Mr. Richard Pitt	78 Clovelly Road Southampton SO14 0AP	Resident
Mr. Stuart McPherson	22A Bellevue Road Southampton SO15 2AY	Resident

## ***Legal Implications***

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a major variation of a Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a variation, whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

## Southampton City Council

### Application to vary a premises licence under the Licensing Act 2003

#### PLEASE READ THE FOLLOWING INSTRUCTIONS FIRST

Before completing this form please read the guidance notes at the end of the form.  
 If you are completing this form by hand please write legibly in block capitals. In all cases ensure that your answers are inside the boxes and written in black ink. Use additional sheets if necessary.  
 You may wish to keep a copy of the completed form for your records.

**I/We** MR GLENN LOVELL

*(Insert name(s) of applicant)*

**being the premises licence holder, apply to vary a premises licence under section 34 of the Licensing Act 2003 for the premises described in Part 1 below**

<b>Premises licence number</b> 2011/01009/01SPRD
---

#### Part 1 – Premises Details

<b>Postal address of premises or, if none, ordnance survey map reference or description</b> UNIT NIGHT CLUB 113 ST MARYS ROAD			
<b>Post town</b>	SOUTHAMPTON	<b>Post code</b>	SO14 0AN

Telephone number at premises (if any)	
Non-domestic rateable value of premises	£45,250

#### Part 2 – Applicant details

<b>Daytime contact telephone number</b>			
<b>E-mail address (optional)</b>			
<b>Current postal address if different from premises address</b>	70 BILLINGTON GARDENS HEDGE END SOUTHAMPTON		
<b>Post Town</b>	SOUTHAMPTON	<b>Postcode</b>	SO30 2RY

VARIATION

1

**Part 3 - Variation**

Please tick yes

Do you want the proposed variation to have effect as soon as possible?

If not do you want the variation to take effect from

Day		Month		Year	

**Please describe briefly the nature of the proposed variation** (Please see guidance note 1)

With our growing business, we wish to extend our opening hours on Tuesdays, Wednesdays & Saturdays. Having a exemplary track record over our first two years since opening we wish to extend our licensable activity by just one hour.

We feel that in order to attract more customers to our venue mid-week, we would need to open one hour later. We don't feel this would create a public nuisance or affect the local residents and businesses surrounding Unit; with the majority of our target market based away from the area in student halls, using main roads and taxis on their journey home (we would also work with a local taxi firm, for them to be an available option outside the venue). We have currently been open until 2am on Tuesdays for 12 weeks & have had no problems or complaints from or neighbours.

If your proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, please state the number expected to attend

## Part 4 Operating Schedule

Please complete those parts of the Operating Schedule below which would be subject to change if this application to vary is successful.

### Provision of regulated entertainment

Please tick yes

- |  |                                     |
|--|-------------------------------------|
| a) plays (if ticking yes, fill in box A)   | <input type="checkbox"/>            |
| b) films (if ticking yes, fill in box B)   | <input checked="" type="checkbox"/> |
| c) indoor sporting events (if ticking yes, fill in box C)  | <input type="checkbox"/>            |
| d) boxing or wrestling entertainment (if ticking yes, fill in box D)   | <input type="checkbox"/>            |
| e) live music (if ticking yes, fill in box E)  | <input checked="" type="checkbox"/> |
| f) recorded music (if ticking yes, fill in box F)  | <input checked="" type="checkbox"/> |
| g) performances of dance (if ticking yes, fill in box G)   | <input checked="" type="checkbox"/> |
| h) anything of a similar description to that falling within (e), (f) or (g)<br>(if ticking yes, fill in box H) | <input checked="" type="checkbox"/> |

### Provision of entertainment facilities:

- |  |                                     |
|--|-------------------------------------|
| i) making music (if ticking yes, fill in box I)  | <input checked="" type="checkbox"/> |
| j) dancing (if ticking yes, fill in box J)   | <input checked="" type="checkbox"/> |
| k) entertainment of a similar description to that falling within (i) or (j)<br>(if ticking yes, fill in box K) | <input checked="" type="checkbox"/> |

