BRIEF SUMMARY

The Code of Corporate Governance sets out the commitment of Southampton City Council to continue to uphold the highest possible standards of good governance. The intention is that the Head of Legal, HR and Democratic Services continues with the “light touch” annual review unless earlier review is required

RECOMMENDATIONS

The Governance Committee is asked to:

- (i) Note and approve the updated Code of Corporate Governance (CCG) (Appendix 1).

REASONS FOR REPORT RECOMMENDATIONS

1. The Governance Committee has responsibility for leading on all aspects of Corporate Governance by promoting the values of putting people first, valuing public service and creating a norm of the highest standards of personal and professional conduct.
2. The Governance Committee is also responsible for ‘receiving regular reports on the performance of the Corporate Complaints process, Local Government Ombudsman referrals, Annual Governance Statement and Code of Corporate Governance and to recommend revisions to related policies and procedures as appropriate’.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

3. No alternative options have been considered

DETAIL (Including consultation carried out)

4. Corporate Governance is defined as ‘how local government bodies ensure that they are doing the right things, in the right way, for the right people in a timely, inclusive, open, honest and accountable manner. It comprises the systems and processes, and cultures and values, by which local government bodies are directed and controlled and through which they account to, engage with and, where appropriate, lead their communities’

5. The CCG is based around six core principles which were identified in the Chartered Institute of Public Finance and Accountancy (“CIPFA”) and the Society of Local Authority Chief Executives and Senior Managers (“SOLACE”) ‘Delivering Good Governance in Local Government: Framework and accompanying Guidance Note’ which was originally published in 2007’.
6. In December 2012, a CIPFA/SOLACE Joint Working Group issued an addendum and revised guidance note following a review of the original Framework and Guidance. Accordingly the format of the CCG document has been revised to accord with the new principles in the guidance.
7. In addition, one of the key actions arising from the 2011-12 Annual Governance Statement was a recognition that "A biennial review is no longer considered appropriate in terms of being able to reflect significant changes in legislation that potentially impact on the CCG. The CCG will therefore to be subject to an annual ‘light touch’ review as part of the review of the Constitution".
8. The revised CCG (Appendix 1) reflects the current best practice guidance.
