SUBJECT:	SECOND QUARTER PERFORMANCE MONITORING FOR 2011/12			
DATE OF DECISION:	15 DECEMBER 2011			
REPORT OF:	THE LEADER			
STATEMENT OF CONFIDENTIALITY				
None				

BRIEF SUMMARY

This report outlines the progress made at the end of September 2011 against the targets and service improvement actions (commitments) contained within the 2011/12 Council Plan. The analysis contained in this report has been compiled on an exceptions basis. It only highlights variances for the targets and service improvement actions set out in the Council Plan.

As at the end of September 2011 57% of the Council's Key Critical Performance Indicators, and 89% of the Service Improvement Actions and Projects set out in the 2011/12 Council Plan are reported to be on target.

RECOMMENDATION:

(i) That the Committee consider and comment on the performance monitoring position at the end of September 2011, as detailed in the attached appendices, and highlight any areas where further discussion is required with the relevant Cabinet Member to ensure that appropriate action is in train.

REASONS FOR REPORT RECOMMENDATIONS

1. The consideration of performance information is an important part of the role of the Overview and Scrutiny Management Committee which includes assessing the progress made by the Executive in the delivery of key plans and objectives approved by Full Council. This report therefore provides an opportunity for the Overview and Scrutiny Management Committee to review the second quarter performance results for improvement measures contained within the 2011/12 Council Plan which are currently being reported as at risk of not being achieved by the year end.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

2. To not submit this report. This option was rejected, as it is inconsistent with good management practice.

DETAIL (Including consultation carried out)

3. The Full Council meeting on 13th July 2011 approved the Council Plan which is a cross cutting document covering all areas of the Council's activities. The Plan reflects the leadership role of the Executive in delivering the Council's policy objectives, value for money and service improvement for the benefit of residents and businesses in the city.

- 4. The Council Plan identifies a short list of top priorities for improvement that the Council as a whole will focus on. It has been agreed that progress against these priorities for improvement will be reported to Cabinet regularly. In addition, each directorate will also focus on a maximum of 12 priorities for improvement with the aim of narrowing our focus on the essential performance indicators within each directorate. The same focussed approach for improving performance will be applied at a service level.
- 5. This quarterly report outlines the progress made against the targets and service improvement actions set out in the 2011/12 Council Plan, on an exceptions basis. Any variations which are of concern will be escalated to the relevant Cabinet Member by Directors so that agreed, appropriate action can be taken.
- 6. The 2011/12 Council Plan contains the agreed targets for 14 Council Key Critical Performance Indicators and 71 Service Improvement Actions and projects with milestones for 2011/12. A top-level summary of the Key Critical Performance Indicators at the end of the 2nd quarter indicates that 57% are on target, this is a reduction on the 77% reported to be on target at the end of June 2011. The approach this year has been to identify in the Council Plan only those performance indicators which are considered top priority for the Council as a whole to focus on. Therefore, comparison with performance in previous years is difficult as the monitoring information until 2011/12 included all Performance Indicators (PI). However, it is important to note that the performance in previous years was 62% at the end of March 2011 and 68% in the 2nd quarter of 2010/11.
- 7. The summary also indicates that 89% of service improvement actions were also reported to be on target, compared to 89% at the end of June 2011, 93% at the end of the 2nd quarter of 2010/11 and 86% at the end of the 2nd quarter of 2009/10.
- 8. It should be noted that to ensure a consistent means of determining good and poor performance, the same assessment criteria have been applied as in previous monitoring reports. An indicator is therefore deemed to be:
 - On Target (Green) if performance is within 5% of the agreed target
 - Have a slight variance (Amber) if the variance is between 5 and 15%
 - Have a significant variance (Red) if the reported variance is more than 15% from the agreed target
 - Data Unavailable (Grey).
- 9. At the end of the 2nd quarter of 2011/12 the following five measures have been highlighted as having either significant or slight variances, explanations for these can be found in Appendix 1:
 - Percentage of household waste arising which have been sent by the authority for reuse recycling composting or anaerobic digestion (Former NI192) (Significant Variance)
 - Total number of social rent housing and intermediate housing delivered (Former NI155) (Significant Variance)
 - Percentage of total absence from school (Slight Variance)
 - Increase the timeliness of Initial Child Protection work for vulnerable

- children (Slight Variance)
- Percentage of Children and Young People in Care with a permanence plan in place (Slight Variance).
- 10. At the time of writing this report data was unavailable for one measure:
 - Number of collections missed per 100,000 collections of household waste per quarter.
- 11. The overview of the 14 KCPIs for the Council is as follows:

Service Improvement Actions (Commitments)

- 12. There are 71 service improvement actions contained within the Council Plan designed to improve the quality, performance and reach of Council services by the end of the financial year 2011/12. - 13. At the end of the 2nd quarter of 2011/12 there is one Service Improvement Action that has significantly slipped. Explanations for all variances can be found in Appendix 2:
