Motion	Western approach to City	Date	18/03/2015
Moving Cllr	Moulton	Seconding Cllr	Galton
Text of altered and amended motion as carried			
<p>Council recognises the benefits that the Western Docks bring to the local, regional and national economy but also notes the impact that increasing amounts of docks related traffic and industry is having on neighbouring residential communities on the west of the City.</p> <p>Council calls upon the Executive to work with council officers and ABP in drawing up plans to improve the appearance of the western approach to the City; to develop a green corridor which may include a programme of tree planting along with a range of other measures along the boundary of the docks. Council notes the opportunities presented by the refresh of the Council's Local Plan to address this matter. Council also notes the evidence that has been presented to the scrutiny inquiry into air quality, which highlights the benefits that greening this part of the City would bring; as well as improving the aesthetic appearance of the area, it would also help improve local air quality by absorbing pollution.</p> <p>Furthermore Council notes the many benefits that trees can bring communities more broadly; including reducing ground maintenance budgets, helping to maintain climate equilibrium, improving water quality in rivers and streams, assisting with combating flooding, supporting a wide range of wildlife and providing health and wellbeing benefits.</p> <p>This Council therefore pledges to explore broader opportunities for increased tree planting on Council owned land, and to give consideration and encouragement to initiatives that encourage tree planting elsewhere in the City.</p>			

Motion	Cardiopulmonary Resuscitation	Date	18/03/2015
Moving Cllr	Hecks	Seconding Cllr	White

Text of amended motion as carried

Every year in the United Kingdom there are more than 30,000 ‘out of hospital’ cardiac arrests. Of those 30,000 less than 10% of patients survive; that is 27,000 potentially avoidable deaths. Contrast that with Norway where survival rates of 1 in 4 – 25% - significantly more than in the UK. One primary reason for that substantially greater survival rate is that in Norway training in cardiopulmonary resuscitation [CPR] is compulsory in all secondary schools. This means that many more bystanders have the knowledge to assist in an emergency prior to the arrival of the emergency services.

CPR training is simple and takes less than 30 minutes. The British Heart Foundation [BHF] has launching its ‘Nation of Lifesavers’ campaign to make CPR training a part of the curriculum in every secondary school and college. Free training kits are available and no direct teacher involvement is required, the training being essentially led by a video presentation. There is thus no financial resource requirement from the school’s budget, only a single half hour out of teaching time per year.

Council therefore RESOLVES to support the British Heart Foundation’s ‘Nation of Lifesavers’ campaign by encouraging all secondary schools and colleges within Southampton to implement the BHF’s campaign by including CPR training within the curriculum.

Council recognises the need to train people – particularly young people - in the skills needed to step in and help in an emergency. Council proposes, therefore, to explore options for the introduction of a Southampton ‘heart-safe’ programme that would include:

1. Working in partnership with local community and voluntary organisations to provide support for schools and young people so that by the time every child leaves school they will have had access to emergency first aid training for Cardiopulmonary Resuscitation (CPR) and the use of defibrillators
2. Working in partnership with local businesses, identify opportunities for locating AEDs in major public venues and supporting local fundraising efforts to provide them to schools and sports clubs.

Motion	My Journey Commuter Challenge	Date	18/03/2015
Moving Cllr	Keogh	Seconding Cllr	Hammond
Text of altered motion as carried			
<p>The My Journey Commuter Challenge is an excellent initiative supported by Southampton City Council that seeks to encourage commuters in the month of May to use a mode of transport to and from work other than their car. This could be walking, cycling, or using the bus or train. Not only does this help reduce congestion and pollution in the City, it also delivers significant health benefits to the individual and supports the City Council's pledge to achieve its modal shift away from cars to other more environment friendly modes of transport.</p> <p>The Council calls upon the Executive to set a target of 10% for Southampton City Council to achieve for the My Journey Commuter Challenge in May 2015.</p>			
Motion	Funding Settlement	Date	20/05/2015

Motion	Estate Regeneration	Date	15/07/2015
Moving Cllr	Payne	Seconding Cllr	Furnell

Text of motion as carried

This Council recognises that the Government's drive to extend right to buy to housing associations may leave those associations struggling to replace sold stock, impacting on their future budgets. As a consequence, affordable housing supply in Southampton may suffer with the loss of existing homes, and housing associations being less inclined to borrow more money to create new ones.

Council notes that this outcome makes it less likely that housing associations would be able to take on properties in the City created by estate regeneration projects, placing a greater onus on the Council being a direct housing provider itself.

On the subject of estate regeneration, Council pledges its support and thanks to members of the Townhill Park stakeholder group. It also pledges full backing for the newly formed stakeholder group in Millbrook chaired by Cllr Cathie McEwing and welcomes that residents and other local stakeholders will take a leading role in shaping the estate's future.

Motion	Southampton's Heritage	Date	15/07/2015

The Council will work together with its partners to incorporate the promotion of Southampton's heritage into the following areas:

- Economic development
- Tourism and the visitor economy
- Boosting civic pride
- Events and cultural developments
- City branding

Motion	Walk In facilities at the Bitterne Walk In Centre	Date	16/09/2015
Moving Cllr	White	Seconding Cllr	Hannides

Text of altered and amended motion as carried

This Council condemns the poor funding settlement Southampton CCG has received compared to other CCG's in Hampshire.

