Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for variation of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for variation of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of

this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

5. The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

- *The Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for variation of the premises licence and the representations to it are annexed to this report.

Reasons for comment:

Comments: 10:54 PM on 10 Oct 2016 People who are being served by this shop cause a lot of noises and antisocial behaviour in the public.
Moreover, the area around is generally untidy due to the rubbish left after drinking and this is a public nuisance. Such unclean activities cause health hazards to people especially to the vulnerable group such as children.
Hence the objection.

Subject: Licensing Application no. 2016/02504/01SPRV by Beer and Bottles
Date: 07 October 2016 22:14:43

Dear Sir,

We object strongly to this application, from Beer and Bottles, to extend their opening hours from 7am to 1am, that is 18 hours a day, for every day of the week including Sundays. This is excessive and will encourage more drunken people to gather in the Portswood Broadway . We already have a group of people, who sit on the benches during the day, drinking alcohol and this extension could well cause more problems. The proposed late opening would attract young drinkers, which may lead to anti-social behaviour. The noise, at that time of night, would cause disturbance to those living in the nearby flats and also to those living in the adjacent residential roads, as they make their way home. There will undoubtedly be extra litter in the way of cans and bottles for us long suffering residents to clear up.

The Broadway used to be an excellent shopping centre for the local people. However, in recent years many of the businesses are aimed at the student population . This in turn has caused late night disturbance and a great increase in litter for those living nearby.

We hope that you will appreciate our concerns and refuse this application.

Yours faithfully,

M M Zepler and Mrs C Zepler

TO WHOM IT MAY CONCERN

I wish to object most strongly to this application for the following reason:

1. The applicant is seeking excessively long hours: from 07.00 to 01.00 7/7. None of the other 20 or so licensed premises in Portswood DC is licensed to sell alcohol as early as 07.00. Were these long hours granted, the other licensed premises in the DC would sooner or later seek comparably long opening hours.

2. With so many licensed premises already in this DC there is a serious risk that the area would become a major centre for the consumption of alcohol, especially by students who live in large numbers here. This should be strongly discouraged in the interests of the peace and good order in the locality. The presence of so many licensed premises, open virtually day and night, does nothing to encourage 'responsible' drinking. Given the pressures on the Health Service and A&E the Local Authority should do what it can to ensure the health and well-being of the residents.

3. The presence of so many licensed premises, open virtually day and night, will cause noise, litter and disturbance, especially to the many residents who live above the shops in the Broadway and in the surrounding streets.

I hope that my concerns will be taken into account when this application is considered.

Yours sincerely

Dear Sirs

Reference. : 2016/02504/O1SPRV

**Variation of Premises Licence Application by Beers and Bottles, 5 the Broadway
Portswood Road, Southampton SO17 2WE to extend the sale of alcohol off
premises from 8am -11pm to 7am to 1am.**

I write to object to this application.

1. The hours sought for the sale of alcohol- 7am to 1am- 18 hours a day- 7 days a week –would be excessive, particularly on Sunday. The premises are in the Portswood District Centre (DC) where there are about 20 licensed premises. The majority close at midnight, or before, especially on Sundays. None of those premises licensed to sell alcohol, within the District Centre, have such long hours or are licensed to sell it as early as 7am. If granted, others would be forced to seek later hours in order to compete, causing an escalation in late night drinking venues.

2. Such long hours would lead to an increase in the amount of alcohol consumed and consequently to an increased risk of drunkenness and rowdy behaviour causing :

- a)Noise and disturbance and**
- b) Anti- social behaviour**
- c) Litter (discarded cans and bottles) and**
- d) even Crime (e.g. damage to cars)**

--- **in the DC- early and late- and even later after closing hours** with people congregating outside the premises, and continuing to drink on the convenient bench nearby, in front of the newsagent, (where already people are frequently seen drinking in the daytime).

----**and on their way home through the nearby residential roads, in the early hours, after closing time, when the only police cover is centrally monitored** (local police now cover for the whole City, rather than the local area, so there is no specific police cover in the area).

