Legal Implications

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a new Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.

3. An applicant for a new Premises Licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regard to:-

5. *Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affects another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

Comments:

I wish to strongly object to a store opening here and being allowed to open until 11pm as this will induce kids to be hanging around and causing a nuisance, increased litter and noise. I also believe this will be cause further tension due to the selling of alcohol as was seen when this was a public house. Please use this plot of land sensibly by increasing much needed housing in the area and keep it residential.

this is a residential area

when 125 foundry lane was a public house it attracted local youths who caused a lot of problems for residents

since pub closed its been very peaceful with no trouble (broken windows, cars damaged , problems in the entry at the side of our house , youths in the gardens etc)

giving a licence to a shop with late opening hours will bring back these youths

also noise from people congregating outside the premises dictate our bedtime which is very unfair when we have to be up at 5 am for work

i would rather see affordable housing there would be more use

Subject: RE: Representation to a premises licence application for Co-op, Foundry Lane

Hello there Ian McGuinness

I still feel that a licenced shop open 7 days a week to 10 pm is not very fair in a residential area
As I explained before it brings a lot of problems with youths hanging round causing us huge problems
My husband and I are up at 5 am every morning for work and feel that 10pm is still to late we are in bed
generally by 9 pm at latest

As ive said before its a residential area there are plenty of empty premises on Shirley road / Shirley high
street

Its impossible to sell our properties I wish we could but this end of walseley road has a reputation from
when the pub was open

Feel free to visit and look at the state of my car dents and scratches from the youths also had broken
windows ok they go to court but who pays for our damage ?

Please try to look at things from residents points of view

Kind regards

Mrs Jayne Knight

Subject: No objection to new premise licence for the CO-OP, Foundry Lane, Southampton
The CO-OP have agreed to the wording for the conditions of staff training, CCTV, Refusal Log and Challenge 25 (wording as per further below in e-mail), these are all conditions put forward as part of their operating schedule

The police note the proposed amendment to the application to cease alcohol sales at 2200 hours rather than 2300 hours to address concerns of the residents

Given the above the police have no objections to the new premise licence at the CO-OP, foundry Lane, Southampton

Dear PC Prior,

I have received instructions from my client that they are willing to agree to your proposed conditions. Whilst writing I would also mentioned that I am going to write to all responsible authorities to amend the application so that the sale of alcohol and opening ceases at 10pm and not 11pm. This follows concerns expressed by local residents.

Kind Regards

Jon

Sir

In relation to the premise application for the CO-OP on Foundry Lane on the site of the previous Anchor and Hope PH

The schedule on the application puts forward:

Staff Training

CCTV

Refusal log

Challenge 25 - ID

We have specific wording for those conditions that have changed in the last 12 months (although I believe the newest CO-OP application on Shirley Road has accepted these updated ones). The reason for the change and the length in condition is due to criticism after a home office visit that we can not use "to the satisfaction of Hampshire Constabulary" but need to list what that satisfaction is.

Please can you ask your clients to review the below and let us know if they would be willing to take on the wording. Can I also advise you that a resident has called us asking about whether we would object as they are concerned about the licence being until 2300 hours as they would prefer 2200 hours and they have concerns about youth nuisance. I am currently contacting the Sgt responsible for that area to ascertain if they have concerns for an off-licence there.

Staff Training:

Staff are trained regarding appropriate precautions to prevent the sale of alcohol to persons under the age of 18; signs and symptoms of drunk persons, refusal of sale due to intoxication and that records are kept of such training, which are signed and dated by the member of staff who has received the training; that staff receive refresher training every six months as a minimum and that records are signed and dated by the member of staff are kept of this refresher training. Records will be available for inspection by Hampshire Constabulary and the licensing Authority. Records will be kept for a minimum period of two years.

CCTV:

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system should be able to cope with all levels of illumination throughout the premises as well as outside areas.

The CCTV system must be operating at all times whilst the premises are open for licensable activity.

All equipment shall have a constant and accurate time and date generation.

There shall be sufficient members of trained staff available during operating hours to be able to provide viewable copies on request of the Police or local authority. Any images recovered must be in a viewable format on either disc or VHS.

The recording system will be able to capture a minimum of 4 frames per second.

Records must be made on a weekly basis and kept for inspection to show that the system is functioning correctly and that data is being securely retained.

CCTV warning signs to be fitted in public places.

Recordings to be kept for a minimum of 28 days.

The DPS or premises manager must be able to demonstrate that the CCTV system has measures to prevent recordings being tampered with, i.e. password protected.

In the event of technical failure of the CCTV equipment the Premises Licence holder/DPS MUST report the failure to the Police on contact number 08450454545 immediately

Refusal Log:

A refusals book to be kept detailing numbers , dates and times of incident and description of people refused service of alcohol with reasons why (Including incidents relating to disorder). The refusals book will remain on the premises at all times and will be available to police upon request.

Challenge 25:

There will be a Challenge 25 policy operated at the premises. Challenge 25 meaning that the holder of the premises licence shall ensure that every individual who appears to be under 25 years of age seeking to purchase or be supplied with alcohol at or from the premises shall produce means of identification acceptable to the licensing authority proving that individual to be 18 years of age or older. If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.

Any questions or queries please feel free to contact me on e-mail or call on 02380 674768
