RECITALS

- 1 Southampton City Council ("the Authority") is the local planning authority in respect of the area of land specified in this Direction.

DIRECTS THAT

- 1 The permission granted by article 3 of the Order shall not apply to development specified in the First Schedule to this Direction in the area specified in the Second Schedule to this Direction ("the Land").
- 2 This Direction does not require the approval of the Secretary of State because the Authority is satisfied that it is expedient that the particular development described in the First Schedule to this Direction should not be carried out upon the Land which is part of Portswood Residents' Gardens Conservation Area ("the Conservation Area") unless permission is granted for it on application because such development is likely to threaten the character or appearance of the Conservation Area.

- 4 This Direction shall expire at the end of six months from the date on which it was made unless it is confirmed by the Authority.
