

## **SOUTHAMPTON RED CARD SCHEME**

A “Red Card” scheme is operated by many of Southampton’s licensed premises, on the basis of “barred from one, barred from all” for individuals whose behaviour falls short of the standards expected at licensed premises.

The scheme is administered by Southampton Licensing Link, and neither Hampshire Constabulary’s Force Licensing Team nor Southampton City Council, as Licensing Authority, has any involvement in the process in respect of individuals who have been given a Red Card and thus barred from premises participating in the scheme.

If you are subject to a red card, wish to appeal it, or wish to find out more information about the process, please do not contact Hampshire Constabulary or Southampton City Council but email: [appeals@redcardsouthampton.co.uk](mailto:appeals@redcardsouthampton.co.uk)

Thank you
