29. **MINUTES OF THE PREVIOUS MEETING (INCLUDING MATTERS ARISING)**

RESOLVED that the minutes of the Board meeting held on 4th November, 2015, be approved and signed as a correct record.

30. **LOCAL SAFEGUARDING CHILDREN'S BOARD ANNUAL REPORT**

The Board considered the report providing assessment of the performance and effectiveness of local safeguarding services as detailed in the Annual report of the Independent Chair of the Local Safeguarding Children's Board (LSCB).

RESOLVED:

- (i) To reflect on the key issues identified in the opening statement of the LSCB Annual Report from the Chair in relation to 'How safe are children in Southampton?'

- (ii) To receive the full LSCB Report and utilise the information contained within it to inform the Health and Wellbeing Board's future work.

31. **HEADSTART MODEL**

The Board considered the report detailing the Headstart model.

The Board acknowledged and noted the following:

- All schools were in favour of the model, however the level of engagement was disparate across the City.
- Children with lived experience have been involved in the model from the start of the process.
- Work was ongoing to ensure parents groups needs and desires were met.
- Ensure joint working with Southampton Connect to create opportunities and experiences in the City.
- Ensure the model complements work with the Prevention and Early Intervention Strategy for 0-19 year olds and the Health and Wellbeing Strategy.

RESOLVED:

- (i) To note the HeadStart Strategy; and
(ii) To note the delivery of a sustainable model for children and young people's wellbeing relies on partners to be engaged and involved in the development and implementation of the HeadStart Strategy.

32. **CARERS STRATEGY**

The report of the Director of Quality and Integration was submitted detailing the Carers Strategy.

RESOLVED to endorse the Southampton Carers Strategy 2016-20.

33. **BETTER CARE SOUTHAMPTON UPDATE AND QUARTER 2 PERFORMANCE**

The report of the Director of Quality and Integration was submitted detailing an update on progress against the Better Care Southampton implementation.

The Board noted the following:

- Delay transfer of care (DTC) levels have significantly reduced.
- Issues around admissions to nursing homes are complex and are being considered at a later stage.
- All residential homes are currently open.
- Focus moving towards 65+ age group, integrated care in the City and complex developments in linking primary care.

RESOLVED:

- (i) To note and welcome the progress with implementation of Better Care Southampton which is coming to the end of its first year; and

- (ii) To consider the future of Better Care Southampton for 2016/17 and beyond, agreeing the policy context towards the whole system integration of health and social care.
