## **BACKGROUND AND RELEVANT INFORMATION**

### **Purpose of the Board**

The purpose of the Southampton Shadow Health and Wellbeing Board is:

- To bring together Southampton City Council and key NHS commissioners to improve the health and wellbeing of citizens, thereby helping them live their lives to the full, and to reduce health inequalities.
- To ensure that all activity across partner organisations supports positive health outcomes for local people and keeps them safe.
- To hold partner organisations to account for the oversight of related commissioning strategies and plans.
- To have oversight of the environmental factors that impact on health, and to influence the City Council, its partners and Regulators to support a healthy environment for people who live and work in Southampton

### **Southampton City Council's Seven Priorities**

- More jobs for local people
- More local people who are well educated and skilled
- A better and safer place in which to live and invest
- Better protection for children and young people
- Support for the most vulnerable people and families
- Reducing health inequalities
- Reshaping the Council for the future

### **Responsibilities**

The shadow board is responsible for developing mechanisms to undertake the duties to be placed on the health and wellbeing board from April 2013, in particular:

- Promoting joint commissioning and integrated delivery of services;
- Acting as the lead commissioning vehicle for designated service areas;
- Ensuring an up to date JSNA and other appropriate assessments are in place
- Ensuring the development of a Health and Wellbeing Strategy for Southampton and monitoring its delivery.
- Oversight and assessment of the effectiveness of local public involvement in health, public health and care services
- Ensuring the system for partnership working is working effectively between health and care services and systems, and the work of other partnerships which contribute to health and wellbeing outcomes for local people.
- Testing the local framework for commissioning for:
  - Health care
  - Social care
  - Public health services
  - Ensuring safety in improving health and wellbeing outcomes