### Provision of late night refreshment (if ticking yes, fill in box L)

### Sale by retail of alcohol (if ticking yes, fill in box M)

**In all cases complete boxes N, O and P**

Please identify those conditions currently imposed on the licence which you believe could be removed as a consequence of the proposed variation you are seeking

Please tick yes

- I have enclosed the premises licence
- I have enclosed the relevant part of the premises licence

If you have not ticked one of these boxes please fill in reasons for not including the licence, or part of it, below

Reasons why I have failed to enclose the premises licence or relevant part of premises licence  
WE HAVE PREVIOUSLY SENT OUR PREMISES LICENCE BACK WHEN WE FIRST APPLIED. THE WRONG CHEQUE AMOUNT WAS SENT & A SIGNATURE WAS MISSING. WE WERE SENT BACK THE CHEQUE & THE PAGE FROM THE APPLICATION THAT NEEDED TO BE SIGNED, BUT OUR LICENCE WASN'T SENT BACK. WE UNDERSTAND THE LICENCING DEPARTMENT SHOULD STILL HAVE IT.

**P** Describe any additional steps you intend to take to promote the four licensing objectives as a result of the proposed variation:

**a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)**

We aim to keep our good record by keeping to our regular staff training & door procedures in place. We believe these small variations to our licence will help our club grow & we strongly believe it will not have a negative impact on our community. We have also had discussions with the licencing officer PC Ivan Marshman. In our meeting we discussed extra dispersal ideas & have started to use them, such as making our door team wear Hi-Vis jackets. We have also looked into get extra conditions on our licence to help promote our safe night club.

**b) The prevention of crime and disorder**

Over the 2 years our regulars have helped be our eyes & ears to any drug dealer, trouble customers or other problems within the club. All staff are trained to contact the nearest bouncer or myself with regards to any violent customers, vandalism or worries. All bars & bouncers are equipped with radios, keeping them in constant communication with one another.

All staff are trained not to serve anyone that has had too much to drink. Our procedure for people under the influence, is to refuse service and to only offer water. Once a customer is noted for being to drunk, the staff tell all other members of staff & a bouncer that person has had to much and shouldn't be served. If the customer refuses the advice of the staff to only drink water, they are asked to leave by the bouncers. This helps us prevent later problems of customers causing drinking related crimes later.

Bouncers also disperse the crowd at the end of a night out on the street. This helps the noise issue for our near by neighbours and helps clear the streets quickly & safely..

**c) Public safety**

At UNIT we train all staff to deal with the 'day-to-day' safety problems that may arise during a night. The main issue that staff deals with is spilt drinks. Staff are responsible for the rooms they work in. The bouncers and myself regularly check floors for spills and make staff aware if they have not noticed a spill. Glass collectors manage any spillages on the stairs.

For myself, as a manager, I perform a weekly rise & fire checks on the club and raise any safety issues with the owner, or go straight to the necessary person to get a job done. I.e.- our handy man, electrician and so forth. I also do a daily walk round of the club before we open. We also have a risk assessment in place.

**d) The prevention of public nuisance**

We have changed our exit policy and made sure the bouncers dispersed the crowd to prevent noise and public nuisance. Ensuring our neighbours get a peaceful nights sleep.

**e) The protection of children from harm**

Being a night club we never have children inside the building. We do, like every other club and bar, get our fair share of under 18's trying to enter with fake ID's or borrowed passports. We prevent this by checking ID's of anyone who looks under 21. We also have a UV light by the door to double check these ID's. We also have a great regular crowd that have in the past pointed out people they know under 18 who got in using an older brother or sisters ID.

