/2010, PC 22939 BOXALL attended the premise and gave simple written step by step instructions to the premise licence holder, on how to produce CCTV footage for police.

PC 20920 PRIOR and PC 24288 HARRIS attended the premise on 02/12/10 following a report from a police officer, which stated that the premise was open to 0310 on 17/11/10. During the week, the premises licence only permits them to open until 0300 and last entry at 0245 so this would be a further breach in their conditions. The footage was viewed and it showed customers waiting at the counter at 0300 hours and they were then served food after this time. The same customers then sit down on seats in the premise and do not leave until 03:18 hours, which is when the doors are locked behind them.

It was explained to the premise licence holder that he was breaching his licence conditions again. He was breaching the licensed opening hours as the premise should close at 0300 and he was breaching the condition of customers entering after 0245. The premise licence holder tried to say that it was alright to serve, provided they had entered the premise before

0300. The police made it clear this was evidence of further breaches and a copy of the CCTV was requested for collection the following week.

PC 24288 HARRIS went to collect the CCTV footage on 13/12/10. During the visit the premise licence holder told him that on occasions it had been difficult to refuse customers as they will bang on the doors, force their way in and then insist on being served.

The CCTV which was obtained should have contained the footage for the breaches of the premises conditions on 17/11/2010. However, although the footage was playable, it was for 02/12/2010. The premise licence holder was immediately re-contacted and advised he would have a copy for police the following day. When PC HARRIS attended, the premise licence holder then advised he had made a mistake and had managed to delete all of November's footage from the CCTV systems hard drive.

Police have tried on numerous occasions to work with the premise licence holder as outlined by the evidence above, however he continues to breach and ignore the premises licensed opening hours, which helps to increase disorder, violence, public nuisance and consequently public safety. The original issues from the first review have not been resolved hence; this review is requested to have this addressed.

The premise was evidenced to be flouting its licenced opening hours on 7 different occasions, exasperating the problems and a cumulative impact area. Video footage and statements were provided to evidence these breaches. There were concerns over the premises CCTV system and the managements inability to provide police with footage upon request. Subsequently the following conditions were added to the premises licence which were agreed with the premise licence holder:

1. (i) The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system should be able to cope with all levels of illumination throughout the premises as well as outside areas.

(ii) All equipment shall have a constant and accurate time and date generation.

(iii) There shall be sufficient members of trained staff available during operating hours to be able to provide copies at the request of the Police or authorised officer.

(iv) CCTV warning signs to be fitted in public places.

(v) Recordings to be kept for a minimum of 28 days.

(vi) Recording equipment is to be housed in a secure place restricting access to authorised persons. (This can be on a computer that is password protected)

(vii) All systems, signage, hardware and procedures are to be installed and implemented to the reasonable satisfaction of Hampshire Constabulary and approved in writing.

2. An incident book will be provided and maintained at the premises and there will be a daily debrief of door staff at the close of business, to the reasonable satisfaction of Hampshire Constabulary and Southampton City Council Licensing Authority.

3. A minimum of one licensed (SIA registered) door staff will be employed from 0200 hours to 0330 hours to help prevent disorder and assist with quietly dispersing customers. This will be for Fridays and Saturdays only.

4. Last entry to the establishment by members of the public will be 15 minutes prior to the closing time.

**LICENSING (LICENSING AND GAMBLING) SUB - COMMITTEE.**  
**DECISION OF THE MEETING HELD ON 7<sup>th</sup> APRIL 2011.**  
**PIZZA CHICKEN KEBAB HOT 2 YOU, 1A BEDFORD PLACE,**  
**SOUTHAMPTON**

The Sub-Committee has considered very carefully the application for the review of the premises known as Pizza Chicken Kebab Hot 2 You. It has paid due regard to the Licensing Act 2003, the Licensing objectives, statutory guidance and the adopted statement of Licensing Policy.

It has noted that the parties had reached agreement prior to the commencement of the hearing as to suggested conditions and a proposed suspension of the licence for a period of 14 days.

The Sub-Committee has listened carefully to both parties and taken account of written representations.

In light of all the above, the Sub-Committee has decided to take the following steps:

- to impose the conditions as agreed and subject to the following amendment.

Additional condition no. 3 shall have the following added:

Delivery destinations after 02:15 hours shall be recorded and kept for inspection by the Police for a period of at least seven days.

Condition 4 shall not be implemented.

The additional CCTV condition (not numbered) shall be amended so as to state:

The CCTV system will be checked on a weekly basis to ensure that all cameras are operational and the system is recording. As a record of this check a copy will be made onto disc every seven days of 5 minutes footage from the system. All footage recorded shall be available for inspection immediately upon request by the Police at the premises. This includes both these records of checks as well as the continuous recording.

The Sub-Committee has decided to impose a suspension of seven days to the premises licence.

**REASONS FOR THE DECISION**

The Sub-Committee has listened very carefully to the submissions of both parties and has accepted the proposals as put forward in the main.

