

Southampton City Council

Admission Policy for Community and Voluntary Controlled Infant/Primary Schools for 2012/13

Southampton City Council is the admission authority for all Community and Voluntary Controlled infant and primary schools in the city. Voluntary Aided and Trust and Foundation school are their own admission authorities and set their own admission arrangements. As required in the School Admissions Code the authority will consider all on-time preferences at the same time for September 2012 admissions.

Parents may express up to three (3) preferences, listing them in the order in which they would accept them. All preferences will be considered and where more than one school could be offered, the parents will be offered a place for their child at the higher ranked of the schools that could be offered.

Children with statements of special educational needs (SEN) that name the school

Children with statements of special educational needs that name a school must be admitted to that school under the Education Act 1996 and with regard to the SEN Code of Practice. These children will be admitted to the named school, even if it is full, and are therefore outside the normal admission arrangements. As required by the Code these children will count as part of the Published Admission Number (PAN) for the school.

Oversubscription criteria

Applications submitted by 15 January 2012 will be dealt with first. If the number of applications submitted by 15 January 2012 is greater than the Published Admission Number (PAN) for a school, admissions to the school will be decided according to the following priorities:

1. Children in public care (looked after children).
2. Children subject to a child protection plan or deemed to be vulnerable by the Senior Officer with responsibility for safeguarding in Southampton City Council.
3. Children who have a brother or sister already on the roll of the school who will continue to attend that school for the following year. (This includes children living as siblings in the same family unit.) In the case of applications for places at infant schools a sibling at the linked junior school will count as a sibling at the junior school.

A sibling is defined as a brother or sister including half, step, or foster or adoptive brother or sister, living within the same family unit at the same address.

4. Children who live within the school's designated catchment area and whose parents have satisfied the Local Authority that their child has a significant medical or psychological condition which means they must attend the preferred school rather than any other. Applications must be supported by appropriate written

evidence from a doctor or psychologist.

5. Children who live within the school's designated catchment area.

A "designated catchment area" for a school is the area set out in the definitive catchment area map for each school. This map is held by Southampton City Council, Southbrook Rise, 4 – 8 Millbrook Road East Southampton SO15 1YG. A schedule of addresses, to be read in conjunction with the map, is also kept by the Council.

Parents wishing to know if their address is in a particular catchment area can contact the Admissions Team, or log on to the council website www.southampton.gov.uk, click on "my Southampton", follow the links, and enter their post code.

If the school is oversubscribed from within these criteria, priorities (ii) to (iii), as set out at 6 below, will be used to determine which children will be offered places.

6. Children who live outside the school's designated catchment area, in the following order:

- (i) Children whose parents have satisfied the Local Authority that their child has a significant medical or psychological condition which means they must attend the preferred school rather than any other. Applications must be supported by appropriate written evidence from a doctor or psychologist.
- (ii) Children whose parents are applying for their child to attend a Church of England voluntary controlled school on denominational grounds. Evidence of regular church attendance at services held by the Church of England or a local ecumenical partnership (as defined in the school's prospectus) must be certified by the vicar or someone else of authority in the church. "Regular" is defined as "attending worship services at a Church of England church or local ecumenical partnership at least twice a month for the previous two years before the deadline for admissions set by Southampton City Council."
- (iii) Children who live closest to the school based on the shortest practicable walking distance using public roads and footpaths. Distances are measured from home to school for in-catchment children and from either home to school or home to the designated catchment area boundary for out-catchment children, as agreed with each school and laid out in the school prospectus. Distances from home to school are measured as shortest walking distances. These are calculated using a computerised mapping system that uses data supplied by Ordnance Survey. Distances are measured from the point designated in the system as the home address to the point designated in the system as the mid point of the nearest open gate to the school, using public roads and footpaths.

Should a school be oversubscribed from within any of the criteria 6(i) to 6(ii) above, then distance as defined in 6(iii) will be used to prioritise applications within these categories. Should there be two or more identical distances requiring prioritisation, this will be done by casting lots. Lots will be drawn by the Head of Standards Division, Children's Services and Learning, Southampton City Council.

Late applications

The closing date for applications is 15 January 2012. Applications received after that date will be late applications. If a school has places available after admitting all on-time applications, late applications will be considered in accordance with the priorities set out above.