The City Council recognises the CCG desire to improve Community Services within the City but because of a lack of Health services on the east and associated transport problems we request that those walk in facilities at the Bitterne walk in centre be maintained until an alternative comprehensive GP based out of hours service is available to all patients registered at Southampton GP's.

Motion	'Time to Change' campaign	Date	16/09/2015
Moving Cllr	Lewzey	Seconding Cllr	Shields

Text of motion as carried

This Council supports the aim of reducing the stigma and resulting discrimination often experienced by people affected by mental health issues. We support the 'Time to Change' campaign being planned for the weeks around World Mental Health Day on 10th October 2015 to publicise the need to change the way that we all behave towards people who have mental health issues.

Public understanding of the reality of mental health issues has been improving in recent years but much remains to be done. One in four of us will experience a significant mental health concern. Each of those people will have family members or other close relationships who will be affected as a result. All of us will know someone as family or friend, or study with someone or work with someone who is affected. Mental health issues can affect young people, people of working age or older people. The impact on people in family, working, educational or social life can be profound.

We recognise that if we are to be successful in changing stigma and discrimination we need all parts of the City's population and organisations to contribute. This will be of special concern to people who use services, carers and organisations working in partnership to provide help with mental health.

Since mental health is everyone's business Council Members, together with others in Southampton, will be offered the chance to attend a number of events and activities during October.

Of special note is the initiative being taken by OSMC and the special City Council Scrutiny Panel that will be looking at the situation for people with dementia in Southampton and how the City is progressing in order to become a fully Dementia-friendly city.

Motion	Southampton's library buildings	Date	16/09/2015
Moving Cllr	Fuller	Seconding Cllr	Inglis

Text of amended motion as carried

This Council notes the over ninety million pounds of cuts that have been imposed upon it by a vicious uncaring Conservative government. This Council further notes that the Chancellor Mr Osborne has instructed his ministers to propose further cuts of between 25 and 40% in non-protected budgets. The Conservative government has designated all our services including Libraries as non-protected. Services like Libraries are not a priority for this government.

This Council recognises the important role libraries and other council supported community buildings play in the social fabric of our City. Council notes the commitment given by the Leader to maintain fully funded Libraries in our district and city centres. Council calls on the Executive to work with all interested parties in establishing thriving community run Libraries in the five locations where a fully funded council service is being withdrawn.

The contribution some libraries make cannot simply be measured in the number of books borrowed, they have become important community hubs that have enriched and helped bond local communities. A safe and secure place for children, an enriching and motivating environment, a place for getting back on your feet or simply somewhere to reflect quietly – some of our libraries provide all of these and can continue to do so as either fully funded buildings or community run facilities.

If the Conservative government withdraws its proposal to cut council funding further in the autumn then the Executive gives a commitment to withdraw its proposal to change the status of five city libraries to community run buildings.

Motion	Trade Union Bill	Date	18/11/2015
Moving Cllr	Jeffery	Seconding Cllr	Hammond

Text of motion as carried

Council notes the positive contribution that our trade union colleagues make to the best possible delivery of public services in Southampton. Through partnership rather than conflict, trade unions represent their members, assist in the development of a safe and decent working environment, and add to the overall ethos of Southampton as an attractive place to work.

Council is alarmed at the way in which the Trade Union Bill seeks to tear up the collaboration between employers and trade union members, and the potential impact this will have on Southampton City Council, and many other workplaces across Southampton. The attacks on the right to strike, on the freedom of speech, and by making it more difficult for trade union members to pay their subscriptions are not just an attack on the trade union movement, but an attack on our fundamental rights in a democratic society.

Council therefore resolves the following:

- To continue to offer a “cheque-off” service - the ability of trade union members to have their subscriptions deducted at point of payment - to all members of staff at Southampton City Council, in spite of Government attempts to stop it. If this is not possible, to come up with a local plan to enable alternative methods of payment.
- To support the continuation of Trade Union Facility Time, in recognition of its contribution to reduced litigation and a healthier and safer working environment, and in promoting a positive working environment.
- To clearly reaffirm Southampton City Council’s commitment to being a friendly environment for trade unions, to welcome their development, and to work in partnership with trade unions, not in conflict.
- To issue a press release upholding Southampton City Council’s support for the trade union movement, and reflecting the aforementioned resolution.

Motion	Hampshire Fire and Rescue Service	Date	18/11/2015
Moving Cllr	Mintoff	Seconding Cllr	Spicer

Text of motion as carried

This Council notes the current ongoing consultation by Hampshire Fire and Rescue Service ‘Planning for a Safer Hampshire’ and the proposal within the document to reduce night time cover at Hightown Fire Station.

This Council believes that this will increase the risk to lives and property for the whole of the East of the City, containing some of the most deprived areas in the country, at a time of the day when people are most vulnerable to fire.

Council notes that similar reductions in night time cover are not proposed for the Cosham station in Portsmouth which deals with less critical incidents, covers a smaller population, and has fewer large risks such as BP Hamble, NATS and multiple high rise buildings on their station ground.

