4. **APPLICATION FOR SUMMARY REVIEW OF A PREMISES LICENCE - SHIELD AND DAGGER, STRATTON ROAD, SHIRLEY, SOUTHAMPTON SO15 5QZ**

The Sub-Committee considered the application for summary review of a premises licence in respect of Shield and Dagger, Stratton Road, Shirley, Southampton SO15 5QZ.

PC Alex Boucouvalas, PS Simon Wood (Hampshire Constabulary), Jon Wallsgrove (Solicitor for PLH) and Peter Cookson (Premises Licence Holder) were present and with the consent of the Chair, addressed the meeting.

The Sub-Committee considered the decision in confidential session in accordance with the Licensing Act (Hearings) Regulations 2005.

**RESOLVED** that the premises licence be revoked.

After private deliberation the Sub-Committee reconvened and the Chair read out the following decision:-

All parties will receive formal written confirmation of the decision and reasons.

The Sub-Committee determined that the hearing should proceed with the press and public excluded. This decision was made in accordance with the Licensing Act 2003 (Hearings) Regulations 2005. It was heard that the CCTV footage showed and thereby identified individuals (unconnected third parties) and that accordingly it would not be in the public interest to disclose it more widely. In addition, it was noted that police investigations are also ongoing in relation to the incidents shown.

The Sub-Committee has considered very carefully the certificate of Superintendent Heydari, the application for summary review and the interim steps imposed at the previous Hearing. In addition, the representations by all the parties present at the hearing as well as written representations were also fully taken into consideration. The parties produced additional evidence including CCTV (from the Premises Licence Holder) and a letter produced by Hampshire Constabulary. This was produced with the consent of all parties.

It has given due regard to the provisions of the Licensing Act 2003, including the statutory licensing objectives, the statutory guidance and the City Council's adopted statement of licensing policy. Human rights legislation has been borne in mind.

The Sub-Committee determined to revoke the premises licence.

### **Reasons:**

The Sub-Committee heard considerable evidence from Hampshire Constabulary that raised particular and very grave concerns.

The Sub-Committee considered very carefully all of the options available to it in accordance with Section 53C of the Act. It was noted that the Premises Licence Holder had put forward a proposal to address the issues at the premises including reduction in the hours of opening to 7.30pm, the cessation of the sale of alcohol at 7.00pm and the removal of the DPS.

The Premises Licence Holder made (amongst others) the following points:

- that the processes previously imposed were now all in place and were at the time of the incident;
- that the removal of the DPS would provide a further period of suspension for appointment of a new DPS with 30 years' experience;
- that this period of suspension would allow a clean break from previous incidents;
- that behaviour of customers leading up to the latest incident does not display any cause for concern;
- this is a community premises with support of the local community;
- the financial impact of revocation;
- that the Premises Licence Holder had an extensive period of trading without serious concern; and
- that the proposed reduction in hours would reduce the risk due to a different clientele using the premises

The Sub-Committee paid very careful attention to all of these points and the evidence of the Premises Licence Holder generally. However, it was not satisfied that any option other than revocation would reduce the risk posed to the licensing objectives sufficiently.

The Sub-Committee heard evidence from Hampshire Constabulary that in their considered opinion the issues at the premises were due to poor management and a lack of leadership which would not be addressed by changes of staff – that these issues were “deeper rooted”. In their opinion, reducing the hours would not sufficiently reduce

the risks posed to the licensing objectives of the prevention of crime and disorder and the promotion of public safety. Evidence of a member of door staff appointed at the premises indicated that staff at the premises appeared to condone the taking of drugs on the premises despite signage to the contrary. Further evidence was given of drug taking in the toilets and the police also confirmed that a member of staff was arrested for suspected possession of a class A drug.

The CCTV evidence showed shocking levels of violence at the premises and a total inability of staff to control or positively manage the incident as it unfolded. The Sub-Committee, despite reassurances today, is not convinced that the premises shall be properly managed in the future. Further incidents of this nature could well occur again if the licence is not revoked. Nothing short of revocation would be sufficient to protect public safety and prevent serious incidents of crime and disorder. It is considered only a matter of chance that much more serious injury (including fatality) was not caused during any of the incidents at the premises.

