Legal Implications

- The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
- An application may be refused in part and thereby only permit some of the licensable activities sought.

3. An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. The sub-committee must also have regard to:
 - *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
 - *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Hampshire Constabulary have made a representation and agreed with the applicant to add the following conditions to the premises licence:

CCTV

A recording CCTV system that captures images from the public areas of the venue must be fully operational whilst licensable activities are taking place.

The system shall be able to cope with all levels of illumination.

The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system.

The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).

The images produced shall be date and time stamped.

A notice shall be displayed at the entrance to the premises advising that CCTV is in operation.

An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the main public entrance of the premises.

It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made for someone to have access to the secure area and also be able to operate the equipment at all times.

Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act.

Staff Training

Before commencing their duties, all new staff shall receive information and training concerning the sale of age-restricted products. This training must cover their legal responsibilities and action to be taken in the event of suspicions being aroused that someone is purchasing or attempting to purchase an item under the legal age.

All employees will sign a letter to acknowledge that they have completed this training and have understood their responsibilities on this area. This training should be reviewed and updated at reasonable intervals which shall be at least annually.

Proof of Age

There shall be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification shall include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

Refusals

A record in either written or electronic format shall be kept of all refusals to sell alcohol. The Premises Licence Holder shall ensure that the record is checked, signed and dated (if in written format) on a weekly basis by the duty manager/manageress.

The refusals log shall be kept and maintained at the premises and shall be made available for inspection immediately upon request by any responsible authority.

The record of refusals shall be retained for 12 months

Age Policy

Persons under 18 will not be permitted entry to the venue unless accompanied by an adult and then only for the purpose of taking a substantial table meal.

TO WHOM IT MAY CONCERN

I wish to object to the license being sought by Baffi Pizza for 267-71 Portswood Road for the sale of alcohol from 11 am to 11 pm (7/7). The Portswood Broadway is becoming a hotspot for the sale of Alcohol with no fewer than 20 licensed premises. Recently the area has seen a sharp increase in the number of students and as a result of further student accommodation being built on the site adjoining Sainsbury's this is set to rise still further. Drunkenness is a phenomenon our society should be seeking to curb rather than encourage. Not only does it result in rowdiness but it has an adverse effect on the health of those who indulge and leads to litter on the street. I would therefore urge those concerned to REDUCE the length of time when drinking of alcohol is permitted.

Dear Sirs

Licence Application No 17/01775/01SPRN at 267-271 Portswood Road Southampton SO17 2LA, for the sale of alcohol by retail, on the premises between 11am to 11pm Monday to Sunday

I write to express my concerns about this application. These are as follows :

- 1. The premises are situated in Portswood District Centre is a small shopping centre, only 200 metres long. There are **already more than 20 licensed premises in the DC.** The propose licence would lead to a **further increase in the large number of licensed premises in the District Centre (DC)**, which is there to serve the shopping needs of the local community, and **would be excessive.****
- 2. The premises are a substantial and prominent site on the corner of Highfield Lane with Portswood Road. If granted, it would result in a particular concentration of licensed premises in this part of the DC, with one on each of the four corners (with 'Hot to U' opposite and the Mitre pub and Sainsburys on the other side). In addition, the Thai Eatery restaurant is next door and Trago Lounge and the Tramstop Bar nearby. It would be the 7th licensed premises within 30-50 metres, at the northern end of the DC- plus Ceno's a few doors away in Highfield Lane.**
- 3. The hours sought for the sale of alcohol are from 11am to 11 pm every day of the week. This would be 12 hours a day and would be excessive, especially on a Sunday.**
- 4. The addition of yet another licensed premise selling alcohol in the DC, especially one so large and in such a prominent position, would attract people from outside the area, increasing the risk of drunkenness and rowdiness in the DC, leading to noise and disturbance and anti- social behaviour , both in the DC, with people congregating outside the premises, by this busy crossroads, after closing, and on their way home, on foot or by car, (with engines revving, car doors slamming etc) through the nearby residential roads, late at night **when the only police cover is centrally monitored**(local police now cover for the whole City, rather than the local area, so there is no specific police cover in the area).**
- 5. The DC is situated in the middle of a densely populated residential area. Local residents, particularly those in Victoria Lodge, the retirement home, next door in Highfield Lane, and in nearby residential roads would be adversely affected by all of 4) above. In addition, Portswood Residents Gardens Conservation Area**

(comprising Highfield Lane, Abbotts Way, Russell Place and Brookvale Road) whose key feature is that of a 'quiet residential area' is within 50 metres of the DC – and whose roads lie on the way back to the University.