3. Local residents, living above the shops, in the DC, and in nearby residential roads would be adversely affected by all of 2) above. Portswood District Centre is a small District Centre, 200 metres long, and surrounded predominantly by a densely populated residential area. In addition, Portswood Residents Gardens Conservation Area (comprising Highfield Lane, Abbots Way, Russell Place and

Brookvale Road), whose key feature is that of a 'quiet residential area' is within 100 metres of the premises, - and whose roads lie on the way back to the University.

4. I live in Russell Place, and my back garden is about 100 m away from these premises.

a) We are at times disturbed by **noise, late at night**, from the DC, especially in the summer months, when the windows are open. Such late and long hours for an off licence, would increase this, at unacceptably early and late hours.

b) We already suffer from **litter in Russell Place**, and regularly collect empty cans and bottles. Such long hours selling alcohol off the premises is likely to add to this.

5. I understand that the police have applied for a Public Places Protection Order in Portswood DC. If this licence were granted, it would seem that that objective would be undermined.

For these reasons, I ask that this application is refused. I should be obliged if you would take these comments into account when considering this application.

Yours faithfully

Comments: 8:21 PM on 14 Sep 2016 I do not want another alcohol shop to stay open late in Portswood because as a neighbour this is worrying as I have 7 children and some of them pass this shop of the evening and there is always people congregating out side this shop and causing trouble for passer buyers, also with the crime rate in Portswood this late licence would just be fuelling the fire, I am always hearing police presence outside and this is very noisy with the students shouting and screaming down the road, plus with the murder that happend just around the corner I'm afraid that things like this would happen more often with late night drunkenness, so I am hoping that you the council will take all these things into conideration and there for not giving any more shops in Portswood a late alcahol licence.

Comments: 11:56 AM on 13 Sep 2016 Main reason for me to object is that in that particular premises the bottles are being displayed on the glasses which attracts the small children which i consider as a serious issue. Apart from that, it creates lot of nuisance to the public as the empty cans are thrown outside the premises and the homeless people seated outside and drinking.

provisions

The prevention of crime and disorder

The prevention of public nuisance

We assert that the increase in the number of people in the area will
increase noise
levels in a residential area during the early hours of the morning
,which will disturb
many members of our association .

We also assert that the number of alcholal related nuisance incidences

I strongly oppose the application to extend the licensing hours of this outlet in Portswood Broadway. They currently sell alcohol from 8am until 11pm and drinkers are occupying the bench nearby from early morning daily. There can be no possible reason or justification for extending the hours to start at 7am until 1am daily except to make more money by increasing sales, to the detriment of health and the social environment.

Alcohol abuse and obesity are a major cost to families, society and the NHS. Noise, disorder and vandalism are all associated with excessive alcohol consumption and have a negative impact on the residential area. Elderly and disabled persons are already unable to use the bench in daytime because it is occupied by drinkers. Please do not extend this licence and encourage extended drinking hours.

I write on behalf of Highfield Residents' Association to object to the above application for variation of a premises licence.

We consider that the extension of opening hours to 1am is excessive and out of line with previous permissions granted in the Portswood Broadway area such as for supermarkets and restaurants.

This shop sells only alcohol and therefore represents more of a risk to public amenity. We submit that this application be refused on the grounds of the prevention of public nuisance and crime and disorder.

Dear Licensing

I object to the above application for the following reasons.

- There are already no fewer than 20 premises licensed to sell alcohol in the Portswood District Centre. That's way too many.
- Portswood has a very high density of students and will shortly have many more once the student accommodation adjoining Sainsbury's is completed. This is a section of the community more likely to drink to excess with the concomitant problems (noise, litter and drunken behaviour)
- As such it will have an adverse effect on residents in the DC and in the surrounding streets, which are residential.
- With so many licensed premises, the Portswood DC will become a drinking hub, attracting people from outside the area and so add to the problems mentioned above.
- The hours sought by this licence extend beyond the opening hours granted to other outlets selling alcohol.
- There is already a problem with street drinking and drunkenness in Portswood High Street and granting this license will encourage it.

Regards

Matthew Claisse

Dear Sirs,

Ref Licensing Application 2016/02504/01SPRV

5. The Broadway, Portswood Road, Southampton, SO17 2WE

Variance of licence to open from 0700 to 0100 every day of the week.

