Dear Mr. Claydon-Bone,

RE: OBJECTION TO TREE PRESERVATION ORDER NO. 595

Thank you for your letter dated 23 September 2013  
reference T2-595.

However, I take exception and totally refute  
your interpretation of our discussion whereby, and  
I quote, "you indicated to me that your intention  
was to retract your objection." unquote. That comment  
is a complete misrepresentation to my stance on  
this issue.

I reiterate my objection to Tree Preservation

Order No. 595, as detailed in my letter dated  
22 July 2013.

As requested I return the form you enclosed  
duly completed, upholding my objection.

I now await the case decision from the  
Planning and Rights of Way Panel with much  
interest.

Yours faithfully
