### ***Legal Implications***

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

6. *Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another persons Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affect another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

### **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

**State the ground(s) for representation** *(please read guidance notes 1 & 2)*

On behalf of the Chief Officer of Police, I am writing to lodge an objection to the above application on the following grounds:

- 1) The Prevention of Crime and Disorder
- 2) Public Safety
- 3) The Prevention of Public Nuisance
- 4) Protection of Children from Harm

Hampshire Constabulary believe that the evidence provided below supports their view that the issuing of a premises licence would significantly undermine the licensing objectives.

Hollyoak Stores is a small convenience store, situated in a short parade of shops with residential flats above. Opposite the store is an additional block of flats, Hollyoak Court, which houses a number of elderly residents. The premises is close to a small grassy area where youths tend to congregate. It is also between two areas which experience high levels of juvenile nuisance and disorder (Chelveston Crescent and the park next to it, and Coxford Copse to the rear of the Community Centre on Olive Road). These are both large areas of green space which are the focal points for youths who gather, cause intimidation for other users, set fires, illegally ride off-road motorbikes, and drink stolen or illicitly obtained alcohol.

This is not the first application made for a premises licence at this location. Mr Jasbir BHAKAR and Mr Lakhen Singh BHAKAR applied on 19th November 2010 for a premises licence to be granted. Representations were made by both Hampshire Constabulary and members of the local community. The decision of the Sub-Committee on 13th January 2011 (Annex 1) was to refuse the application. The Sub-Committee noted "...the location of the premises is the issue. Especially with regards to its relationship with areas that continue to attract anti-social behaviour and gatherings causing nuisance and criminal damage." The Sub-Committee also found that "an additional premises, and more particularly in this location, would lead to an increase in the issues evidenced irrespective of whether the controls put in place were greater than those exercised elsewhere. It was the Sub-Committee's view that the evidence of the Police and residents had established that no condition or restriction could satisfactorily cover or mitigate the risk posed to the licensing objectives."

Since this time, Mr Jasbir BHAKAR has utilised Temporary Event Notices (TENS) in order to sell alcohol from Hollyoak Stores. The TENS that were in place ran from 31st May 2012 to 6th June 2012, 5th July 2012 to 8th July 2012 and 26th July 2012 to 29th July 12, all selling alcohol from 11:00 hours to 19:00 hours.

## HAMPSHIRE CONSTABULARY

[REDACTED]

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

During the period covered by the first TEN, 31st May – 6th June, there were 5 incidents of rowdy and inconsiderate behaviour reported to police. This amounts to approximately 10% of all reports to police in the vicinity of Hollyoak Stores during 2012. (Annex B)

On 10th June 2012, police received a report from a member of public concerned that local youths were attempting to buy alcohol from passing members of the public (44120222514 refers, Annex K). Even though alcohol was being sold on a temporary basis, youths were aware of this, congregating around the store and harassing the residents for alcohol. Hampshire Constabulary believe that if a licence were to be granted to the store to sell alcohol on a permanent basis, the level of harassment of residents or members of the public legitimately using this store, or other services in the parade would increase accordingly.

At the time of the application in 2010 Hampshire Constabulary raised concerns under the licensing objectives in relation to problems within the vicinity, which included youths drinking alcohol and associated anti-social behaviour. Since this time there have been a number of multi-agency operations aimed at educating the community and combatting the anti-social behaviour issues. Members of the public are regularly consulted through the use of PACT (Police and Communities Together) meetings, at which the local policing priorities are set. At the last meeting held on 11th October 2012, anti-social behaviour and underage drinking remained as a priority in the area. Hampshire Constabulary continue to engage with youths and premises' selling alcohol, including high visibility patrols and strategic operations.

Specifically, in Coxford there are currently 3 on-going operations:

1. Operations Marker and Awareness – aim to educate adults regarding the acquisition of alcohol for under age youths and identify where young people are purchasing their alcohol.
2. Operation Refresher – aims to disrupt groups of youths and prevent them from congregating and to seize alcohol from underage youths.
3. Operation Eden and Early – joint education programme with Southampton City Council to identify underage youths with alcohol and involve the parents with education.

Whilst anti-social behaviour has reduced as a result of this pro-active approach, unfortunately it still remains an issue that impacts significantly on the lives of members of the community. Annex L details the 81 incidents reported in Aldermoor Avenue and Hollyoak Road in 2010. Annex B details 51 incidents within the vicinity of Hollyoak Stores alone in the year to date. In June 2012, there were numerous reports of youths drinking and shouting, causing damage, and others of people shouting and arguing with each other. In August 2012 there were 5 reports of youths congregating outside the shops, causing damage to a car windscreen, playing football and being abusive to residents. And in September 2012 a report is received from a resident of Hollyoak Court regarding ongoing issues with groups of youths loitering in the stairwell, someone trying his front door and another person urinating directly outside his front door. Hampshire Constabulary believe that the opening of an additional licensed premises would attract more youths to loiter in the area and exacerbate the issues already being suffered by members of the community.