Please tick yes

- I have made or enclosed payment of the fee
- I have sent copies of this application and the plan to responsible authorities and others where applicable
- I understand that I must now advertise my application
- I have enclosed the premises licence or relevant part of it or explanation
- I understand that if I do not comply with the above requirements my application will be rejected

**IT IS AN OFFENCE, LIABLE ON CONVICTION TO A FINE UP TO LEVEL 5 ON THE STANDARD SCALE, UNDER SECTION 158 OF THE LICENSING ACT 2003 TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS APPLICATION**

**From:** Gemma Beardsmore  
**Sent:** 24 September 2011 13:45  
**To:** Licensing  
**Subject:** 2011/02199/01sprv  
Dear Licensing team,

As a local resident I am writing in objection to the proposed extended opening hours of Unit nightclub until 4am on Saturdays. As a resident of Bellevue Road, we unfortunately experience a great deal of noise and vandalism to property by drinkers who use Bellevue Road as a pedestrian cut through from the London Road to Bevois Valley nightlife areas. Unfortunately, we have recently experienced further damage to property than the usual urination, kebab boxes littered on our driveway and occasional puddles of vomit, when our car was badly and intentionally scratched by a drunk passerby. We believe that the extension of Unit's opening hours is likely to result in a longer period of noise and disruption to residents and more drunk people walking along our street on their way home.

If you require any further information, please do not hesitate to contact us.

Gemma and Anthony Beardsmore, 23 Bellevue Road, Southampton

From: Bellevue Road Residents Association  
Sent: 26 September 2011 17:04  
To: Licensing  
Subject: Re: Objection to 2011/02199/01sprv - Unit Nightclub

Dear Hayley,

Thank you for the information. Please find below our objection with the additional information.

Dear Sir/Madam,

I am writing this on behalf of the Bellevue Road Residents Association which represents the following people:

Bob Fleming, Moore Blatch Solicitors, 64 London Road / Bellevue Road Brenda Knopf, Unitarian Church, Bellevue Road Deborah Harris, Bellevue Hostel, 5 Bellevue Road Joe Khalil, The Alexandra, 6 Bellevue Road William Gillan, Bon Voyage, 16-18 Bellevue Road Janice Milward, Harcourts, 11 Kings Park Road / Bellevue Road Stuart McPherson, 22a Bellevue Road Anthony Beardsmore, 23 Bellevue Road Gemma Beardsmore, 23 Bellevue Road Niall Fraser, 25 Bellevue Road Tom Clifford, 26 Bellevue Road Chris Clifford, 26 Bellevue Road William Spalding, 27 Bellevue Road Keith Sekree, 27a Bellevue Road Karen Sekree, 27a Bellevue Road Lee Stevenson, 28 Bellevue Road Isobel Waldron, 32f1 Bellevue Road Catherine Baker, 32f4 Bellevue Road Jane Loveless, 32 Bellevue Road Steve Loveless, 32 Bellevue Road Ginga Roderick, 34 Bellevue Road Salomé Gião, 36f9 Bellevue Road Trevor Wenham, 36f14 Bellevue Road

We would like to register an objection to application 2011/02199/01sprv

Bellevue Road is used as a route home from the clubs around St Marys and already suffers many problems because of this.

Shouting, swearing, screaming, chanting, bins being knocked over, cars being damaged, doorbells being rung and other disturbances wake up residents throughout the night and residents property is urinated on. An extension in hours would extend the problems we suffer causing further detriment to the residential amenities by reason of noise, disturbance and damage.

Yours sincerely,

Niall Fraser  
25 Bellevue Road

Vice-chairman  
Bellevue Road Residents Association

Subject: Objection to 2011/02199/01sprv, 2011/02217/04STEN &  
2011/02218/04STEN - Unit Nightclub

Importance: High

Dear Sir/Madam,

We would like to register an objection to applications 2011/02199/01sprv, 2011/02217/04STEN & 2011/02218/04STEN.

Bellevue Road is used as a route home from the clubs around St Marys and already suffers many problems because of this.

Shouting, swearing, screaming, chanting, bins being knocked over, cars being damaged, doorbells being rung and other disturbances wake up residents throughout the night and residents property is urinated on. An extension in hours would extend the problems we suffer causing further detriment to the residential amenities by reason of noise, disturbance and damage.