Council calls on the Leader of the Council to write to the Chief Fire Officer to raise these concerns and on our Fire Authority members to not support any proposal that leads to the reduction in night time cover at Hightown.

Motion	Social Care Budgets	Date	18/11/2015
Moving Cllr	Letts	Seconding Cllr	Chaloner

Text of altered motion as carried

Council notes that in the last five years we have seen unprecedented cuts to our government grant and that the cuts to local government have been concentrated on urban areas like Southampton.

Council notes that demand continues to rise in high cost service areas like adults and children’s social care.

Council notes the efforts by Cllr Royston Smith MP, Alan Whitehead, MP and Caroline Nokes MP to highlight local concerns about in year Public Health cuts and that Councillor Smith MP had written to Jane Ellison MP, Parliamentary Under-Secretary (Department of Health) raising the council’s concerns.

Council calls on the Leader of the Council to write to the Chancellor and the Secretary of State for local government ahead of the autumn statement and request that our social care budgets are protected in the same way as other government budgets with rising demand such as Health. This letter to be copied to all Southampton MP’s.

MOTIONS PASSED IN 2016

Motion	Housing and Planning Bill and the Welfare Reform and Work Bill	Date	16/03/2016
Moving Cllr	Furnell	Seconding Cllr	Payne
Text of motion as carried			
<p>This Council notes the Housing and Planning Bill along with the Welfare Reform and Work Bill will have a significantly damaging impact in Southampton.</p> <p>It will include:</p> <ol style="list-style-type: none"> 1. Southampton City Council will have £33m less to spend on housing (£10m due to inflation, £23m directly linked to Government) over the next four years. 2. Under 'Pay to Stay', Southampton families earning more than £30,000 per year will forfeit their social rent and be forced to pay full market rent, in some cases, seeing their rent double. Council further notes that a couple earning the living wage could be impacted by Pay to Stay and the only financial beneficiary will be the Tory-led Government. 3. No housing provider, including Southampton, will be able to offer new council tenancies for life. Tenancies will only be temporary (2-5 years) with no lifetime security. 4. The stricter benefit cap (£20,000 per family instead of £26,000) will see the number of tenants affected by the benefit cap in Southampton increase by 20 times (800 up from 39). In conjunction with the introduction of Universal Credit, this Council recognises tenants' rental debts will almost inevitably increase, harming the Council's cash flow. 5. To bankroll extending the Right to Buy to housing associations, local authorities will be forced to sell council housing to compensate housing associations for their lost properties. In effect, the loss of one social property will lead to another being lost in consequence. <p>This Council is gravely worried about these impacts on Southampton. As a result, it calls on all group leaders to sign a joint letter to the city's three MPs urging them to publicly denounce both bills.</p>			

Motion	Environmental Challenges and Climate Change	Date	16/03/2016
Moving Cllr	Shields	Seconding Cllr	Keogh

Text of motion as carried

This Council is concerned at the worrying lack of progress by Government on addressing the nation’s environmental challenges and on tackling man-made climate change, in particular. We are especially disappointed at the reversal of Government policy on green energy and the failure to support adequately local authorities sufficient powers to address poor health resulting from air pollution and to prevent unwanted fracking.

Council recognises the valuable contribution made by the current administration in promoting a cleaner environment in Southampton through initiatives such as the:

1. Introduction of glass recycling.
2. My Journey Campaign promoting modal shift.
3. Working with British Cycling to promote the Southampton Sky Rides.
4. Air quality scrutiny inquiry report.
5. “Keep Britain Tidy” declares Southampton parks to be some of the best in the country in 2014.
6. Investment in play areas across the City.

Council resolves to continue to work with our City MPs in addressing Southampton’s environmental challenges and pressing central Government for adequate levels of resources for meeting these.

Motion	Lollipop men and ladies	Date	16/03/2016
Moving Cllr	Moulton	Seconding Cllr	Inglis
Text of amended motion as carried			
<p>Ensuring the safety of children in Southampton should be an absolute priority for the City Council.</p> <p>Council recognises and values the important role that the city's dozens of lollipop men and ladies do in keeping local school children safe. Council further notes that with many of our local primary schools expanding, ensuring that children can get to school safely is an ever more pressing issue.</p> <p>Council notes the Administration's excellent negotiating strategy in relation to Transformation Project reviews, these have resulted in significant additional financial benefits to the Council.</p> <p>Council calls on the Executive to use some of these additional savings to maintain a Council funded school crossing patrol service for all schools that have or commit to developing a school travel plan.</p> <p>Council calls on the Executive to continue to work with school governing bodies to secure additional resources to enhance road safety around our schools.</p>

<p>On the balance of the arguments this Council believes it is in the interests of the City of Southampton for the UK to remain a member of the European Union.</p>			