It has nonetheless decided to impose a suspension lesser than that proposed. It is accepted that a suspension may be imposed as a deterrent but notes that the guidance to the Act requires such to be necessary and proportionate in promoting the licensing objectives. Further, that the financial impact upon the business holding the licence is a factor for consideration. The Sub-Committee accepts that this is a very serious matter in so far as this is now a second review regarding breaches of conditions previously imposed. However, in assessing the impact of those breaches upon the Licensing Objectives, particularly crime and disorder at or in the vicinity of the premises, the suspension as imposed was felt to be more appropriate as a deterrent.

The Sub-Committee is also aware of the impact of a reduction in trading hours as implemented by the additional conditions.

The decision and reasons shall be issued in writing to all parties. There is a right of appeal against the decision to the Magistrates' Court. Formal notice of the decision will outline that right. The impact on all parties and Human Rights legislation have been borne in mind.

Additional condition 3 shall have the additional sentence added:

Delivery drivers or those making deliveries shall only access the premises by the rear entrance and shall not use the front door after 02:15 hours on any day.

#### Conditions Submitted

1. One SIA registered door staff to be employed on Tuesdays, Fridays and Saturdays from midnight until 02:30 am.
2. Last entry to the premises by members of the public will be 02:15 and all members of the public must have left the premises by 02:30.
3. The permitted hours for late night refreshment and the opening hours set out in this premises licence after 02:30 are to be used solely for the purposes of the delivery service offered by the premises licence holder. For the avoidance of any doubt, this condition prohibits collection of any order by a member of the public from the premises after 02:15. Deliveries will only take place to a dwelling or place of work with a recognisable postal address.
4. The premises licence will be suspended for a period of 14 days commencing on the day after the period of time given to appeal this decision or such earlier day as may be notified to the Local Authority and Police by the premises licence holder.

The Police, as applicant, and premises licence holder are of the view that these measures are both necessary and proportionate to promote the four licensing objectives in addressing the cause of the review application.

Further, both parties agree that no other measures are necessary to either promote the licensing objectives or address the cause of the review.

The CCTV system will be checked on a weekly basis to ensure that all cameras are operational and the system is recording. A copy will be made onto disc of 5 minutes footage. From the system all footage will be kept for inspection by the Police for 3 months. A record of CCTV checks will be kept at the premises for inspection by the Police on request.

Remarks: ERO Review

A fight has occurred in Bedford Place where by two males have been assaulted by another two males. Offending pair have walked off in the direction of Waterloo terrace. Descriptions were given over the air and officers approached one male matching a description and this male immediately told officers he was involved. He has made some significant comments and signed the officer's PNB.

The other offender made off and as yet has not been located.

Both aggrieved parties have gone to hospital and have officers with them. Injuries are suspected to be ABH at this time including broken noses and cuts and bruises to the face.

DP has some injuries to his hands also.

CCTV from the fast food outlet has been viewed by police but it does not show a huge amount. It could not be copied at this time.

Clothing has been seized from suspect as a precaution depending on updates of level of injuries to see if this is upgraded to GBH.

Photos of the blood at the scene have been taken.

### TO BE DONE

Obtain aggrieved statements.

Photograph injuries and obtain medical authority forms.

Obtain copy of CCTV.

Identify any possible witnesses.

Officers statements/PNB'S.

Consider H2H.

Identify outstanding suspect.

I have spoken to Mohammed NASEER (07920 841801) who is the owner of Hot 2 You (also known on Z Prem Licence occurrence as Pizza Chicken Kebab Hot 2 You and Larbi's).

NASEER stated that the CCTV would not have been copied last night as staff would have been 'too busy'. He said that it could be done 'about' 16.00 hours this afternoon. I requested that it be made available sooner, stressing that we had a person in police custody and said that attending officers last night were under the impression that the footage was going to be copied before the venue closed last night so that it would be ready for collection this morning. I asked if he would be able to assist in doing this but he was very short with me and denied having a keys to his own premises stating that the person who locked up last night had them and that they wouldn't be reopening the shop until 15.00 hours.

## CCTV:

I have eventually managed to obtain CCTV footage from Pizza Hot 2 You:

1 disc of internal camera 1 - shows main part of store

1 disc of internal camera 2 - shows corner seating area

Both showing 0200-0216 when the shop closes

1 USB stick of camera 4 which is outside 0200-0245 hours

There is another outside camera which shows the pavement from the other direction, this is camera 3 which I had requested 0200-0245 but this isn't on there

PC RYAN has assisted by putting this onto disc as the manager would like his USB stick returned as soon as possible

Statement producing obtained from Mohammed NAZEER

All of this is on the file

In brief the CCTV shows:

██████████ and ██████████ entering the store at 0207 hours. ██████████ comes in shortly after although ██████████ can be seen at around 0200 in the shop and ██████████ outside beforehand on the phone

██████████ goes to sit in the corner whilst ██████████ and ██████████ start talking at the counter, this appears to be an amicable conversation, ██████████ can be seen playing about with his phone; there is a large group of people in the corner behind where ██████████ is sat just eating

██████████ then appears to be saying something in the direction of ██████████ and ██████████, this looks to be a bit animated but he doesn't get up