We have made objections to other similar applications and have collected CCTV evidence of the problems which has been supplied to licensing recently.

Yours sincerely,

Niall Fraser  
Vice-chairman  
Bellevue Road Residents Association

Hi

I understand that Mr Fraser has already submitted an objection on behalf of the Bellevue Road Residents' Association. Please reclass mine as a local resident objection.

Regards

Stuart

Licensing Objectives

#### Comments:

As a local resident I would like to object to this extension of the opening hours of this nightclub. The local area is already plagued with noise at night, and the consequence of extending the opening hours will increase the noise levels and rubbish on the streets.  
I am representing the Bellevue Road Residents association in my capacity as Treasurer. I am happy to provide a list of our members on request

78 Clovelly Road  
Southampton  
SO14 0AP

27th September 2011

Licensing Team  
Southampton City Council  
PO Box 1344  
Southampton  
SO15 1WQ

Dear Sirs

I am writing to object to the application to extend opening hours of the Unit club at the top of Clovelly Road.

This club already causes considerable nuisance to local residents, of which I am one.

Only last Saturday night/Sunday morning, (24th/25th September) I was woken at 0215 by a group of people who had been to the club talking and shouting in the street outside my house. They were making a great deal of noise with no regard for any of us residents. I went out to ask them to be quiet and they didn't give me the chance - they all got into cars and drove off very quickly, which seems to me to indicate that they knew they were being a nuisance.

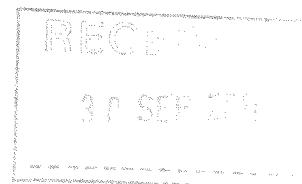

My house (number 78) is about 20 houses down from the Unit. I know from what neighbours say to me that others are disturbed in the following ways:

- disturbance due to loud music during the evening
- noisy/drunken behaviour outside the club or in the smoking area outside during the evening
- loud talking and shouting from customers who park in Clovelly Road going home in the early hours
- drink driving - complaints of cars damaged by careless driving

I therefore oppose any longer opening hours of the Unit. I would also like to see the hours of opening reduced considerably. It is a wonder to me that a night club is allowed to operate in this location at all considering it is next door to family residences.

Yours faithfully

Richard Pitt

Dear Licensing Department

West Itchen Community Trust a local charity have been asked to support local residents to object to new opening times as indicated by:

Unit Night Club  
113 St Marys Road  
Southampton SO14 0AN

Our grounds for objections is that any extension in opening times will cause additional problem that have been reported to us and they include;

- Loud music cause disturbance to sleep during working and school week
- Club is situated in a residential street
- Arrival and leaving adds to anti social behaviour, adding to problems of litter, broken class, damage to cars and private property
- One way road adds to traffic issues with the arrival and departure of taxis.
- Issues of waste storage on site and the overflow of bins attracting vermin and unsightly views

Regards

## **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

**State the ground(s) for representation** *(please read guidance notes 1 & 2)*

On behalf of the Chief Officer of Hampshire Constabulary, I am writing to lodge a representation to the above application on the following grounds:

- 1) The prevention of crime and disorder.
- 2) Public safety.
- 3) The prevention of public nuisance.

The Police have concerns over the application and these are outlined below:

The Police make representations based on the effects of cumulative impact. The venue is located within an area as identified by Southampton City Council where there is a high concentration of a type or types of alcohol licensed premises in one area.

The Police are of the opinion that this application, if granted, has the potential to give rise to a negative impact on the area.

The Department for Culture, Media and Sport (DCMS) guidelines state that "The effect of adopting a special policy of this kind is to create a rebuttable presumption, that applications for new premises licences or club premises certificates or variations that are likely to add to the existing cumulative impact will normally be refused, following relevant representations, unless the applicant can demonstrate in their operating schedule that there will be no negative cumulative impact on one or more of the licensing objectives.

The police would suggest that the applicant has not demonstrated within the operating schedule there will be no negative impact on the area.

