Legal Implications

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a major variation of a Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a variation, whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give

adequate reasons for reaching it's decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.

6. *Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another persons Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affect another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

HAMPSHIRE CONSTABULARY

**NEW GRANT OR VARIATION OF PREMISES LICENCE
OR CLUB PREMISES CERTIFICATE
FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

State the ground(s) for representation *(please read guidance notes 1 & 2)*

This representation relates to Myth nightclub (formerly Provenance), which is located in Above Bar Street. The premises is located in one of the areas of Southampton, subject to a policy of cumulative impact as detailed in the present Statement of Licensing Policy 2011-2014, issued by Southampton City Council as the licensing authority.

The area of concern in this particular case is the Above Bar Street Stress Area, which based on evidence previously received by Southampton City Council is one of 3 areas that already suffers cumulative impact. As a result it is appropriate, proportionate and necessary for special policies to address that issue.

As per paragraph 16.7 of the Statement of Licensing Policy, Hampshire Police make representations on the basis that the applicant is applying for a significant variation to the premises existing licence. The applicant has applied to extend all the licensable activities to 04:00 every night of the week with opening hours to 04:30 hours. With the exception of Friday and Saturday when the venue is currently open until 03:30, this will be a two hour extension on the other nights of the week.

The venue Provenance has raised some serious concerns with police over the past year in relation to crime and disorder, associated with the premises and its clientele. Subsequently an application was submitted to review the premises licence in March 2013. At that time and initially unknown to police, a deal had been agreed for Provenance to be taken over in full by a company called No Saints Ltd. This is a reputable business and its director has a wealth of experience in the trade and most notably was the head of Luminar for 22 years, Britain's largest nightclub chain. There was an error in the way the review was submitted and as a result, it would have to have been served again to be valid. The problems experienced with the venue was largely due to poor management and as they were to be removed, there was then little to be gained from having the premises licence reviewed.

The management that had been working at the venue was removed by mid April with a new team put in place. Up to the beginning of July when the premises closed for renovations, the police had no concern with the new management. There was a large decrease in crime and disorder associated with the premises, however at the same time, there was a significant drop in its clientele. The police would rather this rebranded venue, operate for a protracted period of around 6-7 months and evidence that it is not adding to the crime and disorder in the area. If evidenced, the police would be happier to discuss a variation in which we would not make a representation. This is how we have advised other venues that have sought variations within a cumulative impact zone and this ensures we remain balanced and fair.

**NEW GRANT OR VARIATION OF PREMISES LICENCE
OR CLUB PREMISES CERTIFICATE
FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

In a recent meeting with the business director, we were advised that he needed the same operating hours as Oceana or they would have the edge in the market. The police understand the logic behind this, but this venue is situated in a cumulative impact zone when the other is not and it is believed that the extra hours that this premises would be open, would further contribute to crime and disorder in the area. The graph in Annex A shows the number of incidents reported to police between 23/08/12 and 23/08/13 in the demographic beat area of 1SW01, which covers the Above Bar stress area. There is a relatively consistent level of incident reporting from 19:00 to midnight. There is then a slight increase between midnight and 02:00 hours with it peaking between 02:00 and 04:00. This is the time when a number of venues in the area are closing and would include Provenance under its existing licence. There is then a decrease between 04:00 and 05:00, with a significant decrease between 05:00 and 06:00. This can be contributed to all licensed premises in the area being shut and its customers having gone home. It is difficult to identify any one premises as being the sole cause of the problems in the area as incidents often happen outside of the venues, but what it is quite evident from the graph is the negative effect the night time economy has in relation to crime reporting. This is likely due to the combined impact of all of the licensed premises and activities that occur. The police anticipate that with the extra crowds this venue will draw to the area, a potential capacity of 1000, and the extended hours alcohol will be available for consumption, will only lead to further crime and disorder, exasperating the problem. The premises already has a large number of conditions on the licence and there is little that could be added with the exception of an I.D scanner.

This representation is made on the basis that we believe the variation to be significant within a cumulative impact area and the business has not been open for any protracted period of time under the new management. We fully recognise the wealth of experience the operator is bringing with it but have noted paragraph 16.14 of the Statement of Licensing Policy - whilst making any decision the Committee shall not ordinarily consider the following as an exception to the policies applying to Stress Areas or as justification for departure from those policies:

- o The quality of management of the premises
- o The character or experience of the applicant
- o That the capacity, size, hours or any increase therein applied for, is not substantial
- o That the applicant has a good understanding of how to reduce the potential for crime on the premises including crime of a racist or homophobic nature

The police recommend that this application is refused until the rebranded venue has successfully proven it will not add to the cumulative impact already experienced.

State any conditions that the Police seek to negate the need for a hearing

Part 3 – Signatures (please read guidance note 3)

Recommendation of Police Officer

This is a significant variation of hours within a stress area and on the balance of probability, the venue is likely to add to crime + disorder in the area. The new owners are reputable and have a wealth of experience, although the Police would prefer to see the venue operating for a protracted period, demonstrating it is not adding to crime and disorder.

Decision of Police Licensing Inspector

This is an area subject to the Cumulative Impact policy, I concur that until the company can show evidence of operating the premises successfully then any significant variations must be subject to an objection. This will also demonstrate consistency of approach to the whole licence.