Eventually ██████████ goes over and sits with ██████████; ██████████ goes over there and is making a number of hand movements, ██████████ is saying something back

to him - all of this appears animated but not hugely aggressive although [REDACTED]'s movements look to be verging on aggressive

At 0216 hours the shop closes, the large group leave, [REDACTED] goes outside where [REDACTED] is and they wait there; [REDACTED] and [REDACTED] then leave

On getting outside the shop, [REDACTED] puts his hands out to one side as if calling [REDACTED] out then as [REDACTED] approaches [REDACTED] grabs [REDACTED] shirt; [REDACTED] pushes [REDACTED] back over the bike lock pole then onto the floor where he holds him down by the neck but doesn't throw any punches or appear to be being violent, more restraining

[REDACTED] then comes over and grabs [REDACTED] in a headlock; [REDACTED] then grabs [REDACTED] in a headlock trying to pull him off; [REDACTED] gets up and punches [REDACTED] a number of times to the back

They manage to come apart at which point [REDACTED] and [REDACTED] move more into the road and are both throwing punches

[REDACTED] ends up in a headlock from [REDACTED] and whilst you can't see the actual movements, blood can be seen dripping down from [REDACTED] face to the floor (a fair amount)

This carries on then they both fall to the floor in the corner, [REDACTED] keeps [REDACTED] in the same hold and appears to be punching him on the floor

[REDACTED] and [REDACTED] are both in the street throwing punches but [REDACTED] then goes over to [REDACTED] and does a running kick which appears to have been meant for [REDACTED] head but looks like it may have got [REDACTED] in the head/face area

There are people walking past at this point, [REDACTED] and [REDACTED] carry on but [REDACTED] gets up and appears to be seeing if [REDACTED] is ok, [REDACTED] is still on the floor

They kind of get split up by a group of people, a female goes over to [REDACTED], [REDACTED] goes to the group and [REDACTED] throws another punch, its not entirely clear where [REDACTED] goes at that point

Persons including an IC3 male can be seen on the phone and a short time later the ambulance arrives; [REDACTED] hat appears to be on the floor

This is the best summary I can do on this having only viewed the footage a couple of times, it may be that a more detailed one needs to be considered

There is clearly a huge potential for witnesses on this from inside the shop and out but I think this will likely come from a media release

#### STAFF AT THE SHOP/POTENTIAL WITNESSES:

I have spoken to [REDACTED] who was working whilst this was happening; he stated that there wasn't any shouting in the shop or any fighting as he wouldn't allow it at all; the shop had been closed up and he then saw police outside and details seeing the security man from the Rhino Club outside and a lot of other people. I get the feeling he did see more than he said but doesn't want to go to court about what happened. He is also slightly upset that he reported what i assume was a MOWP and battery on one of his delivery drivers at [REDACTED] [REDACTED] 2 weeks ago which he's heard nothing about. I've tried searching RMS but cannot find this incident at all, it may be worth locating it for an update as he may feel more inclined to assist

He was working with 2 others at the store at the time of the incident but they weren't present and he says he doesn't know their full names, this will need to be revisited as will the security member from the Rhino as to what he saw

Myself and PC 21071 NORRIS attended Pizza Chicken kebab Hot 2 You at 02.15hrs 01/07/12.

On 05/06/12 they had told officers that they were too busy to produce a copy of the CCTV.

Naseer MOHAMMED, the premises licence holder was present, he argued that the attending police officer on the 5th June had said that the footage could be collected the following day.

MOHAMMED showed us the CCTV system and when asked for footage from 00.00 - 00.10 on the 30/06/12 he downloaded the images to a memory stick within 5 minutes of the request showed me the images retained on a memory stick. He assured me he could download the footage from the system to a disk but it would take 20 minutes or so. He had a stock of blank discs and was proficient in the use of the system. The manager is also trained in the use of the system.

I was shown the 5 minute records on the system that were retained on a memory stick.

A single SIA registered doorman was present and the doors locked at around 02.20.

### ***Legal Implications***

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

6. *Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another persons Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affect another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

## OPERATING SCHEDULE

### BACKGROUND

The premises are a general store located at 25 - 33 Hollyoak Road, Southampton, Hampshire, and had the benefit in the past of an alcohol licence.

The applicant has utilised temporary event notices for the premises within the last year, ensuring that the temporary event notices took place over weekends to allow the sale of alcohol.

The premises have the benefit of CCTV both inside the premises showing the payment area and outside the premises showing the entrance to it.

The premises will also keep and use a refusals book recording all refusals of sale at the property. A strict Challenge 25 Policy will be in force, and posters displaying this will be kept on the premises.

As well as the mandatory conditions for retail premises. The applicant is prepared to offer further conditions as follows:-

1. Alcohol will be kept in a locked container behind the counter.
2. Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold.
3. One person in the premises during licensed hours will always be a personal licence holder.
4. During any time that alcohol is not on sale, it will not be on display in the premises.
5. An SIA registered doorman will be at the premises between 5.30pm and 7.30pm on Friday and Saturday nights.