The venue is situated on St Marys Road and junction of Clovelly Road. This is a residential area and its patrons upon leaving will filter into this. Police already receive a high level of complaint from residents nearby of anti social behaviour, criminal damage, assaults and noise disturbance. Although not directly linked to this venue, it is linked to the night time economy. If the venue is to remain open for an extra hour on Tuesday, Wednesday and Saturday, and its clientele are able to consume more alcohol, then it is likely that this will only contribute to more disorder, more violent assaults and create more damage to property of those that live in the area.

The applicant has stated within the application that the venue has an exemplary track record over its first two years since opening. However, within this period there have been 30 incidents linked to the venue ranging from assaults, criminal damage, noise and rowdy and inconsiderate behaviour.

**RESTRICTED**

# HAMPSHIRE CONSTABULARY

G88

Page 3 of 7

**RESTRICTED**

## **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

An incident occurred at the venue as recent as 24/09/2011 where one offender was responsible for assaulting 3 individuals. One was a female who was punched in the mouth by the offender and pushed into a wall. A male lost a tooth and the other had a cut to his head. The offender also threw a punch at the designated premise supervisor (DPS) before he was restrained by door staff.

There have been 5 incidents in which door staff have been assaulted by its own customers and 7 separate incidents of assault that have occurred inside the venue. 8 incidents of rowdy and inconsiderate behaviour and Police have also used their powers in relation to section 27 dispersals on 5 occasions, which are directly linked to the premises. Section 27 of The Violent Crime Reduction Act 2006 provides the police with a power to issue a direction to an individual, aged 10 years or over who is in a public place to leave a locality if considered necessary to prevent the likelihood of alcohol related crime or disorder. The aim of the power is therefore to minimise the likelihood of alcohol related crime or disorder arising and or taking place.

Some of these incidents have a direct impact on the surrounding area. These include:

A noise complaint was made by a local resident in nearby Clovelly Road on 20/02/2011. The complainant reported loud music and noise of people leaving the venue from 0215 – 0300. There was a car alarm sounding at the time of the report and the complainant also reported ongoing problems with the noise of people hanging around outside the venue when they come outside for a cigarette. This shows that even before the consideration of extended hours, the venue and its patrons cause disturbance to the local residents.

On 09/01/2011 at 0100 hours, a police officer described finding an extremely drunk female slumped on the floor outside Unit. She was not able to stand or provide any details to police. Door staff advised the officer that the female was not in that state when she entered the premises. This raises concerns as to whether staff are appropriately trained in due diligence.

On 14/10/2010, police were called to Unit following reports from door staff that they had a male detained having witnessed him kicking a wing mirror off a parked car. When police arrived the suspect was inside the venue. This incident shows poor practice by the door team. Despite detaining the male and alerting police to the offence that had been committed, they then allowed him to go into the club without police even speaking with him.

On 13/04/2009, police received a noise complaint from a local resident saying the venue was playing very loud music that could be heard throughout the house. They advised they had made direct complaints to the management with regards to this before.

Police observed the venue near to closing time in the early hours of Wednesday 6 July 2011. This is one of the nights that the venue is looking to obtain an extension of its hours. At 0125 hours, 3 males and 1 female were observed leaving the venue. As they walked along St Marys Road, one of the males saw two glass bottles on the floor and kicked them. One bottle broke scattering the fragments over the pavement and into the road. The male then could be heard swearing. The female who was

**RESTRICTED**

## **NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY**

also with them then said "ARE THERE ANYMORE BOTTLES WE CAN BREAK" and as she said this kicked the door to a premise. Police spoke to the group who confirmed they had come from The Unit. Their excuse for this behaviour was in their words "WE WERE JUST HAVING A LAUGH". Police attended the venue and discussed the matter with the DPS who advised he would pick up the glass.

