## **Legal Implications**

The legislation specifically restricts the grounds on which the sub-committee may refuse an application for grant of a premises licence, or impose conditions. The legislation provides for a presumption of grant of an application for a premises licence, subject to the determination of the application with a view to promoting the licensing objectives in the overall interests of the local community. In doing so the sub-committee must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives;
- the representations (including supporting information) presented by all the parties;
- its own statement of licensing policy
- the Statutory Guidance

An application may be refused in part and thereby only permit some of the licensable activities sought.

An applicant for grant of a premises licence whose application has been refused, or who is aggrieved by conditions imposed, may appeal against the decision to the Magistrates' Court. Any other person, who made a valid representation, may appeal to the Magistrates' Court against the decision to grant the application or against any conditions imposed.

In considering this application the sub-committee is obliged to consider the application in accordance, in particular, with both the Licensing Act 2003(Hearings) Regulations 2005 (as amended) and the rules of natural justice

The practical effect of this is that the sub-committee must make its decision based on evidence submitted in accordance with the legislation and give adequate reasons for reaching its decision.

Only persons that made relevant representations or their representative, within the time limits, will be allowed to present evidence and this will be restricted to the points raised in their written representation. Any evidence used to expand upon specific points already raised in a written representation should be served upon all parties in good time before the hearing date in order to allow proper consideration. A failure to properly serve any such additional evidence in advance is likely to mean it cannot be produced or relied upon at the hearing.

The sub-committee must also have regard to:

- *The Crime and Disorder Act 1998*  
Section 17 of the Crime and Disorder Act 1998 places the sub-committee under a duty to exercise its various functions with due regard to the likely effect of the exercise of those functions on, and the need to do all that it reasonably can to prevent, crime and disorder in its area.
- *The Human Rights Act 1998*  
The Act requires UK legislation to be interpreted in a manner consistent with the European Convention on Human Rights. It is unlawful for the sub-committee to act in a way that is incompatible (or fail to act in a way that is compatible) with the rights protected by the Act. Any action undertaken by the sub-committee that could have an effect upon another person's Human Rights must be taken having regard to the principle of proportionality - the need to balance the rights of the individual with the rights of the community as a whole. Any action taken by the sub-committee which affects another's rights must be no more onerous than is necessary in a democratic society. The matters set out in this report must be considered in light of the above obligations.

Copies of the application for grant of a premises licence and the representations to it are annexed to this report.

## **Equality Act 2010**

Section 149 of the Equality Act 2010 requires the Council to have due regard to the need to eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act. It also requires the Council to advance equality of opportunity and foster good relations between persons who share a relevant protected characteristic and persons who do not share it. This means having due regard to the need to removing or minimising disadvantages suffered, taking steps to meet the needs of persons, encouraging persons to participate in public life, tackling prejudice and promoting understanding. The relevant protected characteristics are: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; sexual orientation.

**SUMMARY**

This application is for a new premises licence for the following licensable activities. Recorded Music and Sale of Alcohol only. The Late Night Refreshment is not required as they will only be opening to 23.00. This will be for a small restaurant within the Cumulative Impact Policy Area

This message came from outside your organisation.

Dear Licensing,

I have noted the hours and change of consultation however I am happy that the below will still stand.

**CCTV**

*A colour recording CCTV system that captures images from the main public areas must be fully operational whilst licensable activities are taking place.*

*The system shall be able to cope with all levels of illumination.*

*The recording equipment shall be stored and operated in a secure environment with limited access, to avoid damage, theft, unauthorised viewing and maintain the integrity of the system.*

*The system shall be serviced at twelve monthly intervals and maintained to a standard that is acceptable to the police licensing department responsible for the area.*

*The system clock shall be checked regularly for accuracy taking account of GMT and BST.*

*Digital systems shall have sufficient storage capacity for 28 days evidential quality recordings (minimum 4 frames per second).*

*The images produced shall be date and time stamped.*

*A notice shall be displayed at the entrance to the premises advising that CCTV is in operation.*

*An additional recording CCTV camera shall be installed and fully operational whilst the venue is open to the public to cover the area immediately outside the front of the premises.*

