BUILDING NOTICE GUIDANCE NOTES

1 The applicant is the person on whose behalf the work is being carried out, eg the building’s owner.

2 THE BUILDING NOTICE - This procedure is not applicable in the following situations:
   • where the building work relates to buildings to which the Regulatory Reform (Fire Safety) Order 2005 applies or will apply on completion;
   • where it is intended to erect, extend or underpin a building situated over or ‘map of sewers’ (see requirements contained in Building Regulation H4 ‘Building Over Sewers’).

In all the above cases, the ‘Full Plans’ procedure must be adopted.

3 Only one copy of a Building Notice, duly completed, is required to be submitted.

4 Where the proposed work includes the erection of a new building or extension, this notice shall be accompanied by the following:
   (a) block plan to a scale of not less than 1:1250 showing:
      • the size and position of the building, or the building as extended, and its relationship to adjoining boundaries, including any other building or proposed building within the site;
      • the width and position of any street adjacent to or within the boundaries of the site;
   (b) the provision to be made for the drainage of the building or extension;

5 Where the proposed work involves the insertion of insulating material into the cavity walls of a building, this Building Notice shall be accompanied by a statement as to:
   • the name and type of insulating material to be used;
   • whether or not the insulating material is approved by the British Board of Agrement or conforms to a British Standard specification;
   • whether or not the installer is a person who is the subject of a British Board of Agrement Certificate of Registration or has been approved by the British Board of Agrement for the insertion of that material.

6 Where the proposed work involves the provision of an unvented hot water storage system, this Building Notice shall be accompanied by a statement as to:
   • the name, make, model and type of hot water storage system to be installed;
   • the name of the body, if any, which has approved or certified that the system is capable of performing in a way which satisfies the requirements of Part G of Schedule 1 to the Building Regulations 2010
   • the name of the body, if any, which has issued any current registered operative identity card to the installer or proposed installer of the system.

7 Persons carrying out building work must give at least two working days prior notice of the commencement of the work.

8 CHARGES - subject to certain exemptions the Building Notice Charge is calculated in accordance with the current charges scheme. A charges schedule is available on request.
   (a) Table A prescribes the charges payable for the erection of small domestic buildings. Table B prescribes the charges payable for alterations and extensions to a dwelling house, the addition of a small garage, carport or a room in the roof. Table C prescribes the charges payable for all other cases.
   (b) The Building Notice charge is a single payment and covers all site inspections applicable under The Building Regulations for the works in question.
   (c) Charges are payable to: Southampton City Council

9 These notes are for general guidance only, particulars regarding the submission of Building Notices are contained in Regulation 13 of the Building Regulations 2010 and, in respect of charges, in the Council’s Building Control Partnership Charges Scheme, applicable at the time of submission.

10 PLANNING APPROVAL - persons proposing to carry out building work or make a material change of use of a building are reminded that permission may be required under the Town and Country Planning Acts. For further advice on planning telephone: Southampton: 023 8083 2603 Eastleigh: 023 8068 8264

11 Further information and advice concerning Building Regulation matters may be obtained from: Southampton and Eastleigh Building Control Service Tel. 023 8083 2558 or fax 023 8083 3200 or email building.control@southampton.gov.uk

12 This Building Notice shall cease to have effect from three years after it is given to the local authority unless the work has been commenced before the expiry of that period.

13 DATA PROTECTION ACT 2018 - Please note that the information provided in this Building Notice application may be passed to other sections of the Borough Council to inform them of this Building Notice Application. Details are also disclosed to the Ordnance Survey Office, Southern Water and Hampshire Fire and Rescue Service.

14 THE PARTY WALL ETC. ACT 1996
   If you intend to carry out building work which involves:
   • work on an existing wall shared with another property
   • building on the boundary with a neighbouring property
   • excavating near a neighbouring building
   The Party Wall Act may apply and you should notify all affected neighbours.

Further information on Party Wall matters is available from the Department for Communities and Local Government website www.communities.gov.uk or by contacting a local qualified building professional.

15 FREEDOM OF INFORMATION ACT 2000
   Plans and information forming part of this application may be made available to the public unless the information is expressly provided in confidence. All particulars would need to be marked as “confidential”.
