SOUTHAMPTON CITY COUNCIL
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 6 APRIL 2022

Present: Councillors G Galton, Laurent and J Payne

40. **ELECTION OF CHAIR**

RESOLVED that Councillor Galton be elected as Chair for the purposes of this meeting.

41. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

RESOLVED that the minutes of the meetings held on: 12 January 2022 and 19 January 2022, be approved and signed as a correct record.

42. **EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE**

RESOLVED that the Sub-Committee move into private session in order to receive legal advice when determining issues. The parties to the hearing, press and the public, unless otherwise excluded by the Licensing Act 2003 (Hearings) Regulations 2005, would be invited to return immediately following that private session at which time the matter would be determined and the decision of the Sub-Committee announced.

43. **APPLICATION FOR A VARIATION OF A PREMISES LICENCE - SZECHUEN KITCHEN, 137A HIGH STREET, SOUTHAMPTON SO14 2BS**

In considering this application the Sub-Committee was obliged to consider the application in accordance, in particular, with both the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice.

Due regard was given to the statutory licensing objectives, the statutory guidance, and the City Council's adopted statement of licensing policy.

The Crime and Disorder Act 1998 Section 17, the Human Rights Act 1998, and the Equality Act 2010 had each been borne in mind by the Sub-Committee whilst making its decision.

The Sub-Committee has considered very carefully the report of the Service Director—Communities, Culture and Homes. The application had received one representation from Planning and no public representations.

The Sub-Committee noted the conditions, as set out by Hampshire Constabulary, and agreed by the Applicant, to be attached to the licence should the variation of the licence be granted. The Sub-Committee considered all verbal representations at the hearing including two witnesses who spoke in favour of the application.

In light of all of the above, the Sub-Committee:

RESOLVED to grant the variation to the premises licence as per the application.

REASONS

The Sub-Committee was mindful that the legislation specifically restricted the grounds on which it might refuse an application for a variation of a premises licence or impose conditions. The legislation provided for a presumption of grant of an application for a variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so, the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives.
- the representations (including supporting information) presented by all the parties.
- its own statement of licensing policy
- the Statutory Guidance

The Sub-Committee was satisfied that the Applicant clarified that alcohol sales would be ancillary to food sales from the restaurant and that customers would not be permitted to take alcohol off site.

The Sub-Committee queried the position of the Applicant's business being situated directly beneath a residential dwelling but was assured that no one lived in the dwelling.

The Sub-Committee was content that restaurant was already operating to midnight without complaint. The Sub-Committee considered carefully the views of the Planning Officer and the issues raised in relation to the potential for noise and public nuisance in the area. The Sub-Committee received legal advice confirming that it needed to be satisfied that there was a causal link between noise and nuisance and the application for variation before it.

The Sub-Committee was content with the training to be offered to staff.

An application for variation of a premises licence whose application had been refused, or who was aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

Members of the public should be assured that where a licence was granted, an application for a review of that licence could be made where there was evidence that the objectives were not being met.

There was a right of appeal for any party to the Magistrates' Court. All parties would receive written notification of the decision with reasons which would set out that right in full.

SOUTHAMPTON CITY COUNCIL
LICENSING (LICENSING AND GAMBLING) SUB-COMMITTEE
MINUTES OF THE MEETING HELD ON 13 APRIL 2022

Present: Councillors Noon, J Payne and Goodfellow

44. ELECTION OF CHAIR

RESOLVED that Councillor J Payne be elected as Chair for the purposes of this meeting.

45. EXCLUSION OF THE PRESS AND PUBLIC - LEGAL ADVICE

RESOLVED that the Sub-Committee move into private session in order to receive legal advice when determining issues. Following that private session, at which time the matter would be determined, written confirmation of the decision of the Sub-Committee would be distributed to all parties to the hearing.

46. APPLICATION FOR VARIATION OF PREMISES LICENCE - CATTLE STEAKHOUSE, 14-15 HANOVER BUILDINGS, SOUTHAMPTON, SO14 1JX

The hearing was held as a virtual meeting using Microsoft Teams and was streamed live online for the press and public to view via the Live Events platform.

The Sub-Committee considered very carefully the application for a variation of the premises licence at CATTLE STEAKHOUSE, 14-15 HANOVER BUILDINGS, SOUTHAMPTON, SO14 1JX in the report by the Service Director – Communities, Culture and Homes.

The hearing was held in accordance with the Licensing Act 2003 (Hearings) Regulations 2005 (as amended) and the rules of natural justice.

The Sub-Committee made its decision on the basis of all of the evidence submitted, both in writing and given orally at the Hearing, with due regard to the licensing objectives, statutory guidance, and the Council's adopted statement of Licensing Policy.

Additionally, the Human Rights Act 1998, the Crime and Disorder Act 1998 and the Equality Act 2010 were borne in mind whilst making the decision.

The Sub-Committee noted that none of the Responsible Authorities attended the Hearing, but that a representation objecting to the variation of the licence was submitted by Environmental Health. The Sub-Committee noted that no representation had been received from Hampshire Constabulary, and that it was satisfied with the application.

The Sub-Committee heard from the Applicant and one local resident making a representation objecting to the application. A total of two representations were received in writing and were fully taken into consideration.

The application for a variation to the current licence was to add Recorded and Live Music and increase the Supply by Retail of Alcohol from midnight to 01.00. Late Night Refreshment had not been requested as this was already 01.00.

