SOUTHAMPTON CITY COUNCIL
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 28 FEBRUARY 2018

Present: Councillors Mrs Blatchford, Lewzey and Painton

27. **ELECTION OF CHAIR**

RESOLVED that Councillor Blatchford be elected as Chair for the purposes of this meeting.

28. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

RESOLVED that the minutes of the meeting held on 9 January 2018 be approved and signed as a correct record.

29. **EXCLUSION OF THE PRESS AND PUBLIC**

The Sub-Committee accepted legal advice that the agenda item be amended to read as follows:

This report includes details and information that is classed as exempt from publication in accordance with the Council's Constitution and specifically Categories 1 and 2 of paragraph 10.4 of the Access to Information Procedure Rules due to the identification of individuals and sensitive details of convictions. Accordingly, the report has not been published at this stage. In accordance with the Licensing Act 2003 (Hearings) Regulations 2005, members shall be able to determine whether to exclude the public from all or any part of the hearing after consideration of the public interest.

Following amendment of the item the Sub-Committee resolved as follows:

RESOLVED that having applied the public interest test and in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 it was not appropriate to disclose this information as the individual's legal expectation of privacy outweighed the public interest in the exempt information. Accordingly the press and public were excluded from the hearing.

30. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

RESOLVED that in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 that the parties to the hearing, press and public be excluded at a predetermined point whilst the Sub-Committee reaches its decision.

31. **PERSONAL LICENCE HOLDER**

The Sub-Committee considered the report of the Service Director of Transactions and Universal Services to determine whether to suspend or revoke a personal licence following notification of a relevant conviction.

The Sub-Committee determined to proceed in the absence of the personal licence holder. No correspondence or communication had been received from the licence holder despite repeated attempts by the licensing authority to make contact.

The Licensing Manager was present and with the consent of the Chair addressed the meeting.

The Sub-Committee considered very carefully all the evidence presented by the Licensing Manager.

The Sub-Committee considered all the facts and decided to revoke the personal licence.

It was determined that in light of the reasons for the previous decision to exclude the press and public from the hearing, the reasons for the decision ought not to be published.

Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. The sub-committee must also have regard to:
 - *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
 - *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

The CCTV system must be operating at all times whilst the premises are open for licensable activity. Records must be made on a weekly basis and kept for inspection to show the system is functioning correctly and that data is being securely retained. There always will be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity.

Staff will also be trained to deal with any situations that may arise and to be handled in the appropriate way in accordance with the safety of everyone.

c) Public safety

All staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training. All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible authority upon request. Training records will be kept on the licensed premises to which they relate to.

An incident book will be provided and maintained on the premises. It will remain on the premises at all times and will be available to police for inspection upon request. At the close of business on each day the incident book will be checked by the manager on duty where any entries will be reviewed and signed.

Refusal book will also be kept on the premises including refusals to sell alcohol. Again available on request.

CCTV will be installed at the premises as well as clear signs to all fire exit doors.

d) The prevention of public nuisance

Noise reductions

Making sure all noise does not cause unreasonable disturbance to the wider public, such as passers-by and people using public facilities and to the residents of the local area

e) The protection of children from harm

Challenge 25 policy operating. Every individual who visually appears to be under the age of 25 years of age and is seeking to purchase alcohol at the premise shall produce identification. All staff will be trained for this process which includes control over admission of children.

Reasons for comment:

Comments: 3:23 PM on 29 Mar 2018 I wish to object to this licence on the grounds of the prevention of public nuisance (in conjunction with the planning application for change of use of this site). Portswood suffers from alcohol related anti-social behaviour. There is already an excessive amount of licensed venues and off licenses within Portswood district centre at the same time there is a problem within the same location with alcohol related antisocial behaviour (reflected by the PSPO sign which is on a post outside this address).

The problem is affecting people in the residential streets that surround this location is so bad that people will continue to object and continue to call on the police to help make the area a cumulative impact zone. If this application goes ahead (despite the fact that it is only a few metres away from residential housing) there will be a pub or bar on almost every corner of the district centre. The residential streets behind the Broadway and Portswood road suffer from drunken antisocial behaviour as people make their way home and fan out through these streets. It is not appropriate to continue filling the main road with licensed venues and make it a night time destination when it already has problems with drunken public nuisance and it

is a small area surrounded by residential streets.