Police remained in the area to observe the venue closing and to see what impact this had on the surrounding area. At around 0200 hours, the door which faces onto St Marys Road was opened by a doorman (badge visible) and it's clential spilled out onto the pavement and into the road. One male is seen actually standing in front of a vehicle in the road. When he eventually moves out of the way, he then follows the vehicle around the corner and stands behind the vehicle, presumably in an attempt to intimidate the driver.

He only moves away when the DPS notices and directs him to go away. The large group that stands outside the venue is not encouraged to move on for 13 minutes. At this time, only one doorman can be seen directing the groups across the road. Police followed the group only as far as the traffic lights on Jury's Inn roundabout where a group of males were seen squaring up to each other. One male is pushed into the road before police intervention. Police complete a loop of the area and then returned to the Unit to find a male sat on the pavement with his head between his legs. He was with two friends, but clearly had too much to drink, which was confirmed by his friends who say they had been in another venue before going to Unit.

This male needed constant support from his friends as they advised they would walk him home and headed off in the direction of the Polygon. This would indicate that this male either entered the premise having already had too much to drink or he was allowed to continue to drink until he became that intoxicated. These incidents highlight the nuisance the clubs customers can cause to the surrounding area and this was just in one night.

As highlighted by the police analysts report, there is a steady increase in night time economy related assaults from 20:00 until 03:59 hours, peaking between 02:00 and 02:59. At present, the venue is already allowed to be open until 02.30 on a Tuesday and 03:30 on a Thursday and Saturday. From the statistics, after 03:59, there is a dramatic drop-off in assault offending levels. This is attributable to the prompt closure of both licensed premises and fast food outlets from 03:00 hours. Any increase in opening hours to establishments in this area is likely to increase the number of offences that occur. As highlighted in the analyst report, St Marys Road is the most common location for night time economy linked violence offences within the Newtown area between 01/01/11 and 22/07/11.

Further to this, the neighbouring area of the Polygon is continually in police reports in the top ten locations for night time economy related ASB and criminal damage offences. The police suggest that it is highly likely that an increase in hours will only increase the number of people travelling home through this area and will contribute to an increase in these crimes.

**RESTRICTED**

# HAMPSHIRE CONSTABULARY

## RESTRICTED

### NEW GRANT OR VARIATION OF PREMISES LICENCE OR CLUB PREMISES CERTIFICATE FORM FOR REPRESENTATIONS FROM HAMPSHIRE CONSTABULARY

There has been a reported 59 offences in the St Marys Road area within the last 3 months which can be attributed to the night time economy. Offences taken into consideration include: Anti –social behaviour, assault, criminal damage and public order. These are as follows:

- 20 Rowdy & inconsiderate
- 23 assaults
- 2 Public order
- 1 Offensive weapon
- 6 drug offences
- 2 robberies
- 3 criminal damage
- 1 street drinking
- 1 wounding.

These incidents cannot be directly linked to the venue, but due to the time that most of these have occurred (2200 – 0500 hours), can again be linked to the night time economy. In this road there are only 3 club premises including Unit and 4 fast food premises.

The venue has said in the application that consideration has been made towards getting conditions added to the licence “to help promote our safe night club”. However, to this date nothing has been received.

The evidence provided clearly highlights the negative cumulative impact that the night time economy already has in the surrounding residential areas and although 1 hour does not seem like a lot in principal, the extra drink that revellers will consume within this time will mean they are more likely to be drunk and more likely to cause problems. The premise has not demonstrated their ability to affectively manage out incidents with disorder, drunkenness and antisocial behaviour. Residents already complain about the noise caused by the venues customers at closing and another hour on the original times will mean they have to suffer longer.

