

**Southampton and Eastleigh Building Control Partnership -
Statement regarding working with the Building Safety
Regulator.**

The Building Safety Regulator (BSR) will become the Building Control Authority for high risk buildings from 1st October 2023.

Southampton and Eastleigh Building Control Partnership will support the BSR in determining compliance with building regulations utilising the following single hourly rate £76.95

This rate will be kept under review and has been calculated to achieve full cost recovery. The rate is approved by Southampton City Council's Section 151 officer.
