R. and G. Smith	Baydon Lee Roman Road Bassett Southampton SO16 7HG	Resident
Mr. T.H. and Mrs. W.J. Nicholson	Badgers Roman Road Bassett Southampton SO16 7HG	Resident

Legal Implications

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.

2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

Application for a premises licence to be granted
under the Licensing Act 2003

RECEIVED
08 OCT 2012

PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form.
If you are completing this form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. Use additional sheets if necessary.
You may wish to keep a copy of the completed form for your records.

I/We SHELL UK OIL PRODUCTS LIMITED

State the ground(s) for representation *(please read guidance notes 1 & 2)*

This applicant has provided limited evidence showing its analysis of intensity of use between 1st April to 30th June 2011. 48% is fuel only and 52% its convenience store. In relation to S176 of the Licensing Act 2003, the Department for Culture, Media and Sport states that the licensing authority must decide whether or not any premises is 'used primarily as a garage' in deciding on whether a licence should be granted. This only highlights that nearly half of its customers will only purchase fuel and if the licence was granted, put before them the temptation to purchase alcohol.

We have requested that the applicant provide the police with more cogent evidence of transactions, broken down, identifying numbers of transactions made by customers over a protracted period of 6 months during 2012:

The number of customers who drive or ride motor vehicles onto the site and purchase fuel for the vehicle only.

The number of customers who drive or ride motor vehicles onto the site and purchase fuel for the vehicle and also purchase non-garage goods.

The number of customers who drive or ride motor vehicles onto the site and purchase non-garage goods only.

The number of customers who access the premises on foot and make any purchase.

The above information would indicate in much more detail as to whether this premises is primarily a garage or not allowing a more informed decision.

At this time the applicant has not been able to supply the above information and the data they have provided to date only details the number of transactions between fuel and the convenience store.

They have explained that if a customer attended the premises and purchased £60 of fuel and whilst paying decided to purchase a single bar of chocolate at 70p this would be counted as a transaction for fuel and a transaction for the convenience store. However, it would be quite evident that the main intention of the customer would have been to purchase fuel.

Petrol stations, by their very nature, are strongly associated with driving and attract a significant trade from motorists. It is therefore reasonable to argue that sales of alcohol from such premises may increase the number of drink related road injuries and deaths (although Police data does not presently capture where alcohol has been purchased) and may also be potentially damaging to public campaigns

**HAMPSHIRE CONSTABULARY**

Page 3 of 4

**NEW GRANT OR VARIATION OF PREMISES LICENCE
OR CLUB PREMISES CERTIFICATE
FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

that seek to highlight the risks of drinking and driving.

Fatalities on the road resulting from drink and drive accidents are still one of the highest contributing factors. Evidence produced by the Department for Transport published 16th August 2012 show that the number of fatal drink and drive accidents rose to 260 in 2011, an increase of 18% relative to 2010. Further evidence provided by Alcohol Concern states that as many as one in six deaths on roads in the UK are caused by drivers over the legal alcohol limit. Driving whilst under the influence of alcohol can impair an individuals judgement and therefore their ability to drive safely. Some countries have an outright ban on petrol stations selling alcohol due to the link between alcohol consumption and motor accidents. Since the 1st of January 2012 to 30th October, 2012, the Southampton area alone has had 95 impairment occurrences. In the promotion of the licensing objectives "public safety and the prevention of crime and disorder" the police believe we should avoid placing the temptation on motorists of consuming alcohol behind the wheel.

State any conditions that the Police seek to negate the need for a hearing

To negate a hearing taking place we would need to be provided with statistics that show that the primary use of the premises is not that as a garage but as a convenience store. Currently in discussions with regard to conditions that we would like to be added to the licence should it be granted which could also be discussed at hearing if not agreed to beforehand.

IT IS AN OFFENCE, UNDER SECTION 158 OF THE LICENSING ACT 2003 TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS REPRESENTATION

Part 3 – Signatures (please read guidance note 3)**Recommendation of Police Officer**

15th October, 2012

Licensing Team,
Southampton City Council,
Civic Centre, Southampton SO14 7LY

Dear Team,

Shell Bassett Store and Filling Station

We would like to register our strong objection to the proposed licence to sell alcohol on these premises 24/24 and for "late night refreshments" to be available from 11pm till 5am.

The site is virtually in a residential area. The residents suffered enough from the litter arising from the previous "convenience" store, and to have extra bottles, cans etc. discarded (as they will be) would be awful.

The petrol filling site is one of the busiest in the south. It really does not justify customers of the new deli stocking up on alcohol - and is the sale of Late Night Refreshments from 11pm - 5am really essential? There is little we can do about a general 'convenience' store, BUT Alcohol available all day and all night should not be a 'convenience'. How can the sale of alcohol to minors/over the limit drivers be monitored?

The alley at the side of the filling station, and at the back of same, is unlit at night. There is regular damage to the entrance to the Motorway in the alley (the door has been stolen and there is now direct access for anything-anyone) and the lock is usually broken, when there. This is potentially very dangerous, particularly if fuelled by readily available alcohol. It seems to attract undesirables anxious to find a quiet/dark place for "Lord know What" (but being 86 and 77 years old respectively - we can guess - perhaps we can keep the birth rate down a little as well!)

Surely at the start of the M3 Motorway it is not a good thing to have unlimited alcohol available all day - and night - every day and night. A filling station is surely for fuel for motors, NOT alcoholic fuel for drivers. Does "Don't Drink and Drive" count for nothing.

Please we would urge the Licensing Team to reject this application. Thank you

Yours sincerely

T. H and Mrs W.J. Nicholson

Dear team,

Behind the above mentioned filling station is a cutway leading to residential dwellings. What for many years was an attractive area has now become a place where graffiti has to be removed, rubbish picked up by residents on an almost daily basis and vandalism is an ever increasing problem. To allow the service station to sell alcohol 24 hours a day and serve hot food from 11.00 p.m. until 5 a.m. will only exacerbate the problems, not least on a Friday or Saturday night when it can become quite noisy.

We strongly oppose the issuing of a license for alcohol and hot food to be sold at this filling station.

Yours sincerely,
R and G Smith.