Motion	Acts of racism	Date	20/07/2016
Moving Cllr	Moulton	Seconding Cllr	Kaur
Text of altered motion as carried			
<p>Calls on Council to support David Cameron’s example of uniting the country behind the decision made democratically to leave the European Union and move forward together.</p> <p>Southampton is a diverse and tolerant city with a long history of people from different communities living in harmony together. Council is concerned about the recent rise in hate crime and condemns it in all its forms, which includes a zero tolerance policy to any incidents of a racial nature which has increased in Southampton following the EU referendum. Council will actively work with affected communities to encourage people to report hate crime and asks the police to deal effectively with those that carry them out.</p> <p>Council also notes that following the result of the EU referendum on the 23rd of June the future of European Citizens, who have chosen to live and build their lives in our city is uncertain. Many of these citizens play a vital role in the daily life of our city, working in our private and public sectors. Council requests that the Leader of the Council write to the home office seeking an early clarification as to the status of European Citizens living in Southampton and whether they will be offered the right to remain.</p> <p>Now is our opportunity to take the result forward and build an ever fairer, stronger and prosperous United Kingdom for us all.</p>

As such, we re-affirm our commitment to the Armed Forces Covenant and will undertake any actions needed to achieve a Bronze Award in the Defence Employer Recognition Scheme in the coming year. <p>(i) that in pursuance of the provisions of Section 249(5) of the Local Government Act 1972, the Honorary Freedom of the City be conferred on Francis Benali, in recognition of his fund raising achievements for charitable causes; and</p> <p>(ii) that suitable scrolls and caskets be commissioned for this purpose.</p>			
Motion	Women Against State Pension Inequality	Date	16/11/2016
Moving Cllr	T Thomas	Seconding Cllr	Morrell
Text of motion as carried			
<p>Southampton City Council welcomes the opportunity, in response to a request to their ward councillors from Southampton members of Solent WASPI, the local branch of Women Against State Pension Inequality, to support their call upon the Government to make fair transitional state pension arrangements for all women born on or after 6th April 1951, who have unfairly borne the burden of the increase to the State Pension Age with lack of appropriate notification.</p> <p>Hundreds and possibly thousands of Southampton women, and hundreds of thousands nationally, had significant pension changes imposed on them by the Pensions Acts of 1995 and 2011 with little or no personal notification of the changes. Some women had only two years notice of a six-year increase to their state pension age.</p> <p>Many women born in the 1950's are now living in hardship. Retirement plans have been shattered with devastating consequences. Many of these women are already out of the labour market, caring for elderly relatives, providing childcare for grandchildren, or suffer discrimination in the workplace so struggle to find employment.</p> <p>Council therefore instructs the Leader to write to the Secretary of State for Work and Pensions accordingly.</p>			

Motion	Central Government Proposal to Reduce Funding for Community Pharmacies	Date	16/11/2016
Moving Cllr	Noon	Seconding Cllr	Bogle

Text of motion as carried

This Council greatly values and appreciates the important contribution of primary care to the City's health and wellbeing. An essential part of the primary care system is provided by community pharmacies. This Council is alarmed, therefore, at plans by central government to drastically reduce funding for community pharmacy in 2016/17 (a 12% cut) and subsequent years.

Council, therefore, urges the Health & Wellbeing Board to seek assurances from Government Ministers that no community pharmacies in Southampton will be placed at risk of closure as a result of the national strategy and to work in partnership with the Hampshire & Isle of Wight Local Pharmaceutical Committee and the City's GPs to vigorously protect and promote the City's valuable primary care services.

Motion	Brexit Negotiations	Date	16/11/2016
Moving Cllr	Keogh	Seconding Cllr	Furnell

Text of motion as carried

This Council believes that a key principle underpinning the Brexit negotiations and agreement should be the achievement and maintenance of a strong and stable national economy because this supports the growth and development of local economies such as Southampton, ensuring our residents have the best outcomes in terms of employment opportunities, disposable incomes and access to reliable public services. It will intrinsically affect major employers in the City such as the University Hospital Southampton NHS Trust, our two Universities and ABP.

This Council asks that the Leader of the Council write to the Secretary of State for Exiting the European Union requesting that he sets out the economic tests that will underpin our Brexit negotiations and agreement.

Motion	Council approach to Customer Services	Date	16/11/2016
Moving Cllr	Moulton	Seconding Cllr	Fitzhenry

Text of amended motion as carried

Full Council recognises the concern about the way it is felt by some, that it has become difficult for residents of Southampton to get in contact with the City Council. Full Council calls on the Executive to urgently conduct a full review on telephone customer interaction and to ensure that the needs of all Southampton residents are catered for.

Moving Cllr	Moulton	Seconding Cllr	Fitzhenry

Council resolves to make Southampton the most attractive place in the UK for the use of Ultra Low Emission Vehicles. Council recognises the enormous contribution that electric or zero emission vehicles can provide to Southampton's air quality problem and therefore will look at best practice in other towns and cities, with a view to introducing both local incentives for electric car use and to significantly improving availability of charging points. Council fully supports the executives plan to review all discounts, incentives and policies to increase the take up of Electric Vehicles and Hybrids in the city. Furthermore, Council welcomes the current public consultation on providing a 90% parking discount on season tickets in the city centre. Council also agrees to review planning policies to introduce requirements for rapid charge electric vehicle charging points for suitable new developments.

