When my mum/dad phones, the call can be very quick. This is what I want to say next time.

A large, empty rectangular box with a black outline. At the bottom left corner, there is a small triangular shape pointing downwards, resembling the tail of a speech bubble. The box is intended for the user to write their response.

Everything goes wrong!

Help me!

Nothing is easy!

It's not fair!

Will things ever be the same again?

AFTER THE

VISIT

How was it?

What did you feel?

Will you visit again?