*It is important that the Police are able to access data from the systems quickly and easily and therefore provision shall be made that at all times a person is in attendance who is nominated by the data controller who has access to the secure area who is able to operate the equipment Ensure all operators receive training from the installer when equipment is installed and that this is cascaded down to new members of nominated staff.*

*Have a simple operator's manual available to assist in replaying and exporting data (particularly important with digital systems) and to produce images to the police responsible authority for the purpose of the prevention and detection of crime as long as the request is lawful and complies with the data protection Act.*

*In the event of a technical failure of the CCTV equipment, the premises licence holder or DPS shall notify the police licensing department responsible for the area within 24 hours.*

**REFUSALS BOOK**

*A written log shall be kept of all refusals including refusals to sell alcohol. The Premises Licence Holder shall ensure that the refusals log is checked, signed and dated on a weekly basis by the venue manager/manageress.*

*The refusals log will be kept and maintained at the premises and will be available for inspection immediately upon request by Hampshire Constabulary and any responsible authority.*

*The record of refusals will be retained for 12 months.*

**INCIDENT BOOK**

*An incident book shall be maintained to record any activity of a violent, criminal or anti-social nature.*

*The record will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. This record shall be produced to a police officer or an authorised officer of the local authority on reasonable request. This record shall be retained for a period of 12 months.*

**STAFF TRAINING**

*Before commencing their duties all new staff must receive information and training concerning the sale of age-restricted products.*

*This training must cover their legal responsibilities and action to be taken in the event of suspicions being aroused that someone is purchasing or attempting to purchase an item under the legal age.*

*All employees will sign a letter to acknowledge that they have completed this training and have understood their responsibilities on this area.*

*This training should be reviewed and updated at reasonable intervals but at least annually. Training records will be kept on the licensed premises to which they relate.*

**CHALLENGE 25**

*There will be a Challenge 25 policy operating at the premises. Challenge 25 means that the holder of the premises licence shall ensure that every individual, who visually appears to be under 25 years of age and is seeking to purchase or be supplied with alcohol at the premises or from the premises, shall produce identification proving that individual to be 18 years of age or older.*

*Acceptable identification for the purposes of age verification will include a photo card driving licence, passport or photographic identification bearing the "PASS" logo and the persons date of birth.*

*If the person seeking alcohol is unable to produce acceptable means of identification, no sale or supply of alcohol will be made to or for that person.*

*'Challenge 25' posters shall be displayed in prominent positions at the premises.*

**Alcohol**

*Alcohol shall only be sold or supplied to customers who are engaging in a sit down table meal, as an ancillary to that meal.*

Many thanks

Mark

Good Morning Licensing,

The applicant has agreed to have the below conditions on their licence, therefore we make representation on the application, but based on the agreed amendments, a hearing is not necessary.

Kind Regards  
Matthew Taylor

Dear Sufian Uddi,

Environmental Health have been consulted on your application for [22 Bedford Place, Southampton SO15 2DB](#).

Your application is for a dine in restaurant.

I note residential premises within the location of your proposed business therefore I want to ensure that adequate controls are documented on the licence that will help with the Prevention of Public Nuisance.

I note that you have provided the following wording on your application form:

'Music only permitted to be played in the background of the restaurant' and 'Patrons will be asked to leave quietly, signs will be on site up and available upon exit.'

Can I request an amendment to this wording to ensure that the wording is suitable.

*Notices shall be prominently displayed at all exits requesting patrons to respect the needs of local residents and businesses and leave the area quietly*

*All audio from the music system will be played at background level only*

If you are happy to accept the reworded conditions noted above (in italics) please reply to me and I will ask our licensing team to add these to your licence should the decision be to grant your licence.

If you would like to discuss the wording to any of the above conditions please do not hesitate to contact me, I am normally happy to change the wording as long as it provides adequate protection to local residents.

Kind Regards  
Matthew Taylor

Dear Sir/Madam

I object to the application for a Premises Licence for the address Mumbai Street Kitchen, 22 Bedford Place, Southampton SO15 2DB

The Bedford Place area is already saturated with premises serving/selling alcohol. This property is also in the Impact Zone for Bedford Place.

The adjacent roads are residential and every night the residents have to put up with anti-social behaviour from patrons of the local licensed establishments.

There is screaming, shouting, arguing and singing all hours of the night. Also frequent drug taking, using the residents' gardens as toilets and banging of car doors.