It does not coincidentally fill an unfilled niche as we already have a micro pub but this is irrelevant as those who are objecting would object regardless of the type of pub as it is an objection to another venue which makes the Broadway a night time leisure destination.

I wish to object to the above application on the grounds of Number 3
The Prevention of Public Nuisance

There are many establishments in Portswood selling alcohol. This has caused the Anti social behaviour issues such as Noise, excessive rubbish left on the streets and criminal damage to cars and properties in my road.

To have another establishment with a licence in Portswood would be intolerable for Residents.

By allowing another establishment with a licence in Portswood you will only contribute to the many problems we have.

Dear Sir/Madam, I am writing to urge you to reject the above application for the sale of alcohol and playing of music for 14 The Broadway, Portswood.

This application is ridiculous to be applying to serve alcohol from 7 in the morning until 11 at night when we already have a drunkenness problem in the area. The agreement of applications for licensing that have continually come before your panel for this area are leading to the denigration of the area and the gathering of people involved involved in drunken and antisocial behaviour. A trip out on the evening will regularly find you amongst people urinating in gardens or shouting etc. we should not be subject to more of this and this application is an extreme example of one that makes it all worse. We live only 10 minutes from our church on Portswood Road so very regularly walk along this road, however the state of the area with bars spilling out onto the pavements means we are no longer happy for our 15 year old son to walk home alone at 9pm at night. These places lead to rowdy behaviour and also contribute to the begging problem which is increasing between these venues both day and night. The allowing of the consumption of alcohol on the public street outside these premises is a very undesirable issue and that should not be allowed for any premises so stopping allowing this one would be a good start. Additionally the issue of providing separate smoking areas away from the public, children etc. should be a priority as at present it makes walking down the Broadway when these places are busy very unpleasant.

Quite simply we request that you refuse this application and help bring order rather than further disorder to this area. Please can the licensing committee show respect for the people of this area rather than simply pandering to the people aiming to make profits from the sale of food and alcohol who seem to have little regard for the public nuisance outcome that they create.

Dear Sirs,

As local residents adjacent to Portswood Broadway, we wish to object to the application at present before the Licensing committee.

It would be one more licensed premises in what is essentially a small local shopping centre in the middle of a residential area. There are already 25 licensed premises in the district centre, and there are already three public houses, the Mitre, Wild Lime and Tram Stop in the same area, with others in the neighbouring vicinity.

Such a proliferation of licensed premises in the middle of a residential area provides the risk of people being attracted to the area from outside, and the consequent risk of antisocial behaviour. Already we suffer from discarded drink cans and bottles being regularly left in the road and in our garden, and there are more people visible in the streets adjoining the shops drinking alcohol.

The proposed live music (let alone the recorded music) would provide a noise nuisance both to the precinct and to adjoining residential property (including the proposed flats above the premises).

If the application is granted, the hours both for the sale of alcohol and for music should be severely restricted from those requested, because of the risk of nuisance as outlined above, from those visiting the premises, and from the music.

Yours faithfully,

Ian and Sue Edwards

Dear Sir,

We object strongly to this licensing application for the proposed micro pub in The Broadway, Portswood.

The request to sell alcohol between 7am to 11pm , 7 days a week is excessive. No other pub in the area is licensed to sell alcohol so early. We already have a problem with day time drinkers, who sit on the wall in Westridge Road, opposite the proposed pub. The long hours would encourage more anti- social behaviour. The proposed awnings, on the pavement, outside the premises would attract more drinkers, who may well be smokers, causing litter and possible rowdy behaviour.

The request for live music between 12 noon and 11pm and recorded music at other times, would cause disturbance to all those living nearby. The pub doors may well be left open, especially in the warm weather and the sound would spread throughout the area. This is a totally inappropriate place for this type of venue.

We hope for these reasons this application will be refused.

Dear Sirs

Reference : 2018/00974/O1SPRN

Premises Licence Application by Crafty Fox- at 14 The Broadway, Portswood Road, Southampton SO17 2WE for the sale of alcohol, on and off the premises, between 7am to 11pm Monday to Sunday and live music inside 12am to 11pm Monday to Sunday ; recorded music 7am to 11pm Monday to Sunday. Opening hours 7 am to 11pm.

