What the inspection judgements mean

The local authority

An **outstanding** local authority leads highly effective services that contribute to significantly improved outcomes for children and young people who need help and protection and care. Their progress exceeds expectations and is sustained over time.

A **good** local authority leads effective services that help, protect and care for children and young people and those who are looked after and care leavers have their welfare safeguarded and promoted.

In a local authority that **requires improvement**, there are no widespread or serious failures that create or leave children being harmed or at risk of harm. The welfare of looked after children is safeguarded and promoted. Minimum requirements are in place, however, the authority is not yet delivering good protection, help and care for children, young people and families.

A local authority that is **inadequate** is providing services where there are widespread or serious failures that create or leave children being harmed or at risk of harm or result in children looked after or care leavers not having their welfare safeguarded and promoted.

The LSCB

An **outstanding** LSCB is highly influential in improving the care and protection of children. Their evaluation of performance is exceptional and helps the local authority and its partners to understand the difference that services make and where they need to improve. The LSCB creates and fosters an effective learning culture.

An LSCB that is **good** coordinates the activity of statutory partners and monitors the effectiveness of local arrangements. Multi-agency training in the protection and care of children is effective and evaluated regularly for impact. The LSCB provides robust and rigorous evaluation and analysis of local performance that identifies areas for improvement and influences the planning and delivery of high-quality services.

An LSCB **requires improvement** if it does not yet demonstrate the characteristics of good.

An LSCB that is **inadequate** does not demonstrate that it has effective arrangements in place and the required skills to discharge its statutory functions. It does not understand the experiences of children and young people locally and fails to identify where improvements can be made. 43
