

**April 2018**

**ECaT**

**More than Words**

**It's not just about talking**

**Children learn to talk by listening,  
taking turns and interacting  
with others.**

**These are the building blocks  
of communication.**

## **Challenge**

**Can you play a turn taking game  
with your child every day?**

**For example: Peek a Boo,  
Ready Steady Go! or Simon says**