The users of the nearby Community Centre on Olive Road are also repeat victims of anti-social behaviour (Annex E). In the year to date there have been 25 reported incidents of anti-social behaviour. In September 2012, there is a report of two drunk people in the park causing the informant to be scared. In October 2012, there is a report of about 20 youths banging doors and windows and being abusive. In November 2012 users reported 6 youths causing problems at a party, being abusive when asked to leave. Similar issues extend back to Summer 2011, when police have responded to fights in the park involving 20-30 youths, one seen with a metal pole, youths throwing stones and climbing scaffolding and a report of cars being damaged and the sound of breaking bottles. Hampshire Constabulary believe that additional availability of alcohol in this area may exacerbate existing issues. In addition to this Hampshire Constabulary have received a number of concerning reports indictating tension between the community and Mr Jasbir Bhakar. During July 2011 there were two reports of the shop keeper being rude and abusive, and in August 2011 there was a report that a witness to the licensing appeal has been subject to verbal abuse (Annex C).

On 7th November 2012 a licensing visit was conducted at the premises in order to determine the applicants readiness to begin trading in line with the licensing objectives should the licence application be successful (Annex N). During the visit it was identified that despite being DPS at another premises (Wimpson Stores) Mr Bhakar had absolutely no records of due diligence training conducted with his staff and advised that this simply consisted of verbal training regarding 'No ID, No Sale'. This shows a lack of support of the licensing objectives. The applicant has operated TENS and sold alcohol without good consideration of the protection of children from harm.

The applicants lack of understanding of the licensing objectives is further highlighted by the application submitted for this premises licence (Annex O). The applicants make no reference to staff training, particularly for non-personal licence holders, or the prevention of proxy sales given the concerns raised throughout the period that Temporary Events Notices were in place. The applicant has stated that a member of SIA registered doorstaff will be present from 17:30pm to 19:30pm on Fridays and Saturdays. There is no explanation as to how the applicant will allay the concerns of residents on other key dates such as school holidays, public holidays, Hallowe'en and Bonfire Night. This again is a significant concern. As shown in Annex F (a chart showing the incidents broken down to the day of the week) and Annex H (a chart showing the incidnets broken down to the time of occurrence), incidents are reported to police across the week and throughout the day and are not consistently high solely on Fridays and Saturdays.

In summary, levels of anti-social behaviour in this area are already high despite concerted efforts of multiple agencies. The types of anti-social behaviour being experienced by residents are particularly nasty, including urination, damage, and violence. Hampshire Constabulary firmly believe that the location of this premises is such that granting a premises licence, regardless of any conditions added would result in increased anti-social behaviour (as evidenced by the impact of the Temporary Event Notices) and therefore result in the licensing objectives being undermined, to the detriment of the local community.

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

#### State any conditions that the Police seek to negate the need for a hearing

Hampshire Constabulary believe, as the licensing sub-committee indicated on 13<sup>th</sup> January 2011, that an additional premises in this location "would lead to an increase in the issues evidenced irrespective of whether the controls put in place were greater than those exercised elsewhere". However, should it be decided that a licence ought to be granted then the following conditions would be requested:

#### CCTV

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with all levels of illumination throughout the premises as well as outside areas.

CCTV warning signs to be fitted in public places.

All equipment shall have a constant and accurate time and date generation.

The recording system will be able to capture a minimum of 4 frames per second and all recorded footage must be securely retained for a minimum of 28 days.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

The DPS or store manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on either disc or VHS.

Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Hampshire Western Police Licensing Unit within 24 hours.

#### TRAINING

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.

All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.

#### **CHALLENGE 25**

There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport, HM Forces ID card or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

'Challenge 25' posters shall be displayed in prominent positions at the premises.

#### **REFUSALS LOG**

A written log shall be kept of all refusals including refusals to sell alcohol. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the store manager/manageress.

The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.

The record of refusals will be retained for 12 months.

#### **TILL SYSTEM**

The premises will have an 'EPOS' system on all tills with prompts to ask for ID on any restricted items which, if refused, will print out a slip to allow staff to record the details of the person they have refused. All staff are to have their own ID on the system.

#### **INCIDENT LOG**

An incident book will be provided and maintained at the premises. It will remain on the premises at all times and will be available to police for inspection upon request.

