Legal Implications

1. Part 3 of the Licensing Act 2003 provides that a responsible authority of a resident or business in the vicinity (interested party) may apply for review of a premises licence.
2. The grounds of review applications must relate to one or more of the licensing objectives.
3. In such circumstances, the applicant for the review must serve a copy of the review application on the holder of the premises licences, the City Council and each of the responsible authorities.
4. On receipt of the application for review, the officers will consider its validity, under delegated powers. Reasons for rejection, in whole or in part, include:
 - that the grounds for review are not relevant to one of more of the licensing objectives and;
 - (in the case of an application not made by a responsible authority), that the application is frivolous, vexatious or repetitious.

5. The City Council must, within one day of receiving the application for review, display a prescribed notice of the review application on the outside or adjacent the premises; the notice must remain on display for 28 days and any interested party in the vicinity or the responsible authorities may make representations in that period.
6. Unless the applicant, licence holder, interested parties and responsible authorities agree that a hearing is unnecessary, the City Council is then required to hold a hearing to consider the review.
7. The sub-committee, in considering the application for review, must have regard to the adopted Statement of Licensing Policy and evidence before it at the hearing.
8. The Licensing Act 2003 provides that, in determining an application for review, the sub-committee may take any (or none) of the following steps, as it considers necessary:
 - modify the conditions of the licence;
 - exclude a licensable activity from the scope of the licence;
 - remove the designated premises supervisor;
 - suspend the licence for a period not exceeding three months;
 - revoke the licence.
9. The Licensing Act 2003 makes provision for appeal to the Southampton Magistrates' Court against the sub-committee's decision in relation to an application for review.
10. In considering this application the sub-committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.
11. Copies of the application for review and the Police objection are annexed to this report.
12. The sub-committee must also have regard to:-
13. *Crime and Disorder Act 1998*

Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
14. *Human Rights Act 1998*

The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

The Prevention of Crime and Disorder
Public Safety
Protection of children from harm

On 21st July 2010 during an inspection at R & J Beers, Wines and Spirits, 300 Shirley Road, Southampton, I found 7 bottles of counterfeit vodka in possession for sale.

Counterfeit vodka has increasingly been found by Trading Standards Officers around the country. It is often produced from industrial alcohol which is imported into the UK. It is diluted and packed in bottles which are copies of a variety of brands. Clearly controls over the quality of the product are not as strict as would be found at a distillery producing the genuine product, and issues have been reported regarding excessive levels of methanol being present, which is poisonous.

Paragraph 11.26 of the October 2010 Amended Guidance Issued Under Section 182 of the Licensing Act 2003 states that "there is certain criminal activity that may arise in connection with licensed premises, which the Secretary of State considers should be treated particularly seriously." Which includes "the use of the licensed premises for the sale of smuggled tobacco and alcohol". It is highly unlikely that duty would have been paid on the counterfeit vodka.

It is considered that the holder of the premises licence has not fulfilled the duty under the Licensing Act 2003 to prevent crime and disorder and to protect public safety. We are therefore applying to review the licence.

In the supporting information we give more details and state the conditions we would wish to see added to the licence in order to promote the above licensing objective.

Please provide as much information as possible to support the application
(please read guidance note 2)

On 21st July 2010 I conducted a joint inspection at R& J, 300 Shirley Road, Southampton with Police Licensing Officers Sue Tait and Mike Sullivan.

During the inspection I examined 70cl bottles of Glen's brand vodka. 7 bottles appeared to be counterfeit so I took one bottle as a food sample, reference 012074, and took the remaining 6 bottles as sample reference 012073. The public analyst subsequently confirmed that sample 012074 was not genuine Glen's Vodka (Certificate of Analysis exhibit LM/1). I also have a statement from Tom Taylor, Quality Manager of Glen Catrine Bonded Warehouse, who confirms that, from the markings on the seven bottles sampled, all were counterfeit.

Gurmail Singh Rathor, the Premises Licence Holder, and owner of the business, agreed to be interviewed on 20th October 2010, but failed to attend our office for the interview. On 22nd October 2010 I conducted a recorded interview with Mr Rathor. I produce a CD recording of the interview as exhibit LM/2).

