

ECaT Top Tips for Talking

October 2021

Use your face and
body to help your
child understand

Speak in a lively voice and use your arms and face to back up your words.

You'll be giving more clues about what your words mean, which can be very useful if your child is learning to talk or finding it difficult to understand you.

Nursery Rhyme of the month:

I'm a Little Teapot

do all your children know this Nursery Rhyme?