### **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

**State the ground(s) for representation** *(please read guidance notes 1 & 2)*

On behalf of the Chief Officer of Police, I am writing to lodge an objection to the above application on the following grounds:

- 1) The Prevention of Crime and Disorder
- 2) Public Safety
- 3) The Prevention of Public Nuisance
- 4) Protection of Children from Harm

Hampshire Constabulary believe that the evidence provided below supports their view that the issuing of a premises licence would significantly undermine the licensing objectives.

Hollyoak Stores is a small convenience store, situated in a short parade of shops with residential flats above. Opposite the store is an additional block of flats, Hollyoak Court, which houses a number of elderly residents. The premises is close to a small grassy area where youths tend to congregate. It is also between two areas which experience high levels of juvenile nuisance and disorder (Chelveston Crescent and the park next to it, and Coxford Copse to the rear of the Community Centre on Olive Road). These are both large areas of green space which are the focal points for youths who gather, cause intimidation for other users, set fires, illegally ride off-road motorbikes, and drink stolen or illicitly obtained alcohol.

This is not the first application made for a premises licence at this location. Mr Jasbir BHAKAR and Mr Lakhen Singh BHAKAR applied on 19th November 2010 for a premises licence to be granted. Representations were made by both Hampshire Constabulary and members of the local community. The decision of the Sub-Committee on 13th January 2011 (Annex I) was to refuse the application. The Sub-Committee noted "...the location of the premises is the issue. Especially with regards to its relationship with areas that continue to attract anti-social behaviour and gatherings causing nuisance and criminal damage." The Sub-Committee also found that "an additional premises, and more particularly in this location, would lead to an increase in the issues evidenced irrespective of whether the controls put in place were greater than those exercised elsewhere. It was the Sub-Committee's view that the evidence of the Police and residents had established that no condition or restriction could satisfactorily cover or mitigate the risk posed to the licensing objectives."

Since this time, Mr Jasbir BHAKAR has utilised Temporary Event Notices (TENS) in order to sell alcohol from Hollyoak Stores. The TENS that were in place ran from 31st May 2012 to 6th June 2012, 5th July 2012 to 8th July 2012 and 26th July 2012 to 29th July 12, all selling alcohol from 11:00 hours to 19:00 hours.

### **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

During the period covered by the first TEN, 31st May – 6th June, there were 5 incidents of rowdy and inconsiderate behaviour reported to police. This amounts to approximately 10% of all reports to police in the vicinity of Hollyoak Stores during 2012. (Annex B)

On 10th June 2012, police received a report from a member of public concerned that local youths were attempting to buy alcohol from passing members of the public (44120222514 refers, Annex K). Even though alcohol was being sold on a temporary basis, youths were aware of this, congregating around the store and harassing the residents for alcohol. Hampshire Constabulary believe that if a licence were to be granted to the store to sell alcohol on a permanent basis, the level of harassment of residents or members of the public legitimately using this store, or other services in the parade would increase accordingly.

At the time of the application in 2010 Hampshire Constabulary raised concerns under the licensing objectives in relation to problems within the vicinity, which included youths drinking alcohol and associated anti-social behaviour. Since this time there have been a number of multi-agency operations aimed at educating the community and combatting the anti-social behaviour issues. Members of the public are regularly consulted through the use of PACT (Police and Communities Together) meetings, at which the local policing priorities are set. At the last meeting held on 11th October 2012, anti-social behaviour and underage drinking remained as a priority in the area. Hampshire Constabulary continue to engage with youths and premises' selling alcohol, including high visibility patrols and strategic operations.

Specifically, in Coxford there are currently 3 on-going operations:

1. Operations Marker and Awareness – aim to educate adults regarding the acquisition of alcohol for under age youths and identify where young people are purchasing their alcohol.
2. Operation Refresher – aims to disrupt groups of youths and prevent them from congregating and to seize alcohol from underage youths.
3. Operation Eden and Early – joint education programme with Southampton City Council to identify underage youths with alcohol and involve the parents with education.

Whilst anti-social behaviour has reduced as a result of this pro-active approach, unfortunately it still remains an issue that impacts significantly on the lives of members of the community. Annex L details the 81 incidents reported in Aldermoor Avenue and Hollyoak Road in 2010. Annex B details 51 incidents within the vicinity of Hollyoak Stores alone in the year to date. In June 2012, there were numerous reports of youths drinking and shouting, causing damage, and others of people shouting and arguing with each other. In August 2012 there were 5 reports of youths congregating outside the shops, causing damage to a car windscreen, playing football and being abusive to residents. And in September 2012 a report is received from a resident of Hollyoak Court regarding ongoing issues with groups of youths loitering in the stairwell, someone trying his front door and another person urinating directly outside his front door. Hampshire Constabulary believe that the opening of an additional licensed premises would attract more youths to loiter in the area and exacerbate the issues already being suffered by members of the community.