I write to object to this application for the following reasons:.

1. Portswood District Centre (DC) is a small shopping centre- only 200 metres long- in the middle of a densely populated residential area. **There are already more than 25 licensed premises in the DC** (including 3 public houses- The Mitre and Wild Lime and the micropub Tramstop Bar)), plus 2 public houses (the Gordon Arms and The Richmond) and at least 4 other licensed premises just outside it , at the southern end.. **There is a particularly high concentration of off- licences in this part of the DC, (between Westridge Road and the Victory church) where there are already three off licences. The addition of yet another licensed premises-the fourth pub in the DC- would be excessive.**
2. The **hours sought for the sale of alcohol- 7 am to 11pm- 16 hours a day, 7 days a week -would be too long and commence too early, particularly on Sunday.** No other pub in the DC is licensed to sell alcohol as early as 7am.
3. **The addition of yet another licensed premise in the DC, with such long hours would attract people from outside the area, making it a centre for the consumption of alcohol, and an increasing danger of drunkenness and rowdiness in the DC.**
4. **This, in turn would lead to an increased risk of :**
a)Noise and disturbance and b) Anti- social behaviour c) Litter and d) even Crime (e.g. damage to cars)
--- in the DC, with people congregating , on the corner, outside the premises, ---and on their way home through the nearby residential roads, late at night, after closing time, when the only police cover is centrally monitored (local police now cover for the whole City, rather than the local area, so there is no specific police cover in the area).

5. a) The applicant's current planning application for external awnings over the pavement, suggests that there would be drinking outside, which would add to the noise and disturbance.

b) The proposed live music would also add to the noise and disturbance, especially when the windows were open.

6. Local residents, especially in the proposed new flats above the premises and above the shops opposite, and in the adjacent and nearby residential roads would be adversely affected by all of 4) and 5) above. The DC is situated in the middle of a densely populated residential area. In addition, Portswood Residents Gardens Conservation Area (comprising Highfield Lane, Abbotts Way, Russell Place and Brookvale Road), whose key feature is that of a 'quiet residential area' is within 100 metres of the premises, - and whose roads lie on the way back to the University.

7. I live in Russell Place, and my back garden is about 100 m away from these premises.

a) We are increasingly disturbed by noise, late at night, from the DC, especially in the summer months, when the windows are open. An additional outlet here, selling alcohol, for such long hours, would add to this.

b) We already suffer from litter in Russell Place, and regularly collect empty cans and bottles. An additional outlet selling alcohol on and off the premises would add to this.

8. The opening hours sought (7am to 11pm) are the same as for the sale of alcohol . The latter should be one half hour shorter, to allow for 'drinking up' time.

I, therefore, ask that this application is refused. I should be obliged if you would take these comments into account when considering this application.

Yours faithfully

Dear Sirs,

Ref. **Licensing Application 2018/00974 01SPRN . Crafty Fox, 14 The Broadway, Portswood Road, Southampton, SO17 2WE**

Application for a premises licence for the sale of alcohol "on" and "off" the premises between 7 am till 11pm on 7 days a week Monday to Sunday with both recorded music from 7 am to 11pm and also live music 12 midday till 11 pm 7 days a week Monday to Sunday. Opening hours 7am till 11 pm on 7 days a week.

I object to this application for the following reasons :-

(1) **Site.** The Crafty Fox is situated in the Portswood District Centre (DC) which comprises just a single row of retail premises on either side of the 200 metre long The Broadway, which is closely surrounded by densely populated residential houses, the proximity of which makes the residents particularly susceptible to noise and disturbance arising from the DC.

(2) **Further increase in the existing excessive number of licensed premises in the DC.** There already exists an excessive number of outlets providing alcohol.; another will only aggravate the situation. If granted there will be more than 22 in number, situated over a distance of 200 metres. It will be a "micro-pub" and there are already two public houses (The Mitre & The Wild Lime) together with The Tram Stop Bar within the DC, with two more pubs, The Richmond and Gordon Arms on the Portswood Road within 50 metres of the DC.

