Legal Implications

1. The Licensing Act 2003 specifically restricts the grounds on which the Council, as Licensing Authority (LA), may refuse an application for a major variation of a Premises Licence, or impose conditions. Where relevant representations are made, the LA may refuse on the grounds that the licensing objectives are not met or the operating schedule is inadequate. Equally, conditions may be imposed where relevant and necessary. The LA may also refuse an application in part and thereby only permit some of the licensable activities sought.
2. The decision making committee, in considering an application, must have regard to the adopted Statement of Licensing Policy and any relevant representations made by those directly affected.
3. An applicant for a variation, whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court.
4. In considering this application the committee will sit in a quasi-judicial capacity and is thus obliged to consider applications in accordance with both the Licensing Act 2003 (Hearings) Regulations 2005, and amending secondary legislation and the rules of natural justice. The practical effect of this is that the committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

The committee must also have regards to:-

5. *Crime and Disorder Act 1998*
Section 17 of the Crime and Disorder Act 1998 places the Council under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
6. *Human Rights Act 1998*
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the Council to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the Council that could have an effect upon another person's Human Rights must be taken having regard to the principle of Proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the Council which affect another's rights must be no more onerous than is necessary in a democratic society. The matter set out in this report must be considered in light of the above obligations.

To whom it may concern,
Please could you acknowledge receipt of this via return of email.

I am sorry this is arriving only just before the deadline, but I have only just found out about the application by complete luck. I do not think many people know about this application?

Reference 2013/00397/01SPRV

I am writing in response to the application for extended opening hours at the co-op on thornhill Park Road.

I am a resident of 18 The Close, (thornhill) directly opposite the shop and I am against the extended opening hours. This is supposed to be a residential area not a commercial zone with 24 hours shopping. There is already 2 large 24 hour supermarkets just 2 minutes away. My appeals are on the grounds of noise pollution, anti-social behaviour, Road/pedestrian safety and increased road traffic.

With a store becoming 24 hours means that deliveries will become more frequent and at all times of the day, causing noise pollution let a lone disruption to traffic on an already busy road. During the summer months I do not wish to have to sleep with windows closed because of the noise of deliveries or noisy customers leaving the shop. At the moment the delivery lorries already stop traffic during rush hours in the morning. They cannot park on the forecourt without doing almost a 3 point turn out in the road blocking all traffic sometimes causing congestions all the way down the hill to Bitterne and in the opposite direction towards the motorway. Although there are pedestrian crossings at either end of the shopping area traffic coming in and out of the shops across the walkways can be come incredibly dangerous especially for the elderly and cyclists. I have actually seen a cyclist been knocked from his bike on the garage forecourt by a shopper not looking when they drove over the path out of the garage.

After being the victim of vandalism and having my car windows smashed and broken in to, I do not wish to entice more people to the area especially at such anti-social hours.

In conclusion, there is no need for the store to become 24 hours especially considering we already have supermarkets both within easy reach via excellent transport links. It would not be a convenience for local residents more of a nuisance.

Yours Sincerely

Mr Daniel Gates

Dear Sir/Madam

Licence No 2013/00019/01 SPRT

We object most strongly to the proposed extended hours for the provision of late night refreshment at the Thornhill Park Road branch of the Co-op.

This is a residential area which already has several outlets for the sale of food and alcohol, including small shops, an off licence and a pub. We already experience litter and late night/early hours noise from these premises and those who purchase alcohol at them. We are very concerned that the proposed extended hours will significantly impact on our already reduced hours of quiet. Also of concern is the increase in litter and debris that will undoubtedly accompany the increased trade.

Gangs of youths already congregate at these establishments with the resultant shouting, and roaring of motor bike and car engines. Police presence has also been required on several occasions. It is more than probable that the proposed extended opening hours will also increase public nuisance and potential crime throughout the night.

Everyone is entitled to hours of quiet during the night and we therefore ask that this licence is not extended for the reasons listed.

Yours sincerely

M.H & S Haselden
