DETAIL (Including consultation carried out)

3. A Call-In notice signed by the Chair of the OSMC was received in accordance with Paragraph 12 of the Overview and Scrutiny Procedure Rules set out in

Part 4 of the Council's Constitution. The Call-In notice relates to the decision made by the Cabinet on 29th January 2013 on revisions to the Adult Social Care Non-Residential Services policy. The reason cited by the Chair of the OSMC for this Call-In was 'Insufficient time available at the pre cabinet scrutiny meeting to fully explore this very important issue'.

4. The OSMC discussed the Call-in report at its meeting on 19th February 2013. Details of the Call-in notice are attached as Appendix 1, and recommendations agreed by the OSMC are as follows:

(i) that the decision be referred back to Cabinet for further consideration; and
(ii) the Overview and Scrutiny Management Committee recommended that Cabinet:-

- defers the decision to enable further consideration and thorough consultation with all parties affected. Should this impact on the Council's Budget, funding should be drawn from reserves;
- ensures, if the proposals are implemented, that by 31st December 2013 every carer and service user that requires a one to one assessment will receive one, and provides assurance that one to one advice will not be just through telephone advice;
- evaluates the effectiveness of the People's Panel in this process from the Council's, facilitators' and participants' perspective;
- explores ways to improve information provision for service users and carers on issues such as assessment of need and financial assessment;
- have worked examples of the impact of the proposals on individuals in advance of the Cabinet meeting to ensure the decision is informed;
- ensures future communications are sent to both service users and carers;
- monitors the impact of the proposals, if implemented, on admissions to Accident and Emergency within the City;
- ensures that the advocacy groups are involved and fully engaged throughout the process;
- Identifies how, if changes proceed, the service will improve and how the future model will ensure rising standards and evidence improvements; and
- monitor and review the impact of the charging proposals, if implemented, and report them to the Overview and Scrutiny Management Committee within the first year of implementation.

5. The Cabinet is requested to consider recommendations arising from the consideration of this Call-In by the OSMC.
