Tuesday, 20 November 2018

Decision No: (CAB 18/19 21795)

DECISION-MAKER:	CABINET
PORTFOLIO AREA:	LEADER, CLEAN GROWTH & DEVELOPMENT
SUBJECT:	HANTS AND IOW SYSTEM REFORM PROPOSAL
AUTHOR:	CHIEF EXECUTIVE

THE DECISION

- (i) To consider and endorse the recommendations relating to further development of elements of a Hampshire and Isle of Wight Sustainability and Transformation Partnership's System Reform Plan as outlined in sections 11 to 14 below.

REASONS FOR THE DECISION

Sustainability and transformation plans (STPs) were announced in NHS planning guidance published in December 2015 and restated in Next Steps on the Five Year Forward View (2017). NHS organisations and local authorities across England have come together to develop 'place-based plans' for the future of health and care services in their area. All the statutory organisations for Hampshire and the Isle of Wight have been asked to support and endorse the System Reform Proposal so it can be developed further.

DETAILS OF ANY ALTERNATIVE OPTIONS

There is an expectation that organisations participate in the development of the Sustainability and Transformation Partnership. The Council could decide not to engage but there would be a reputational risk with this and there could be a significant impact on progress made with integrated working with health.