6. I live in Russell Place and my back garden faces the DC. We are increasingly disturbed by late night noise and disturbance, especially in the summer months, when the windows are open. This would add to this.

7. Finally, it should be noted that the opening hours were restricted to 11am to 11pm, (7days a week) when planning permission for a change of use from a Bank to a cafe/restaurant(A2 and A3 use) was granted in December 2016,(Application No.2016/0201/FUL) in order to 'to protect nearby residential amenity.'
I notice that the applicant states that food will not be served after 10.30pm. However, if any premises licence for alcohol were to be granted, it should finish at least ½ an hour earlier than closing time, in order to allow for 'drinking up' time, so that the closing hour could be complied with.

For these reasons, I ask that this application is refused. I would be obliged if you would take these comments into account, when considering this matter.

Yours faithfully

Mrs J W Jameson

Licensing application: 2017/01775/O1SPRN

Dear Sir/Madam, we are writing to express objection to the above licensing application for 267-271 Portswood Road, and make suggestions for a more respectful compromise.

This application of 12 hour, seven day licensing for this property is wholly inappropriate considering its vicinity to the retirement home next door, the very reason we urged the council to reject the original planning application for the restaurant in the first place and the same grounds still stand with regard to this licensing application. However in the situation we now have where the application was approved we are below making a suggestion as to a reasonable compromise on licensing hours to respect the community and facilitate a good restaurant in this location.

Summary:

In summary we urge the licensing committee to ensure that the licensing hours are considerably shorter than the 11pm curfew on the premises (i.e. 10 or 10:30) to ensure that it is closed and people dispersed well before 11pm. We Also urge you to consider setting a lower hour limit during the working week to show recognition of the disturbance to residents (i.e. 10pm on Sun-Thu and 10:30 on Fri/Sat). By doing this the committee will demonstrate respect to the local residents, particularly in the retirement home, and also encourage the facility to provide a quality eating establishment in the area rather than migrating towards a student drinking hole (as has already been demonstrated locally by other 'restaurants').

Grounds:

This building is immediately adjacent to the retirement home and to license these hours would be a total insult to the residents here and also in the wider area. Is the council just interested in facilitating student drinking haunts in this area without showing concern to the local full-time and long-time residents? To approve this would show that to be the case. If the argument is that this will be a quality restaurant then licensing till 11pm seven days a week will not be required. A visit to the Wild Lime at the other end of the shops on a weekend night will demonstrate what happens with late night licensing in this area; there is noise and drinking out on the street and come the following morning there is regularly broken glass spread around the area and vomit literally anywhere. For the licensing committee to facilitate such activity in this location in Portswood is totally wrong. The residents of Highfield Lane are already plagued by late night disturbance and their gardens being used as toilets, a late night license here will only add to that.

To show that the licensing committee and the council as a whole does have some respect for the amenity of the resident population here, and particularly our older residents living in the adjacent building, it would be a good statement to make in allowing this premises to be licensed until only 10:30pm on Fridays and Saturdays but for the rest of the week till only 10pm. This would ensure that the premises were closed at 11pm, as per the planning constraints that they are already under, and ensure that the premises does not have people spilling out late into the night. To allow the license to go until 11pm will be a complete contradiction to the planning order as the worst disturbance will then be after 11pm.

We request that the Licensing committee take this into consideration.

Regards

Mr and Mrs A Rose

CAUTION: This email originated from outside of the organisation. Do not click links or open attachments unless you recognise the sender and know the content is safe.

I write to object to this application for the following reasons :-

1. this would add a further increase to the already excessive number of alcohol outlets in the restricted 100 metre length of Portswood Road that constitutes the Portswood District Centre (DC). There are already over 20 outlets in number.

2. Its site on the corner of the busy cross roads would make the number of outlets 5 in all within 20 metres. Moreover deliveries etc would cause serious traffic congestion.

3. The DC is situated in the centre of a densely populated residential area. Customers are likely to cause noise and disturbance to the immediately adjacent Victoria Residential Home and to houses in lower Highfield Lane.

4. There is no parking space so cars would be opportunistically parked in nearby streets. Going home the slamming of car doors and the revving of engines would cause significant disturbance to local residents especially at night.

