Listening and Attention Skills April 2017

Your child will need to focus hard on the talking around him so that he can develop accurate models of words in his mind and say them clearly himself eventually, after lots of practice time.

Cow says Moo!

Dog says Woof Woof!

Let your child see your mouth shapes as you talk.

Frog says Ribbit!

Cat says Meeow!

Lion says Roar!

ACTIVITY Noise Games

Using toys or puppets, talk about the noises they make e.g. “cow says moo”, “dog says woof woof” and model the sounds to your child ... encourage him to imitate your sounds but don't worry if it's not always accurate – give lots of praise for trying