The Sub-Committee did very carefully consider the financial implications which were spelt out during the course of the hearing and whilst it is noted that the impact is severe the Sub-Committee must ultimately place the promotion of public safety above financial interests.

The Sub-Committee was invited to look to the cause of the issues at the premises and take the action it deemed reasonable and appropriate in the circumstances. The Sub-Committee is clear that the main issue behind the problems at the premises is the Premises Licence Holder. A history of non-compliance combined with a further serious incident occurring so soon after a summary review hearing due to serious crime and serious disorder leads the Sub-Committee to the conclusion that the Premises Licence Holder is unable to implement the level of change required at the premises. The previous serious incident led to a summary review hearing where steps were taken and conditions imposed during that process the licence was suspended to enable compliance. Despite all of this a second, even more serious, incident has now occurred.

Police evidence shows that the premises is located within a difficult area and attracting a difficult clientele. Accordingly, it is clear to the Sub-Committee that the premises requires robust leadership. The fact that the level of violence is seen to escalate following a summary review hearing for precisely the same issue totally undermines any credibility that the Premises Licence Holder may have had.

The Sub-Committee noted the letter shown by the Police from the landlord of the premises and the fact that there is currently dispute between the landlord and the leaseholder, however the Sub-Committee accepted that this remains a civil dispute between the landlord and leaseholder and did not take it further into account.

The Sub-Committee was invited to make a finding of fact in relation to alleged gambling at the premises. It was clear that provision was made for the playing of poker at the premises and that the DPS was not on duty whilst that provision was made. However, no evidence was shown that any poker was played at the relevant times. Illegal gaming can constitute a criminal offence. There is no evidence that an offence may have been committed, however the view of the Sub-Committee is that it ought to be better

managed – expecting bar staff to oversee this, whilst serving, is not considered best practice.

The Sub-Committee reviewed the steps imposed at the interim steps hearing and has determined that the suspension of the premises licence should continue pending the outcome of any appeal, if lodged. Legal advice was provided during deliberation of the decision that there is conflicting case law on the point but that impending amendment of legislation supports this approach.

There is a right of appeal for any party to the Magistrates' Court. All parties will receive written notification of the decision with reasons which will set out that right in full.

### **Legal Implications**

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for variation of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
  - the steps that are appropriate to promote the licensing objectives;
  - the representations (including supporting information) presented by all the parties;
  - its own statement of licensing policy
  - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for variation of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. The sub-committee must also have regard to:
  - *The Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
  - *The Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for variation of the premises licence and the representations to it are annexed to this report.

Dear Alex

Further to our discussion today and your below email with suggested amendments to the proposed conditions, my client would be prepared to modify his application to include the following conditions in replacement of all the conditions in Annex 2 of his current licence, save for conditions 6 and 7:-

**CCTV**

**The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with strobe lighting (where used) and all levels of illumination throughout the premises as well as outside areas.**

**CCTV warning signs to be fitted in public places.**

**The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation.**

**The recording system will be able to capture a minimum of 4 frames**

per second and all recorded footage must be securely retained for a minimum of 28 days.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on a disc. Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Hampshire Police Licensing Unit within 24 hours.

#### **Incident and Refusals Log**

Any incidents of, refusals of service, crime or antisocial behaviour will be recorded in a log book. The Police will have access to this logbook when requested. The logbook will be provided and maintained at the premises. It will remain on the premises at all times and will be available to police for inspection upon request.

On a weekly basis the logbook will be checked by the manager on duty where any entries will be reviewed and signed. If incidents have occurred the duty manager will de-brief door staff at the close of business.

#### **Challenge 25**

There will be a Challenge 25 policy operating at the premises.

Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

#### **Training**

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

**In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.**

**All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.**

#### **Security Officers**

**On every Friday, Saturday, any Sunday preceding public holidays, and New Years Eve there shall be SIA registered door supervision from 23:00 hours to closing and until all customers have dispersed. On all other occasions when the premises are open for licensable activities there shall be a risk assessment conducted as to whether it is necessary to employ SIA door supervisors. The number of SIA registered door supervisors on duty will also be risk assessed by the licence holder.**

#### **Polycarbonate Glasses**

**A risk assessment will be conducted as to whether it is necessary to deploy polycarbonate glassware at any time. On occasions where it is necessary to deploy polycarbonate glassware, bottled products will always be decanted into polycarbonate glasses where they are not available in PET or aluminium bottles.**

#### **Signage**

**Notices will be displayed asking customers to leave quietly and to respect the local residents.**

#### **Toilet Checks**

**The public toilets within the premises shall be checked every 1 hour when the premises are open for licensable activities and every 30 minutes after 2200 hours. A record shall be kept by the premise and presented on request by Hampshire constabulary. Toilet check records shall be kept for a minimum period of 3 months.**

#### **Last entry**

**The last entry time for the premises will be 0100 hours, 7 days per week. After this time, no new admittance of customers will be permitted with the exception for customers already within the premises who step outside to smoke.**

Please let me know if these are agreed. The above includes the revised wording we discussed for the incident and refusal log condition.

Kind regards

Jonathan

Dear Sir/Madam

**Re: Licensing Variation Application Ref No. 2016/01385/01SPRV**

I wish to make a representation to the licensing authority regarding the above application for Scoozi, 37 Oxford Street, on the basis of both prevention of nuisance and the prevention of crime and disorder.

Householders along Oxford Street have been subjected to increasing levels of noise and disturbance from customers leaving licensed premises late at night and making their way back towards the city centre.

Often these customers are loud and intoxicated, and they cause a real and on-going nuisance, disturbing the sleep of householders in the early hours of the morning, and on occasions causing damage to property. My own hanging baskets have been ripped off my walls, and plants pulled up from the planters. This has been reported to the police, but very little can be done to prevent it.

If this licence is further extended by another hour (this licence requires an extension to serve alcohol both inside and outside the premises until 1:30 am) it is reasonable to expect that the potential for nuisance both during the evening and even longer into the night – SEVEN DAYS A WEEK – will be the result. If this licence extension is granted it will also set a precedent for others, and frankly, enough is enough.

In the summer months when customers sit outside and drink, there can be a lot of noise, plus taxis queue up along the residential stretch of Oxford Street and create an unofficial taxi rank, attracting drinkers towards the households. The sound of taxi engines, car doors slamming and exuberant customers makes it virtually impossible to sleep, or to have one's bedroom windows open even on a hot summer night. Extending the licensing hours and the external serving of alcohol can only worsen the level of nuisance for residents, and impact the enjoyment of their own homes.

This letter of objection is arriving at the last minute. I attach photos of where the public notice is 'displayed'. As you can see, it has been obscured by a strategically placed olive tree; hence, it is unlikely that many local residents are aware of it.

I would be grateful to receive confirmation that this representation has been received, and will be considered by the licensing authority.

Thank you.

Yours faithfully,

Judith V Williams

Dear Licensing Team

I have noted that 37A Oxford Street has applied for extended opening hours until 01.30am in the morning to include music, dancing and also the outside area of the bar/ restaurant.

I would like to oppose this as i am local resident at 63 A Oxford Street and feel the noise levels on the street should be kept to a minimum after Midnight we already have enough noise coming from the bars and restaurants and also the patrons when leaving the venues as the walk up Oxford Street to get taxis and head for other venues. we regular get woken up by this and have had our doors banged and bells rung very late at night.

We have young children in our home and are already experiencing enough noise levels which i do expect living in urban area however to grant additional late night drinking and music to 01.30am to include the outside area is not acceptable for local residents many of whom have young children.

I trust you will take this into consideration before granted this.

If you need any further information please do not hesitate to contact me, my mobile number is [REDACTED] and home address is 63A Oxford Street, Southampton, SO14 3DL

Kind regard  
Mrs J A Perry