Motion	Welfare Reforms	Date	15/11/2017
Moving Cllr	Kaur	Seconding Cllr	Savage

Text of motion as carried

Council notes that the Welfare Reforms have created hardship in Southampton for individuals and families both in work and out, since 2013. Universal Credit, the so-called ‘flagship’ of these reforms, has proven not to be without its issues, especially for the most vulnerable. Since its full rollout in Southampton earlier this year, we have seen individuals wait as long as three months for their first payment, a 22% increase in the use of foodbanks and a rise in rent arrears with private landlords refusing to take families on benefits.

Having already written to the Minister of Work and Pensions expressing our concerns prior to rollout of Universal Credit, Council will continue to work with and support local charities and organisations raising these important issues locally and nationally.

Council supports the national campaign to pause the roll out of Universal Credit, but also calls on Government to commit to fixing the problems raised in places like Southampton, and asks all three Southampton MPs to do the same.

Motion	Tourism	Date	15/11/2017
Moving Cllr	Hecks	Seconding Cllr	J Baillie

Text of amended motion as carried

Council recognises the considerable contribution that tourism makes to the local economy. Southampton is an historic city with many surviving elements of its medieval past, some of which, regrettably, are inaccessible to residents and visitors alike, are deteriorating and are in need of urgent repair and restoration. Of particular concern are the many medieval vaults off High Street, French Street, Simnel Street and Western Esplanade.

Council notes the significant investment the executive has put in place for heritage in recent years. It is pleased by the decision already taken by the executive to undertake a comprehensive review, which is currently in process, of the condition of our entire medieval heritage in order to bring forward a programme of repair and refurbishment with a view to greatly increasing public access to these historic but sadly underused elements of the City’s heritage to the benefit of visitors and residents alike.

In addition, Council is pleased by efforts that have already taken place with partners to re-establish a conveniently located and meaningful Tourist Information Centre to actively promote tourism within the City.

Motion	NJC Pay Claim	Date	15/11/2017
Moving Cllr	Shields	Seconding Cllr	McEwing

Text of motion as carried

This Council notes that:

- NJC basic pay has fallen by 21% since 2010 in real terms
- NJC workers had a three-year pay freeze from 2010-2012
- Local terms and conditions of many NJC employees have also been cut, impacting on their overall earnings
- NJC pay is the lowest in the public sector
- Job evaluated pay structures are being squeezed and distorted by bottom-loaded NJC pay settlements needed to reflect the increased National Living Wage and the Foundation Living Wage
- There are growing equal and fair pay risks resulting from this situation

This Council therefore supports the NJC pay claim for 2018, submitted by UNISON, GMB and Unite on behalf of council and school workers and calls for the immediate end of public sector pay restraint. NJC pay cannot be allowed to fall further behind other parts of the public sector. This council also welcomes the joint review of the NJC pay spine to remedy the turbulence caused by bottom-loaded pay settlements.

This Council also notes the drastic ongoing cuts to local government funding and calls on the Government to provide additional funding to fund a decent pay rise for NJC employees and the pay spine review.

This Council resolves to:

- Call immediately on the LGA to make urgent representations to Government to fund the NJC claim and the pay spine review and notify it of its action in this regard;
- Write to the Prime Minister and Chancellor supporting the NJC pay claim and highlighting that cross-party effort is meeting the need to reduce the council's budget and that pay increases to the level sought requires additional funding;
- Meet with local NJC union representatives to convey support for the pay claim and the pay spine review.

Moving Cllr	Denness	Seconding Cllr	Kaur

Motion	Social care finances	Date	19/09/2018
Moving Cllr	Shields	Seconding Cllr	Bogle

Text of motion as carried

This Council is alarmed at the continuing financial crisis facing England’s adult and children’s social care systems which – between them account for over half of discretionary spending for upper tier local authorities like Southampton. This crisis is getting worse as a direct consequence of increased demand for Council-commissioned care services due to an ageing population and the negative impact of welfare reforms on vulnerable working age adults and their families. The problem is further compounded by the year-on-year Government reductions in Council finances since 2010 – with places like Southampton, hit particularly hard.

This Council accepts that local authority social care services up and down the country have reached a tipping point with some County Councils – like Northamptonshire, Somerset and West Sussex – facing bankruptcy. Moreover the social care funding crisis also threatens our valued NHS as we celebrate its 70th anniversary. For too long have governments – of all colours – put off meaningful action to address the chronic underfunding of our social care system and we look forward later this year to receiving a (thrice delayed) Government Green Paper on adult social care. We applaud the Local Government Association initiative in producing its own Green Paper for adult social care and wellbeing ‘The Lives We Want to Lead’ and the local response to this by the City’s Health & Wellbeing Board and other partners

This Council urges the Government to commit to long-term funding for adult social care services along the same lines as for the NHS – i.e. free at the point of need and funded through general taxation. In recognition that a commitment of this magnitude may take time to fully implement, we call on the Government to avert the pending crisis in adult social care (requiring £3.56 billion more by 2025 just to stand still) by ensuring an immediate injection of an extra £2 billion to England’s local authorities in the autumn statement specifically for health and social care. This Council urges the City’s three MPs to make urgent representations to the ministers of state for care and public health (both Hampshire MPs) to ensure that Southampton receives a fair funding deal from Government in order to deliver its statutory care and health responsibilities.