**State any conditions that the Police seek to negate the need for a hearing**

**IT IS AN OFFENCE, UNDER SECTION 158 OF THE LICENSING ACT 2003 TO MAKE A FALSE STATEMENT IN OR IN CONNECTION WITH THIS REPRESENTATION**

# Research and Analysis

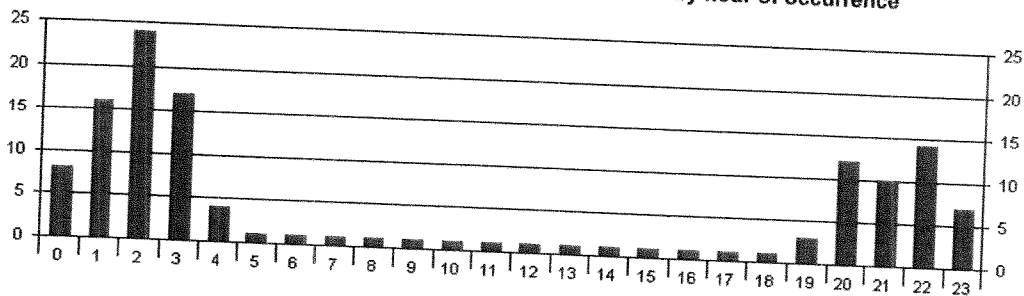

**Licence Extension Request by The Unit**  
 Produced by: Claire JERRAM (11930 – Western Intelligence Analyst)  
 Date: 28/07/2011 updated 03/10/11  
 Produced for: Sgt. Ivan Marshman

Southampton's night time economy (NTE) has been shown to fuel increased levels of violence and criminal damage offences throughout the year. Beat areas SW01 (City Centre) and SW03 (Polygon), which is where the majority of the night time economy is concentrated, continue to account for the majority of violent offences in the city centre that occur during the hours of 1900 and 0400hrs. This is the main hours of trading for those involved in the NTE. For the eastern side of the city centre the offences are less in number. However, the neighbourhoods that border the western beats still contain areas of NTE and these areas do contribute to the violence in the City Centre as a whole.

For the period of January to July 2011 violence offences in the Newtown area (SE03) have been individually assessed as to whether they are linked to the NTE (and recorded if they are) in an effort to better understand the problem. 71 violent offences are recorded in this beat along that are linked to the NTE. 49 criminal damage offences occurred between 19:00 and 04:00 that may be linked to the NTE.