A previous application for a premises licence at the above address was rejected and I strongly support a rejection of this application also.

I trust that the opinions of the local residents will be considered

Your faithfully

C. McDERMOTT

### **Procedure – Applications etc. under the Licensing Act 2003 or Gambling Act 2005**

1. A hearing will be held to decide applications, etc., under the Licensing Act 2003, where there have been relevant representations from one or more of the responsible authorities or other persons. The parties to the hearing will have the chance to be heard. They are also entitled to be helped or represented by another person if due written notice is given in advance.
2. Hearings will take place before a Sub-Committee comprising three members of the Licensing Committee. One of these members will be elected Chair of the Sub-Committee for that hearing.
3. Please note that for day time hearings the Sub-Committee will normally adjourn for lunch at 1:00 p.m. and that comfort breaks will be taken at the discretion of the Chair at appropriate points during the meeting.

#### **Preliminary matters**

4. The Chair will introduce those present.
5. The Chair will check whether any of the Sub-Committee members has a “disclosable pecuniary”, “personal” or “pecuniary” interest.
6. The Chair will check whether all the parties are present at the hearing, and if any are not, whether they have told the Council that they do not wish to attend or be represented. If any party who was expected to attend has not done so, the Sub-Committee will decide whether to hold the hearing in that party’s absence, or to adjourn it to another date. Hearings will be adjourned if the Sub-Committee considers this necessary in the public interest, if that is possible. If the Sub-Committee decides to hold the hearing in a party’s absence, they will still consider any written information received.
7. In the case of an application for variation or a new licence, the Sub-Committee’s legal advisor will ask the applicant or their advisor for confirmation that the required public notices have been displayed where they can conveniently be read from the exterior of the premises and that notice was given in a local newspaper within eleven working days of the day on which the application was received by the licensing authority.
8. Normally, hearings will be open to the public. However, the Sub-Committee may exclude the public from the hearing (or part of it) if they think the public interest in doing so outweighs the public interest in having the hearing in public. If the public are excluded, any of the parties to the hearing, and/or anyone helping or representing them, may also be excluded.
9. The Chair will propose a motion that the public and the press be excluded from the hearing while the Sub-Committee considers the matter. Ordinarily the legal advisor and democratic support officer will remain (see paragraph 30 (b) below).
10. The Openness of Local Government Bodies Regulations 2014 provide an entitlement for the public to film, photograph and audibly record (“record”) public meetings. However, by virtue of Schedule 6, paragraph 58 of the Licensing Act 2003 and section 101 (15) of the Local Government Act 1972, Licensing Act 2003 hearings are not covered by the entitlement to film as of right. The Council’s general approach is to encourage openness and transparency in all its dealings and the general presumption is that filming or recording of hearings shall generally be permitted where due notice has been provided in advance of the hearing. Nonetheless the following shall apply:

- i) Filming / recording / photographing hearings shall only be permitted with the express permission of the Chair. Such permission may include restrictions to protect children, vulnerable persons or others that object to being filmed / photographed / recorded.
  - ii) Requests to film / record / photograph should be made with sufficient notice in advance of the hearing. Late requests may not be granted if there shall be a delay to proceedings as a result.
  - iii) Every party to the hearing and any witnesses shall have the opportunity to object and those representations shall be considered by the Sub-Committee.
  - iv) No filming, photography or sound recording shall be permitted of any person under 18 years of age.
  - v) No person shall be put under any pressure to consent to such and no payment for such consent shall be given.
  - vi) The Chair shall have the final say as to whether any filming, photography or recording is allowed (including the extent to which permission is granted e.g. the parts of the meeting, the individuals concerned or the arrangement of the recording equipment).
  - vii) All directions given by the Chair shall be fully complied with and the Chair shall have the absolute discretion to withdraw permission to film, photograph or record in the event the same causes an obstruction or interferes with the general conduct of the hearing, including the impeding of the giving of proper evidence.
11. A party may have asked for someone else to appear at the hearing to make a point or points that may help the Sub-Committee reach a decision. It is up to the Sub-Committee to decide whether that person should be heard, although permission will not be refused unreasonably. Such a person is referred to as a “witness” in this procedure.
12. Where application has been made, in advance of the hearing, that it should be conducted in private (e.g. by the Police in review or summary review proceedings) reports shall be prepared and presented as confidential so that the Committee can make a meaningful determination in accordance with Regulation 14 of the Licensing Act 2003 (Hearings) Regulations 2005 to exclude the press and public. It is important to note that reports presenting Licensing Act 2003 matters are not required to be published in advance. However, certain limited information must be published in accordance with the Licensing Act 2003 (Licensing Authority’s Register) (Other Information) Regulations 2005 and section 8 of the Licensing Act 2003.
13. The Chair will then explain the procedure that will follow.

