

Our Green City

We launched our Green City Plan in March 2020 to help tackle climate change and address the nature's decline. We set ourselves actions to make sure we reduce our impact on the environment - here's a few examples of what we've achieved.

30 NEW ELECTRIC VEHICLES
ADDED TO THE COUNCIL FLEET

WE LAUNCHED OUR CLEAN GROWTH
FUND TO IMPROVE COUNCIL BUILDINGS
AND LOWER ELECTRICITY USE

OVER 42% TAXI AND PRIVATE
