Legal Implications

1. The legislation specifically restricts the grounds on which the sub-committee may refuse an application for variation of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:
 - the steps that are appropriate to promote the licensing objectives;
 - the representations (including supporting information) presented by all the parties;
 - its own statement of licensing policy
 - the Statutory Guidance
2. An application may be refused in part and thereby only permit some of the licensable activities sought.
3. An applicant for variation of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.
4. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
5. The sub-committee must also have regard to:
 - *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
 - *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for variation of the premises licence and the representations to it are annexed to this report.

Dear Alex

Further to our discussion today and your below email with suggested amendments to the proposed conditions, my client would be prepared to modify his application to include the following conditions in replacement of all the conditions in Annex 2 of his current licence, save for conditions 6 and 7:-

CCTV

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with strobe lighting (where used) and all levels of illumination throughout the premises as well as outside areas.

CCTV warning signs to be fitted in public places.

The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation.

The recording system will be able to capture a minimum of 4 frames

per second and all recorded footage must be securely retained for a minimum of 28 days.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

There shall be sufficient members of trained staff at the premises during operating hours to be able to provide viewable copies immediately to police on request when investigating allegations of offences or criminal activity. Any images recovered must be in a viewable format on a disc. Footage supplied in a digital format on CD or DVD will also have a copy of the CCTV system software enabled on the disc to allow playback.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Hampshire Police Licensing Unit within 24 hours.

Incident and Refusals Log

Any incidents of, refusals of service, crime or antisocial behaviour will be recorded in a log book. The Police will have access to this logbook when requested. The logbook will be provided and maintained at the premises. It will remain on the premises at all times and will be available to police for inspection upon request.

On a weekly basis the logbook will be checked by the manager on duty where any entries will be reviewed and signed. If incidents have occurred the duty manager will de-brief door staff at the close of business.

Challenge 25

There will be a Challenge 25 policy operating at the premises.

Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.

Acceptable identification for the purposes of age verification will include a driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.

If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

Training

Staff will be trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18, the signs and symptoms of drunk persons and the refusal of sale due to intoxication. Records will be kept of such training which must be signed and dated by the member of staff who has received that training.

All staff will receive refresher training every six months as a minimum and records are to be kept of this refresher training which should be signed and dated by the member of staff who received that training.

In addition to their training a written test related to the training given will be conducted before the staff member is permitted to sell or authorise alcohol. The test will consist of a minimum of ten questions of which the pass rate is 80%. Anyone who fails to reach the prescribed pass rate will be retrained and re-tested. Anyone not attaining the pass rate will not be permitted to sell or authorise the sale of alcohol until the pass rate is attained. There will be a minimum of two sets of questions to be used in the training which will be rotated upon each subsequent six month training session.

All training records will be made immediately available for inspection by Hampshire Constabulary and any responsible Authority upon request. Training records will be kept for a minimum period of two years. Training records will be kept on the licensed premises to which they relate to.

Security Officers

On every Friday, Saturday, any Sunday preceding public holidays, and New Years Eve there shall be SIA registered door supervision from 23:00 hours to closing and until all customers have dispersed. On all other occasions when the premises are open for licensable activities there shall be a risk assessment conducted as to whether it is necessary to employ SIA door supervisors. The number of SIA registered door supervisors on duty will also be risk assessed by the licence holder.

Polycarbonate Glasses

A risk assessment will be conducted as to whether it is necessary to deploy polycarbonate glassware at any time. On occasions where it is necessary to deploy polycarbonate glassware, bottled products will always be decanted into polycarbonate glasses where they are not available in PET or aluminium bottles.

Signage

Notices will be displayed asking customers to leave quietly and to respect the local residents.

Toilet Checks

The public toilets within the premises shall be checked every 1 hour when the premises are open for licensable activities and every 30 minutes after 2200 hours. A record shall be kept by the premise and presented on request by Hampshire constabulary. Toilet check records shall be kept for a minimum period of 3 months.

Last entry

The last entry time for the premises will be 0100 hours, 7 days per week. After this time, no new admittance of customers will be permitted with the exception for customers already within the premises who step outside to smoke.

Please let me know if these are agreed. The above includes the revised wording we discussed for the incident and refusal log condition.

Kind regards

Jonathan

Dear Sir/Madam

Re: Licensing Variation Application Ref No. 2016/01385/01SPRV

I wish to make a representation to the licensing authority regarding the above application for Scoozi, 37 Oxford Street, on the basis of both prevention of nuisance and the prevention of crime and disorder.

Householders along Oxford Street have been subjected to increasing levels of noise and disturbance from customers leaving licensed premises late at night and making their way back towards the city centre.

Often these customers are loud and intoxicated, and they cause a real and on-going nuisance, disturbing the sleep of householders in the early hours of the morning, and on occasions causing damage to property. My own hanging baskets have been ripped off my walls, and plants pulled up from the planters. This has been reported to the police, but very little can be done to prevent it.

If this licence is further extended by another hour (this licence requires an extension to serve alcohol both inside and outside the premises until 1:30 am) it is reasonable to expect that the potential for nuisance both during the evening and even longer into the night – SEVEN DAYS A WEEK – will be the result. If this licence extension is granted it will also set a precedent for others, and frankly, enough is enough.

In the summer months when customers sit outside and drink, there can be a lot of noise, plus taxis queue up along the residential stretch of Oxford Street and create an unofficial taxi rank, attracting drinkers towards the households. The sound of taxi engines, car doors slamming and exuberant customers makes it virtually impossible to sleep, or to have one's bedroom windows open even on a hot summer night. Extending the licensing hours and the external serving of alcohol can only worsen the level of nuisance for residents, and impact the enjoyment of their own homes.

This letter of objection is arriving at the last minute. I attach photos of where the public notice is 'displayed'. As you can see, it has been obscured by a strategically placed olive tree; hence, it is unlikely that many local residents are aware of it.

I would be grateful to receive confirmation that this representation has been received, and will be considered by the licensing authority.

Thank you.

Yours faithfully,

Judith V Williams

Dear Licensing Team

I have noted that 37A Oxford Street has applied for extended opening hours until 01.30am in the morning to include music, dancing and also the outside area of the bar/ restaurant.

I would like to oppose this as i am local resident at 63 A Oxford Street and feel the noise levels on the street should be kept to a minimum after Midnight we already have enough noise coming from the bars and restaurants and also the patrons when leaving the venues as the walk up Oxford Street to get taxis and head for other venues. we regular get woken up by this and have had our doors banged and bells rung very late at night.

We have young children in our home and are already experiencing enough noise levels which i do expect living in urban area however to grant additional late night drinking and music to 01.30am to include the outside area is not acceptable for local residents many of whom have young children.

I trust you will take this into consideration before granted this.