### **General information on the conduct of the hearing**

14. Each party is entitled to:
- (a) Give further information in response to any point that the Council told them before the hearing they would like clarified;
  - (b) With the permission of the Chair, seek clarification on any point by any other party;
  - (c) Address the Sub-Committee.
15. Members of the Sub-Committee may also seek clarification of any party or witness.
16. At the Chair’s discretion, the Sub-Committee’s legal advisor may ask any questions he or she thinks are relevant.

17. Unless the Council has requested in advance that a particular point be clarified, new documentary or other evidence may not be submitted for the first time at the hearing, unless all the other parties agree.
18. Members of the Sub-Committee will have read all the papers included in the agenda for the hearing before the hearing starts. The parties are requested not to spend unnecessary time repeating evidence which is already in the papers and which is not disputed.
19. Evidence that is not relevant to the case, or to the promotion of the four licensing objectives, will be disregarded.

### **Hearing Procedure**

20. If any party has asked permission for a witness or witnesses to appear, the Sub-Committee will decide whether they should be heard (see paragraph 10 above).
21. All parties will be allowed a similar (and maximum) amount of time to put their case, and ask questions of other parties, subject to the Chair's discretion to not hear repetitive matters or questions.

### **The applicant**

22. The applicant for the licence (or their representative) or the applicant in review proceedings, may present their case.
23. If the Sub-Committee permits, the applicant may call those witnesses whose names have been provided in advance to support their application.
24. Where a group of witnesses wish to speak in support of the application for similar reasons, one person should, where possible, act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.
25. The Chair will invite those making representations to seek clarification on any point made by the applicant. The Chair will decide in which order those making representations will be invited to put their questions.
26. Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may also seek clarification of the applicant or any of their witnesses.

### **The representations**

27. Where there is more than one person making a representation, the Chair will decide the order in which they may put their case. If there is a representation from one or more of the responsible authorities, their representatives will normally be invited to put their case first.
28. The following procedure will apply to each person making a representation in turn:-
  - (a) The person making a representation (or their representative) may present their case.
  - (b) If the Sub-Committee permits, the person making a representation may call those witnesses whose names have been provided in advance to support their objection.
  - (c) Where a group of witnesses wish to speak in support of the objection for similar reasons, where possible, one person should act as spokesperson for the whole group. The Sub-Committee may reasonably refuse permission for a witness to be heard if their evidence simply repeats points already made.

- (d) The Chair will invite the applicant to seek clarification on any points made by those making representations.
- (e) Members of the Sub-Committee or the Legal Advisor, if so permitted by the Chair, may seek clarification of those making representations or any witnesses.

### **Summing up**

29. The Chair will invite each person making a representation to make a final statement or sum up their case.

30. The Chair will invite the applicant to make a final statement or sum up their case.

### **Sub-Committee's decision**

31.

- (a) At the end of the hearing the Sub-Committee will move to private session whilst it considers the matter.
- (b) The Sub-Committee's legal advisor will remain to provide legal advice and the democratic services officer will remain to record the decision. Details of any legal advice will be recorded and referenced in the decision and reasons.
- (c) The parties will be invited to wait to be informed of the outcome.
- (d) As soon as the decision is reached, the public and press will be invited to return to the room in which the hearing took place, and the Chair will announce the decision and the reasons for it.
- (e) If a room is available, the Committee may retire to deliberate and make its decision
- (f) All parties will be formally notified in writing of the decision and reasons as soon as possible.

In most cases the Sub-Committee will announce the decision at the conclusion of the hearing. In certain cases where this is not possible due to time constraints (and the Hearings Regulations permit – Regulation 26 (1) sets out those hearings where delay is not possible) the decision shall be made within 5 working days beginning with the day of the hearing or the last day of the hearing.