Motion	Domestic violence and Universal Credit	Date	19/09/2018
Moving Cllr	Mitchell	Seconding Cllr	McEwing
Text of motion as carried			
<p>This Council notes that Southampton has a relatively high incidence of domestic violence reporting and studies show that once in an unhealthy relationship economic abuse is one of the most common types of abuse faced by the abused partner.</p> <p>This council believes that the system of paying universal credit to couples via a single household payment, rather than paying benefits to the separate individuals who claim, has the potential to exacerbate this kind of abuse by concentrating power and resources in the hands of a perpetrator.</p> <p>This council recognizes that this puts individuals at further risk of coercive control and that it may also make it harder for them to leave an abusive relationship knowing they can't put any money aside as a contingency without their abuser noticing.</p> <p>This council believes that these sorts of barriers for victims of domestic abuse wanting to seek help are unacceptable.</p> <p>Therefore this council will write to the Secretary of State for Work and Pensions and the Parliamentary Under-secretary of state for crime, safeguarding and vulnerability asking them to rethink this policy and pay non housing elements of universal credit to individual's claimants as standard.</p>

Motion	Armed Forces Community	Date	21/11/2018
Moving Cllr	McEwing	Seconding Cllr	Fuller
Text of motion as carried			
<p>This Council notes:</p> <ol style="list-style-type: none"> 1. The obligations its owes to the Armed Forces community within Southampton City Council as enshrined in the Armed Forces Covenant; that the Armed Forces community should not face disadvantage in the provision of services and that special consideration is appropriate in some cases, especially for those who have given the most. 2. The absence of definitive and comprehensive statistics on the size or demographics of the Armed Forces community within Southampton City Council. This includes serving Regular and Reserve personnel, veterans, and their families. 3. That the availability of such data would greatly assist the Council, local partner agencies, the voluntary sector, and national Government in the planning and provision of services to address the unique needs of the Armed Forces community within Southampton City Council. <p>In light of the above, this Council moves to support and promote The Royal British Legion's call to include a new topic in the 2021 census that concerns military service and membership of the Armed Forces community. We further call upon the UK Parliament, which will approve the final census questionnaire through legislation in 2019, to ensure that the 2021 census includes questions concerning our Armed Forces community.</p>

Motion	Crime rate	Date	20/03/2019
Moving Cllr	Furnell	Seconding Cllr	Shields
Text of motion as carried			
<p>This Council notes with alarm the continuing increase in the rate of recorded crime across the country with a rise last year of 12.8%.</p> <p>This Council is concerned that this disturbing pattern is mirrored in Southampton with the number of crimes recorded in the city last year totalling 31,859 - a 2.3% increase on the figure for 2016/17 (which represented a 9% increase on 2015/16) and representing 20% of all recorded crime across the Hampshire & Isle of Wight police force area.</p> <p>Of particular concern are the sharp increases in the following categories:</p> <ul style="list-style-type: none"> ▪ Serious Knife Crime (up by 28.9% on the previous year) ▪ Hate Crime (up by 24.7% on the previous year) ▪ Robbery (up by 23.9% on the previous year) ▪ Rape (up by 23.8% on the previous year) <p>This Council notes that between January 2010 and March 2018 the number of neighbourhood police serving the City declined by a third from 87 to 60 and presently the number stands at 47.</p> <p>This Council, therefore, welcomes the commitment given by the Police & Crime Commissioner to increase the number of frontline police officers by 210 – as justification for an increase in the police precept element of the Council Tax – and fully expects Southampton to receive its fair share of this additional resource.</p> <p>This Council calls upon the Police & Crime Commissioner to ensure deployment of a further 25 additional neighbourhood police officers over the coming year to boost the number in each of the City’s eight neighbourhood teams and to create sufficient capacity to respond in a timely manner to local incidents without depleting existing local services.</p>			

Motion	City of Culture	Date	15/05/2019
Moving Cllr	Kaur	Seconding Cllr	Hannides

Text of motion as carried

Council notes the positive economic and social impact made to cities that have successfully bid for City of Culture; this ranges from an inward investment of £2 billion to over 90% engagement from residents in the city of Hull. Council understands and values the impact that arts, culture and heritage can have on the economic and social strength of a city, and the difference a City of Culture bid can make to people’s lives. Together Southampton will aim to use the development of the bid as part of the journey to help Southampton reach its full potential, while engaging people from all ages, backgrounds, abilities, races and religions.

Council wishes to build on our, and other stakeholders, investment in arts and culture-led regeneration to use culture to shape and deliver sustainable economic, social, environmental, health and wellbeing outcomes for not only our current communities but also future generations of residents, visitors, artists, innovators and businesses in the decades to come. As part of our civic duty, we jointly commit to co-create with our diverse, talented communities and wider stakeholders a partnership bid from Southampton to become UK City of Culture.

Council calls upon all elected members, stakeholders, partners, and members of our diverse communities to support the creation of Southampton’s City of Culture bid for 2025, so we can use this opportunity to work together to generate the creation of a better city for the future.