Unplaced children

Any child who remains unplaced after their application has been processed, because either they could not be offered a place at any school requested or their parents did not complete an application, will be offered a place at their catchment school, if places are still available. If there are no places available at their catchment school, they will be allocated a place at the nearest school to their home address with places available. Distance to their home address will be measured by public roads and footpaths.

Waiting lists

If a place cannot be offered at a higher ranked community or voluntary controlled school, unsuccessful applicants will automatically be placed on the waiting list for the school. If places become available, children on the waiting list will automatically be offered them according to the priorities set out above and any previous offer of a school place will be withdrawn.

The length of time on the waiting list cannot be taken into account. Unsuccessful late applications will be treated in the same way as unsuccessful on-time applications and placed on the waiting list according to the priorities set out above.

Waiting lists will be maintained by the Admissions Manager at Southampton City Council for all community and voluntary controlled schools. Waiting lists will be maintained until the end of the autumn term 2012.

Entry into Reception Class

The offer made to parents for reception class on the initial offer date is of a full time place from the start of term after 1 September 2012. Schools normally stagger entry into school from that date and arrange for some initial part time attendance to ensure a smooth transition from pre-school into school or from home to school. Parents have the right to defer their child's entry into reception class to any point up to the time the child is of statutory school age (the term starting after their child's 5th birthday) or until any point in the reception year if their child is not of statutory school age until after the start of the summer term in the reception year. Parents CANNOT however defer entry until the start of year 1 i.e. the reception class place cannot be held open over the summer holidays. The child must start school at some point in the reception year. If a parent does not enrol

their child at the offered school at some point in the reception year they must make an in year application for a year 1 place.

Parents can request part time education for their child in the reception year up until the child is of statutory school age if it is in the child's best interests.

Southampton City Council

Admission Policy for Community and Voluntary Controlled Junior Schools for 2012/13

Southampton City Council is the admission authority for all Community and Voluntary Controlled junior schools in the city. As required in the School Admissions Code the authority will consider all preferences at the same time for September 2012 admissions.

Parents may express up to three (3) preferences for junior schools only, listing them in the order in which they would accept them. All preferences will be considered and where more than one school place could be offered, the parents will be offered a place for their child at the higher ranked of the schools that could be offered.

Children with statements of special educational needs (SEN) that name the school

Children with statements of special educational needs that name a school must be admitted to that school under the Education Act 1996 and with regard to the SEN Code of Practice. These children will be admitted to the named school even if it is full and are therefore outside the normal admission arrangements. As required by the Code these children will count as part of the Published Admission Number (PAN) for the school.

Oversubscription criteria

Applications submitted by 15 January 2012 will be dealt with first. If the number of applications received by 15 January 2012 is greater than the admission limit, admissions will be decided according to the following priorities:

1. Children in public care (looked after children).
2. Children subject to a child protection plan or deemed to be vulnerable by the Senior Officer with responsibility for safeguarding in Southampton City Council.
3. Children who have a brother or sister already on the roll of the school who will continue to attend that school for the following year. (This includes children living as siblings in the same family unit.) This sibling link also applies if the child has a younger brother or sister attending the linked infant school at the time of application.

A sibling is defined as a brother or sister including half, step, or foster or adoptive brother or sister, living within the same family unit at the same address.

4. Children who live within the school's designated catchment area and whose parents have satisfied the Local Authority that their child has a significant medical or psychological condition which means they must attend the preferred school rather than any other. Applications must be supported by appropriate written evidence from a doctor or psychologist
5. Children attending the linked infant school at the time of application. This criterion applies only at the time of transfer from year 2 to year 3. After that time previous

attendance at the linked infant school gives no priority to an application for a place at the linked junior school

6. Children who live within the school's designated catchment area.

A “designated catchment area” for a school is the area set out in the definitive catchment area map for each school. This map is held by Southampton City Council, Southbrook Rise, 4 – 8 Millbrook Road East, Southampton SO15 1YG. A schedule of addresses, to be read in conjunction with the map, is also kept by the Council.

Parents wishing to know if their address is in a particular catchment area can contact the Admissions Team, or log on to the council website www.southampton.gov.uk, click on “my Southampton”, follow the links, and enter their post code.