During interview Mr Rathor stated that he buys spirits for sale at his premises from supermarkets, such as Tesco's, Asda, Sainsburys and Morrisons, whilst he is buying his home shopping. He said that he does not keep receipts for these purchases. He was unable to show purchase receipts relating to the counterfeit vodka. It is highly unlikely that major supermarkets would sell counterfeit vodka.

Incidents of poisoning following consumption of counterfeit vodka have been reported occurring across the UK. It is not acceptable that a premises licenced by this Authority should become a market place for such goods. I would therefore request that the following conditions are imposed on the premises licence to promote the licensing objectives:

- "The Premises Licence Holder must keep complete records, such as invoices, receipts and delivery notes, relating to alcohol obtained by him for sale from his shop. Records must include the name, address and telephone number of the supplier, the date of supply, the products supplied, and their prices. Where items have been delivered to his shop by a vehicle details of the vehicle registration, the name of the delivery person and contact details including the name, address and telephone number for the business must be kept. These details must be available on request to Responsible Authorities within 24 hours. The Premises Licence Holder must be able to identify who supplied alcohol present at his premises "

Gurmail Singh Rathor has previously received a Simple Caution regarding the sale of alcohol to a 16 year old boy, which occurred at R&J on 18th June 2009, so I would also request that the following conditions are imposed on the premises licence so as to assist the licence holder and designated premises supervisor in the effective management of the premises and to promote the licensing objectives.

- "The holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the Licensing Authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person. Notices regarding the store's "Challenge 25" policy must be displayed"

- "All staff who sell alcohol will be trained to NCPLH (National Certificate of Personal Licence Holder) level. All sales of alcohol must be directly supervised and authorised by a Personal Licence Holder until such staff have achieved training to NCPLH level."

- "That staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records, signed and dated by the member of staff, are kept of this refresher training. Records of training will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other Responsible Authorities on request."

- "The holder of the premises licence shall keep a written record, namely a refusals book, of those incidents where a person who a member of staff believes to be under the age of 18, and is unable to produce acceptable means of identification proving that they are of 18 years or more, attempts to purchase alcohol and is refused. The record shall include details, in English, of the date, time, a brief description, including estimated age, of the person who attempted to purchase the alcohol, the type of alcohol and the name of the person who refused the sale. Staff shall be trained in the use of the refusals book and it should be kept in a readily accessible place known by all members of staff. The record will be regularly checked by the premises licence holder or the designated premises supervisor to ensure that all staff are completing records and, and this person will sign and date the record as evidence that they have checked it. The refusals book will be available for inspection by Hampshire Constabulary, the Licensing Authority, Trading Standards and other Responsible Authorities on request."

- "A CCTV system shall be installed and maintained in the licensed premises to the satisfaction of the Licensing Authority, Hampshire Constabulary and Trading Standards. As a minimum, it shall enable surveillance of both external and internal areas of the premises including entrances and exits. Recordings from the system shall be of a quality acceptable as evidence in a court of law and shall be securely retained at the licensed premises for a minimum period of 30 days after the recording, and shall be surrendered to Hampshire Constabulary, the Licensing Authority, or Trading Standards immediately on request. The Premises Licence Holder and staff must be capable of operating the CCTV system".

- I would also ask that the licence is suspended for a period of 3 months, both as a deterrent and to give the Premises Licence Holder a period of time in which to put the above conditions into effect.

Statement of: Thomas Keith Taylor

This statement consisting of two pages each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

I am Thomas Keith Taylor and I have been employed by Glen Catrine Bonded Warehouse Ltd, 7 Laigh Road, Catrine, Ayrshire, KA5 6SQ as Quality Manager for Eighteen years. In this capacity, I am familiar with the design, appearance, composition and quality of all genuine Glen Catrine products and I am authorised to speak on behalf of the company in relation to such matters. I can confirm that Glen's Vodka is a vodka brand for which Glen Catrine Bonded Warehouse Ltd owns the Trade Mark Number E3231107 and the brand was introduced in April 2003. I produce a copy of the Trademark Certificate and identify it as TKT/1. No other person, other than an agent authorised by our company, has permission to manufacture, produce or distribute any items bearing our trademark. On 27th September 2010, I received an E-mail from Lucas Marshall of Southampton Trading Standards Department informing me of a seizure that had been made by his department of seven 70cl bottles that were labelled Glen's Vodka and were suspected of being counterfeit. The seizure was from the premises R & J, 300 Shirley Road, Southampton, SO15 3HL. From the information provided in the E-mail, I came to the conclusion that the bottles were counterfeit. My reasons for determining that these were not genuine bottles of Glen's Vodka were as follows:- Previously, for genuine Glen's Vodka 70cl, our company only used a bottle supplied by Allied Glass Containers which can be identified by a small AGC logo on the base of the bottle. The following information was also embossed in the glass around 5mm from the base - 70cl 58mm ÷ G1 2173. Since October 2009, our company has only used a