Any incidents that include physical altercation or disorder, physical ejection, injury, id seizure or drug misuse will be recorded in the incident book. The entry is to include an account of the incident and the identity of all person(s) involved (or descriptions of those involved if identity is not known).

Should there be any physical interaction by members of staff and the public the entry will include what physical action occurred between each party. The entry shall be timed, dated and signed by the author.

If the member of staff creating the entry has difficulties reading or writing then the entry may be

written by another staff member. This should however be read back to the person creating the entry and counter signed by the person who wrote the entry.  
At the close of business on each day the incident book will be checked by the manager on duty where any entries will be reviewed and signed. Should there be no incidents then this will also be recorded at the close of business in the incident book.

### **STORAGE**

Alcohol will be kept in a locked container behind the counter, to which only staff have access. During any time that alcohol is not on sale, it will not be on display at the premises.

### **STAFFING**

Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold. One person in the premises during licensed hours will always be a personal licence holder. An SIA registered member of door staff will be at the premises between 1730hrs and closing every day of the week.

## OPERATING SCHEDULE

### BACKGROUND

The premises are a general store located at 25 - 33 Hollyoak Road, Southampton, Hampshire, and had the benefit in the past of an alcohol licence.

The applicant has utilised temporary event notices for the premises within the last year, ensuring that the temporary event notices took place over weekends to allow the sale of alcohol.

The premises have the benefit of CCTV both inside the premises showing the payment area and outside the premises showing the entrance to it.

The premises will also keep and use a refusals book recording all refusals of sale at the property. A strict Challenge 25 Policy will be in force, and posters displaying this will be kept on the premises.

As well as the mandatory conditions for retail premises. The applicant is prepared to offer further conditions as follows:-

1. Alcohol will be kept in a locked container behind the counter.
2. Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold.
3. One person in the premises during licensed hours will always be a personal licence holder.
4. During any time that alcohol is not on sale, it will not be on display in the premises.
5. An SIA registered doorman will be at the premises between 5.30pm and 7.30pm on Friday and Saturday nights.

Dear Sirs

14th January 2011

**Application for a Premises Licence**

**Mr. Lakhen Singh Bhakar Mr. Jasbir Singh Bhakar**

**Hollyoak Stores 25-33 Hollyoak Road Southampton Hampshire SO16 5GB**

I refer to the hearing of the above application before the City Council's Licensing (Act 2003) Sub-Committee on 13th January 2011 and write to inform you of the Sub-Committee's decision. Accordingly, I enclose a copy of the decision notice. Minutes of the hearing will be published on the Council's website in due course.

The Licensing Act 2003 provides that both the applicant and any party who made a relevant representation have a right of appeal against the decision of the licensing authority. An appeal must be commenced by giving notice of appeal to the Magistrates' Court within the period of 21 days beginning with the day on which you were notified by this authority of the decision to be appealed against. Any party considering such a course of action should seek professional legal advice, since an appellant may be liable for the costs of the other parties should the appeal fail.

Yours sincerely,

for Solicitor to the Council

Visit Hollyoak Stores 07/11/12 11:35hrs

Present Jas BHAKAR

A visit was conducted at Hollyoak Stores in order to introduce myself and see the provisions in place for the application.

**Storage** – behind the counter, BHAKAR has four units, including refrigerated units. All these units are able to be locked, one cabinet has a lock attached to the doors, the others with a padlock through the handles. The keys are stored behind the counter on a chain. There is a counter in front, which is the till area, which provides obstruction. The area behind the till is quite small, and tight for two people to be behind.

**CCTV** – The footage seen is of good quality, with cameras covering the counter and door, which provide facial images. The footage only records from 24/10/12 (14 days). BHAKAR has been advised of the proposed condition of 28 days storage with a minimum 4 frames per second. BHAKAR will look to adjust this to obtain further storage.

**Training** – BHAKAR advised that he has no formal training package in place, either for the prior TENS applications or at other store, Wimpson Stores (for which he is the current DPS). Any training is verbal. BHAKAR could only say that the training consists of 'no id no sale' and the refusals log. Links to training emailed

**Challenge policy** – Challenge 25 posters visible. BHAKAR stated that he operates a 'No ID No sale' policy at both stores.

**Refusals book** – refusals book seen. Are entries in the book of cigarette refusals

**Reminders for challenge** – The current till does not allow for prompting of challenge policy. BHAKAR stated that he other store has an EPOS system which does, and will be looking at obtaining an EPOS system should funding allow in the future. The current till is programmed to separate staff ID's, however any member of staff can access the separate ID's. BHAKAR stated that he could put a note on the till to remind staff.