If the school is oversubscribed from within these criteria, priorities (ii) to (iv), as set out at 7 below, will be used to determine which children will be offered places.

7. Children who live outside the school’s designated catchment area, in the following order:

- (i) Children whose parents have satisfied the Local Authority that their child has a significant medical or psychological condition which means they must attend the preferred school rather than any other. Applications must be supported by appropriate written evidence from a doctor or psychologist.
- (ii) Children whose parents are applying for their child to attend a Church of England voluntary controlled school on denominational grounds. Evidence of regular church attendance at services held by the Church of England or a local ecumenical partnership, (as defined in the school’s prospectus), must be certified by the vicar or someone else of authority in the church. “Regular” is defined as “attending worship services at a Church of England church or local ecumenical partnership at least twice a month for the previous two years before the deadline for admissions set by Southampton City Council.”
- (iii) Children attending the designated catchment infant school.
- (iv) Children who live closest to the school based on the shortest practicable walking distance using public roads and footpaths. Distances are measured from home to school for in-catchment children and from either home to school or home to the designated catchment area boundary for out-catchment children, as agreed with each school and laid out in the school’s prospectus. Distances from home to school are measured as shortest walking distances. These are calculated using a computerised mapping system that uses data supplied by Ordnance Survey. Distances are measured from the point designated in the system as the home

address to the point designated in the system as the mid point of the nearest open gate to the school, using public roads and footpaths.

Should a school be oversubscribed from within any of the criteria 7(i) to 7(iii) above, then distance as defined in 7(iv) will be used to prioritise applications within these categories. Lots will be drawn by the Head of Standards Division, Children's Services and Learning, Southampton City Council.

Unplaced children

Any children who remain unplaced after their application has been processed, because either they could not be offered a place at any school requested or their parents did not complete an application, will be offered a place at their catchment school, if places are still available. The length of time on the waiting list cannot be taken into account. Unsuccessful late applications will be treated in the same way as unsuccessful on time applications and placed on the waiting list according to the priorities set out above.

Waiting lists will be maintained by the Admissions Manager at Southampton City Council for all community and voluntary controlled schools. Waiting lists will be held until the end of the autumn term 2012.

Sixth Form Courses and Entry Requirements

Level 3 Courses:

This is a two year programme of study that is at a higher level than the work undertaken in Year 11.

Level 3 courses prepare students for entry to university. Bitterne Park Sixth Form offers a wide range of both academic A Levels and the full range of applied BTEC courses.

Each AS/A2 Level and BTEC has 5 hours of taught study each week. For success a similar amount of private study is expected out of hours.

The desired entry requirement for a Level 3 programme of study is 5A* to C grades at GCSE or equivalent in 4 or more subjects including English and Maths.

Some Level 3 subjects have specific entry requirements (such as a B grade at the Higher Tier of entry).

These are outlined in the subject information and must be met. It is at the discretion of the School whether a student who has a D grade in either English or Mathematics at GCSE (not both) is able to progress to Level 3

Level 2 Courses:

This is a one year programme of study for students who wish to progress to the Level 3 programme of study at the Bitterne Park School Sixth Form and have not yet quite gained the 5A* - C grades at GCSE or equivalent needed for this.

This programme of study enables students to retake English and Mathematics and take a number of new and exciting subjects.

The desired entry requirements for Level 2 Courses in Year 12 is 5 D grades at GCSE or equivalent in 4 or more subjects.

A minimum of an E grade in English and/or Mathematics is also desired.

Foundation Learning:

This is a one year programme of study for students who wish to progress to the Level 2 programme of study at the Bitterne Park School Sixth Form, or seek employment, and have not yet quite gained the desired entry requirements for level 2 courses.

Results day

Once you receive your GCSE results we can confirm your course and subject choices and finalise your enrolment to The Sixth Form. Support for students who have not made entry requirements will be available on the results publication day in August. All Bitterne Park Year 11 students are expected to be present that day, where possible.

We will do all we can to support you if you wish to change your options but after the timetable is written this will only be possible if a class is not full and the subjects you wish to study are not timetabled at the same time.

You will then receive a letter confirming your place in the Sixth Form, which is conditional on the entry requirements.