5. The proposed licensing hours are too long, especially so on Sundays. If granted, the serving of alcohol should be 30 minutes before closing time to ensure alcohol is drunk up.

We should be grateful if these causes for concern could be considered by the Committee. Thank you.

Yours sincerely Dr . Richard Buckle, Planning Group, Portswood Residents Gardens Consevation Area.

Dear Sirs, I write to object to this application for the following reasons
this will add further to increase the already large number of licensed premises within the 100 metre length of the Portswood Road District Centre. There are already more than 20 such outlets. Its particular site on the cross roads will mean there are 5 outlets within 30 metres.

situated on the corner of this busy cross roads will cause serious disruption to traffic at delivery times etc.

The District Centre is situated within a densely populated area . it will be immediately adjacent to the Victoria Residential Home and lower Highfield Lane houses. There is likely to be excessive noise and disturbance for these immediate neighbours.

There is no parking, so vehicles will be opportunistically parked in nearby streets. On going home the starting of vehicle engines, the slamming of car doors will cause disturbance to residents. Moreover university students are likely to cause noise and disturbance on their way back through our streets to university hostels etc.

The increasing density of eating and drinking venues will attract increasing number of customers to the area, so leading to the accumulation of people socialising in the DC. and making the area a major drinking venue in the City. Indeed there is the danger of it so becoming physically linked to Bevois Valley making one gigantic drinking area. The way Bevois Valley has developed has led to the limitation of further drinking outlets.

The proposed hours for the sale of alcohol are excessive and too long. This is particularly the case on Sundays. If the licence is granted then the serving of alcohol should be stopped at least half an hour before closing time to allow for "drinking up"

Ref: 267 - 271 Portswood Road

Dear Sirs,

I wish to register an objection to the premises licences being applied for for the above address.

- 1) There are already over 20 licensed premises in this small district shopping centre. This is already too many.
- 2) if licensed, this premise would be one of six licensed premises practically next door to each other - an undesirable concentration.
- 3) This property is on the edge of a largely residential area, the hours requested, particularly on a Sunday would be disturbing and disruptive to the many neighbours, not least to the Retirement accommodation Victoria Lodge, which is next door to this former bank.

I live approximately 150 yards away, and feel there is enough noise and disruption on Highfield Lane already.

Has any consideration been given to the clients parking? Once again, this would necessarily be in the surrounding residential roads.

I hope you will register these concerns.

Dear Tom

I am in receipt of a premise licence application for a new establishment at an address of 267 – 271 Portswood road, Southampton, Hampshire, SO17 2LA.

With regards to the application, I note in part “M” the steps your intend to take to promote the licensing objectives. To ensure that diligence is upheld, can I recommend that these proposals are converted into enforceable conditions and if the licensing are minded to grant the licence would appear as such.

My proposals are:

CCTV

A recording CCTV system that captures images from the public areas of the venue must be fully operational whilst licensable activities are taking place.

The system shall be able to cope with all levels of illumination.

The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system.

The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.

The system clock shall be checked regularly for accuracy taking account of GMT and BST.

Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).

The images produced shall be date and time stamped.

A notice shall be displayed at the entrance to the premises advising that CCTV is in operation.

An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the main public entrance of the premises.

It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made for someone to have access to the secure area and also be able to operate the equipment at all times.

Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of staff.

Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act.

Staff Training

Before commencing their duties, all new staff shall receive information and training concerning the sale of age-restricted products. This training must cover their legal responsibilities and action to be taken in the event of suspicions being aroused that someone is purchasing or attempting to purchase an item under the legal age.

All employees will sign a letter to acknowledge that they have completed this training and have understood their responsibilities on this area. This training should be reviewed and updated at reasonable intervals which shall be at least annually.

Proof of Age

There shall be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification shall include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

Refusals

A record in either written or electronic format shall be kept of all refusals to sell alcohol. The Premises Licence Holder shall ensure that the record is checked, signed and dated (if in written format) on a weekly basis by the duty manager/manageress.

The refusals log shall be kept and maintained at the premises and shall be made available for inspection immediately upon request by any responsible authority.

The record of refusals shall be retained for 12 months

Age Policy

Persons under 18 will not be permitted entry to the venue unless accompanied by an adult and then only for the purpose of taking a substantial table meal.

Let me know your thoughts

Kind regards