### **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

The users of the nearby Community Centre on Olive Road are also repeat victims of anti-social behaviour (Annex E). In the year to date there have been 25 reported incidents of anti-social behaviour. In September 2012, there is a report of two drunk people in the park causing the informant to be scared. In October 2012, there is a report of about 20 youths banging doors and windows and being abusive. In November 2012 users reported 6 youths causing problems at a party, being abusive when asked to leave. Similar issues extend back to Summer 2011, when police have responded to fights in the park involving 20-30 youths, one seen with a metal pole, youths throwing stones and climbing scaffolding and a report of cars being damaged and the sound of breaking bottles. Hampshire Constabulary believe that additional availability of alcohol in this area may exacerbate existing issues. In addition to this Hampshire Constabulary have received a number of concerning reports indictating tension between the community and Mr Jasbir Bhakar. During July 2011 there were two reports of the shop keeper being rude and abusive, and in August 2011 there was a report that a witness to the licensing appeal has been subject to verbal abuse (Annex C).

On 7th November 2012 a licensing visit was conducted at the premises in order to determine the applicants readiness to begin trading in line with the licensing objectives should the licence application be successful (Annex N). During the visit it was identified that despite being DPS at another premises (Wimpson Stores) Mr Bhakar had absolutely no records of due diligence training conducted with his staff and advised that this simply consisted of verbal training regarding 'No ID, No Sale'. This shows a lack of support of the licensing objectives. The applicant has operated TENS and sold alcohol without good consideration of the protection of children from harm.

The applicants lack of understanding of the licensing objectives is further highlighted by the application submitted for this premises licence (Annex O). The applicants make no reference to staff training, particularly for non-personal licence holders, or the prevention of proxy sales given the concerns raised throughout the period that Temporary Events Notices were in place. The applicant has stated that a member of SIA registered doorstaff will be present from 17:30pm to 19:30pm on Fridays and Saturdays. There is no explanation as to how the applicant will allay the concerns of residents on other key dates such as school holidays, public holidays, Hallowe'en and Bonfire Night. This again is a significant concern. As shown in Annex F (a chart showing the incidents broken down to the day of the week) and Annex H (a chart showing the incidnets broken down to the time of occurrence), incidents are reported to police across the week and throughout the day and are not consistently high solely on Fridays and Saturdays.

In summary, levels of anti-social behaviour in this area are already high despite concerted efforts of multiple agencies. The types of anti-social behaviour being experienced by residents are particularly nasty, including urination, damage, and violence. Hampshire Constabulary firmly believe that the location of this premises is such that granting a premises licence, regardless of any conditions added would result in increased anti-social behaviour (as evidenced by the impact of the Temporary Event Notices) and therefore result in the licensing objectives being undermined, to the detriment of the local community.

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

#### State any conditions that the Police seek to negate the need for a hearing

Hampshire Constabulary believe, as the licensing sub-committee indicated on 13<sup>th</sup> January 2011, that an additional premises in this location "would lead to an increase in the issues evidenced irrespective of whether the controls put in place were greater than those exercised elsewhere". However, should it be decided that a licence ought to be granted then the following conditions would be requested:

#### CCTV

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with all levels of illumination throughout the premises as well as outside areas.

CCTV warning signs to be fitted in public places.

All equipment shall have a constant and accurate time and date generation.

The recording system will be able to capture a minimum of 4 frames per second and all recorded footage must be securely retained for a minimum of 28 days.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

The DPS or store manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on either disc or VHS. Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Hampshire Western Police Licensing Unit within 24 hours.

#### TRAINING

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.

All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.

### CHALLENGE 25

There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport, HM Forces ID card or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

### REFUSALS LOG

A written log shall be kept of all refusals including refusals to sell alcohol. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the store manager/manageress.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.

The record of refusals will be retained for 12 months.

### TILL SYSTEM

The premises will have an 'EPOS' system on all tills with prompts to ask for ID on any restricted items which, if refused, will print out a slip to allow staff to record the details of the person they have refused. All staff are to have their own ID on the system.

### INCIDENT LOG

An incident book will be provided and maintained at the premises. It will remain on the premises at all times and will be available to police for inspection upon request.

Any incidents that include physical altercation or disorder, physical ejection, injury, id seizure or drug misuse will be recorded in the incident book. The entry is to include an account of the incident and the identity of all person(s) involved (or descriptions of those involved if identity is not known).

Should there be any physical interaction by members of staff and the public the entry will include what physical action occurred between each party. The entry shall be timed, dated and signed by the author.

If the member of staff creating the entry has difficulties reading or writing then the entry may be

# HAMPSHIRE CONSTABULARY

written by another staff member. This should however be read back to the person creating the entry and counter signed by the person who wrote the entry.

At the close of business on each day the incident book will be checked by the manager on duty where any entries will be reviewed and signed. Should there be no incidents then this will also be recorded at the close of business in the incident book.

### STORAGE

Alcohol will be kept in a locked container behind the counter, to which only staff have access. During any time that alcohol is not on sale, it will not be on display at the premises.

### STAFFING

Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold. One person in the premises during licensed hours will always be a personal licence holder. An SIA registered member of door staff will be at the premises between 1730hrs and closing every day of the week.

## Notes for Guidance

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example the type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day, e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children, regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.
13. This is the address which we shall use to correspond with you about this application.

