

# Have you seen our Little Bears in Care all over Southampton?

The Little Bears in Care campaign aims to raise awareness of the need for more foster carers across Southampton City.

Seventeen businesses are fostering one of our Little Bears for two weeks (12<sup>th</sup> – 25<sup>th</sup> May), sharing the stories of Southampton Children who have been in foster care.

**Have you found one of our Little Bears? Take a photo and tag us on Social Media:**