I write on behalf of the Portswood Residents Gardens CA to express our grave concern and to oppose the extension of licensing hours of this off-licence from 0700 hours to 0100 hours every day of the week, including Sundays. We object for the following reasons :-

(1) 5. Portswood Broadway is situated in the Portswood District Centre (DC), which is comprised of a single row of retail properties on either side of the Portswood Broadway, and as defined, is approximately 200 metres in length. The DC is surrounded by densely packed residential properties which abut the Centre, which makes them particularly susceptible to noise and disturbance emanating from the DC.

(2) There are already an excessive number of outlets providing alcohol in the District Centre. There are 20 in number within its 20 metre length - namely one every 10 metres; with a further 3 premises some 30 metres away.

(3) The present application is for an unreasonably long number of hours, namely 18 out of every 24 hours every day of the week. The proposed extension every night until 0100 hours is longer than most other establishments - during the week 60% of establishments close by midnight, whilst on Sunday 90% close by 023 hours. The longer hours will cumulatively increase and prolong drinking time late into the night in the DC.

(4) The proposed increased number of hours for drinking in an area with such a large concentration of outlets in such a small space is very much greater than is required for the local area, so increasing the likelihood of the DC becoming a major drinking site in the city. Furthermore, the proposed opening at 0700 hours, which is earlier than any other off-licence will result in attracting addicts and alcoholics, who are likely to compound any local disturbances that may occur.

(5) The cumulative increase in drinking time will increase alcohol consumption and thereby increase the likelihood of drunken behaviour in the DC which in turn will lead to (a) public nuisance, (b) noise and disturbance, (c) anti-social behaviour, (d) increased litter and discarded cans etc., and (e) vandalism and even serious crime. Local residents in and close to the Broadway will be particularly affected by anti-social activities within the Broadway because of the particular geography (para 1), but further afield will be affected by the noise of customers slamming the doors of their cars parked in the surrounding streets.

(6) A major concern is the very long hours of opening on Sundays - opening earlier than other outlets providing alcohol and closing later than the majority.

(continued)

(7) The cumulative effects of the further increased hours of business in the provision of alcohol, together with the steady and progressive opening of licensed premises between the DC and Bevois Valley, an already designated stress area , increases the danger of a linking of the two that would produce a **continuous drinking corridor** – the largest in the city.

It is for these reasons that we oppose this application for variance and ask for it to be refused.

Thank you,

Yours faithfully,

Dr. RM Buckle, Planning Group,
Portswood Residents Gardens CA.

Dear Licensing Team

I would like to object to the the application for a variation of license for the property Beers and Bottles, and 2016/02504/01SPRV

I am a resident in the vicinity affected and I am objecting under the objectives:

Prevention of Public Nuisance
Prevention of Crime and Disorder
Public Safety

This application is in an area that actually has a PSPO (there are signs in the street on the stretch immediate to where this shops is located).

There is a multitude of premises already with late night licences on this stretch of road and many residents are extremely concerned as they are already suffering the effects of drunken anti social behaviour and criminal behaviour in the residential streets immediate to portswood Broadway and Portswood Road. Yet another licence will have a further negative effect and impact on the residents and the area.

Another late night licence will encourage more people to come into this area to purchase and drink alcohol which in turn increases the behaviour as above which is alcohol related.

Local councillors and police worked towards a PSPO in this stretch of road to protect local residents and discourage Street drinking in the vicinity and anti social behaviour.

This premises is within meters of the PSPO signs that acknowledge there is a problem in the area.

Another late license will merely add the the problem of an overdeveloped night time economy in the area that is contributing to the problem of mass antisocial behaviour that residents experience.

Another licence in such a small stretch of area is grossly disproportionate (more than above bar or London road)in an area that is mainly residential.

The alcohol related public nuisance in Portswood Broadway and neighbouring streets is now excessive. There has been an increase in footfall and road traffic as people now head into Portswood as a night time destination where other smaller high streets do not have the same proportion of nightly venues and at any night of the week you can see large numbers of drunken disorderly people and there is an incessant amount of screaming (to the point that you could not identify if there is or is not an assault taking place).

There is no reason to surmise that any individual steps in regards to this premises will be enough to prevent any increase in negative impact to the vicinity and residents. Therefore on the grounds above I am objecting to this application.

Yours Sincerely