**Figure 1: Violent offences in SE03 linked to the NTE 01/01/11 – 22/07/11 by hour of occurrence**

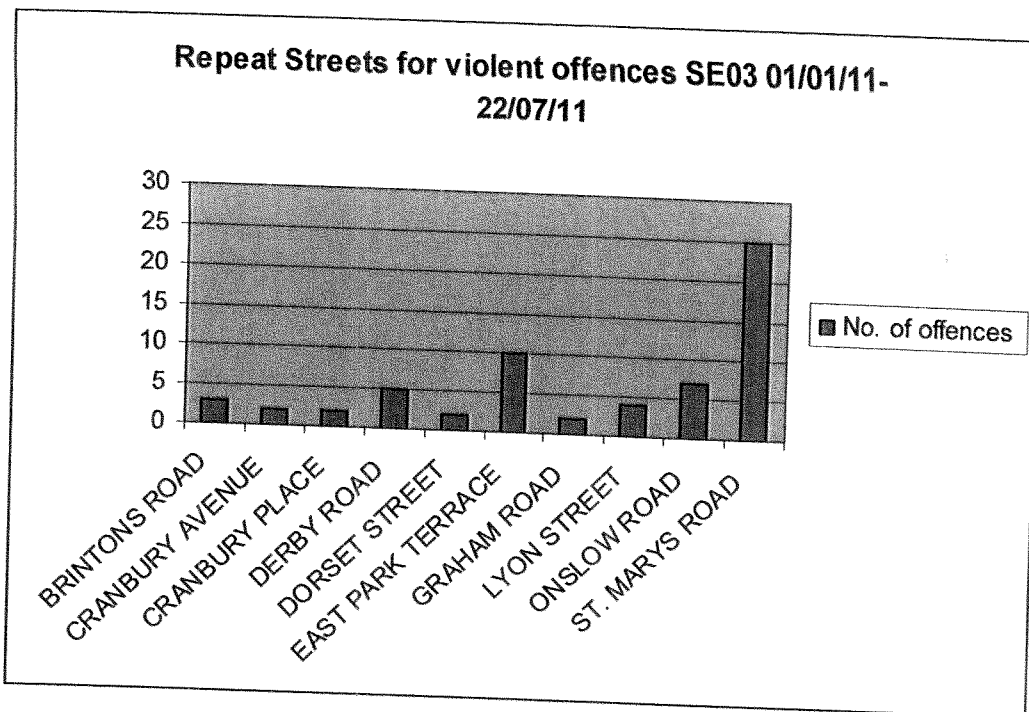

Occurrence between ^Occurrence Start Date, Occurrence Start Time and ^Occurrence End Date, Occurrence End Time by Hours

The above chart shows there is a steady increase in NTE related assaults from 20:00 until 03:59 hours peaking between 02:00 and 02:59. After 03:59 there is a dramatic drop-off in assault offending levels. This is attributable to the closure of both licensed premises and fast food outlets at 03:00 encouraging people to leave the area.

Although criminal damage offences are lower in Newtown, the incidents that occur during the peak hours of the NTE often impact on the surrounding residential areas with cars particularly vulnerable to damage. This is likely to be caused as people walk home from a night out.

The Unit is located in St Marys Road in the Newtown area of Southampton. This is not the most popular area of the NTE but there are a number of pubs and clubs there that do generate their own problems linked to the Night Time Economy.

As can be seen from the chart below, St Marys Road is the most common location in SE03 for NTE linked violence offences to occur. 10 incidents are linked to one of the other Nightclubs on this road that already has a late license on Saturday nights, closing in the early hours of Sunday morning. This establishment currently has the latest opening hours of any club in this area. Any increase in opening hours to other establishments in the same road, leading to the premises closing at a very similar time, is likely to only increase the number of violent offences recorded on this road and those that neighbour it.

Operation Erwood reports are produced fortnightly and these reflect the level of violence in the city centre linked to the NTE over every weekend. This analysis continually finds that Saturdays are the busier night for the NTE compared with Fridays. These reports regularly feature London Road in the top ten locations for NTE related ASB and criminal damage offences. The most recent report<sup>1</sup> shows this to be the most common street for such incidents. London Road and the Polygon area is only a short distance from St Marys Road. There is the possibility that any extension to licensing hours in the St Marys area will increase the numbers of people travelling through the polygon area to reach it or to return home. This area is already the most likely area for NTE violence to occur. 227 violent offences in a public place were reported as occurring between 19:00hrs and 04:00hrs in this area only in the last 7 months and the majority of these are linked to the NTE.

The map below show how close The Unit is to the main NTE area of the Polygon (SW03).

The east of the City Centre is already a current policing priority for robbery offences, a seasonal trend. Many of these offences are linked to the NTE as the victims are often alone and in drink making their way home from a night out in the city. These are vulnerable, easy targets for offenders. In July 2011, 8 street robberies have occurred in the SE area and these are believed to be linked to the NTE.

<sup>1</sup> Fortnightly Analysis of Night Time Economy Related Issues 21/07/11 Author Angie COLLINS 12374 CSP analyst

**Recommendations:**

Levels of assault and criminal damage offences in the City Centre are reduced with the prompt closure of all licensed premises and fast food outlets in this location. It is highly likely that any extension to opening hours would lead to individuals remaining in the area for longer. Although the level of offences in Newtown is less than in neighbouring areas, an extension of opening hours to licensed premises in St Marys Road would only prolong when offences are occurring in this area, further increasing NTE violence across the city as a whole. Police patrols are increased in the city centre to cover the NTE and these are focused where demands are greatest – usually in the Polygon and City Centre areas. These are a finite resource and any additional pressure from license extensions in other areas would continue to stretch resources and make the whole city centre area vulnerable to increased criminality.

The extension of licensing hours past 03:00 at weekends will undoubtedly result in an increase in assault offences and also increase the time frame when additional police resources are required in the City Centre. Any extension in licensing hours during the week when few additional police resources are available would also be likely to impact on the level of crime in the area.
