

MILLBROOK HEALTHCARE

HAMPSHIRE AND ISLE OF WIGHT NHS WHEELCHAIR AND REPAIR SERVICE

WHO ARE WE We are a leading healthcare company providing an extensive wheelchair and repair service to wheelchair users across West Hampshire, Southampton, and the Isle of Wight on behalf of the NHS

OUR SERVICE We Our highly knowledgeable and experienced clinical team prescribe a wide range of wheelchairs (both power and manual, including self-propelled) and wheelchair accessories to service users. All wheelchairs and equipment prescribed is that which best suits our service user's individual healthcare and postural needs. Along with meeting your personal requests of a wheelchair, to the best of our ability. The option of a personal wheelchair budget may be available, where following an assessment, a voucher is provided which goes toward paying the total cost of a private wheelchair, should a service user wish to purchase one privately. For more information on this, please ask a member of our clinical or admin team.
