

OUR GREEN CITY

Since launching our Green City Plan in March 2020, our ambitious targets have helped us tackle climate change and support nature to thrive in our city. Here is a some of many achievements we have made from March 2022 and March 2023.

We want to see Southampton be a leading city for the green economy and we want to maximise our great natural assets.

NATURAL ENVIRONMENT

120 VOLUNTEER DAYS IN THE LAST YEAR SUPPORTING BIODIVERSITY PROJECTS. INCLUDING **60** VOLUNTEER SURVEYORS ASSESSING **60** OF OUR WILD MEADOW SITES.

AIR QUALITY

- AN UPDATED AIR QUALITY ACTION PLAN WITH **60** NEW MEASURES
- EXPANDED OUR MONITORING NETWORK WITH **9** NEW STATIONS

HANTS 2025 SCHEME

WE'VE ENCOURAGED CLEANER E-VANS AND E-TAXIS WITH OUR **50%** DISCOUNT LEASE SCHEME

CARBON EMISSIONS

9% REDUCTION IN ANNUAL EMISSIONS FROM COUNCIL PROPERTY AND FLEET SINCE LAUNCHING THE PLAN. THAT'S THE EQUIVALENT OF 700 FLIGHTS FROM LONDON TO NEW YORK

WILDFLOWERS

26 NEW WILDFLOWER MEADOWS IN PLACE! EXCEEDING OUR WILDFLOWER MEADOW TARGET OF 25 BY 2025!

SUSTAINABLE TRAVEL

OVER **1000** BERYL BIKES BY BREEZE AND VOI E-SCOOTERS CLOCKING UP **123,000KM** OF ZERO EMISSION TRIPS PER MONTH.