bespoke bottle supplied by Allied Glass Containers which has the AGC logo, 2589, and G.C.B.W. embossed in the base. The E-mail from Lucas Marshall stated that the bottles used for the counterfeit product had the following information embossed in the glass – 700ml 66mm Q1: 1445 C. Our company does not, and has never used this bottle for Glen's Vodka. There were no visible lot codes on the counterfeit bottles. On genuine bottles, a lot code is etched into the glass or printed by ink-jet on the bottle to allow traceability of where and when the bottle was filled. I can confirm that R & J, 300 Shirley Road, Southampton, SO15 3HL is not authorised in any way by our company to sell or offer for sale goods which bear the Glen's Vodka trade mark other than as displayed on genuine Glen's Vodka product. Counterfeiting is extremely detrimental to the brand image of our company's product and also to the consumer who has no guarantees of the quality or safety of the product they have purchased. \

FOOD SAFETY ACT 1990

CERTIFICATE OF ANALYSIS OR EXAMINATION CARRIED OUT UNDER FOOD SAFETY (SAMPLING AND QUALIFICATIONS) REGULATIONS 1990

To: L Marshall Southampton City Council, Civic Centre,
Southampton, Hampshire, SO14 7LY

I, the undersigned, Public Analyst for Southampton City Council, certify that on 26/07/2010 the sample marked:

<u>Date sample taken</u>	<u>Reference number, description etc.</u>	<u>Weight/measure</u>
21/07/2010	012074	705ml
1410	1 X GLENS VODKA 70CL	

Place of Sampling: R&J, 300 SHIRLEY ROAD, SOTON

was received by me from you (the person named above)

I certify that the sample was analysed by me or under my direction and the results are as follows:-

Alcohol % v/v : 35.8

My opinion and observations are:-

The declared alcoholic strength was 37.5 % volume.

The uncertainty of measurement is 0.4% alcohol by volume.

The difference between the amount of alcohol found and the amount declared taking into account the uncertainty of measurement was 1.3% by volume. This difference is outside the permitted tolerance of 0.3% alcohol by volume prescribed in The Food Labelling Regulations 1996 for vodka.

The sample had an alcohol content of 1.0% volume less than the minimum permitted.

Genuine Glen's vodka is only bottled in bottles supplied by Allied Glass Containers (AGC). These bottles have a small AGC logo on the base of the bottle with '58mm C12173' embossed in the glass, about 5mm from the base.

No such logo or embossing was present on the bottle.

The UK duty stamp on genuine Glen's brand vodka fluoresces at a wavelength of 365nm.

The UK duty stamp on the bottle did not fluoresce.

In my opinion the sample is not genuine Glen's brand vodka

I further certify that the sample had undergone no change which would affect my results, opinion or observations.

Certified by me this 24th day of September 2010, at Southsea

Subject: R & J Beers , Wines & Spirits 300 Shirley Road, Southampton, SO16 3PH

Sir,

I have received a review application for the above premise and would like to support the review.

I have attached summaries of fifteen intelligence logs we have received since January 2010 up until November 2010. Any "blanked out" areas are for data protection purposes. In all fifteen logs they all refer to underage sales of alcohol by R&J beers and Wines.

This clearly corroborates the test purchase failures and the need for the review submitted by The Trading Standards Department. I feel this coupled with the findings from Trading Standards clearly shows the venue not supporting all four of the licencing objectives.

The law is quite clear about the serving of underage persons alcohol is prohibited and this is easily avoided by checking identification.
