## STATEMENT OF CONFIDENTIALITY

#### **BRIEF SUMMARY**

In March 2017 the Scrutiny Inquiry Panel concluded their inquiry into combatting loneliness. The Scrutiny Inquiry Panel undertook the inquiry over 5 evidence gathering meetings and received information from a wide variety of organisations. This included health professionals, charitable and voluntary organisations, volunteers, commissioners, academics and lonely residents in receipt of support.

The Cabinet approved an action plan aimed at delivering the inquiry recommendations on 20<sup>th</sup> June 2017. Appendix 1 sets out the progress made to date against the action plan and identifies the next steps to be taken.

#### **RECOMMENDATIONS:**

(i) That the Committee notes the progress made in implementing the recommendations from the Combatting Loneliness Scrutiny Inquiry.

### REASONS FOR REPORT RECOMMENDATIONS

- 1. Loneliness is a significant and growing issue. Acute loneliness has been consistently estimated to affect around 10-13 per cent of older people but it is recognised that loneliness affects all age groups.
- 2. Taking action to reduce loneliness can benefit residents, communities and reduce the need for health and care services in the future.
- This report enables the Committee to effectively scrutinise progress against the approved Inquiry Panel recommendations.
