

## **New Driver Applications**

We have now modified our applications process and are now accepting new applications. Note that all applications must be emailed to us at [licensing@southampton.gov.uk](mailto:licensing@southampton.gov.uk)

Applicants are asked to ensure that they properly follow all steps as stated in the application form. Note that whilst our office is closed to personal callers, we are still operating and will make arrangements with applicants to visit our CIVID secure interview rooms for knowledge tests.
