

Special Educational Needs and Disabilities (SEND) Strategic Priorities

In Southampton we are committed to delivering against these six priorities to ensure our children get the best start in life and our families get the support they need.

Early Years

Early assessment and intervention to support maximum outcomes by the time a child starts school.

Right support at the right time

Improving access to information, advice and support – 'no wrong door.'

Inclusion

Children and young people feel welcomed and valued as part of their local community.

A local offer that meets the wide range of needs within the city

Improving local care and support for everyone.

Mental and Physical Wellbeing

Promoting resilience, building strong prevention and early intervention services.

Preparing for Adulthood

Improving the user experience of transitioning to adult services.