**Staffing** – BHAKAR stated that he will be spending most of his time at Wimpson

## OPERATING SCHEDULE

### BACKGROUND

The premises are a general store located at 25 - 33 Hollyoak Road, Southampton, Hampshire, and had the benefit in the past of an alcohol licence.

The applicant has utilised temporary event notices for the premises within the last year, ensuring that the temporary event notices took place over weekends to allow the sale of alcohol.

The premises have the benefit of CCTV both inside the premises showing the payment area and outside the premises showing the entrance to it.

The premises will also keep and use a refusals book recording all refusals of sale at the property. A strict Challenge 25 Policy will be in force, and posters displaying this will be kept on the premises.

As well as the mandatory conditions for retail premises. The applicant is prepared to offer further conditions as follows:-

1. Alcohol will be kept in a locked container behind the counter.
2. Two members of staff will be in the premises at all times during the licensed hours when alcohol is being sold.
3. One person in the premises during licensed hours will always be a personal licence holder.
4. During any time that alcohol is not on sale, it will not be on display in the premises.
5. An SIA registered doorman will be at the premises between 5.30pm and 7.30pm on Friday and Saturday nights.

We as a family object to this, as

To Whom It May Concern:

I strongly oppose the application for an alcohol license at S&J Stores.

Alcohol is already a pre-cursor to anti-social behavior in this area and making alcohol more accessible is not a wise decision.

The exterior of S&J is not covered by any CCTV monitoring equipment where monitoring the movements of serial anti-social offenders is not this shop owners priority. This proprietors main priority is to make a profit on the consumables he sells.

I live 4 houses away from this shop. Myself and my family have to endure the anti-social behaviour of groups of teenagers and children who frequent the shop past my property.

In the past, we have been the victims of verbal abuse and threats of violence and arson. My property has been subjected to

to projectile objects thrown by these gangs.

On a daily basis I have to remove debris purchased from this store from my garden and the public highway outside my home.

S & J's close proximity to my home is already proving to be an issue with the trouble it brings. Providing this shop with an alcohol license will only exacerbate the trouble which gets out of hand and will ~~making~~ residential life unbearable.

The shop owner can leave S & J's at the end of each day, lock up and go to his home. He is naturally thinking of his profitable business and how to make money and not thinking of any of us, his neighbours, in our residential area, where he initially set up his business to support its community.

I thank you for taking the time to read to read my letter.

Yours sincerely

Dear Sir,

I am apposeing against the alcohol licence for Holly oak Stores. I was in conversation with shop owner when he said if I go to court with him I should get the local residents together to have a bbq outside his shop and a few drinks outside. In my eyes I think he is trying to bribe his customers to help him get his licence and he shouldn't be doing it nobody in the area want it because of all the trouble in the past.

yours Sincerely

Licenseing team

I am writing this letter to oppose the alcohol licence of Hollyoak Stores. I have been a resident for 2 years. When the store had a licence before, I had nothing but trouble. I had a car set alight in my garden, I also had a large metal pole put through my front window by the youths, the police was called to these incidents, during these times I felt intimidated & frightened, I had to move to my Mother's for 3 weeks, so when you are making your decision please take this into consideration

Yours sincerely

To Whom It May Concern,

I have lived at this address with my family for about 16 - 17 years now, and have just been informed that the new occupiers of the shop in Outer Circle have applied for a license to sell alcohol.

I can see how this would make good business sense for the owners of the shop in question but, I'm afraid that I find myself having to strongly oppose this request, and ask that the request for this license is categorically denied.

Up until a couple of years or so ago, this shop was owned by the Thompson family, who unfortunately did have a license to sell alcohol, and in all the years that they had this shop the residents of this area had nothing but trouble.

We had to endure years of vandalism - verbal abuse and intimidation, our children were afraid to even go to the shop with their pocket money because of the bullying they had to put up with, and on many occasions even had their money taken from them, and if a parent did try to do something about it they would get nothing but threats and abuse hurled at them, and it seemed that these youngsters some as young as 9 and 10 years old had no fear of anything or anyone, they certainly had no respect for anything or anyone including the police who spent so much time in the street answering complaint after complaint that the residents were considering asking them to pay rent.

Apart from the foul swearing and threatening behaviour, we have had to put up with these youngsters riding up and down the street on motorcross cycles revving and screeching for hours on end and none of them wearing any kind of safety clothing or safety helmets, neither did they abide by any of the laws of the road and how no one was ever injured or killed is beyond me.

