We Can Be Active Strategy

1. Positive early experiences for our children and young people
2. Opportunity that meet our needs and interests, and are accessible and easy to find
3. Places and Travel Routes where we *all* feel safe and encouraged to be active
4. Support to help us get started or keep moving when we feel we can't do things alone
5. Bold Leaders working together to create happier healthier communities

Moving forward

Subject to HWB approval, the next step would be co-production of a Southampton action plan
