The Panel considered the confidential report of the Head Teacher on behalf of Governing Body for Woodlands Community College seeking approval in four specific cases, for the costs of redundancies and premature retirement to be met by central Council funds.

## **RESOLVED**

- (i) that the Panel agreed that the current policy for the funding of redundancy and premature retirement for teaching and support staff in schools, had been correctly applied in reaching the individual calculations set out in the confidential Appendix 1;
- (ii) that the Panel agreed that the Authority would pay the cost of the voluntary redundancy but not the costs associated with the pension payment for Employees A and C, as the Panel believed that, had a compulsory redundancy selection process been undertaken, neither of these employees would have been selected but an individual with a less costly redundancy package;
- (iii) that the Panel agreed that the Authority would pay the cost for the Employee B detailed in Appendix 1, as per the figures presented in line with the voluntary redundancy calculations; and
- (iv) that the Panel agreed that the Authority would pay the cost for the Employee D detailed in Appendix 1, as per the figures presented in line with the compulsory redundancy calculations.