Even the bus company have stopped their busses from coming around this way after 6.00pm due, to the amount of abuse that their drivers suffered and the amount of vandalism caused by the objects that were thrown at them.

In addition to all of this we have had our cars scratched with keys and broken bottles, we've had mirrors ripped off and tyres slashed, there have been empty beer cans and packets of take-away food thrown at our windows, I could go on and on but I hope by now you will have some insight in to how life used to be in this area.

Since the premises in question has not been able to sell alcohol these youngsters seem to have vanished into thin air and the last couple of years living in this street has been wonderful, and it's surprising just how pleasant it is to live in this street now, so I am pleading with you not to send us back to the dark ages, and turn down this request and allow us to continue living in the pleasant and safe surroundings we now have.

Kind Regards,

Mr. S.B.Sykes.

Dear Sir/Madam

We are writing this letter of objection to Holyoak Store's getting a alcohol license as previously when this shop did have a license we had no end of trouble and stress. We live next door to the shop and this is where teenagers decide to hang out, waiting for adults to come up the road to ask them to buy alcohol and cigarettes for them, they even ask my wife and myself as we come and go. Once they have their cans and bottles of wine they feel the need to sit outside the shop drinking, shouting, swearing and urinating till the early hours. This even happened and was reported to the police when they had their temporary license. As stated before there was damage to our car and fence which we payed for on more than one occasion. My wife and children feel intimidated coming and going. The amount of rubbish in our garden is on going. I honestly don't feel the need for a license here as there are at least three shops within walking distance selling alcohol.

To Whom It May Concern.

I the above named tenant wish to say that I am totally opposed to the Holly-Oak Convenience Stores being issued with a licence to sell any form of alcohol.

In the past we were ~~subject~~ subjected to many forms of vandalism, including cars and other property. Many of the flat stairways were used as drinking dens and bottles, cans, and rubbish was discarded regardless of safety issues.

I hope that the persons who issue the licences will give this letter the upmost attention

Thanking you,

Yours truly

So Once again I have to put pen to paper, as the owner of the shop next door to me has re-applied for a licence to serve alcohol. So once again I have to object. The bus route stopped running up Aldermoor Avenue at 6pm. Because of the Yobs throwing stones at the windows of the buses. The bus company would be pleased to demand too you just how much they had to pay out for the damage to buses, plus the damage done to the cars in the area.

Maybe the shop owner knows something we don't, as he has already installed a large beer cooler cabinet in his shop. I'm sure the local police station have been informed. They probably have a list a mile long of complaints received the last time the shop served alcohol. and as for proof of use, you can get a photo ID card on the internet for next to nothing. The shop makes enough money as it is. he's just being greedy. You managed to get it right the first time around. So I hope and pray you do the same this time around. By refusing to grant the licence. Thank you for taking time to read this letter.

Yours sincerely,

Dear Sir, Madam.

I would like to register a strong objection to the granting of a license to sell alcohol at Hollyoak stores.

The selling of alcohol, in the past, has resulted in vandalism, noise nuisance, graffiti, litter and general anti-social behaviour.

We, the residents, are lucky to live in a quiet, peaceful area, and would like this to remain the case.

As a footnote, there are, public houses and alcohol retailers within a five minute bus ride or ten minute walk from Hollyoak Road, so I think I speak for a lot of the elderly residents by saying we really do not want this

yours sincerely

To whom it may concern.

We would like to oppose the application for an Alcohol licence at the convenience store in Hollyoak Road.

In the past we have had glass bottles thrown at our windows and patio door leaving broken glass in our garden when our grandchildren play. Also youths would converge outside our house drinking, shouting and swearing into the early hours.

To Whom it May Concern.

I have recently heard that the Convenience Store on the Holyhead Road has yet again applied for a licence to supply alcohol. I wish to protest against this as we have had so much trouble in the past with the shop selling alcohol to underage children. Also I have had my car broken into several times in the past from Drink Fuelled Teenagers. I witnessed a car being kicked and smashed in for no other reason that it was drink induced. Also had bricks thrown at windows it was a nightmare on this road when the shop supplied DRINK.

The younger children used to wait outside of the shop and the older teenagers used to buy alcohol for them. We had cars flying up and down the street with drunken teenagers the street was always noisy and rowdy. We were frightened to leave our houses to go away or anything. I personally got broken into I absolutely am against this action. As now street is peaceful and quiet and must save police resources as they were always attending the road.

Yours Sincerely

Dear Sirs

As regards to the shop  
selling drink I think this is a  
bad idea My son lived next  
to the shop and had trouble  
regarding bottles thrown over  
and had to clear before the  
children went out to play,  
as the back was too  
small.
