BRIEF SUMMARY			
In accordance with the Accounts and Audit Regulations the Council is required to develop and publish an Annual Governance Statement ('AGS'). The AGS reports on the extent to which the Council has complied with its Code of Corporate Governance, including how it has monitored and evaluated the effectiveness of its governance arrangements in the year, and on any planned changes in the coming period.			
RECOMMENDATIONS:			
	(i)	To note and approve the assurance gathering process to support the development of the 2017-18 Annual Governance Statement (Appendix 1).	
REASONS FOR REPORT RECOMMENDATIONS			
1.	The Governance Committee has responsibility to provide independent assurance on the adequacy of the risk management framework and the internal control and reporting environment, including (but not limited to) the reliability of the financial reporting process and the annual governance statement.		
ALTERNATIVE OPTIONS CONSIDERED AND REJECTED			
2.	The development and publication of an AGS is a requirement under the Accounts and Audit Regulations.		
DETAIL (Including consultation carried out)			
3.	Regulation 6 (1) of the Accounts and Audit (England) Regulations 2015 requires that the relevant body must conduct a review at least once a year of the effectiveness of its system of internal control and to prepare a statement on internal control in accordance with proper practices.		
4.	The purpose of the AGS, which is published with the statement of accounts, is to provide an accurate representation of the corporate governance arrangements in place during the year and to identify or highlight those areas where there are significant gaps or where improvements are required.		
5.	The AGS is produced following a review of the Council's governance arrangements. The review requires the systems and processes that		

	comprise the Council's corporate governance arrangements to be brought together and reviewed.
6.	The format and content of the 'assurance gathering process' remains largely unchanged from the previous year on the basis that it is considered to be aligned with good practice and noting that the council's external auditors, Ernst & Young, state in their 'Annual Audit Letter for the year ended 31 March 2017' that "The Governance Statement was consistent with our understanding of the Council". The only material change to the process is the timescales which have been amended in order that they are aligned with process in respect of production of the draft accounts.
7.	The key elements of the assurance gathering process comprise completion of the updated 'Assurance Framework' document together with 'Annual Governance - Self Assessment Statement' that is required to be completed by each Service Director. Both the documents cover the key processes and systems that comprise the Council's governance arrangements and are intended to identify any areas where improvement or further development is required.
8.	<p>The Council has in place a 'Controls Assurance Management Group' (comprising the Section 151 Officer, Chair of the Governance Committee, Monitoring Officer, Chief Strategy Officer and Chief Internal Auditor) which is responsible for evaluating the assurances and supporting evidence provided, and for drafting the AGS. This reflects CIPFA/Solace guidance which confirms that authorities should nominate an individual or group of individuals within the authority who have appropriate knowledge and expertise and levels of seniority to:</p> <ul style="list-style-type: none"> • Consider the extent to which the authority complies with the principles of good governance; • Identify systems, processes and documentation that provide evidence of compliance; • Identify the individuals and committees responsible for monitoring and reviewing the systems, processes and documentation identified; • Identify issues that have not been addressed in the authority and consider how they should be addressed; and • Identify the individuals who would be responsible for undertaking the actions that are required.
9.	The draft AGS will be presented to the Governance Committee for review and approval prior to being forwarded to the Chief Executive and Leader of the Council for signing.