## OPERATING SCHEDULE

### BACKGROUND

The premises are a general store located at 25 - 33 Hollyoak Road, Southampton, Hampshire, and had the benefit in the past of an alcohol licence.

The applicant has utilised temporary event notices for the premises within the last year, ensuring that the temporary event notices took place over weekends to allow the sale of alcohol.

The premises have the benefit of CCTV both inside the premises showing the payment area and outside the premises showing the entrance to it.

The premises will also keep and use a refusals book recording all refusals of sale at the property. A strict Challenge 25 Policy will be in force, and posters displaying this will be kept on the premises.

As well as the mandatory conditions for retail premises. The applicant is prepared to offer further conditions as follows:-

1. Alcohol will be kept in a locked container behind the counter.
2. Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold.
3. One person in the premises during licensed hours will always be a personal licence holder.
4. During any time that alcohol is not on sale, it will not be on display in the premises.
5. An SIA registered doorman will be at the premises between 5.30pm and 7.30pm on Friday and Saturday nights.

14th January 2011

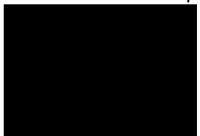

Dear Sirs

**Application for a Premises Licence**  
**Mr. Lakhen Singh Bhakar Mr. Jasbir Singh Bhakar**  
**Hollyoak Stores 25-33 Hollyoak Road Southampton Hampshire SO16 5GB**

I refer to the hearing of the above application before the City Council's Licensing (Act 2003) Sub-Committee on 13th January 2011 and write to inform you of the Sub-Committee's decision. Accordingly, I enclose a copy of the decision notice. Minutes of the hearing will be published on the Council's website in due course.

The Licensing Act 2003 provides that both the applicant and any party who made a relevant representation have a right of appeal against the decision of the licensing authority. An appeal must be commenced by giving notice of appeal to the Magistrates' Court within the period of 21 days beginning with the day on which you were notified by this authority of the decision to be appealed against. Any party considering such a course of action should seek professional legal advice, since an appellant may be liable for the costs of the other parties should the appeal fail.

Yours sincerely,

for Solicitor to the Council

## Incident schedule for Hollyoak Stores

Hollyoak Stores is located at the conjunction of Hollyoak Road and Aldermoor Avenue. These two roads alone over the past year have had 81 incidents reported to the Police of varying natures. These cover criminal damage to fences in the road, youths playing football and damaging parked cars, drunken and abusive people swearing in the road, youths throwing eggs at houses, and motorcycles being ridden at speed up and down the roads.

Looking slightly further afield, at the northern end of Aldermoor Avenue, where it meets Aldermoor Road, there is a wooded plantation and small play park. Around here there are reports of youths throwing stones at buses causing damage, hitting cars with sticks, and drinking and causing trouble around Chelveston Crescent and the park. To the south of Aldermoor Avenue, where it joins Palm Road is a small cutway through into Coxford Copse, another green space blighted by youths riding motorbikes, drinking and being anti-social.

A few of these incidents can be seen below:

Visit Hollyoak Stores 07/11/12 11:35hrs

Present Jas BHAKAR

A visit was conducted at Hollyoak Stores in order to introduce myself and see the provisions in place for the application.

**Storage** – behind the counter, BHAKAR has four units, including refrigerated units. All these units are able to be locked, one cabinet has a lock attached to the doors, the others with a padlock through the handles. The keys are stored behind the counter on a chain. There is a counter in front, which is the till area, which provides obstruction. The area behind the till is quite small, and tight for two people to be behind.

**CCTV** – The footage seen is of good quality, with cameras covering the counter and door, which provide facial images. The footage only records from 24/10/12 (14 days). BHAKAR has been advised of the proposed condition of 28 days storage with a minimum 4 frames per second. BHAKAR will look to adjust this to obtain further storage.

**Training** – BHAKAR advised that he has no formal training package in place, either for the prior TENS applications or at other store, Wimpson Stores (for which he is the current DPS). Any training is verbal. BHAKAR could only say that the training consists of 'no id no sale' and the refusals log. Links to training emailed

**Challenge policy** – Challenge 25 posters visible. BHAKAR stated that he operates a 'No ID No sale' policy at both stores.

**Refusals book** – refusals book seen. Are entries in the book of cigarette refusals

**Reminders for challenge** – The current till does not allow for prompting of challenge policy. BHAKAR stated that he other store has an EPOS system which does, and will be looking at obtaining an EPOS system should funding allow in the future. The current till is programmed to separate staff ID's, however any member of staff can access the separate ID's. BHAKAR stated that he could put a note on the till to remind staff.

**Staffing** – BHAKAR stated that he will be spending most of his time at Wimpson

## OPERATING SCHEDULE

### BACKGROUND

The premises are a general store located at 25 - 33 Hollyoak Road, Southampton, Hampshire, and had the benefit in the past of an alcohol licence.

The applicant has utilised temporary event notices for the premises within the last year, ensuring that the temporary event notices took place over weekends to allow the sale of alcohol.

The premises have the benefit of CCTV both inside the premises showing the payment area and outside the premises showing the entrance to it.