Motion	VE Day	Date	18/09/2019
Moving Cllr	Guthrie	Seconding Cllr	Kaur

Text of motion as carried

This Council notes that the 75th anniversary of VE Day on 8th May 2020 is a time when many other local authorities, not just in Britain but around the world, will be holding their own events to mark the end of the Second World War in Europe.

Southampton played a unique role in the effort to defend the United Kingdom's freedom. As such, this Council commits itself to the organisation of a special event for the VE Day commemoration and will work with local armed forces veterans and charities to remember the sacrifices that finally brought peace to Europe in 1945.

This Council recognises that many of Southampton's residents are proud of their city's struggle to defend their future and will ensure that information on the event is widely distributed and that members are kept updated on its planning in a timely manner.

Motion	Further Education	Date	18/09/2019
Moving Cllr	Keogh	Seconding Cllr	Savage

Text of motion as carried

This Council recognises the extreme difficulties and challenges faced by our three Further Education colleges in this City as a result of the significant cuts to their budgets since 2010 and in particular the impact this has had on our two sixth form colleges. Per student funding for sixth form students has been frozen at £4 000 since 2013 and the rate for those over 18 was cut by 17.5% in 2014 from £4 000 to £3 300.

This Council does recognise and welcomes the recent announcement by the chancellor of £400m of additional funding for further education in England, but this does not go far enough to restore the cuts since 2010 and the detail has yet to be published.

This Council is aware of the recent Area Reviews that have sought to place our Further Education colleges on a more sustainable foundation. This most recent review is recommending a close collaboration between our three Colleges with the potential for a merger.

This Council asks the Leader of the Council to write a joint letter signed by the leader of the opposition and the leader of the Solent LEP to the Secretary of State for Education urging that this closer collaboration and potential merger between the City's three Colleges is given its highest support and any barriers to such a proposal are removed to ensure the young people of Southampton can have access to the very best of institutions and facilities at the Further Education level to allow them to achieve their full potential.

Motion	Safe Nurse Staffing levels	Date	20/11/2019
Moving Cllr	Shields	Seconding Cllr	Spicer
Text of motion as carried			
<p>Southampton City Council acknowledges the research carried out locally by the University of Southampton as part of an evidence review for the National Institute of Clinical Excellence and cited in the International Journal of Nursing Studies, relating to the very real and increasing risk of inadequate nurse staffing or skill-mix levels presented to high quality and safe patient care.</p> <p>The City Council recognises the need for the NHS in England to address concerns of members of the Royal College of Nursing in making safe staffing levels a statutory requirement for all the UK's NHS care providers not least locally, where in June 2019 there were 4,881 vacancies in the Wessex Region which covers the Southampton population. This included 422 vacancies for qualified medical and dental and 2,257 registered nursing and midwifery staff. Specifically there were 40 vacancies for qualified medical and dental staff in NHS organisations based in Southampton (29.7% of the regional total) and 196 registered nursing and midwifery staff vacancies (27.9% of the regional total).</p> <p>The City Council resolves, therefore, to write to the chair of the Local Government Association's Community Wellbeing Board to secure their support for safer nurse staffing levels given the impact of such shortages on the residents of the city.</p>			

Motion	Rising Crime and Falling Police Numbers in Southampton	Date	20/11/2019

Motion	Former Civil Service Sports Ground	Date	15/07/2020
Moving Cllr	S Galton	Seconding Cllr	G Galton

Text of amended motion as carried

This Council notes the overwhelming public desire for at least some unrestricted access to the former Civil Service Sports Ground.

Council recognises the recent deputation from the Friends of the Field group asking for the same.

Council takes on board the majority of public comments to the pre-consultation and formal planning application process, asking for unrestrictive access.

Council acknowledges the supportive comments made during the planning meeting itself by a number of cross party Councillors and that the Chair made it clear they were only there to decide on the application before them, not create policy.

Council recognises the previous legal advice that has been provided to members. The main concern being any additional activities like dog walking or infrastructure such as bins and benches; do not interfere with the primary use of pitches for team games and recreational play.

Council further recognises the current legal restrictions on the former Civil Service Sports Ground site resulting from:

- a. the conditions of the compulsory planning order (CPO) made by the Council in 2009 which designates the entirety of the site acquired for the purposes of a school playing field
- b. the change in planning use designation of the site in 2010 from private open space to school playing field.

As such Council resolves to request the administration ensure the Council's development plans for the site are reviewed to include a legally accessible pocket park, or other area of public accessible land, adjacent to wider contained school development site, but separate from the main school site e.g. through lawful acquisition of any neighbouring vacant land.

Motion	Holiday Hunger	Date	18/11/2020
Moving Cllr	Margetts	Seconding Cllr	Fielker

Text of motion as carried

The Southampton City Council calls on the UK government to join with us to end holiday hunger. We call on the government to commit to fully fund holiday food provision for every child on free school meals in Southampton for the next three years. Further, we call on the government to support the development of a longer-term plan to ensure that every child in Southampton is food secure.

We call on the government to develop and fund a long-term approach so that all children are well fed throughout the year, including during school holidays.