(3) **The DC will become a city "hub" for drinking.** The number of existing outlets for alcohol is already far greater than that required for local residents. This "micro-pub" will only further increase this excessive supply. It will therefore attract drinkers from outside the area for the concentration is greater than anywhere else apart from the centre of the City.

(4) **Increased drinking due to increased supply will lead to increased drunkenness with increased noisiness & drunkenness.**

(5) **The hours of opening too long and too early.** The proposed hours of opening 7am till 11 pm- namely 16 hours a day every day (including Sundays) are too long. The early opening at 7 am is far too early and will encourage drunkenness by breakfast time and present an unacceptable example to children going to school.

(6) **Provision of piped music and "live" music.** The prolonged hours of provision of piped music and live music will cause excessive noise and disturbance.

(7) **The proposed erection of 5 awnings.** These awnings, which will over-hang the outside pavement, can have no other use than to provide protection for outside drinking either standing or more likely sitting at tables. This will cause excessive noise and obstruction to pedestrians.

Increased noise, increased alcohol consumption, with consequent drunkenness, rowdiness, anti-social behaviour, excessive litter, bottles etc. and even criminal damage to property. These will result as consequences arising from the items cited in headings (3,4,5,6,7). (The consequences have been itemized here to avoid repetition). The problems will arise within the District Centre itself affecting local residents in the Portswood Road and also in our surrounding streets as revelers make their way home through our streets so disturbing sleep etc.

It is for these reasons that I object to this application and ask for it to be refused.
Thank you.

Yours sincerely,

Licensing Application no. 2018/00974/01SPRN by Crafty Fox at 14 The Broadway, Portswood Road, Southampton SO17 2WE

Dear Sir

I strongly object to the above application because of the significant harm to the amenity of local residents; the impact on Portswood District Centre; the undesirability and harmful precedent of extended opening hours, and the cumulative effects of large numbers of licensed premises in the area.

Portswood District Centre lies in a predominantly residential area and already has a very large number of premises for drinking alcohol and socialising. This small shopping centre already has over 25 licensed premises, including two pubs, a micropub, cafes, restaurants and take-aways, and several off-licenses. There are also two more pubs just outside the centre. There are large numbers of dwellings in the immediate vicinity of the application site, including dwellings in Portswood Road, Westridge Road and proposed flats over the pub itself and flats over the shops opposite. The wider surrounding area is also residential.

This proposal for yet another pub would be excessive for such a small district centre. The concentration of licensed premises in such a small area will attract customers from further afield and make it a major centre in the city to consume alcohol, destroying its atmosphere as a local shopping and service centre and harming the amenities of nearby residents.

The proposed hours of opening are excessive – 16 hours a day, starting at 7am and until 11am, and for every day of the week, including Sundays – and longer than those of other licensed premises in the area..

The cumulative effect of an additional licensed premises plus the proposal for long and very late opening hours seven days a week would be very likely to lead to adverse effects on local residents which would be completely unacceptable. Harmful effects on nearby residents would include:

- noise and disturbance from customers congregating outside in the street, particularly late at night when such venues act as a focal point for rowdy elements, and from customers walking home through nearby streets late at night. These would be very intrusive for residents in the vicinity, especially on Sundays and in the summer months when windows are open
- additional noise and disturbance from the proposed live music
- an increase in unruly, anti-social behaviour from which the neighbourhood already suffers - litter, graffiti, breaking the branches of street trees, damage to parked cars etc. - both within the District Centre and in surrounding residential areas

- the cumulative effects of this proposal on top of the large number of existing pubs, take-aways and music venues in Portswood, Highfield and Bevois Valley which harm residential amenity
- if the proposal were to be allowed, it would set an undesirable precedent and other venues in the District Centre would seek later hours than have been allowed by in the past, especially on Sundays.

It is simply not reasonable to allow yet another drinking and music establishment located close to homes, particularly one open from early morning until late at night for seven days a week. Portswood District Centre should be a local shopping and service centre for surrounding neighbourhoods, not one of the eating, drinking and music hot-spots of the night-time economy. Areas such as the Civic Centre and waterfront are much better suited to this role.

I therefore ask that the application should be refused.

Yours faithfully

Rosalind Rutt