The premises will also keep and use a refusals book recording all refusals of sale at the property. A strict Challenge 25 Policy will be in force, and posters displaying this will be kept on the premises.

As well as the mandatory conditions for retail premises. The applicant is prepared to offer further conditions as follows:-

1. Alcohol will be kept in a locked container behind the counter.
2. Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold.
3. One person in the premises during licensed hours will always be a personal licence holder.
4. During any time that alcohol is not on sale, it will not be on display in the premises.
5. An SIA registered doorman will be at the premises between 5.30pm and 7.30pm on Friday and Saturday nights.

To whom this may concern,  
Here we are once again. Hollyoak Stairs  
reapplying for an Alcohol licence,  
We as a family object to this, as  
when the premises had a licence,  
before it was like living in a Danger  
Zone, every night there would be  
loud youth (Gangs) terrorising the old  
people in these flats, we had bottles  
thrown at our cars, fences damage  
eggs thrown at the windows, the  
police were called so many times it  
was unbelievable. We have a nice  
community now the pensioners feel  
safe, there are no drugs in the streets  
and generally we have a good  
neighbourhood, please don't destroy  
this by allowing Alcohol, to take  
president over this when deciding  
what our home of this will be  
yours

To Whom this may concern,  
I, am writing this letter to appose  
the Alcohol licence at HAYDOCK STORES,  
\* as being a residential for years, I know  
when Thompson, were selling Alcohol it was  
Horrible to live round here, but since  
there has been no sale of Alcohol, it  
has become a nice neighbour hood

To Whom It May Concern:

I strongly oppose the application for an alcohol license at S&J Stores.

Alcohol is already a pre-cursor to anti-social behaviour in this area and making alcohol more accessible is not a wise decision.

The exterior of S&J is not covered by any CCTV monitoring equipment where monitoring the movements of serial anti-social offenders is not this shop owners priority. This proprietor's main priority is to make a profit on the consumables he sells.

I live 4 houses away from this shop. Myself and my family have to endure the anti-social behaviour of groups of teenagers and children who frequent the shop past my property.

In the past, we have been the victims of verbal abuse and threats of violence and arson. My property has been subjected to

To projectile objects thrown by these gangs.

On a daily basis I have to remove debris purchased from this store from my garden and the public highway outside my home.

S & J's close proximity to my home is already proving to be an issue with the trouble it brings. Providing this shop with an alcohol license will only exasperate the trouble which gets out of hand and will making residential life unbearable.

The shop owner can leave S & J's at the end of each day, lock up and go to his home. He is naturally thinking of his profitable business and how to make money and not thinking of any of us, his neighbours, in our residential area, where he initially set up his business to support its community.

I thank you for taking the time to read to read my letter.

Yours sincerely

Dear Sir,

I am apposeing against the alcohol licence for Holly oak Stores. I was in conversation with shop owner when he said if I go to court with him I should get the local residents together to have a BBQ outside his shop and a few drinks outside. In my eyes I think he is trying to bribe his customers to help him get his licence and he shouldn't be doing it nobody in the area want it because of all the trouble in the past.

yours Sincerely

Licenseing team

I am writing this letter to oppose the alcohol licence of Hollyoak Stores. I have been a resident for 20yrs. when the store had a licence before, I had nothing but trouble I had a car set alight in my garden, I also had a large metal pole put through my front window by the youths, the police was called to these incidents, during those times a self intimidation & frightened, I had to move to my Mothers for 3 weeks, so when you are making your decision please take this into consideration

Yours sincerely

To Whom It May Concern,

I have lived at this address with my family for about 16 - 17 years now, and have just been informed that the new occupiers of the shop in Outer Circle have applied for a license to sell alcohol.

I can see how this would make good business sense for the owners of the shop in question but, I'm afraid that I find myself having to strongly oppose this request, and ask that the request for this license is categorically denied.

Up until a couple of years or so ago, this shop was owned by the Thompson family, who unfortunately did have a license to sell alcohol, and in all the years that they had this shop the residents of this area had nothing but trouble.

We had to endure years of vandalism - verbal abuse and intimidation, our children were afraid to even go to the shop with their pocket money because of the bullying they had to put up with, and on many occasions even had their money taken from them, and if a parent did try to do something about it they would get nothing but threats and abuse hurled at them, and it seemed that these youngsters some as young as 9 and 10 years old had no fear of anything or anyone, they certainly had no respect for anything or anyone including the police who spent so much time in the street answering complaint after complaint that the residents were considering asking them to pay rent.

Apart from the foul swearing and threatening behaviour, we have had to put up with these youngsters riding up and down the street on motorcross cycles revving and screeching for hours on end and none of them wearing any kind of safety clothing or safety helmets, neither did they abide by any of the laws of the road and how no one was ever injured or killed is beyond me.

Even the bus company have stopped their busses from coming around this way after 6.00pm due, to the amount of abuse that their drivers suffered and the amount of vandalism caused by the objects that were thrown at them.