In light of all the above, the Sub-Committee:

RESOLVED to grant the application for a variation to the premises Licence subject to the conditions offered by the Applicant and agreed as follows:

1. A noise limiter is to be supplied and installed by a qualified audio engineer and once completed the maximum noise levels set on the system are to be verified via an onsite test in the presence of the audio engineers. Once completed a noise limiter verification certificate to the is to be sent to Licensing department of Southampton City Council for approval.
2. To provide a written Noise Management Plan to include staff training on noise limiting equipment.
3. All music to cease at 10pm at the front of the restaurant.

REASONS

Legislation provides for a presumption of the granting of a variation of a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community.

The Sub-Committee noted the concerns of the resident, which included a history of complaints over the previous twelve months concerning the operation of the business and the impact felt by the resident in the residential property directly above the Applicant's premises.

Any person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

Members of the public should be assured that where a licence is granted, an application for a review of that licence could be made where there was evidence that the objectives were not being met. Formal notification of the decision would set out that right in full.

The Sub-Committee recommends that the residents of Hanover Buildings and the Applicant keep an open dialogue in relation to resolving any future problems, should they arise.

Legal Implications

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied up at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
- *The Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affect another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

Equality Act 2010

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

15. Entitlement to work/immigration status for individual applicants and applications

from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence. **(up until 30 June 2021).**

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form. **(up until 30 June 2021).**

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in
the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

To whom it may concern.

I am the owner of the hair salon at 90 Alfriston Gardens, I do not have an objection for an alcohol licence to be granted but do wish to object to the length of time it will be on sale. I have now had my salon for 15 years and up until December 2019 news plus had an alcohol licence, this business closed due to owners retiring. I believe they were able to sell from 6am till they closed at 7pm. People live in the flats above the shops and also many locals close by who could be affected if a licence from 6am till 12-00pm is granted. Would like to request that a sensible time is allowed in order for all to be happy. I myself do not live above the shops but am kept informed of what goes on. I know people are worried that a late licence plus the combination of the Sholing Grill at the other end of row of shops might encourage some late night trouble.

Dear Sirs

I wish to lodge a complaint regarding an application for a licence to sell alcohol from 94 Alfriston Gardens, Sholing, Southampton, SO19 8FU.

We already have within easy walking distance 4 shops that sell alcohol and really do not need another one especially one open such long hours. We are also experiencing a lot of antisocial behaviour and drug related problems in the vicinity and I feel very strongly that selling alcohol this late at night will only make the problem so much worse. I cannot see how you can justify allowing such a late licence in a residential area and I would be so grateful if you would take this into consideration when reviewing this application.

Yours faithfully

Dear Sirs,

I am writing to register my objection to the application for a premises licence by Mr A R Croos for 94, Alfriston Gardens, Southampton SO19 8FU. The basis for this opposition is that granting a licence for this premises will not promote the licensing objectives, particularly the prevention of crime, disorder and antisocial behaviour

The application proposes that alcohol will be sold for consumption off the premises between the hours of 06:00 and 00:00 seven days a week. Granting a licence would provide a further source of alcohol within an area already over-provisioned (within a 10 minute walk there are 5 premises which have alcohol licences), I believe that crime, disorder and public nuisance have already reached problem levels for the local police ie. The Robin Hood public house in Sholing

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night and it is totally unacceptable to expect us to continue to do so

In view of the above I urge the Licensing Authority to refuse the application

Yours faithfully

Ref- 2022/02445/01SPRN

Dear Sir/Madam

I am writing to you on behalf of my husband and myself to strongly object to the selling of alcohol from the above premises, Monday to Sunday between the hours of - 06:00 - 00:00.

We already have five shops, 5 to 10 minutes walking distance from our vicinity that sell alcohol and we certainly do not need another in our residential area.

As this premises is so close to people's homes, we would be very worried about anti-social behaviour, noise nuisance/pollution (cans/bottles litter, etc) and also a possibility of underage drinking?

We already have had trouble with youths buying and selling drugs, (which has been reported to the police), from the back of this arcade of shops, so we certainly do not need more hassle with another shop selling alcohol six days a week, 18 hours a day!

Hopefully you will take note of our comments when considering the alcohol license for this establishment.

Thank you.

Yours sincerely

John and Carmen Pearcy.

I would like it noted I strongly object to this alcohol sales shop being granted. I have lived here for 20years and have experienced trouble with youths/small gangs etc congregation outside these shops.. Selling alcohol here 7 days a week 18hours a day is horrendous!!! This is a residential area and will encourage groups and gangs to congregate again. Please do not let this go ahead..

Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

Preliminary matters

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
 - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
 - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
 - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
 - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
 - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
 - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.
- General information on the conduct of the hearing**
14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
 - (b) With the permission of the Chair, seek clarification on any point by any other party;
 - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

Hearing Procedure

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

The applicant

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

The representations

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
 - (a) The person making a representation (or their representative) may present their case.
 - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
 - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

Summing up

- 29. The Chair will invite each person making a representation to make a final statement or sum up their case.
- 30. The Chair will invite the applicant to make a final statement or sum up their case.

Sub-Committee's decision

- 31.
 - (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
 - (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
 - (c) The parties will be invited to wait to be informed of the outcome.
 - (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
 - (e) If a room is available, the Committee may retire to deliberate and make its decision
 - (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