We welcome the recent u-turn by the government to fund holiday food provision. We regret that this decision came after the recent October half term holiday, that put our children at risk of hunger. During the recent half term break in October Southampton City Council, together with local community groups, restaurants and other groups, stepped up to ensure every child on free school meals in the city had access to food during the holiday. The people of Southampton showed that they will not stand by while children go hungry, but this ad hoc approach is not a sustainable way to ensure food security for all our children.

Now is the time to address long term food insecurity in Southampton. Over 9000 children now depend on free school meals, and family use of food banks has been rising sharply over recent years. This will only get worse as the effects of Covid-19 on job losses and loss of family income increase. Food security is a fundamental human right, no child should go to bed hungry. This is bad for them in the short and long term and our children deserve the best possible start in life.

Motion	Local Election (May 2021)	Date	18/11/2020
Moving Cllr	Hammond	Seconding Cllr	Rayment

Text of motion as carried

This Council recognises that the democratic process is sacrosanct, and elections held in Southampton must be free, fair and easy to participate in.

The upcoming local election (May 2021) will be like no other. Set during the worst global pandemic in nearly 100 years, it will require changes to proceed safely. Council believes that our residents must be able to safely participate in our local democracy.

Although we recognise that there are different ways to vote, the most convenient way is to register for a postal vote and vote at home. Whilst we do publicise this option, it is not widely known that Postal Voting is available to anyone who requests it and take-up is currently 15% of the electorate.

Council resolves that it enhances its publicity around postal voting and continues its work with the Electoral Commission on the national campaign to raise awareness.

<p>This Council notes with alarm how the number of people in Southampton claiming Universal Credit has more than doubled over the past year. The prospect of further increases in the number of people in the City forced to claim out of work benefits when temporary measures introduced by Government to mitigate against coronavirus come to an end in the autumn are truly frightening.</p> <p>This Council applauds the invaluable role played by local civic society in responding to challenges presented by the pandemic not least with respect to the mushrooming of mutual aid organisations to co-ordinate action at a local neighbourhood level in tackling poverty.</p> <p>This Council therefore commits to:</p> <ol style="list-style-type: none"> 1. Developing a whole City approach to tackling poverty and deprivation at a local neighbourhood level taking as a key start point the recommendations of the City's Fairness Commission; 2. Motion	Motion on the removal of historical monuments and artefacts	Date	17/03/2021
Moving Cllr	Guthrie	Seconding Cllr	Prior
Text of motion as carried			
<p>Southampton is a city with a rich maritime and community past, one that is marked by grand, striking events and smaller, incremental changes involving a range of historical figures and lesser known people. Around Southampton, monuments, memorials and statues tell some of the stories of our city that have become woven into the fabric of world history, and it is a story that continues to be written.</p> <p>This Council recognises that it has a responsibility to be a custodian of the city's past as well as a duty to ensure that it is inclusive and representative of our diverse histories. In this way it provides the opportunity for all Southampton residents and visitors to discover the city's roots and the journey it has undertaken throughout history.</p> <p>Therefore, this Council commits to never arbitrarily extract or displace any monument, memorial or statue and to subject the decision to appropriate levels of resident consultation. By involving residents in these decisions, this Council seeks to ensure Southampton's legacy continues to flourish and to become better understood.</p>

Moving Cllr	Reynard	Seconding Cllr	Bunday
Text of motion as carried			

Council is concerned at the level of crime and anti-social behaviour affecting our communities and the everyday lives of our residents.

Council resolves to ensure that Southampton residents get value for money on policing and we therefore call on Government and the newly elected Conservative Police and Crime Commissioner to:

- Ensure Southampton residents get their fair share of necessary funding and resources needed to tackle crime and anti-social behaviour on our streets.
- Ensure Southampton gets the additional police it needs as part of the extra 600 police being recruited by Hampshire Constabulary.
- Value neighbourhood policing and work more closely with Southampton City Council, by making use of the additional funding allocated by Hampshire Constabulary as part of its new ASB Task Force and also the new £500k Community Fund created in Southampton to tackle anti-social behaviour.
- Ensure policing can be brought closer to our local communities, as already being demonstrated by the welcome reopening of Bitterne Police Station.

The Southampton National Park City Project (SNCP) is a grassroots community initiative that seeks to create more spaces that are safe to play in and where nature can flourish – a city where people, culture and nature work together.

It is affiliated to the National Park City Foundation, a global movement that aims to create 25 National Park Cities (NPCs) by 2025.

Council fully supports the Southampton National Park City Project and its aim of achieving National Park City status for Southampton by 2025 and endorses Cabinet signing the Charter on behalf of Southampton City Council. Additionally, where practical and feasible, the Council will assist SNCP as they pursue their objectives.”

This council deplores the recent Russian invasion of Ukraine, accompanied by the terrible loss of life and horrendous destruction of Ukraine’s infrastructure.

Council commends the work of voluntary organisations and individuals in Southampton who are collecting and sending vital relief materials to support Ukrainian refugees.

Council resolves to follow the government’s lead by refusing to engage with any individual, organisation or activity that might support or fund Putin’s war.

Southampton City Council stands with the people of Ukraine and as a City of Sanctuary we will work with government to support refugees and their family members in the city.