In addition to all of this we have had our cars scratched with keys and broken bottles, we've had mirrors ripped off and tyres slashed, there have been empty beer cans and packets of take-away food thrown at our windows, I could go on and on but I hope by now you will have some insight in to how life used to be in this area.

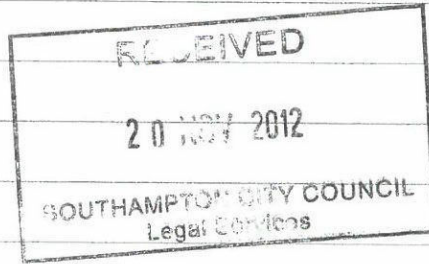

Since the premises in question has not been able to sell alcohol these youngsters seem to have vanished into thin air and the last couple of years living in this street has been wonderful, and it's surprising just how pleasant it is to live in this street now, so I am pleading with you not to send us back to the dark ages, and turn down this request and allow us to continue living in the pleasant and safe surroundings we now have.

Kind Regards,

Mr. S.B.Sykes,

Dear Sir/Madam

We are writing this letter of objection to Holyoak Store's getting a alcohol license as previously when this shop did have a license we had no end of trouble and stress. We live next door to the shop and this is where teenagers decide to hang out, waiting for adults to come up the road to ask them to buy alcohol and cigarettes for them, they even ask my wife and myself as we come and go. Once they have their cars and bottles of wine they feel the need to sit outside the shop drinking, shouting, swearing and urinating till the early hours. This even happened and was reported to the police when they had their temporary license. As stated before there was damage to our car and fence which we payed for on more than one occasion. My wife and children feel intimidated coming and going. The amount of rubbish in our garden is on going. I honestly don't feel the need for a license here as there are at least three shops within walking distance selling alcohol.

To Whom It May Concern.

I the above named tenant wish to say that I am totally opposed to the Holly-Oak Convenience Stores being issued with a licence to sell any form of alcohol.

In the past we were ~~subject~~ subjected to many forms of vandalism, including cars and other property. Many of the flat stairways were used as drinking dens and bottles, cans, and rubbish was discarded regardless of safety issues.

I hope that the persons who issue the licences will give this letter the upmost attention

Thanking you,

Yours Truly,

So Once again I have to put pen to paper, as the owner of the shop next door to me has re-applied for a licence to serve alcohol. So once again I have to object. The bus route stopped running up Alderbrook Avenue at 6pm. Because of the Yobs throwing stones at the windows of the buses. The bus company would be pleased to demand too but just how much they had to pay out for the damage to buses, plus the damage done to the cars in the area.

Maybe the shop owner knows something we don't, as he has already installed a large beer cooler cabinet in his shop. I'm sure the local police station have been informed. They probably have a list a mile long of complaints received the last time the shop served alcohol, and as for proof of age, you can get a photo ID card on the internet for next to nothing. The shop makes enough money as it is, he's just being greedy. You managed to get it right the first time around. So I hope and pray you do the same this time around by refusing to grant the licence. Thank you for taking time to read this letter.

Yours sincerely,

Dear Sir, Madam.

I would like to register a strong objection to the granting of a license to sell alcohol at Hollyoak stores.

The selling of alcohol, in the past, has resulted in vandalism, noise nuisance, graffiti, litter and general anti-social behaviour.

We, the residents, are lucky to live in a quiet, peaceful area, and would like this to remain the case.

As a footnote, there are, public houses and alcohol retailers within a five minute bus ride or ten minute walk from Hollyoak Road, so I think I speak for a lot of the elderly residents by saying we really do not want this

yours sincerely

To whom it may concern,  
I'm apposing against the  
ALCOHOL LICENCE FOR Holyoak Stores,  
THE REASONS why I'm against it is  
there was so much trouble around  
the AREA when it was being sold  
the shop before when it was under  
Thompsons, when the shop shut down  
the AREA was such a lovely place  
to live in.

To whom it may concern.

We would like to oppose the application for an alcohol licence at the convenience store in Hollyoak Road.

In the past we have had glass bottles thrown at our windows and patio door leaving broken glass in our garden when our grandchildren play. Also youths would converge outside our house drinking, shouting and swearing into the early hours.

To Whom it May Concern.

I have recently heard that the Convenience Store on the Holyhead Road has yet again applied for a licence to supply alcohol. I wish to protest against this as we have had so much trouble in the past with the shop selling alcohol to underage children. Also I have had my car broken into several times in the past from drink fuelled teenagers. I witnessed a car being kicked and smashed in for no other reason that it was drink induced. Also had bricks thrown at windows it was a nightmare in this road when the shop supplied Drink.

The younger children used to wait outside of the shop and the older teenagers used to buy alcohol for them. We had cars flying up and down the street with drunken teenagers the street was always noisy and rowdy. We were frightened to leave our houses to go away or anything. I personally got broken into I absolutely am against this action. As now street is peaceful and quiet and must save Police resources as they were always attending the road.

Dear Sirs

As regards to the shop  
selling drink I think this is a  
bad idea My son lived next  
to the shop and had trouble  
regarding bottles thrown over  
and had to clear before the  
children went out to play,  
as the back was too  
small.
